

Species: Acadian redfish with stanza: 2

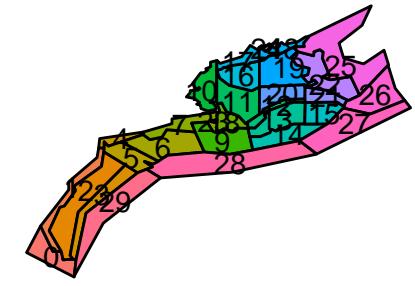

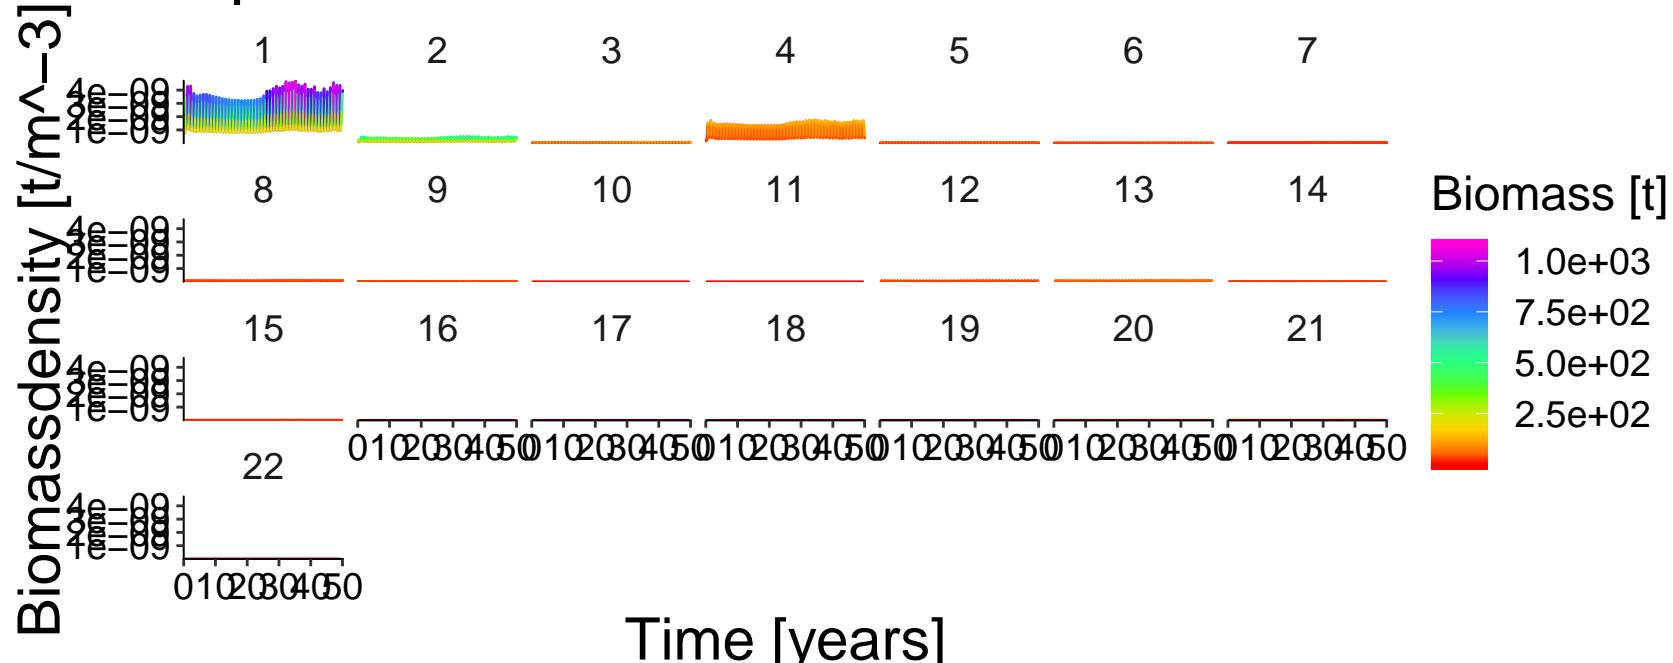

Species: American plaice with stanza: 1

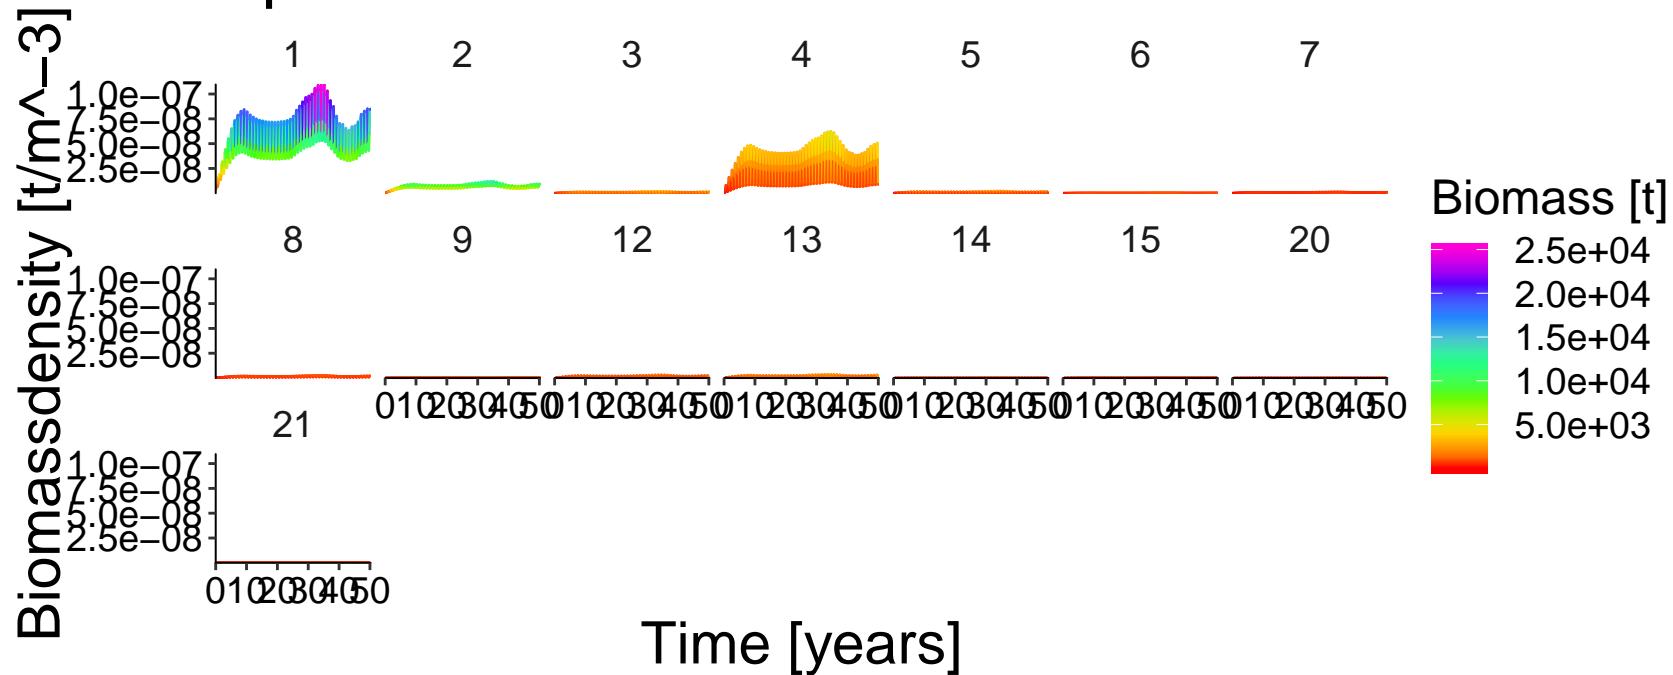

Species: American plaice with stanza: 2

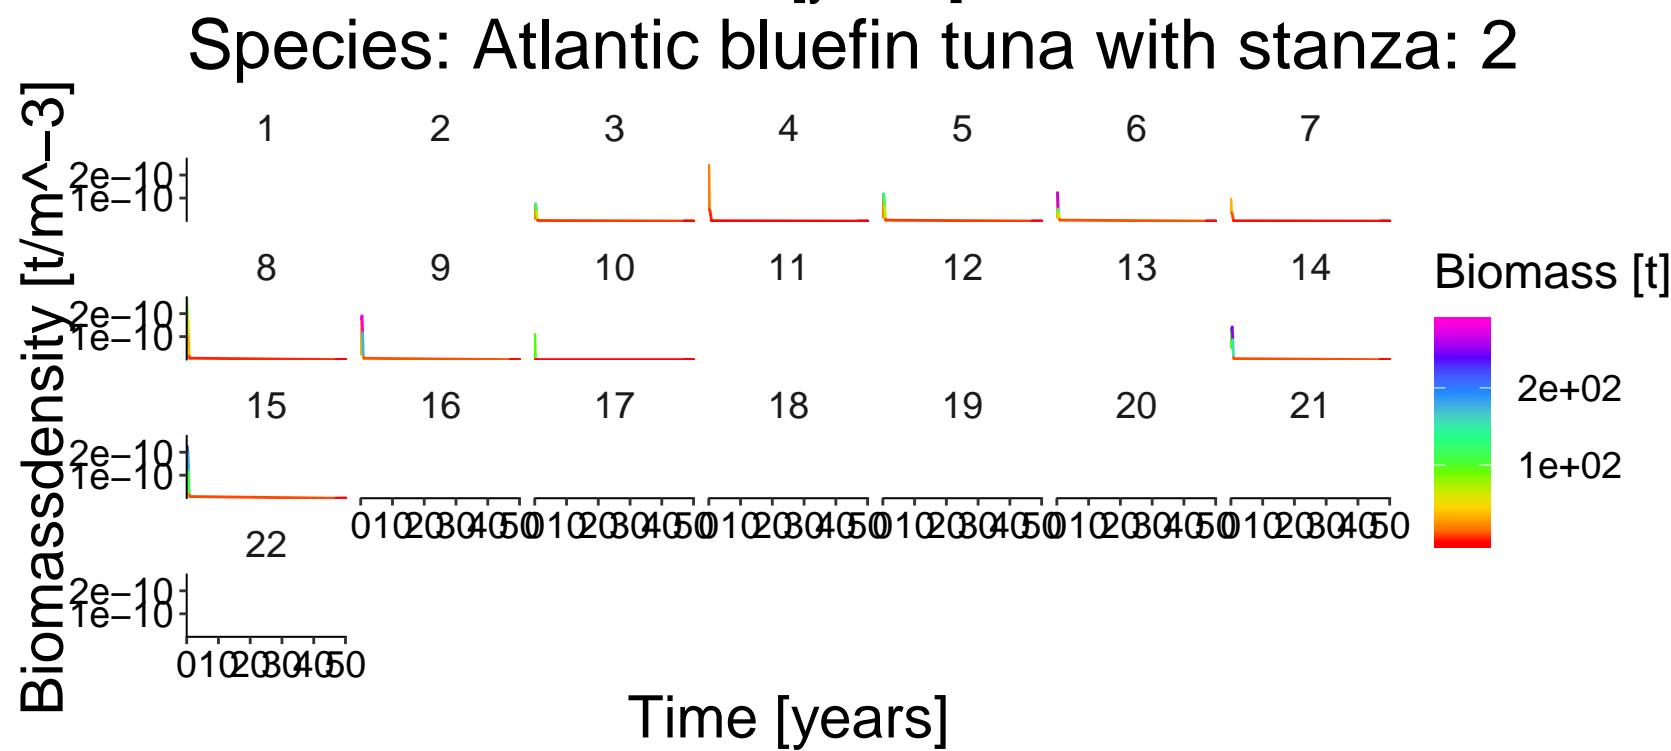

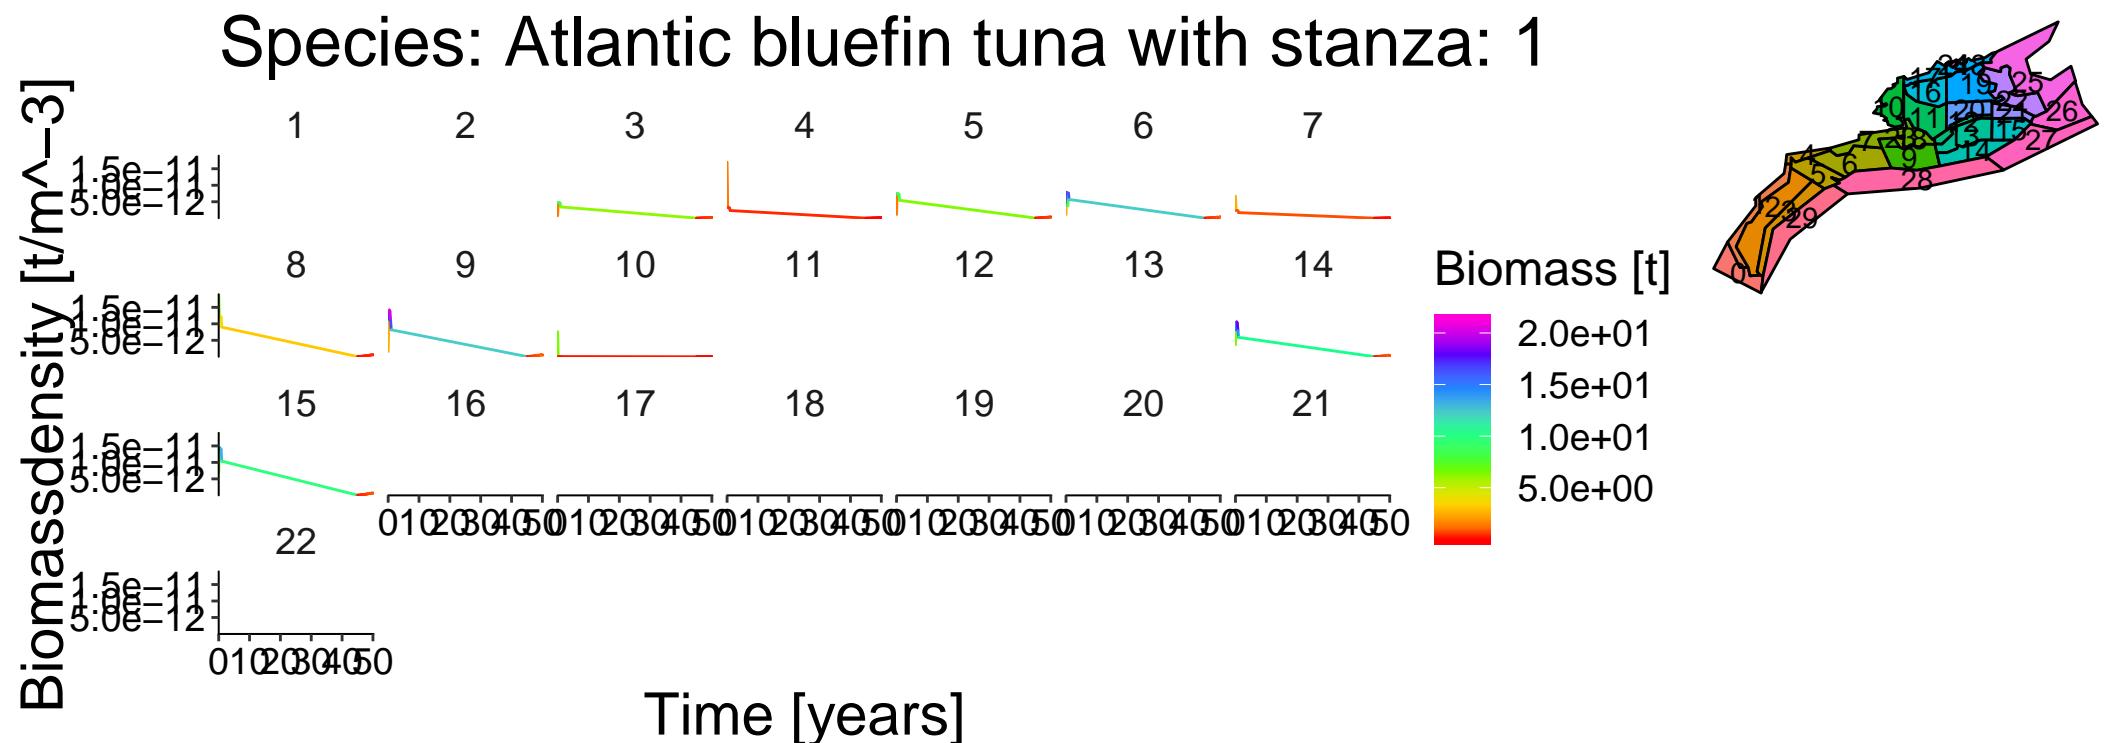

Species: Anchovies with stanza: 1

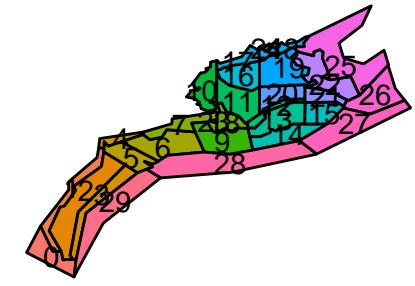

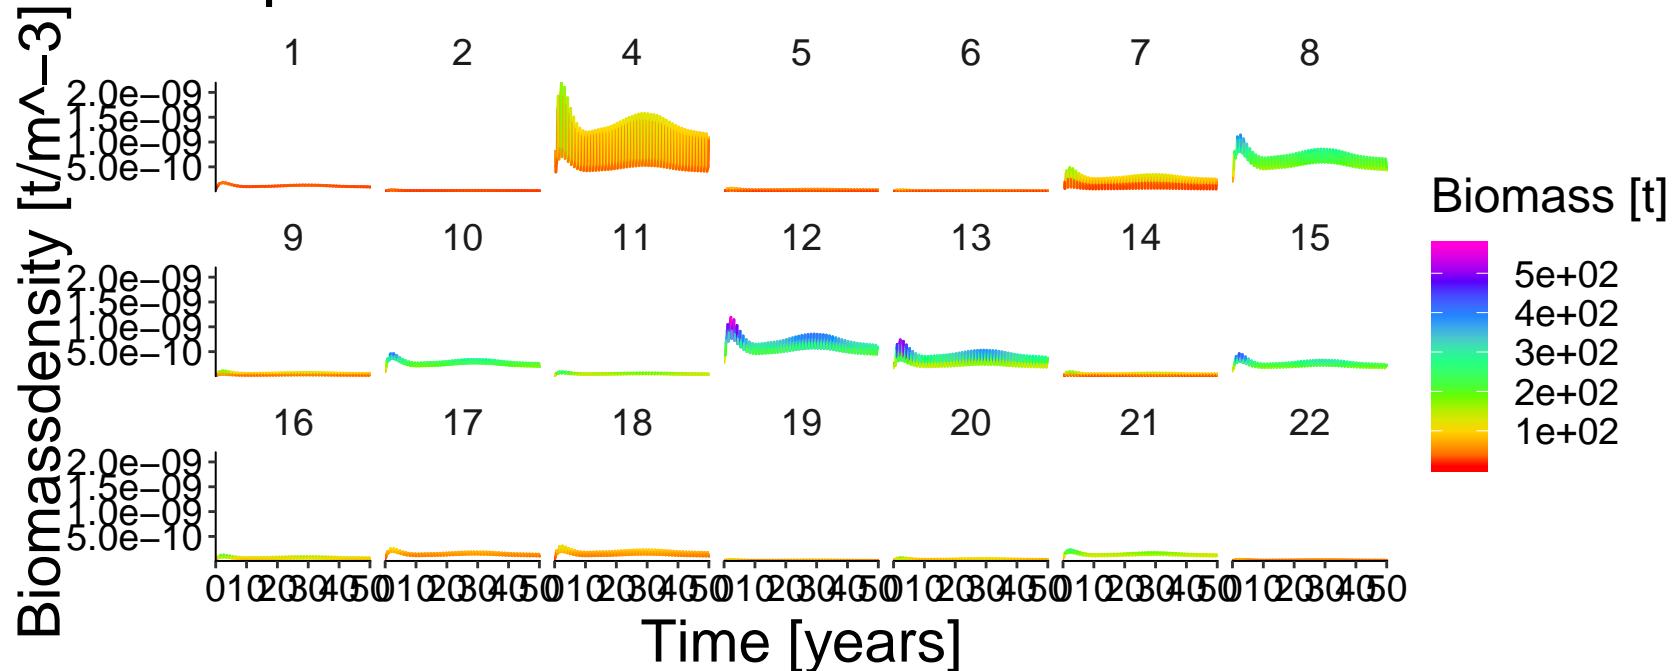

Species: Anchovies with stanza: 2

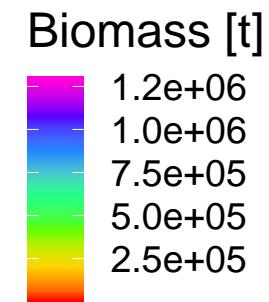

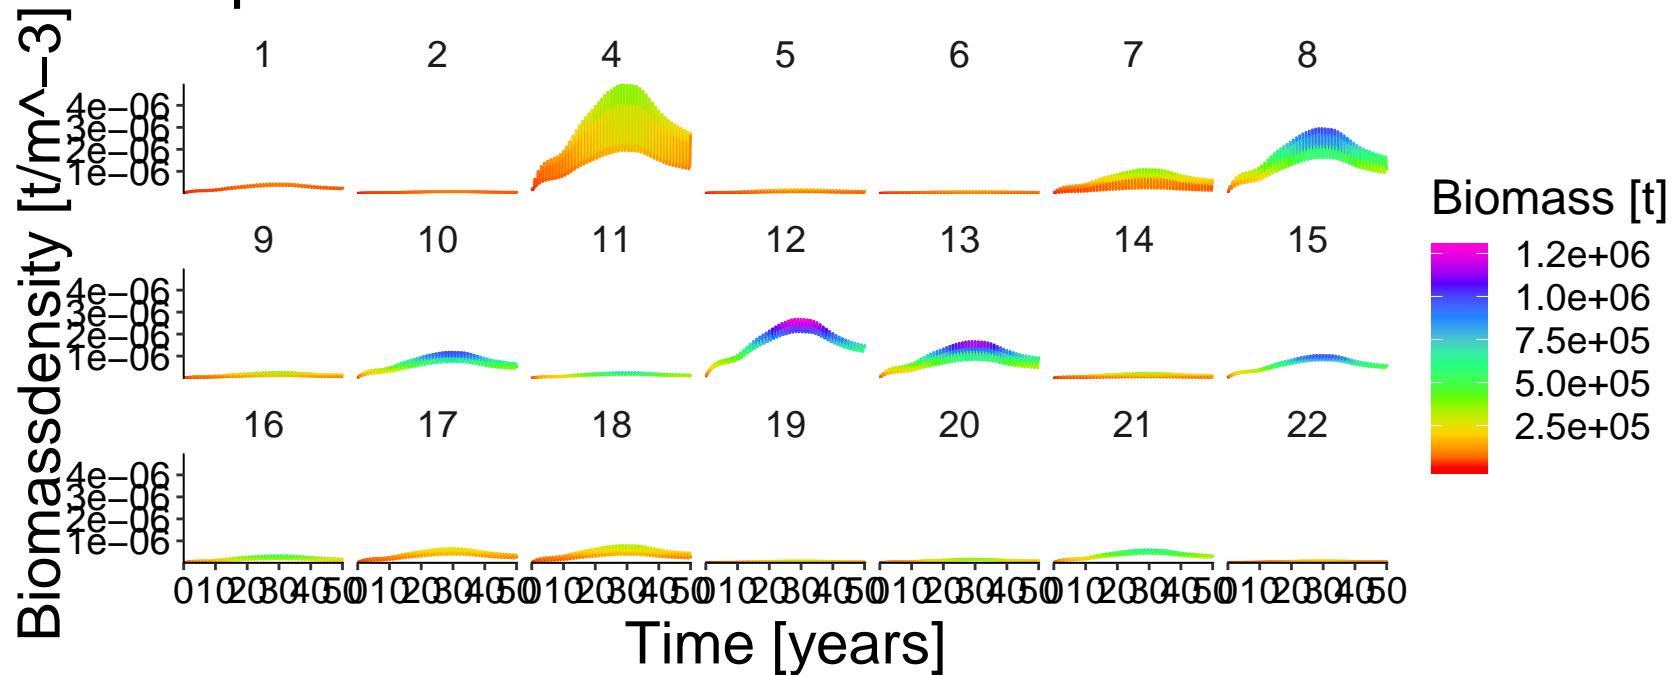

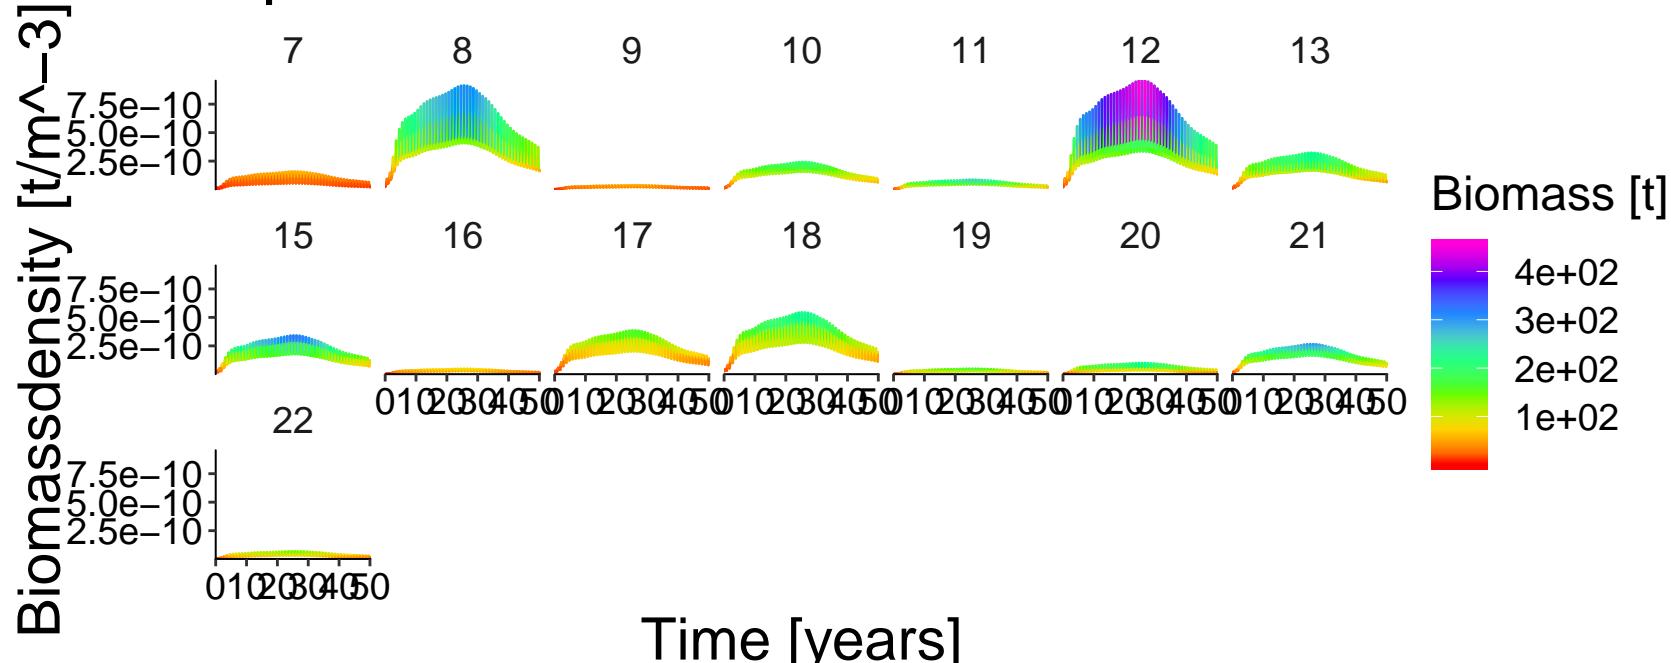

Species: Atlantic cod with stanza: 1

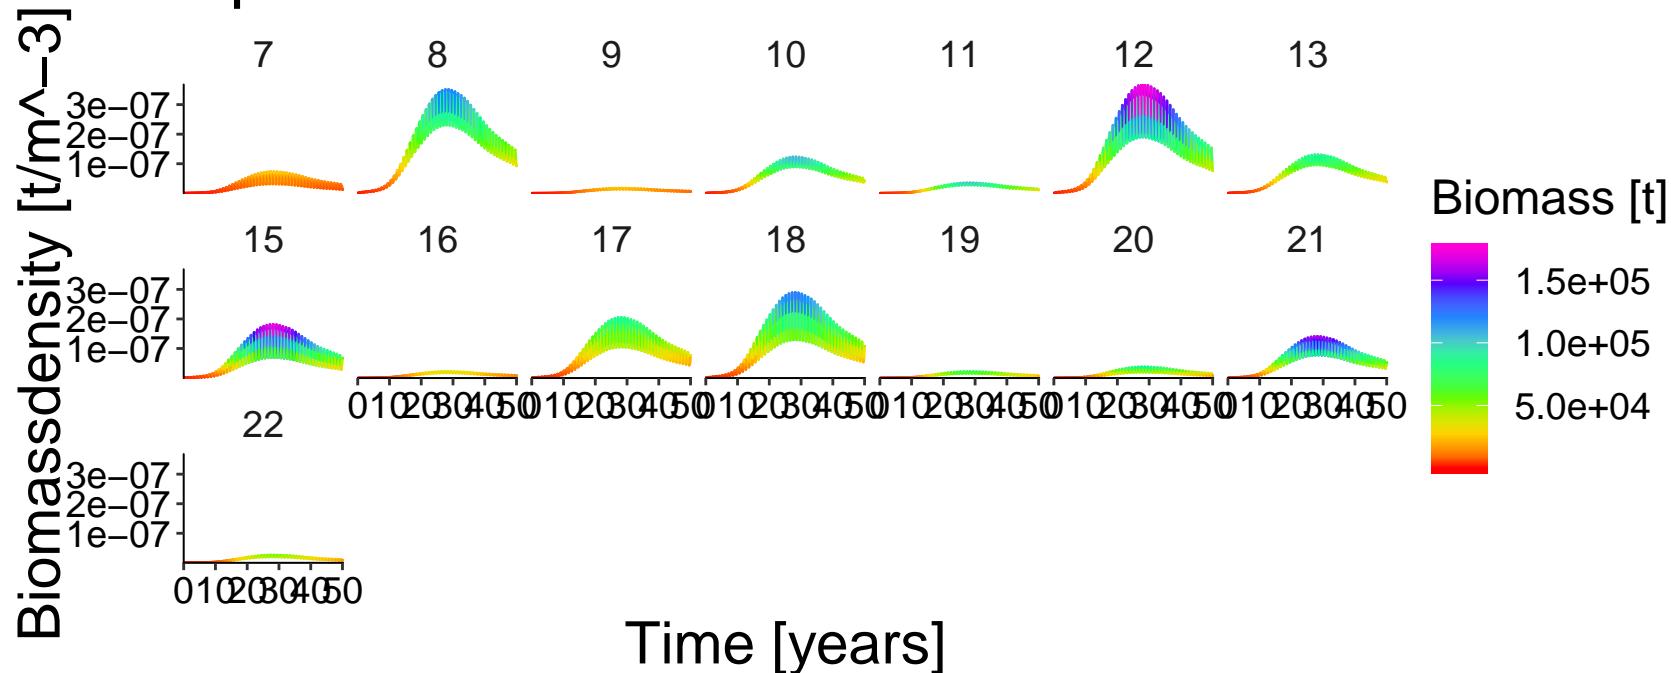

Species: Atlantic cod with stanza: 2

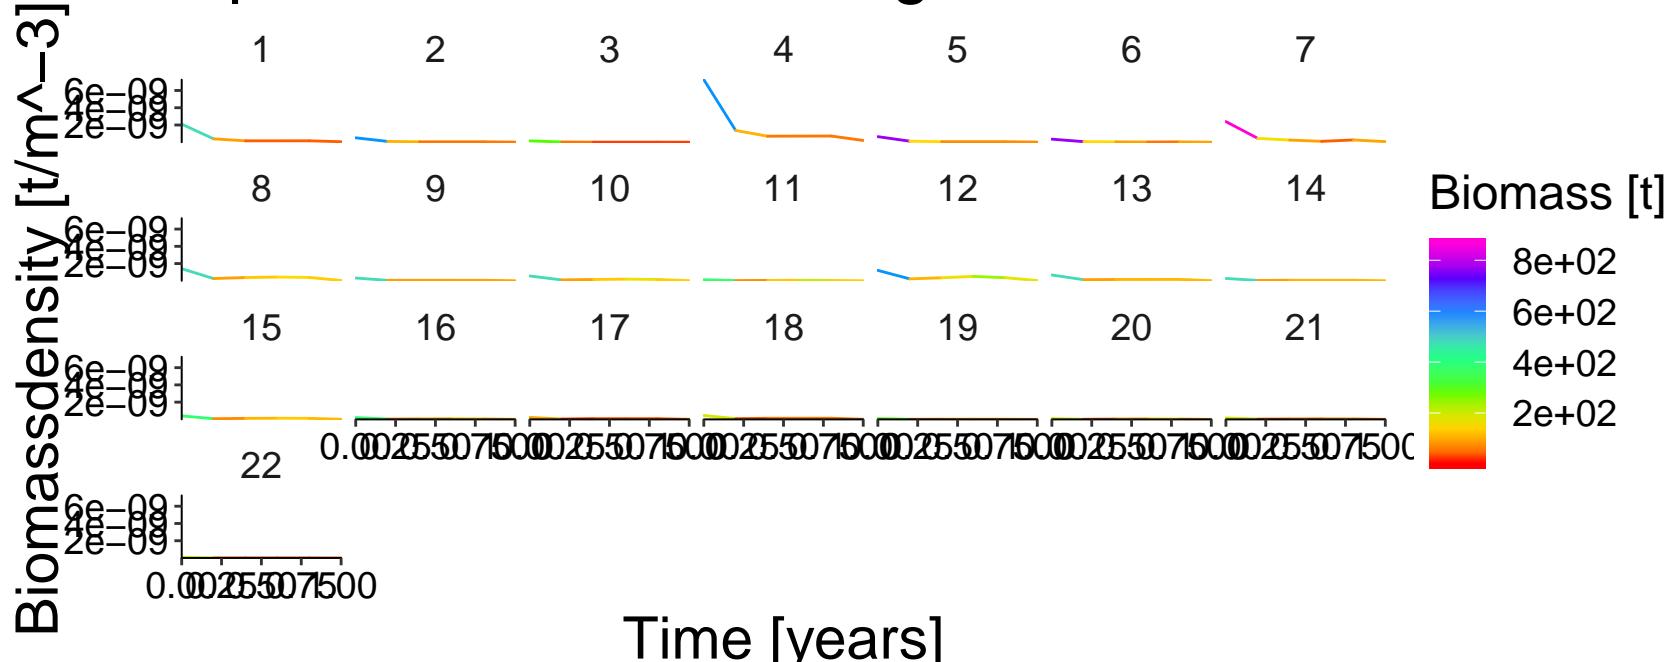

Species: Atlantic halibut with stanza: 1

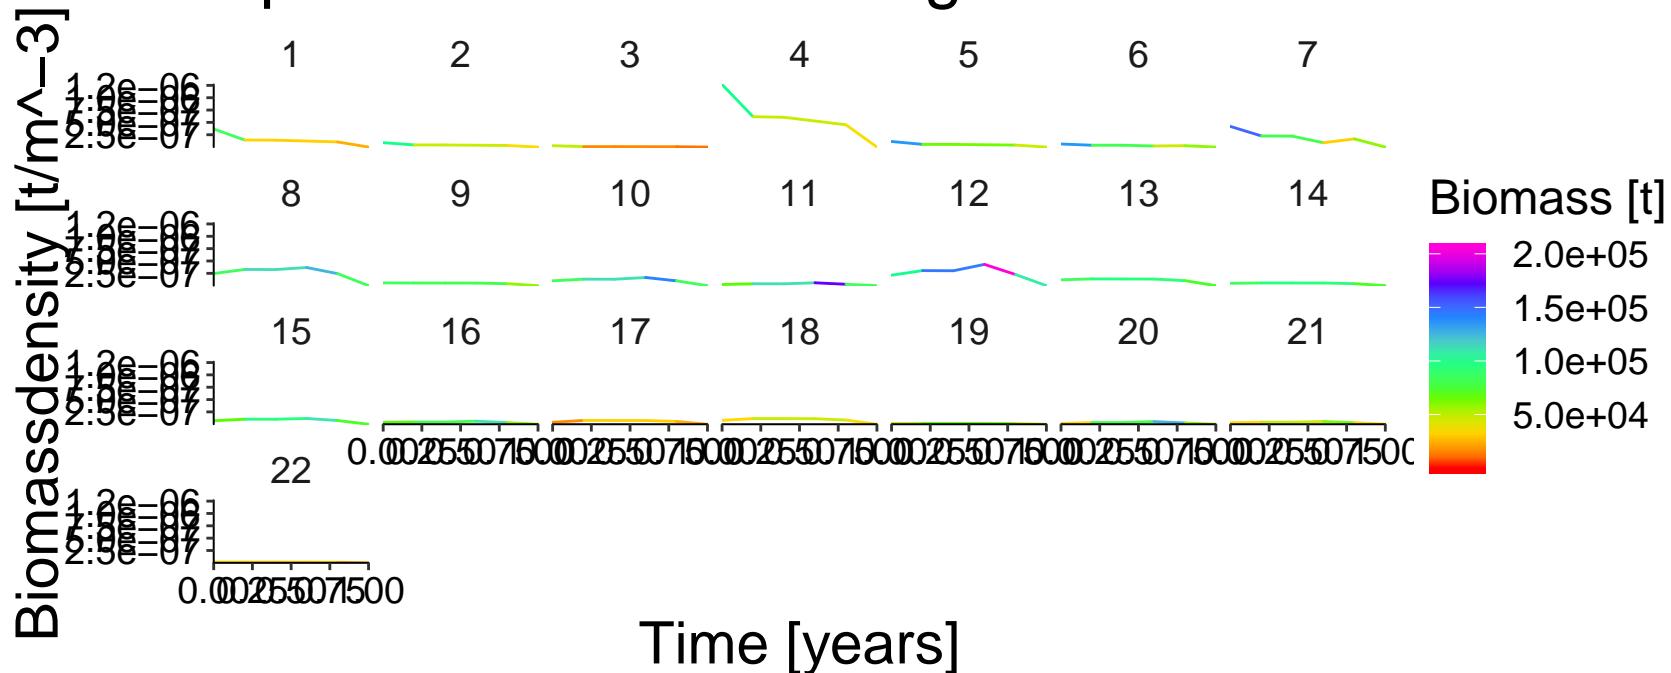

Species: Atlantic halibut with stanza: 2

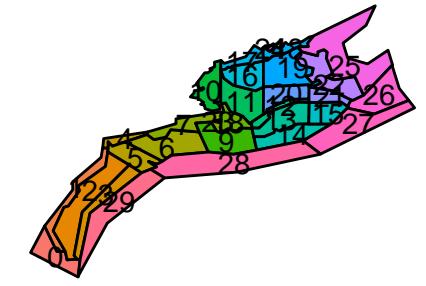

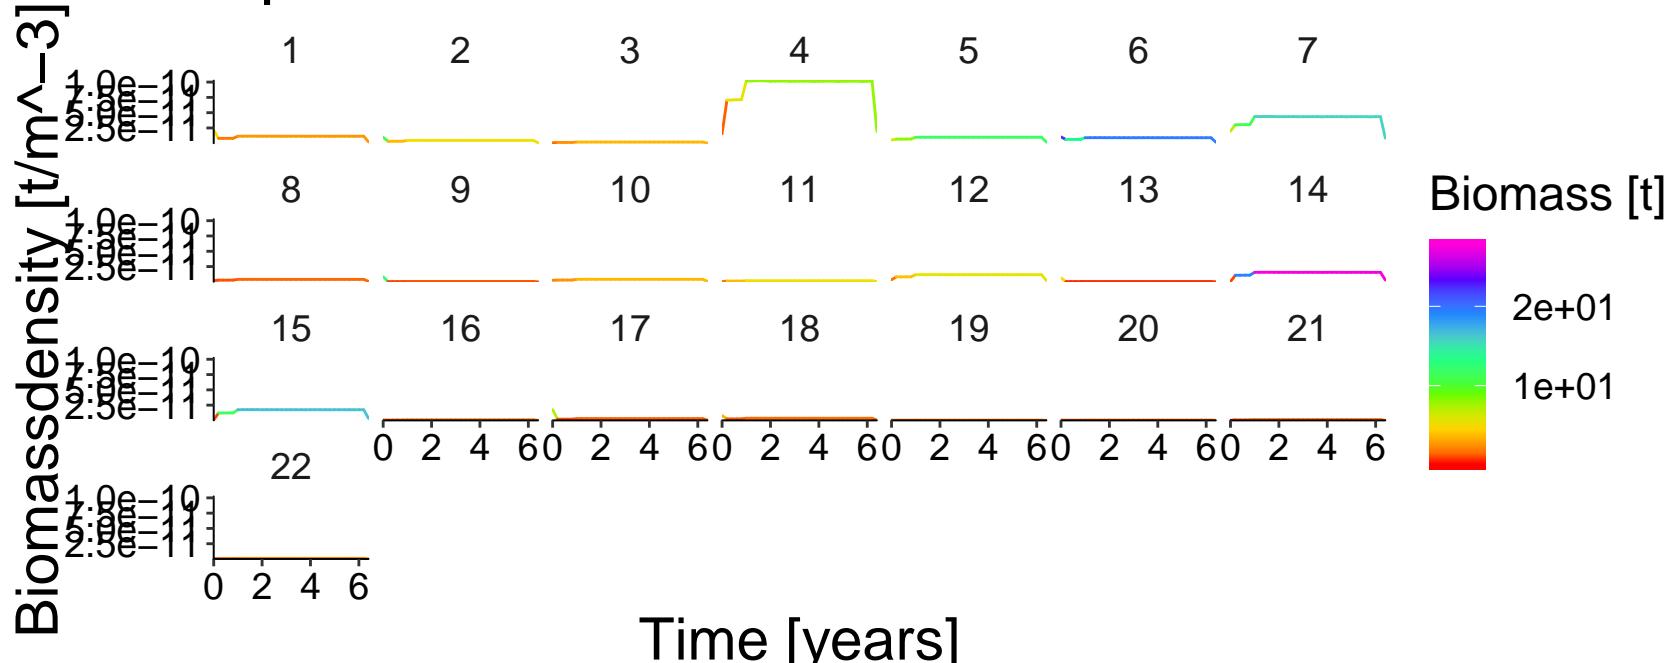

Species: Atlantic herring with stanza: 1

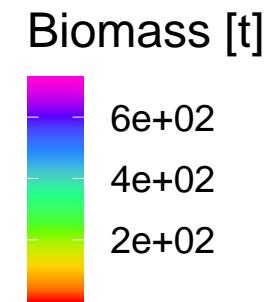

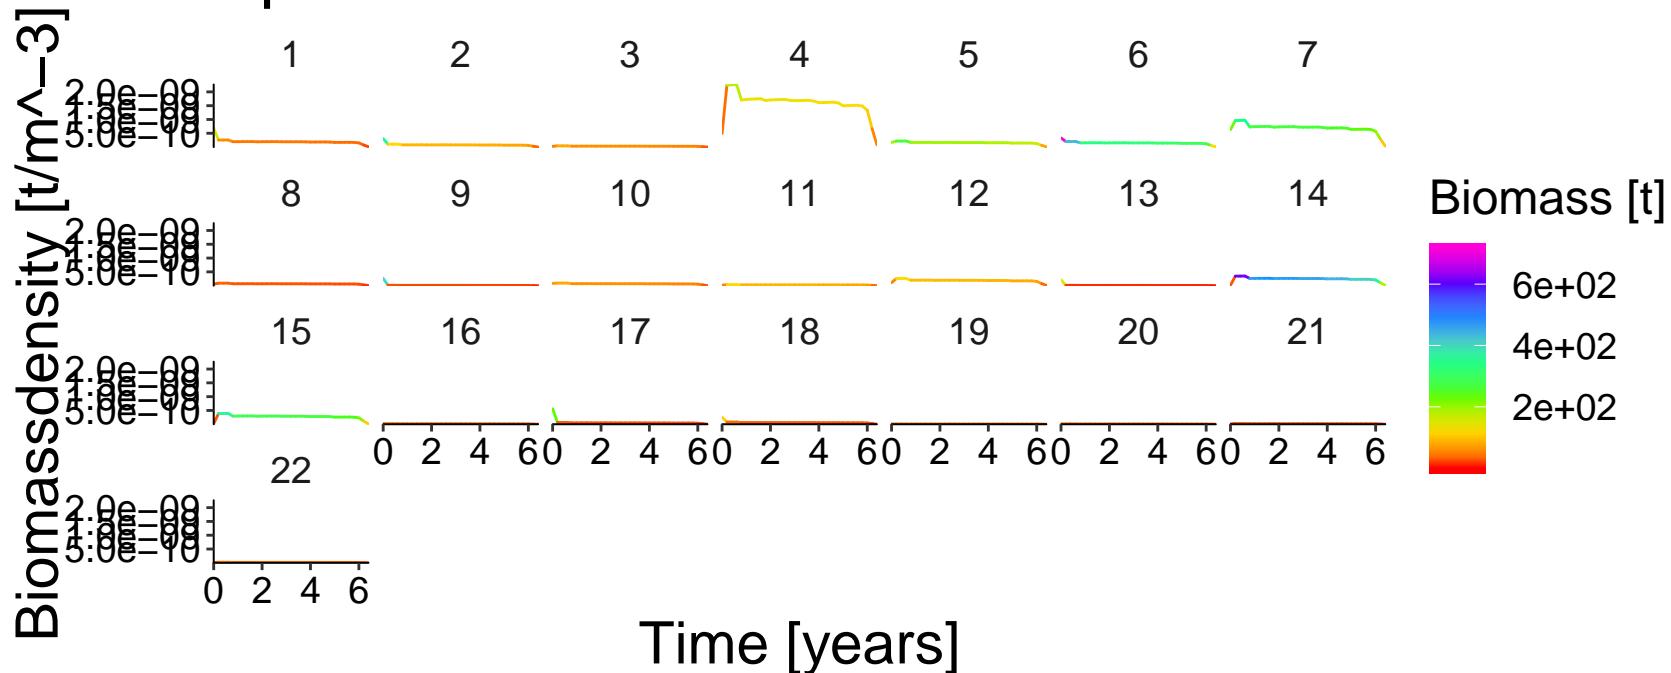

Species: Atlantic herring with stanza: 2

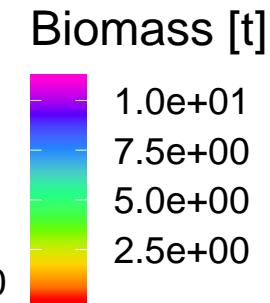

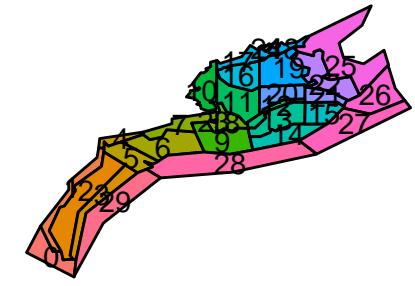

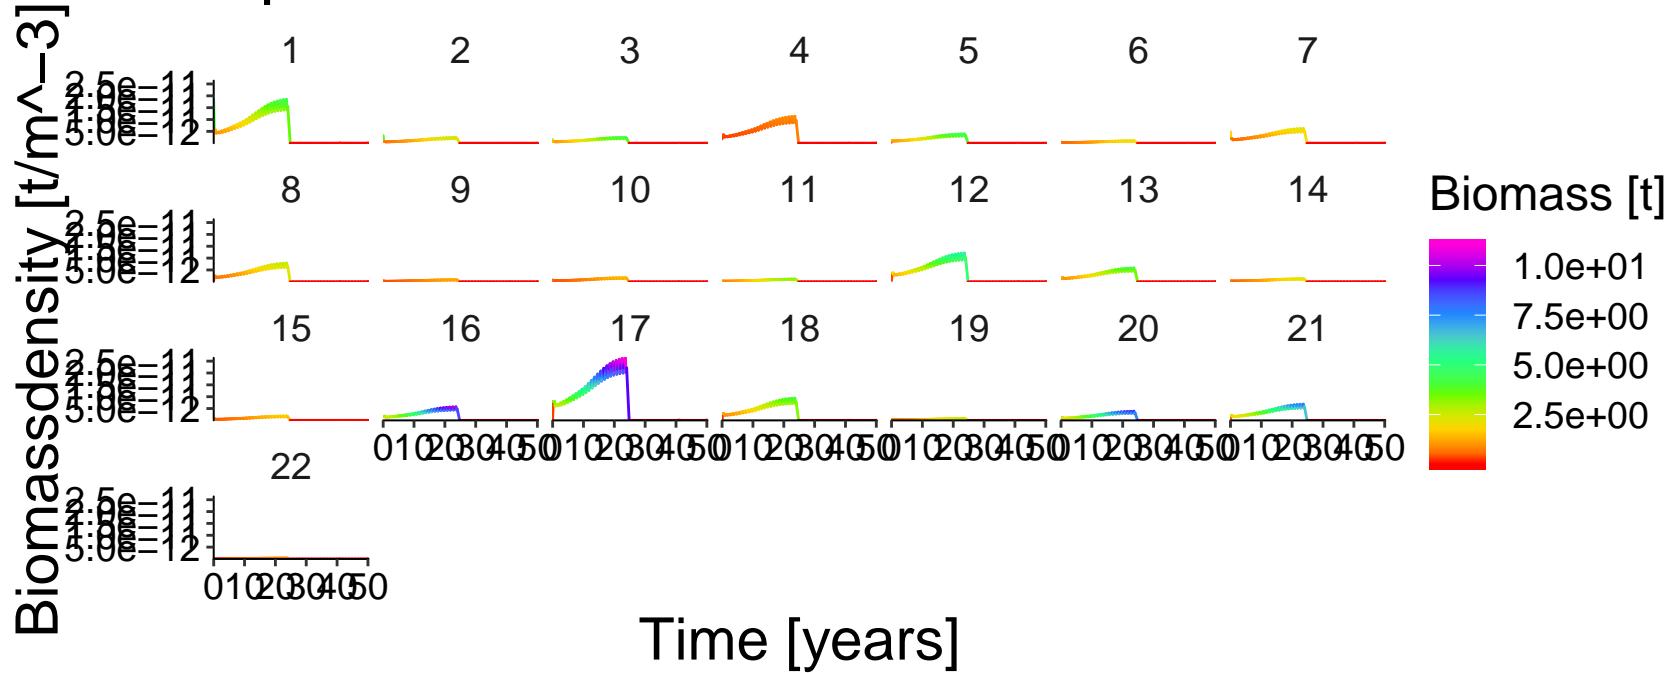

Species: Atlantic menhaden with stanza: 1

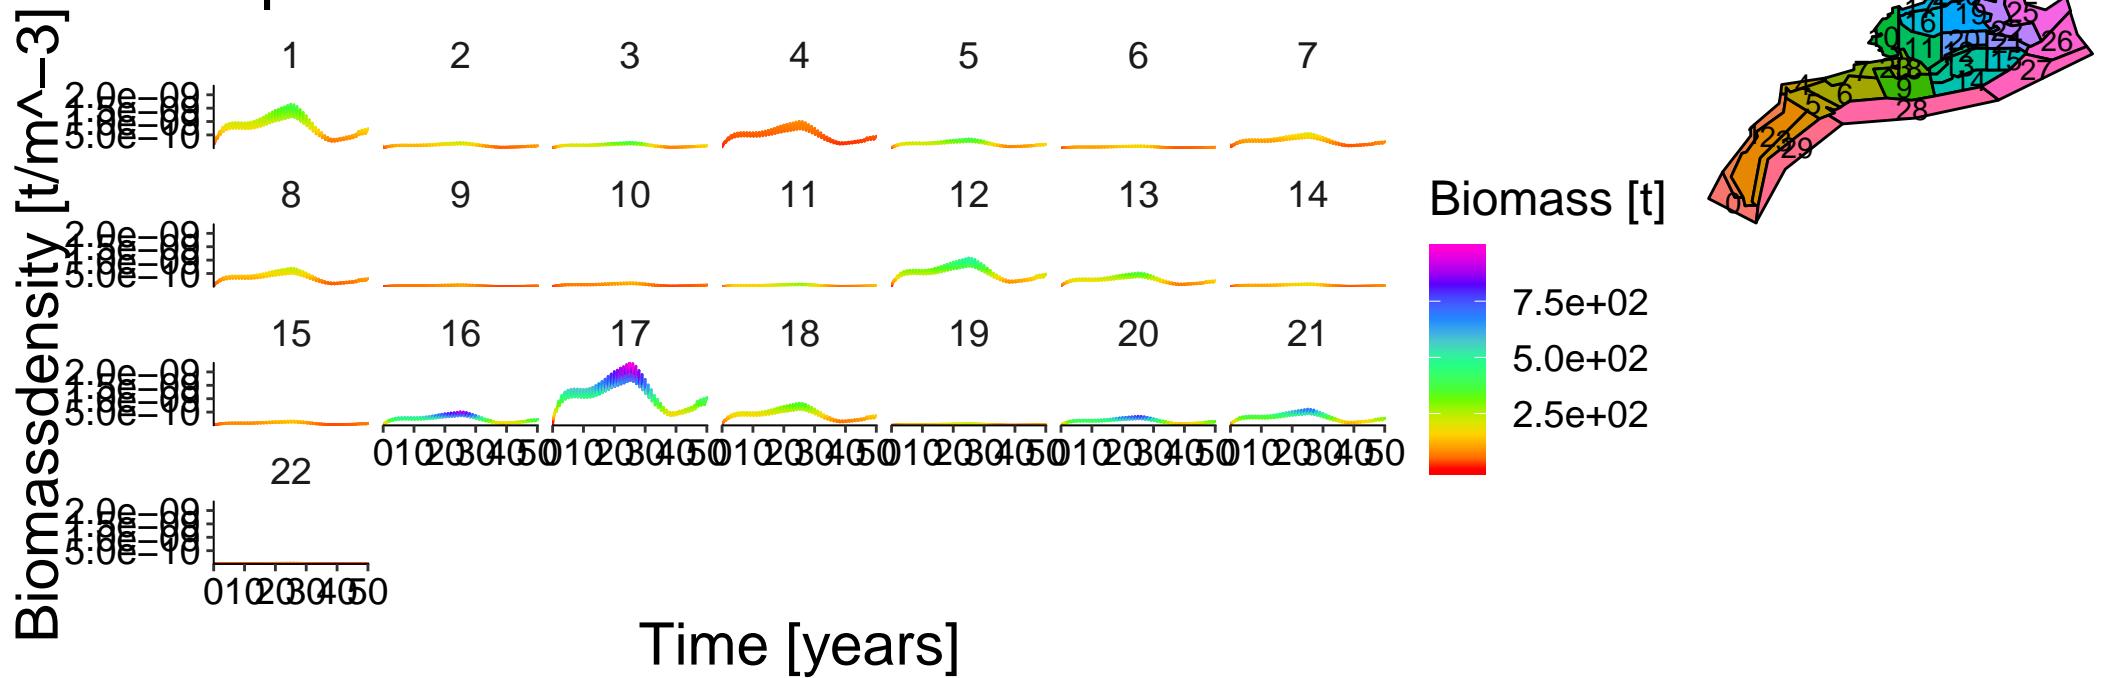

Species: Atlantic menhaden with stanza: 2

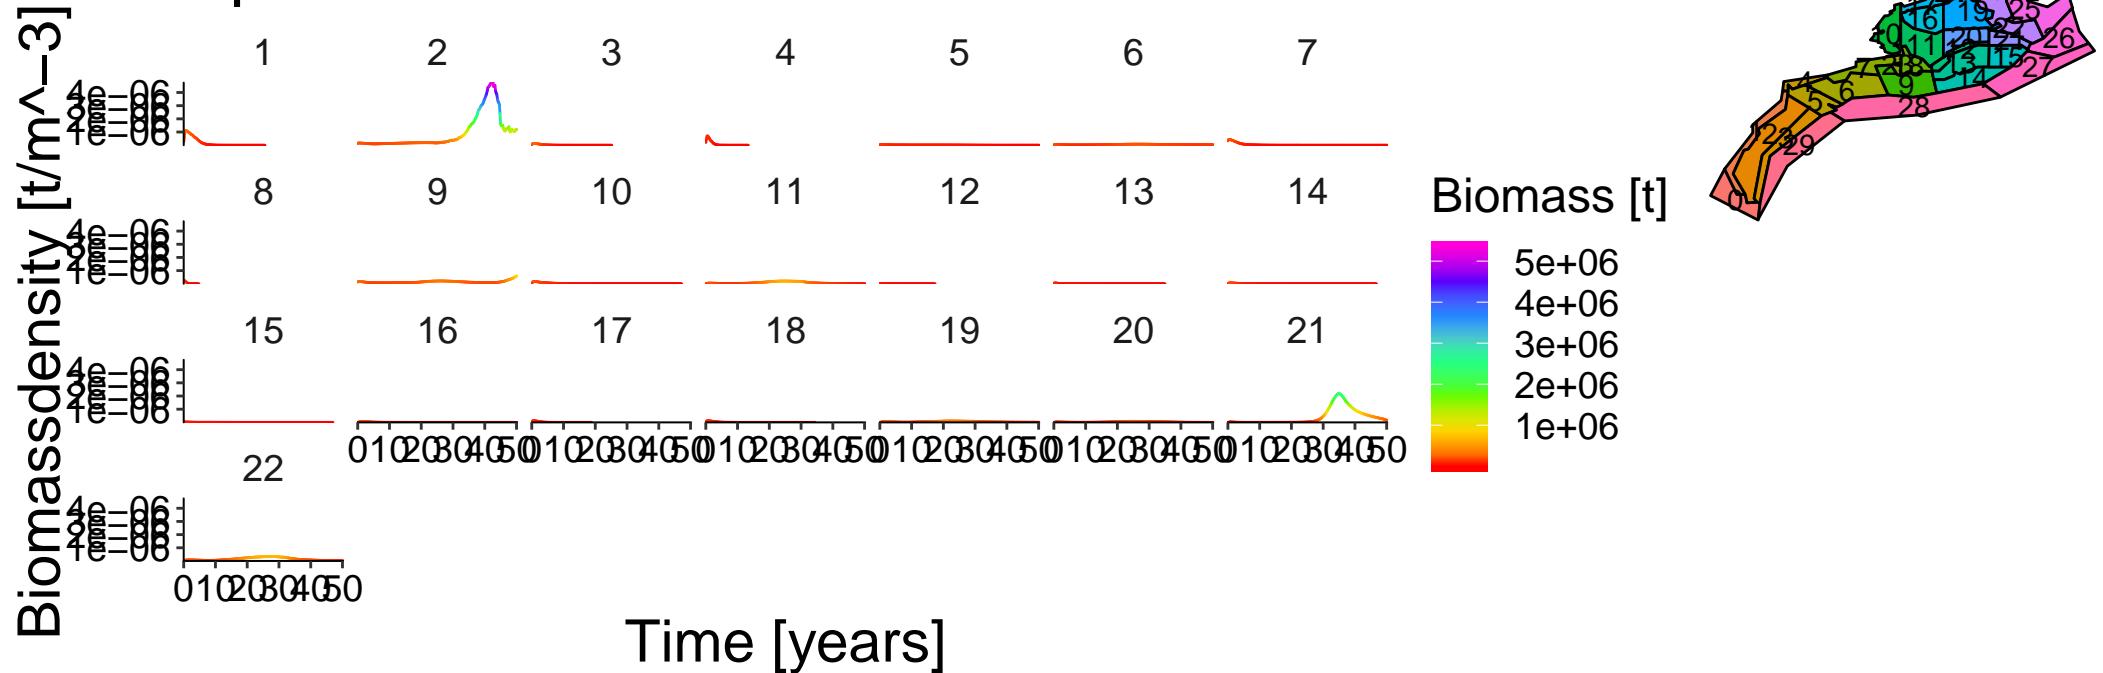

Species: Atlantic salmon with stanza: 2

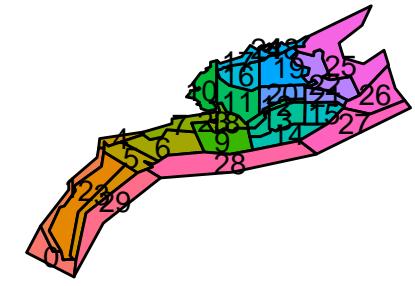

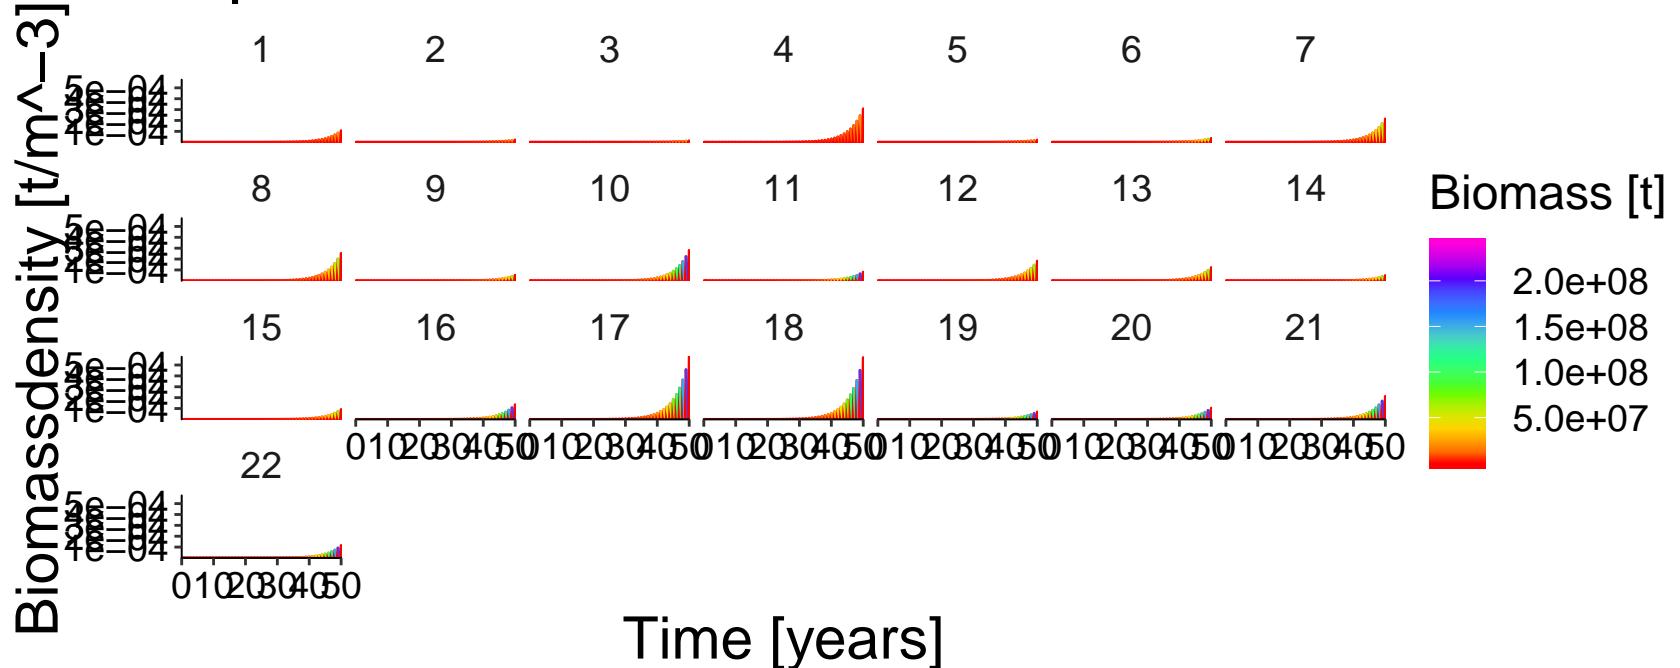

Species: Atlantic states demersal fish with stanza: 2

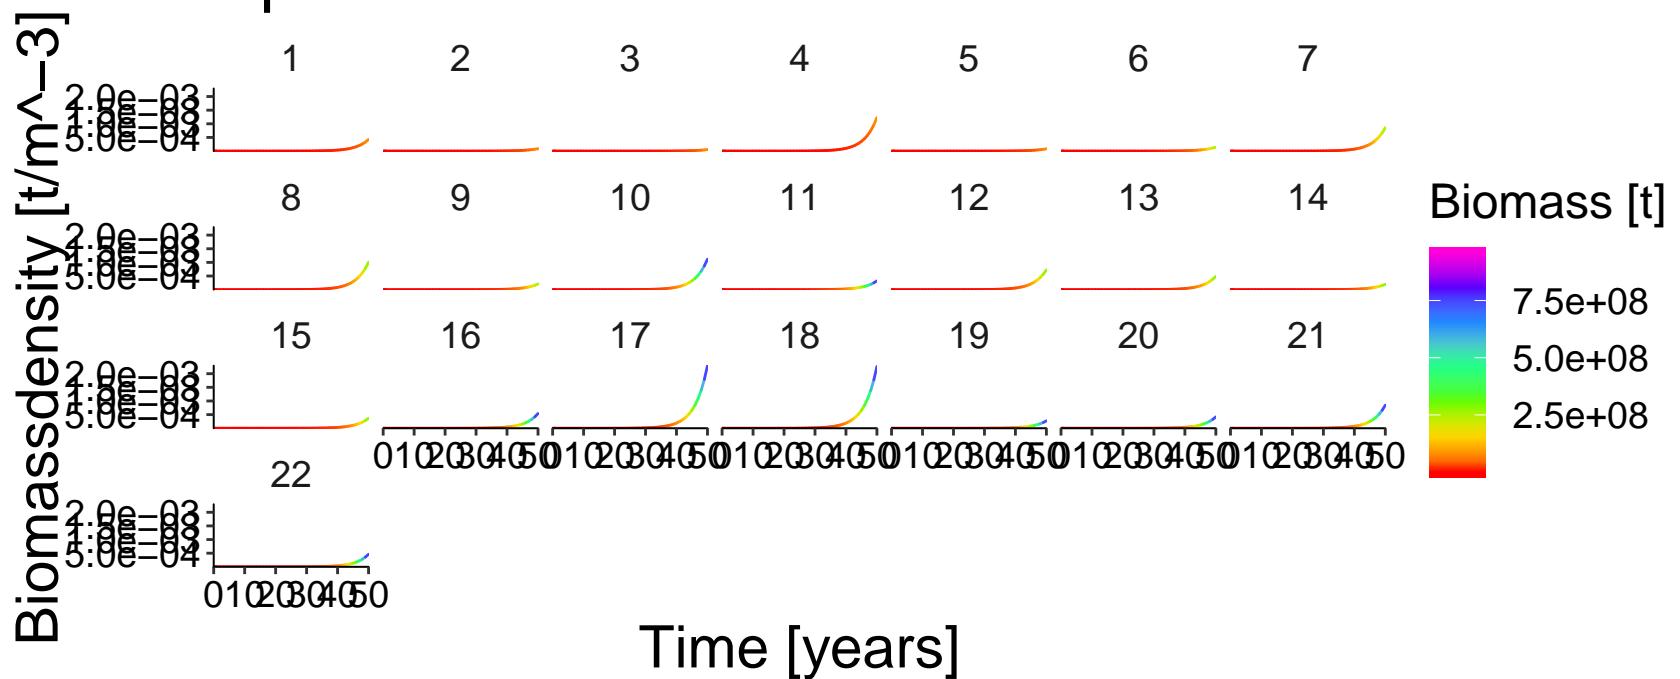

Species: Atlantic surf clam with stanza: 1

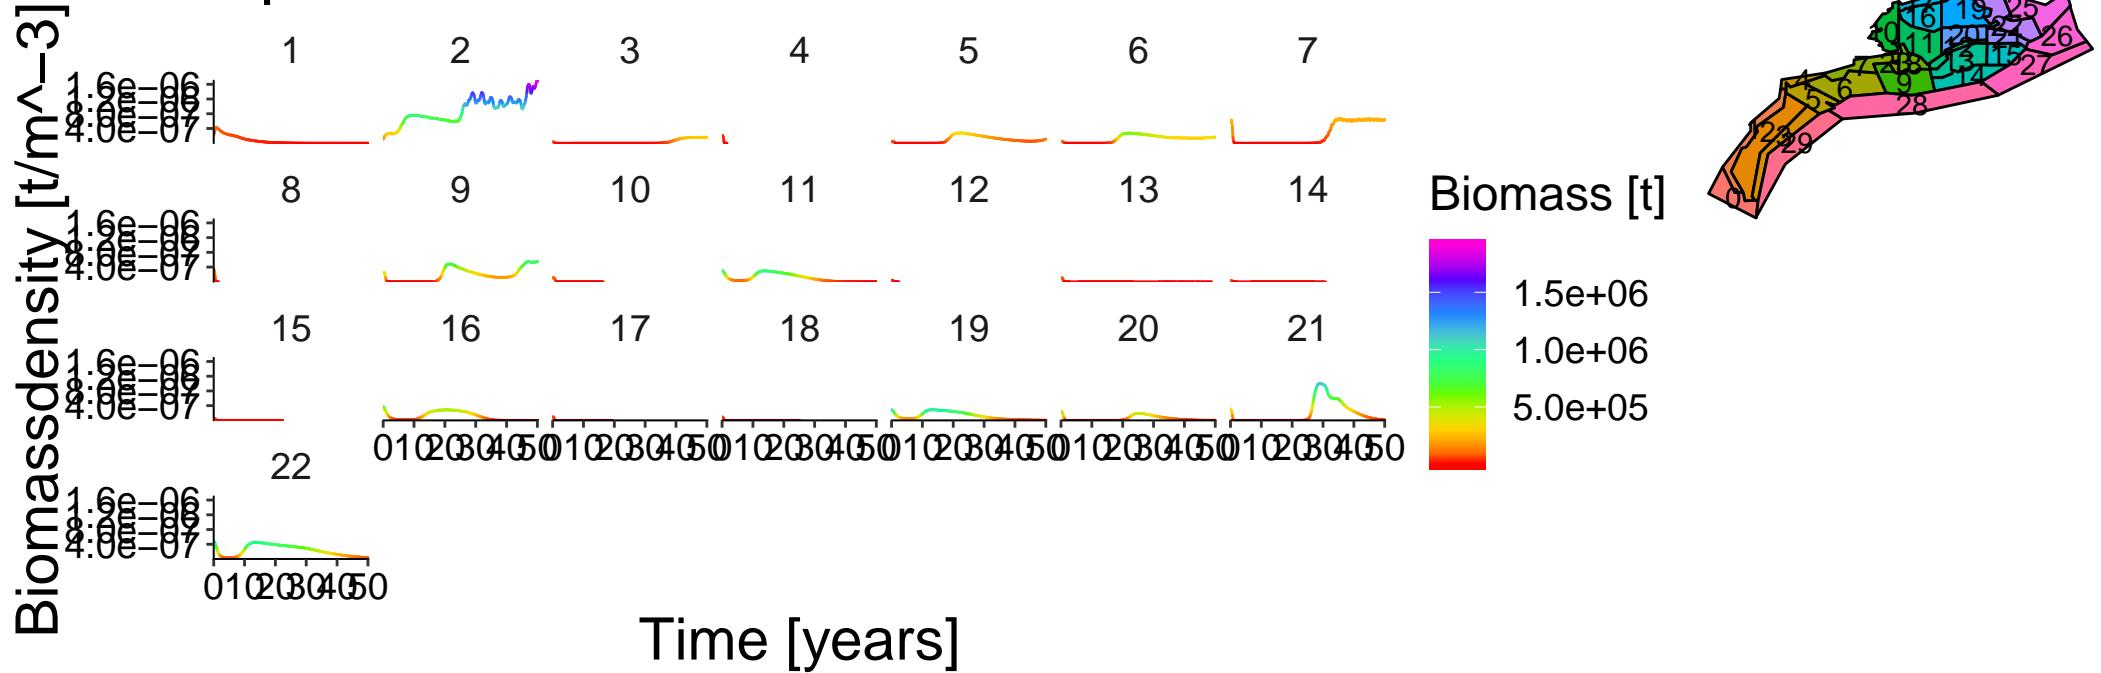

Species: Baleen whales with stanza: 1

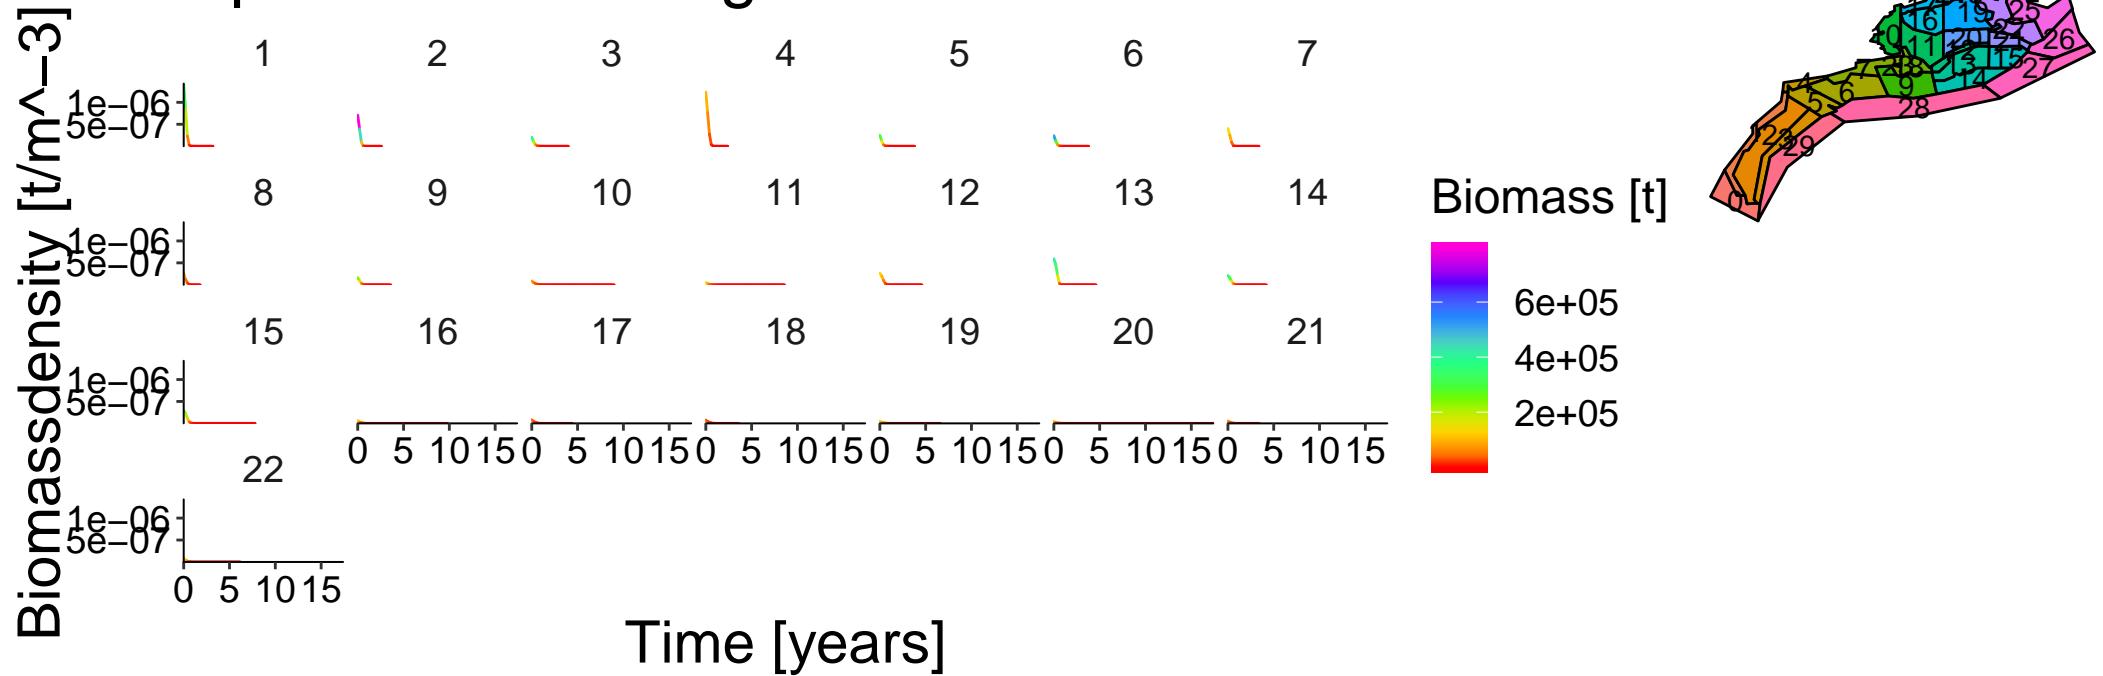

Species: Baleen whales with stanza: 2

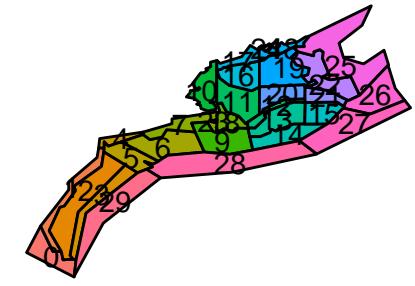

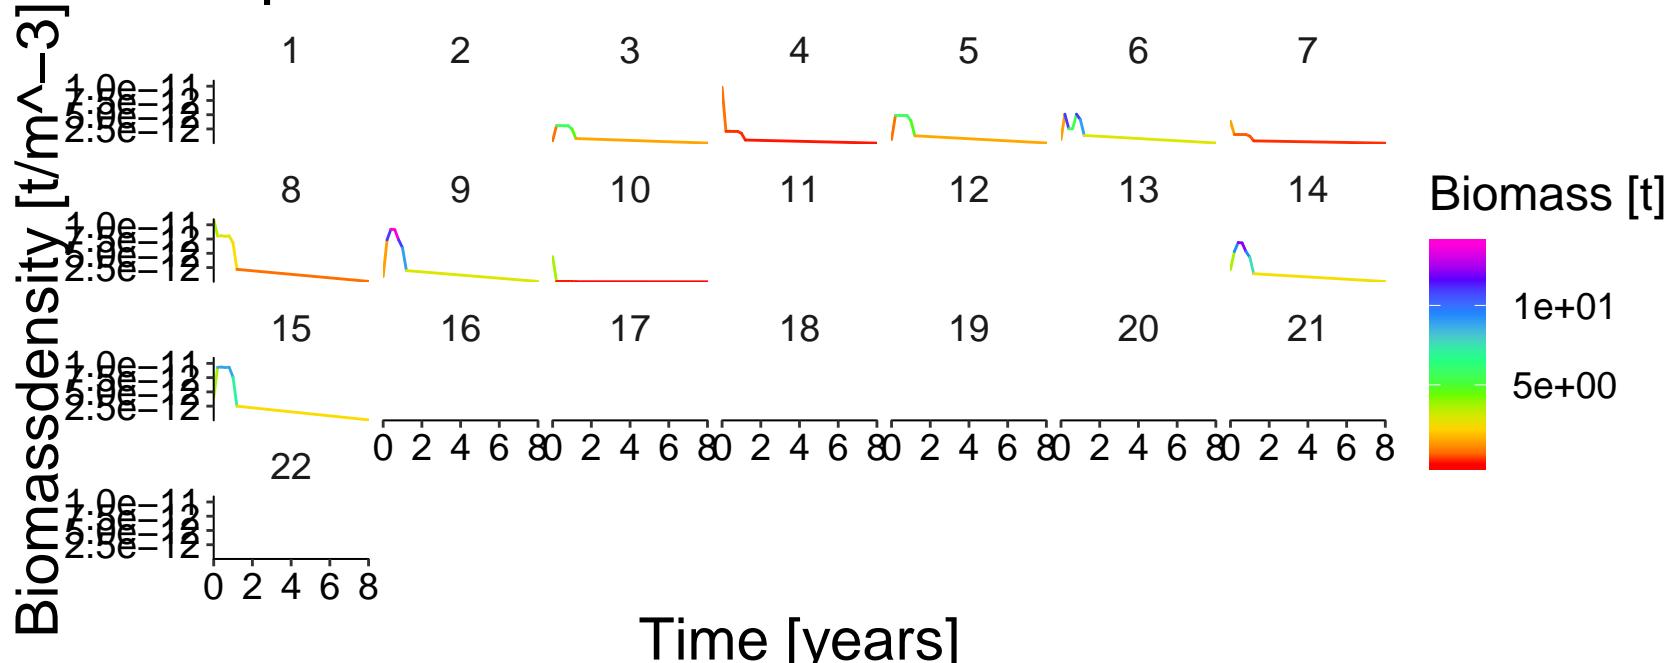

Species: Benthic Carnivore with stanza: 1

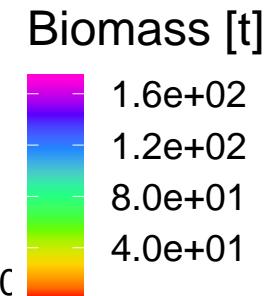

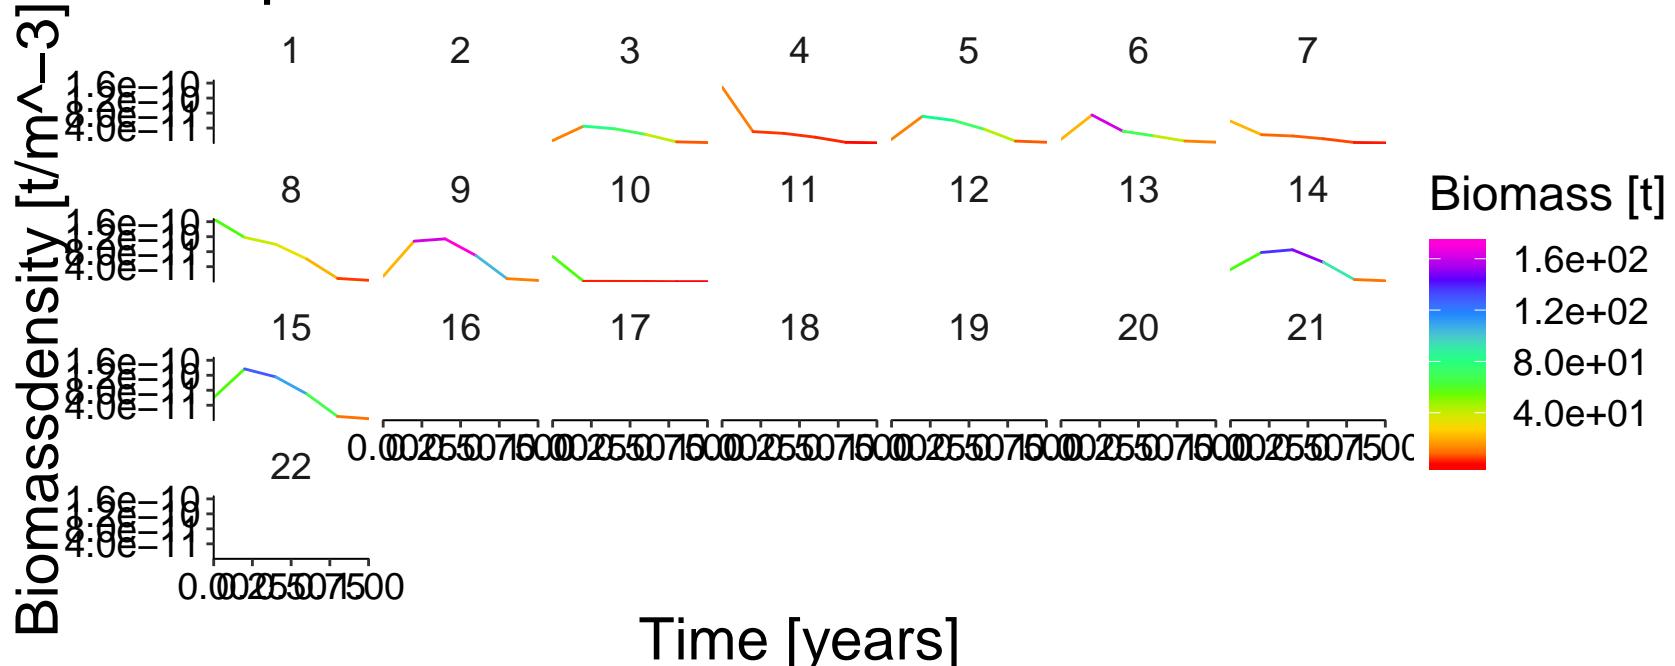

Species: Benthic grazer with stanza: 1

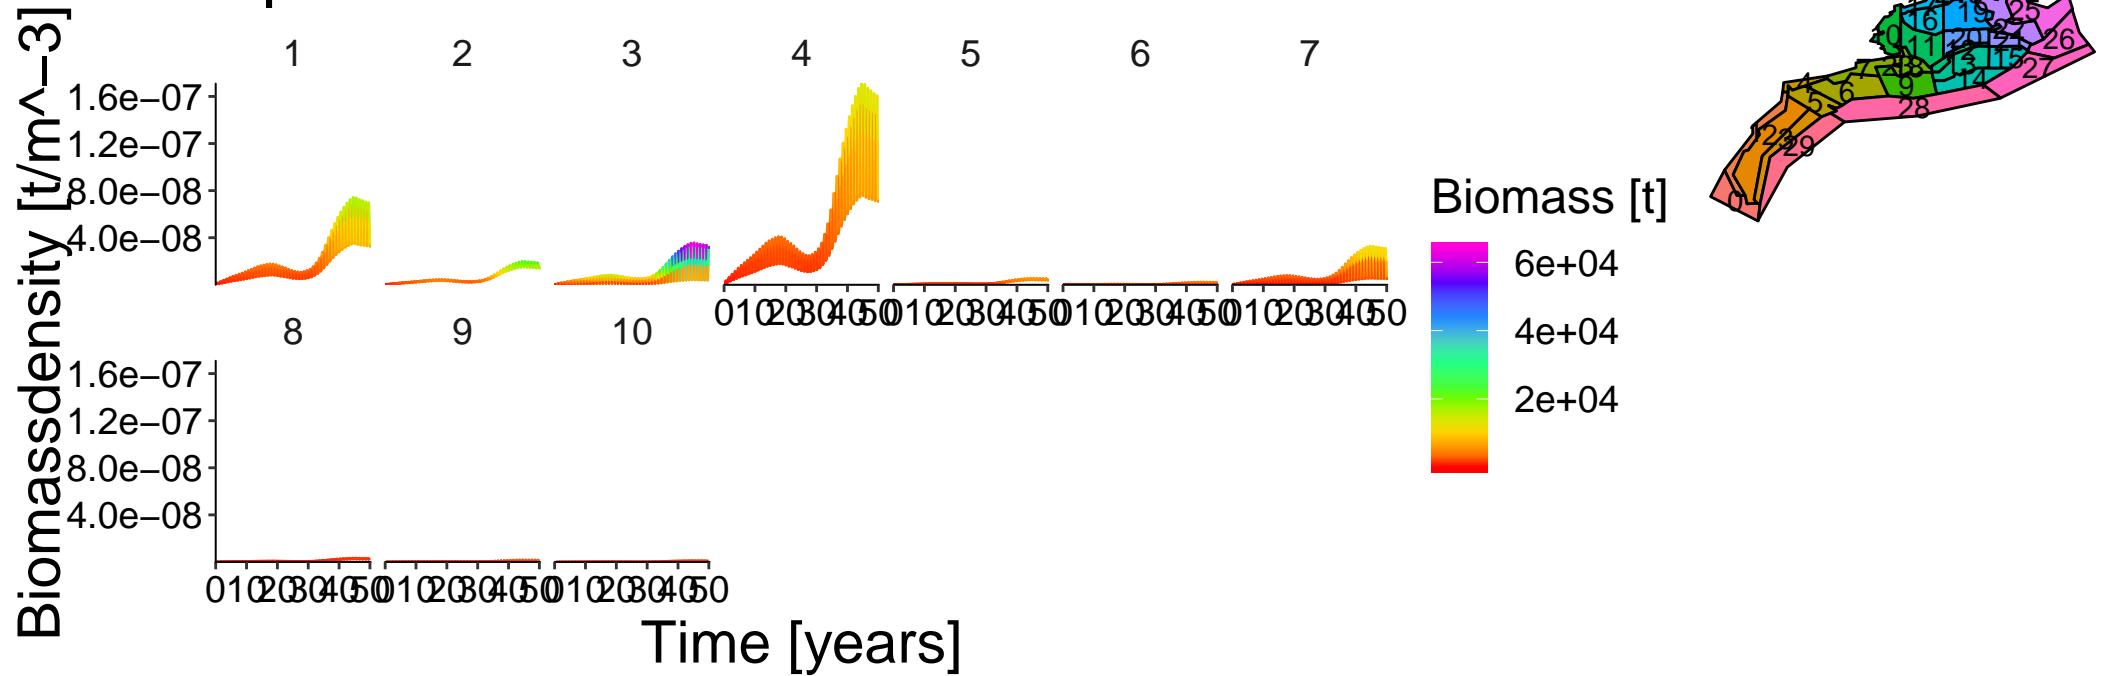

Species: Billfish with stanza: 1

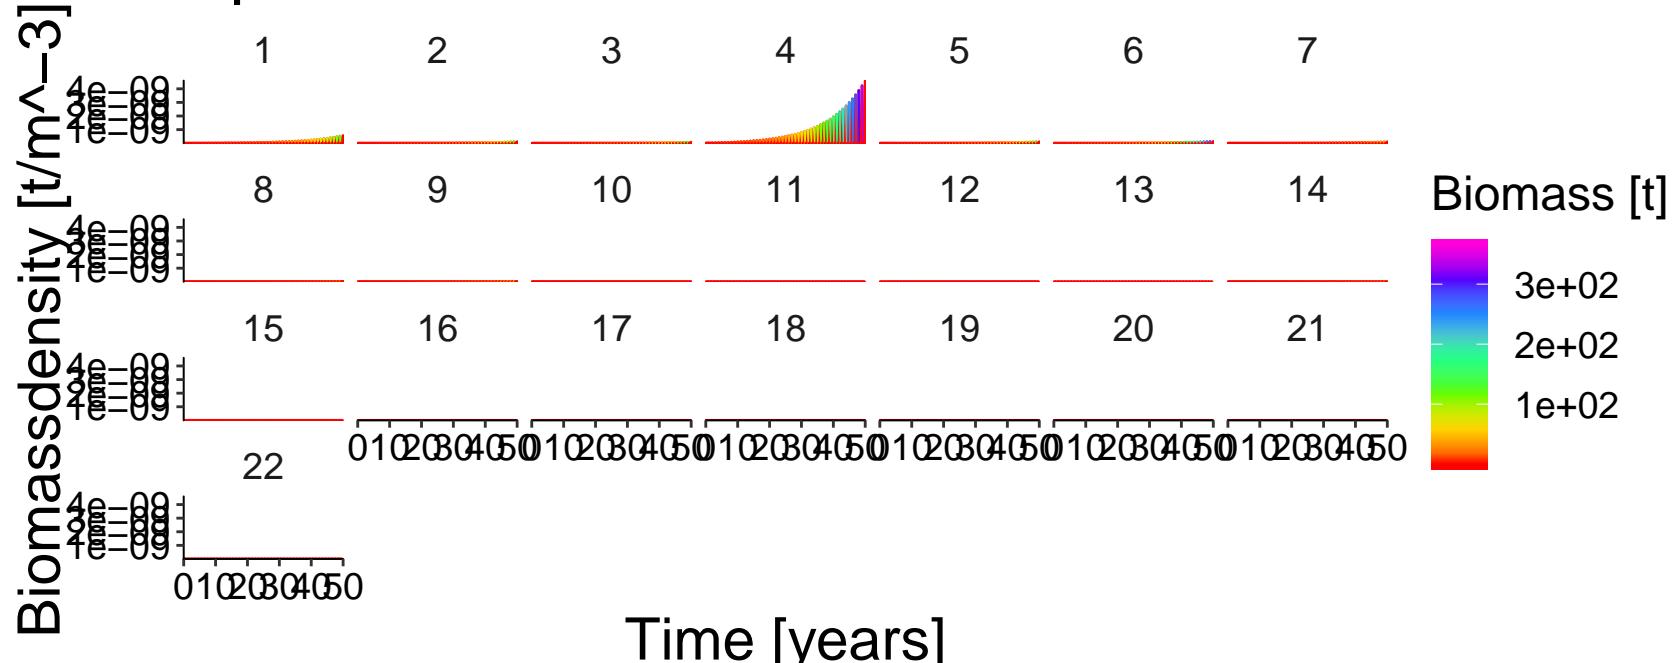

Species: Billfish with stanza: 2

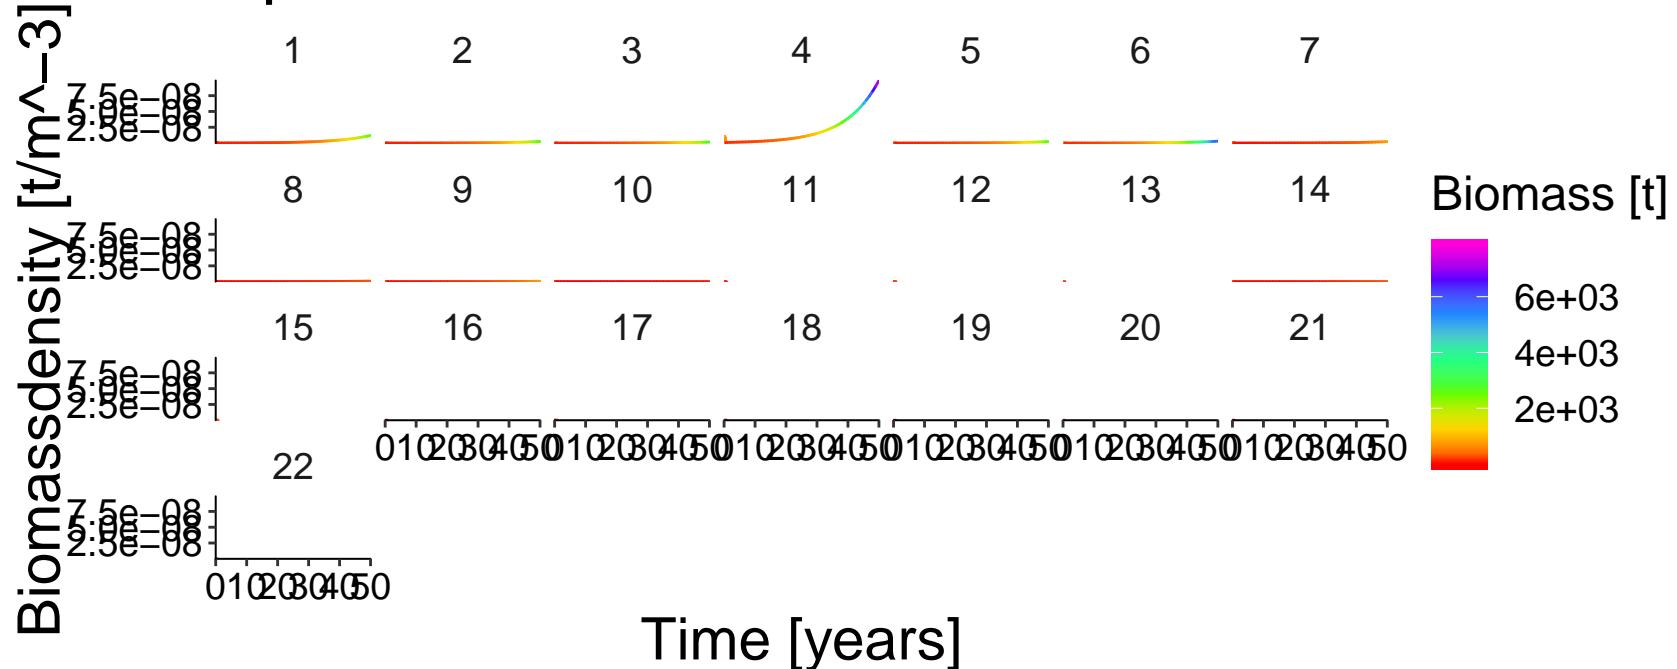

Species: Black sea bass with stanza: 2

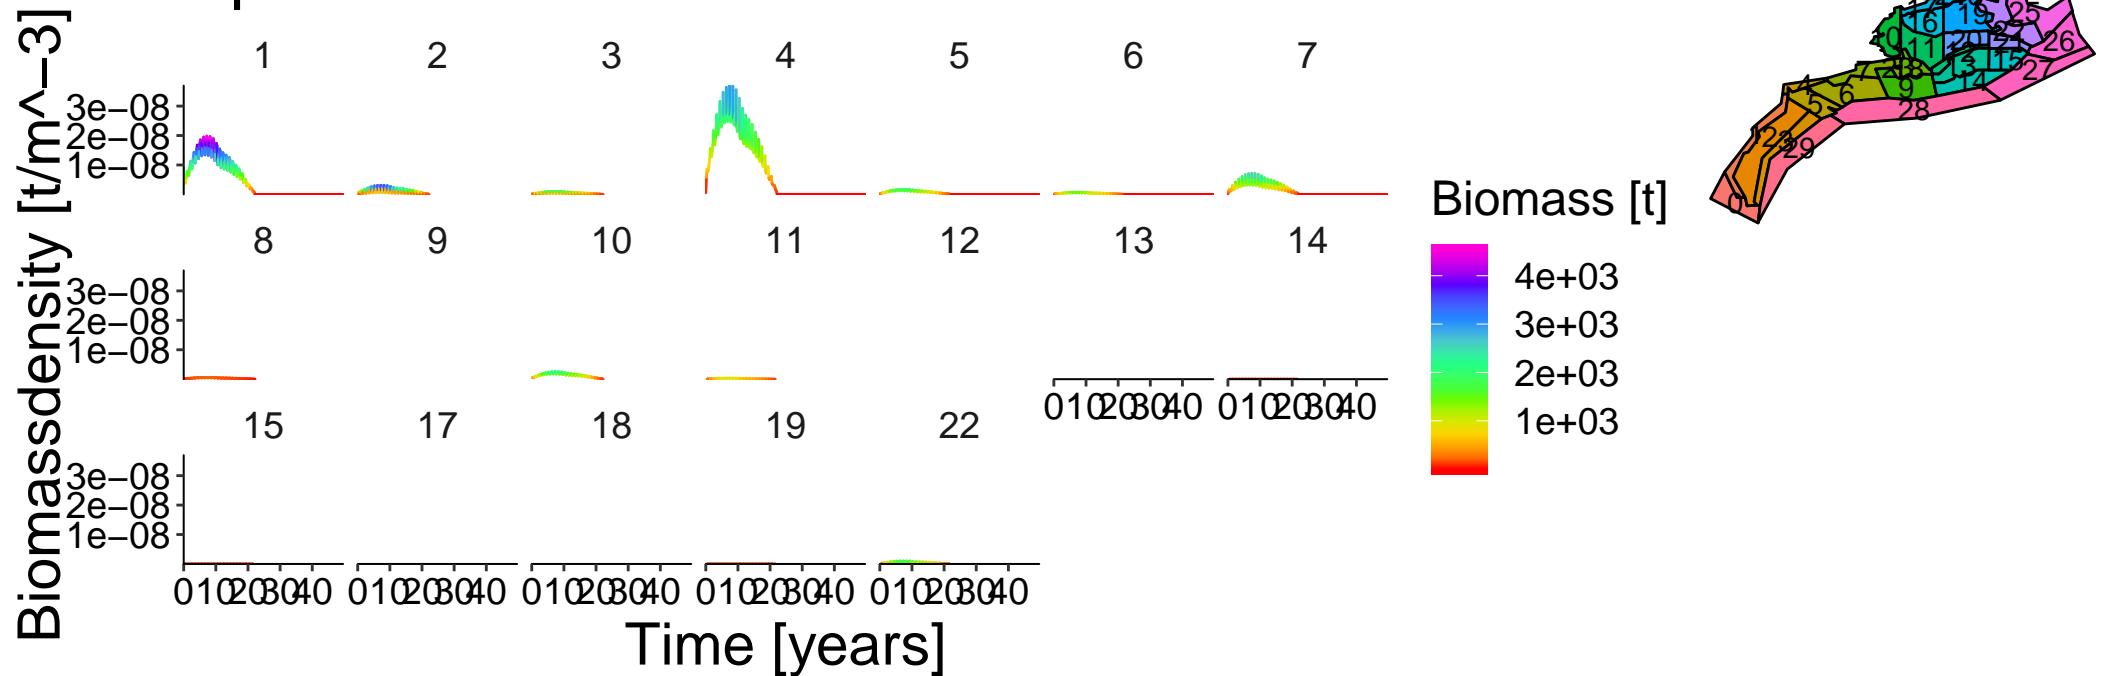

Species: Blue shark with stanza: 1

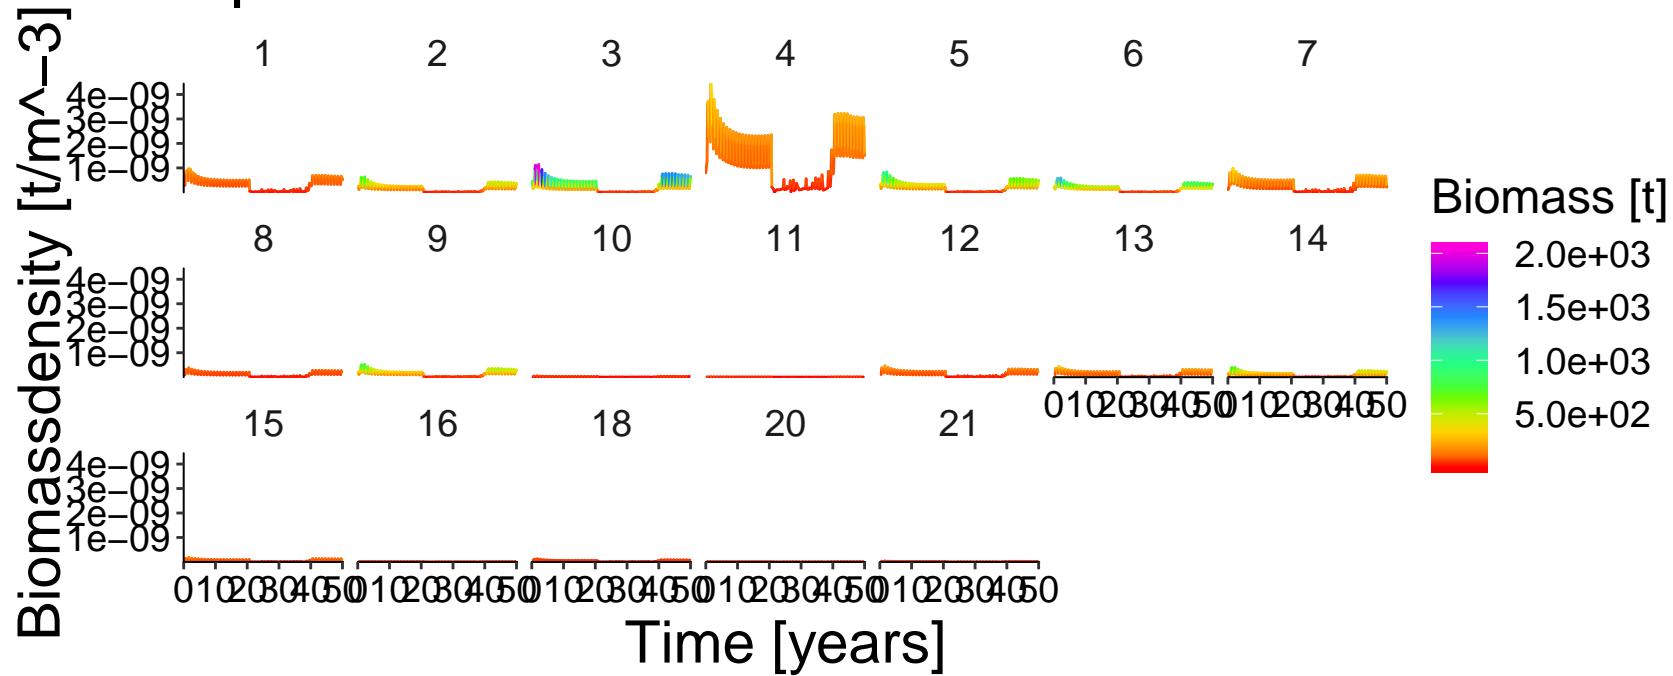

Species: Blue shark with stanza: 2

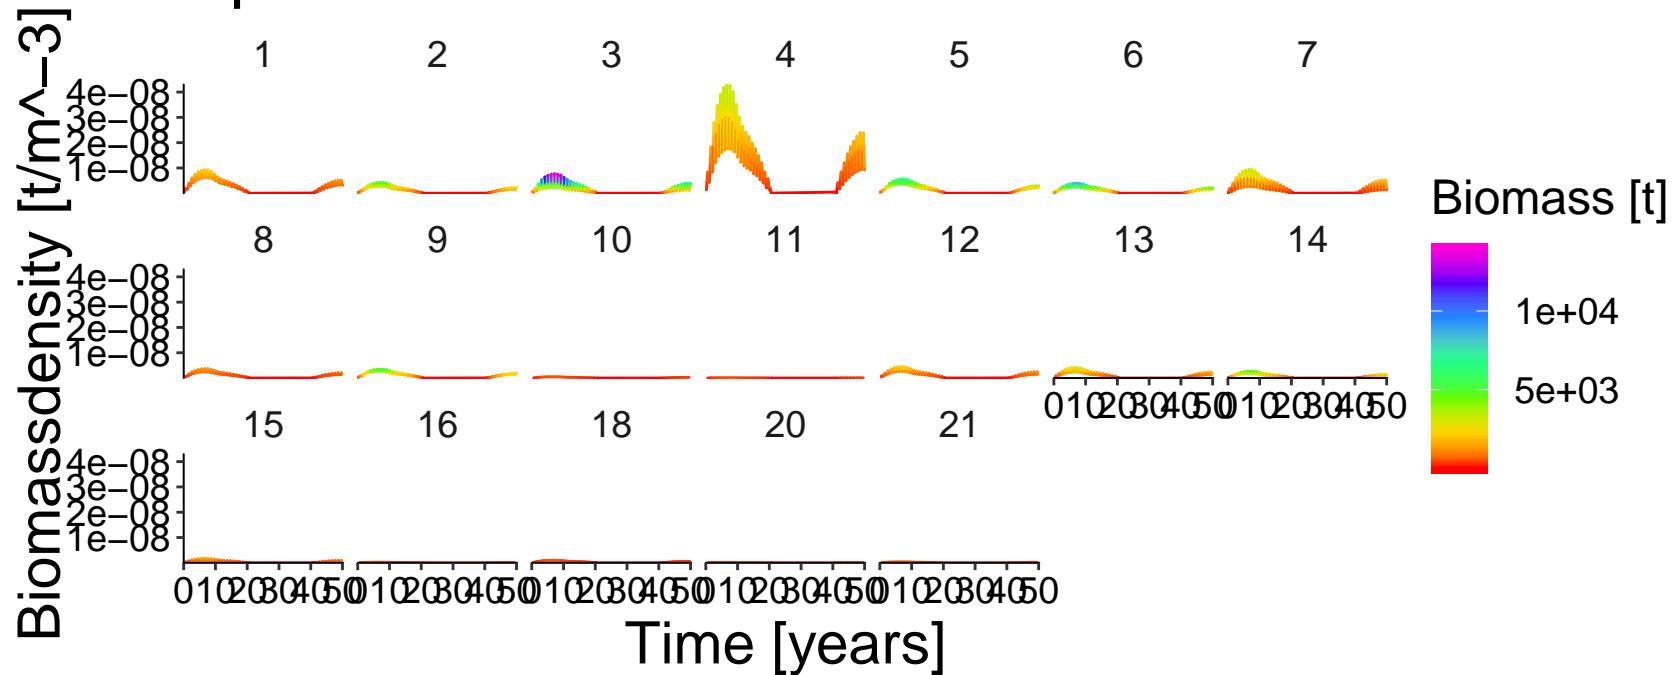

Species: Bluefish with stanza: 2

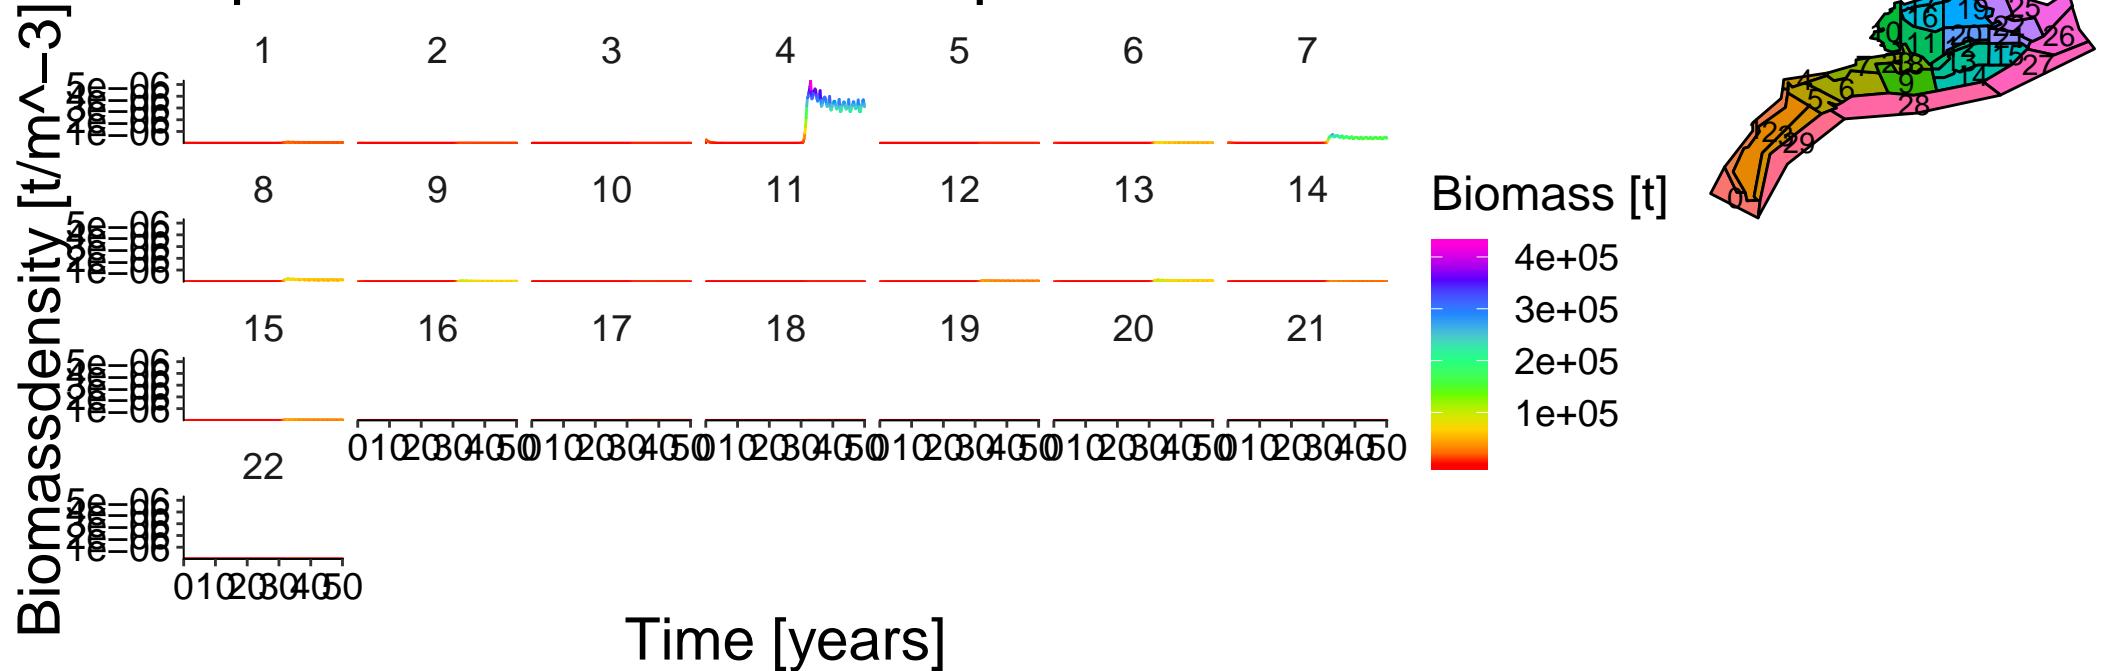

Species: Butterfish with stanza: 1

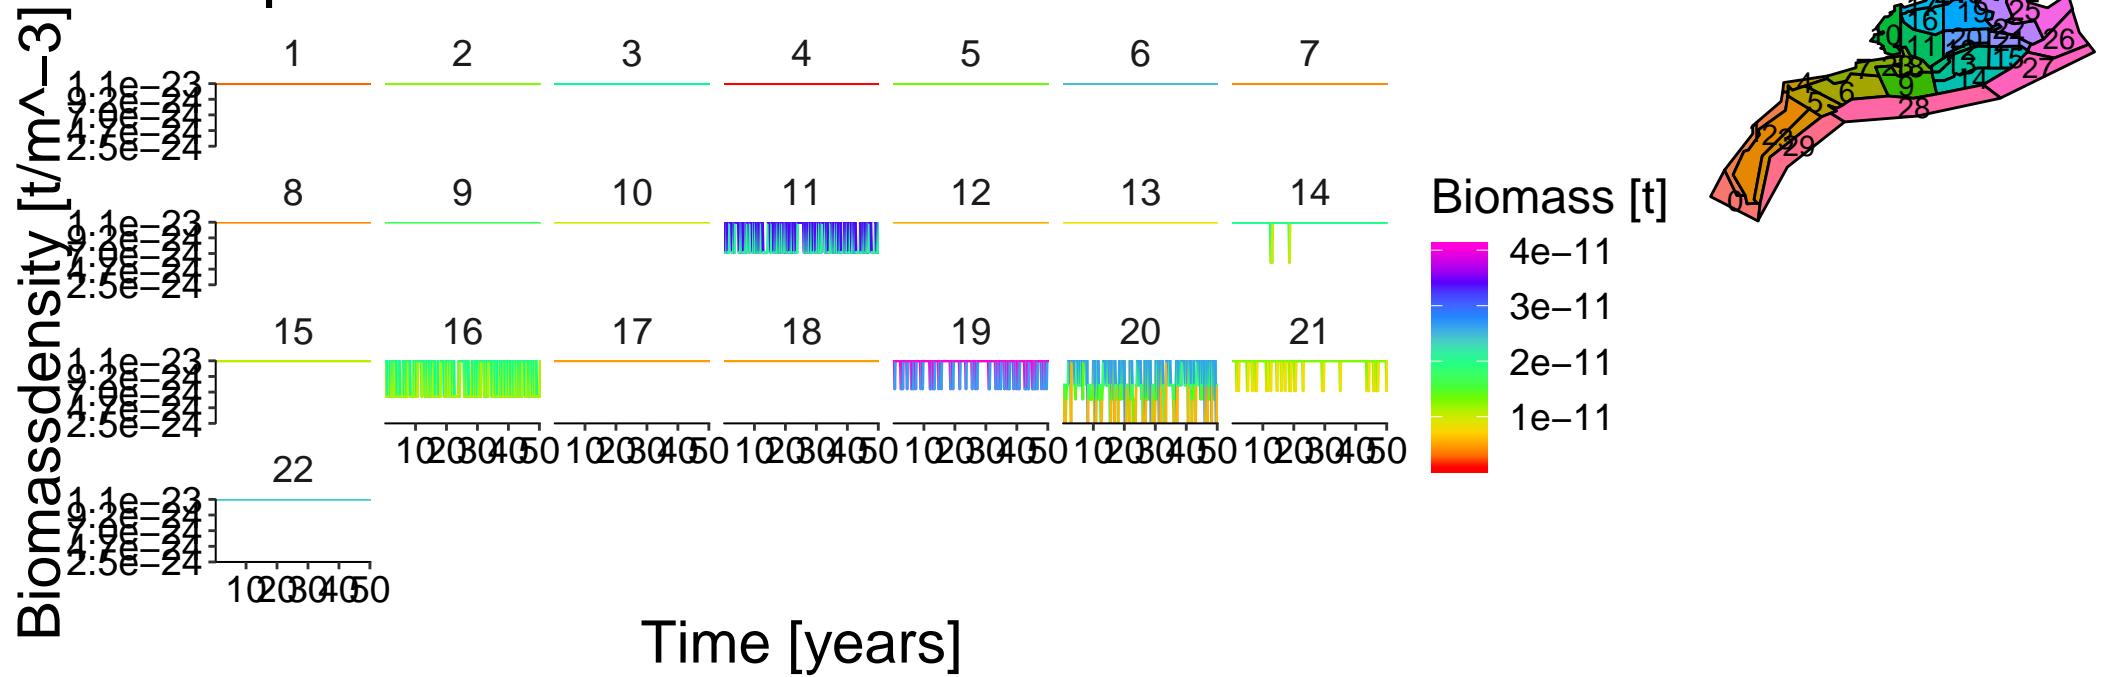

Species: Butterfish with stanza: 2

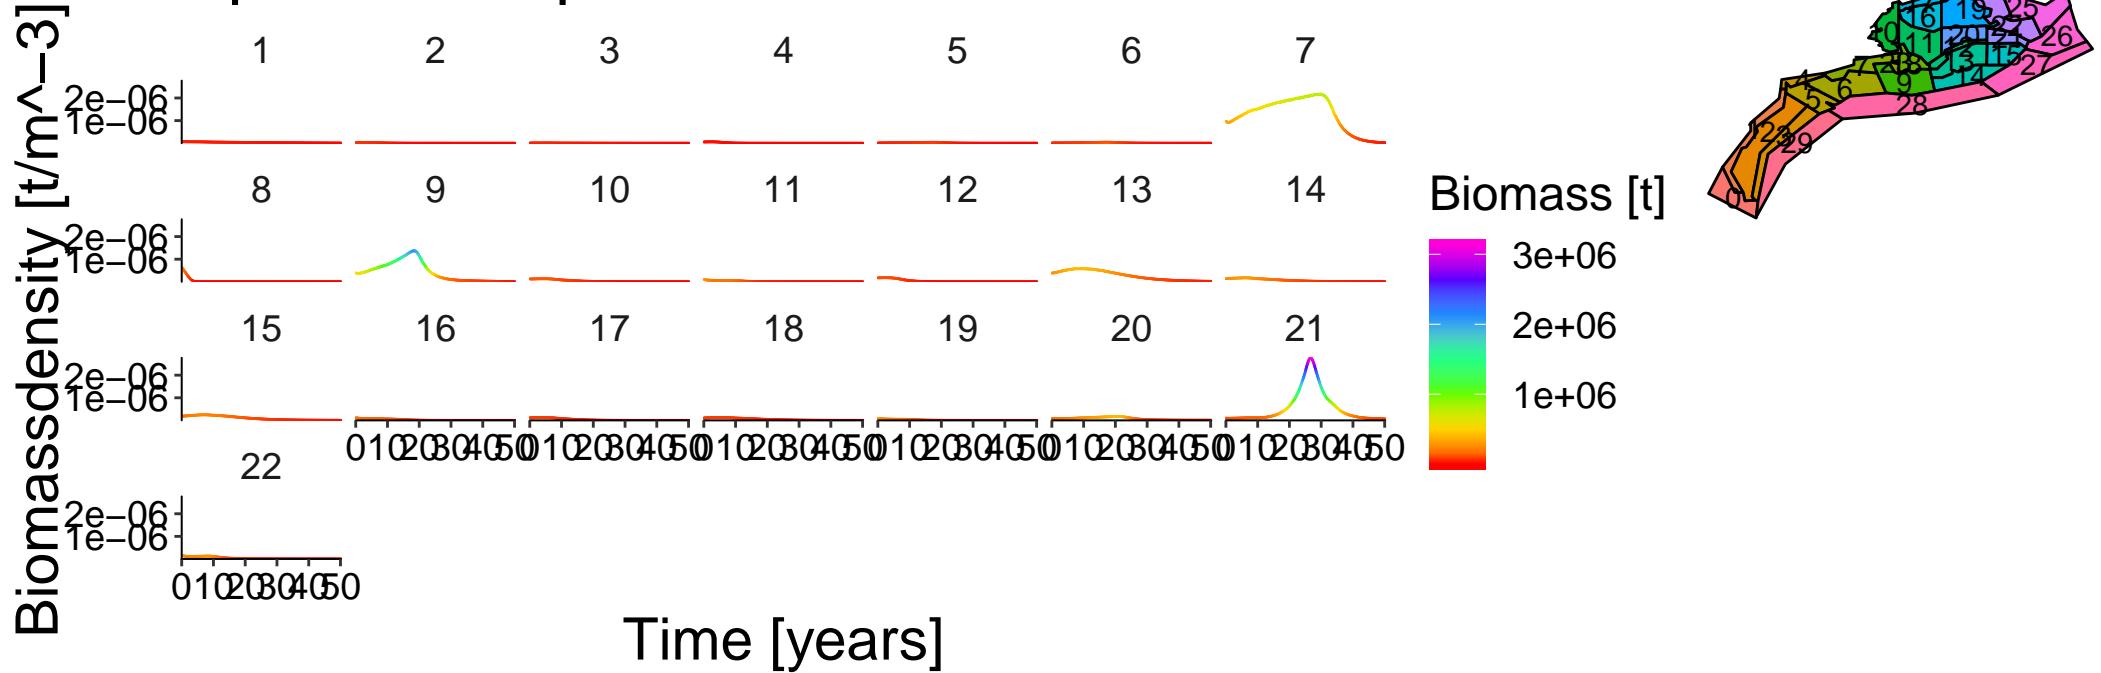

Species: Carnivorous zooplankton with stanza: 1

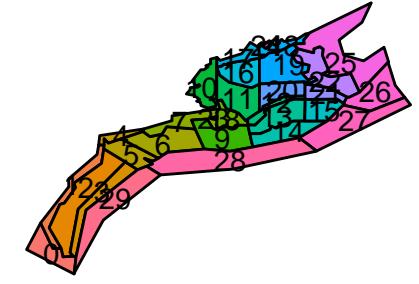

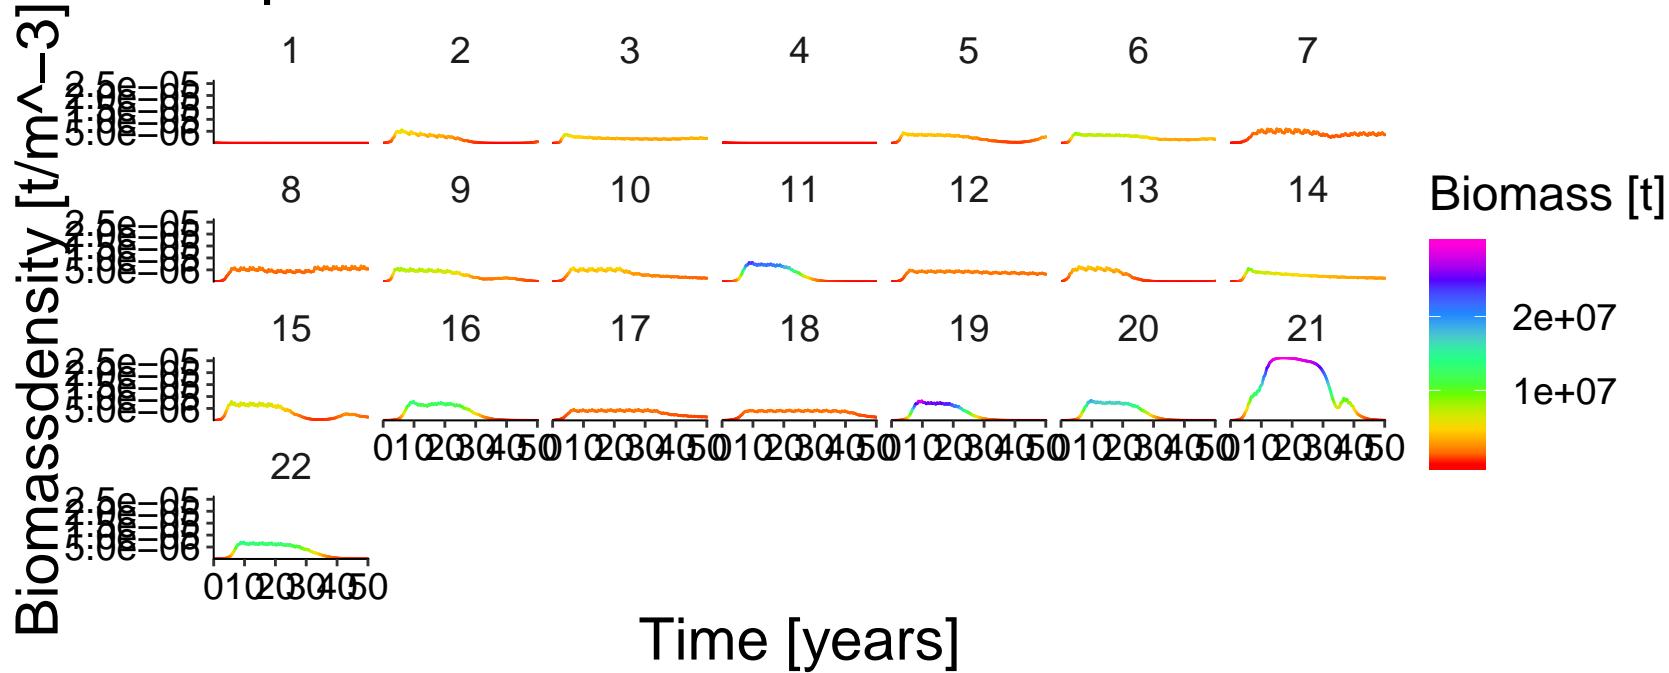

Species: Carrion with stanza: 1

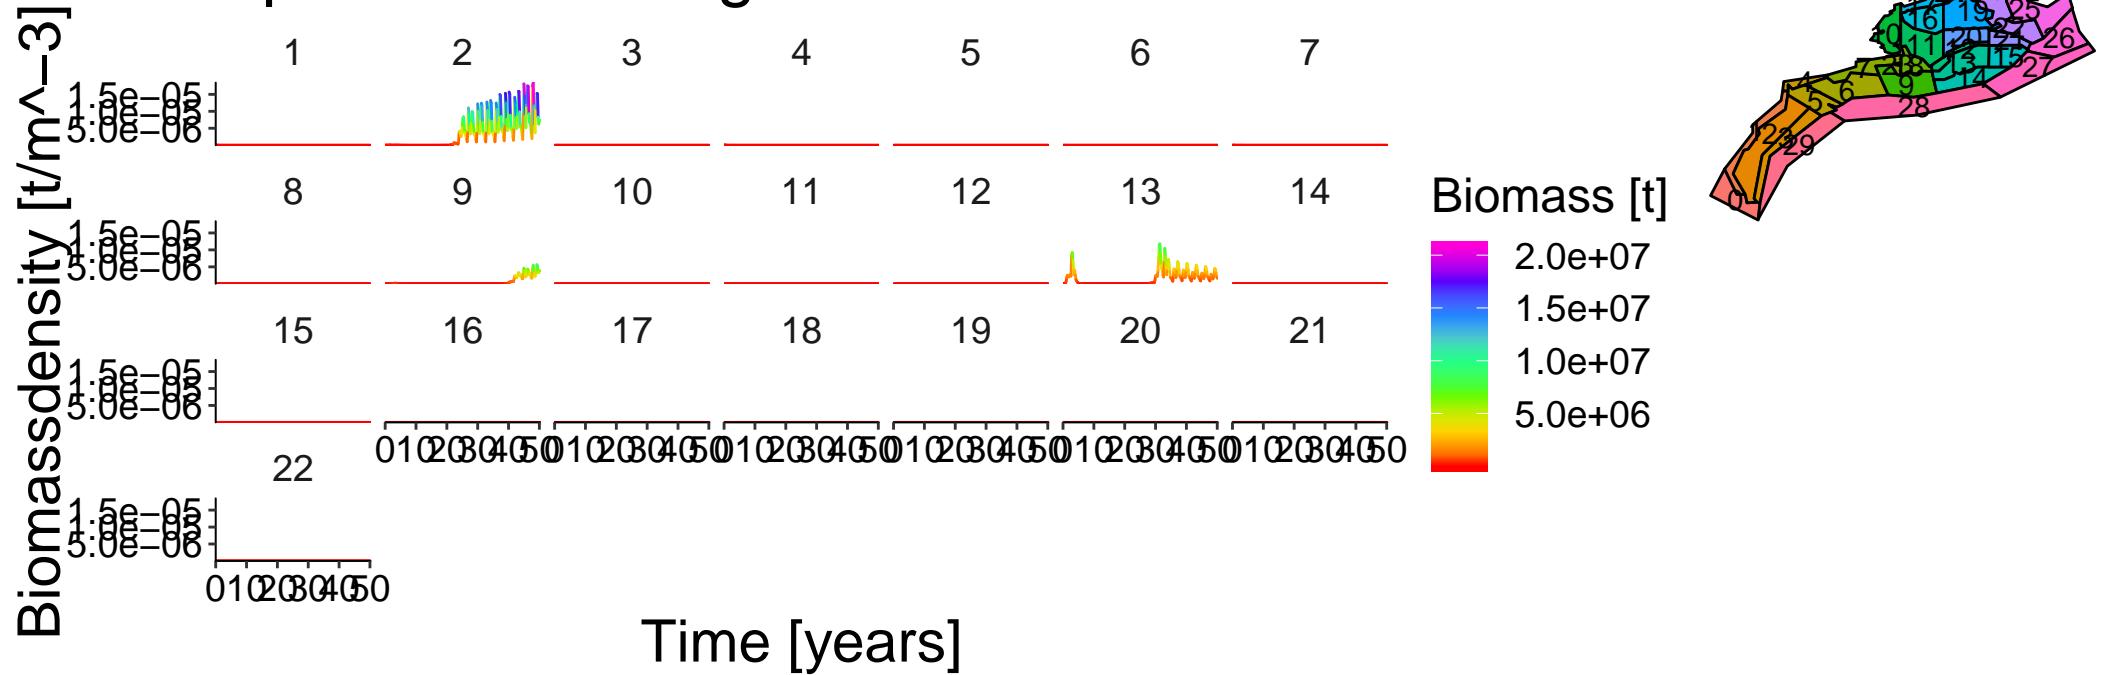

Species: Deposit Feeder with stanza: 1

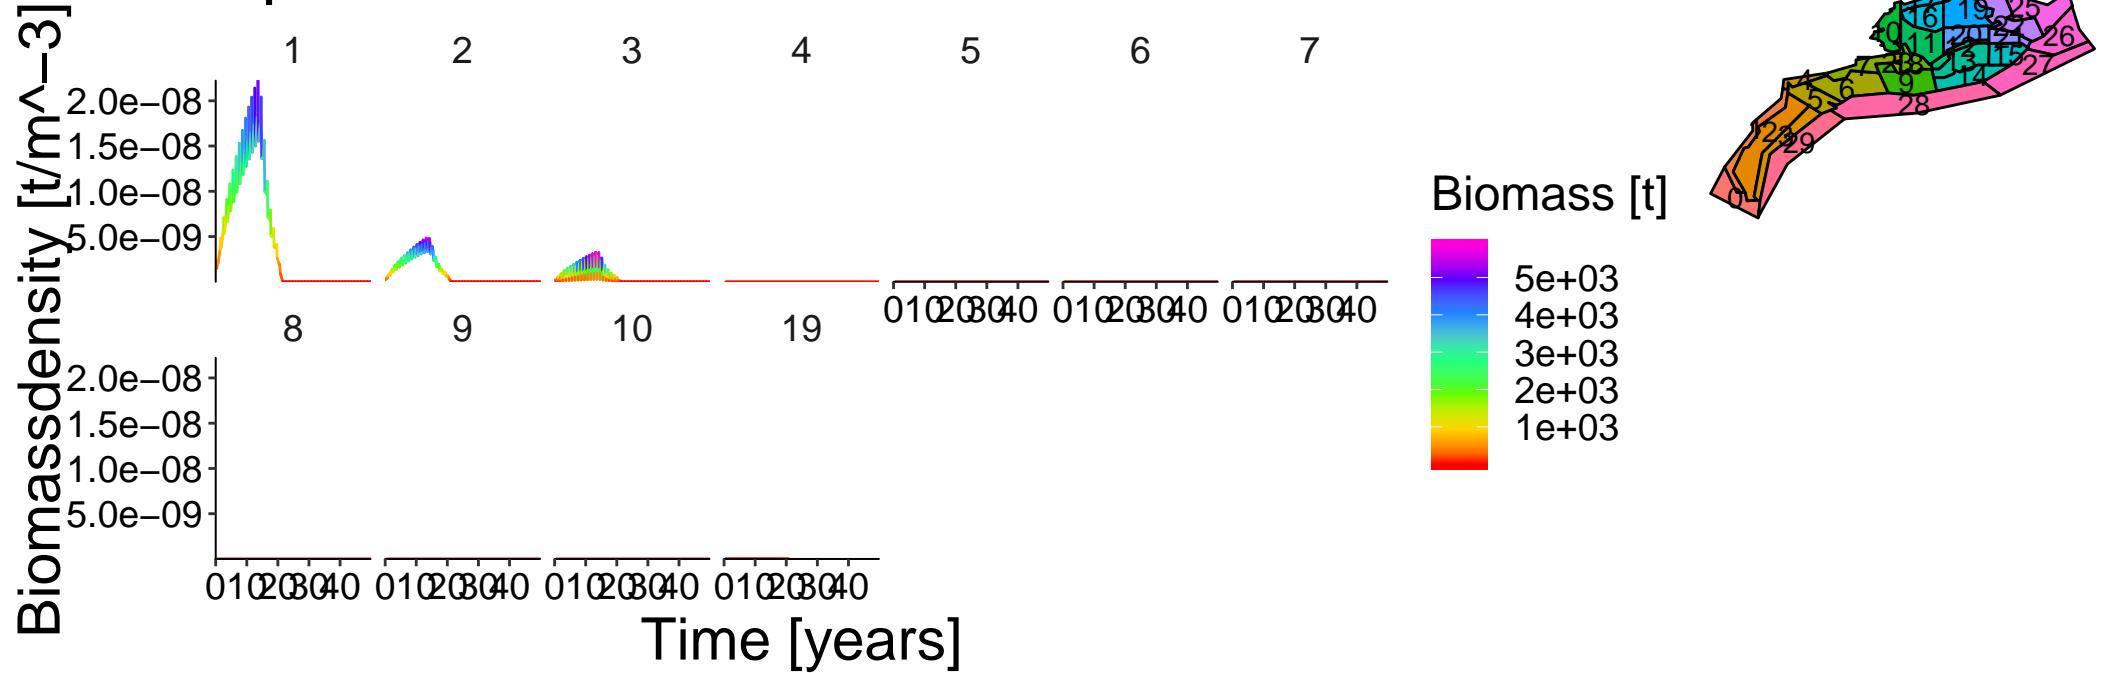

Species: Diatom with stanza: 1

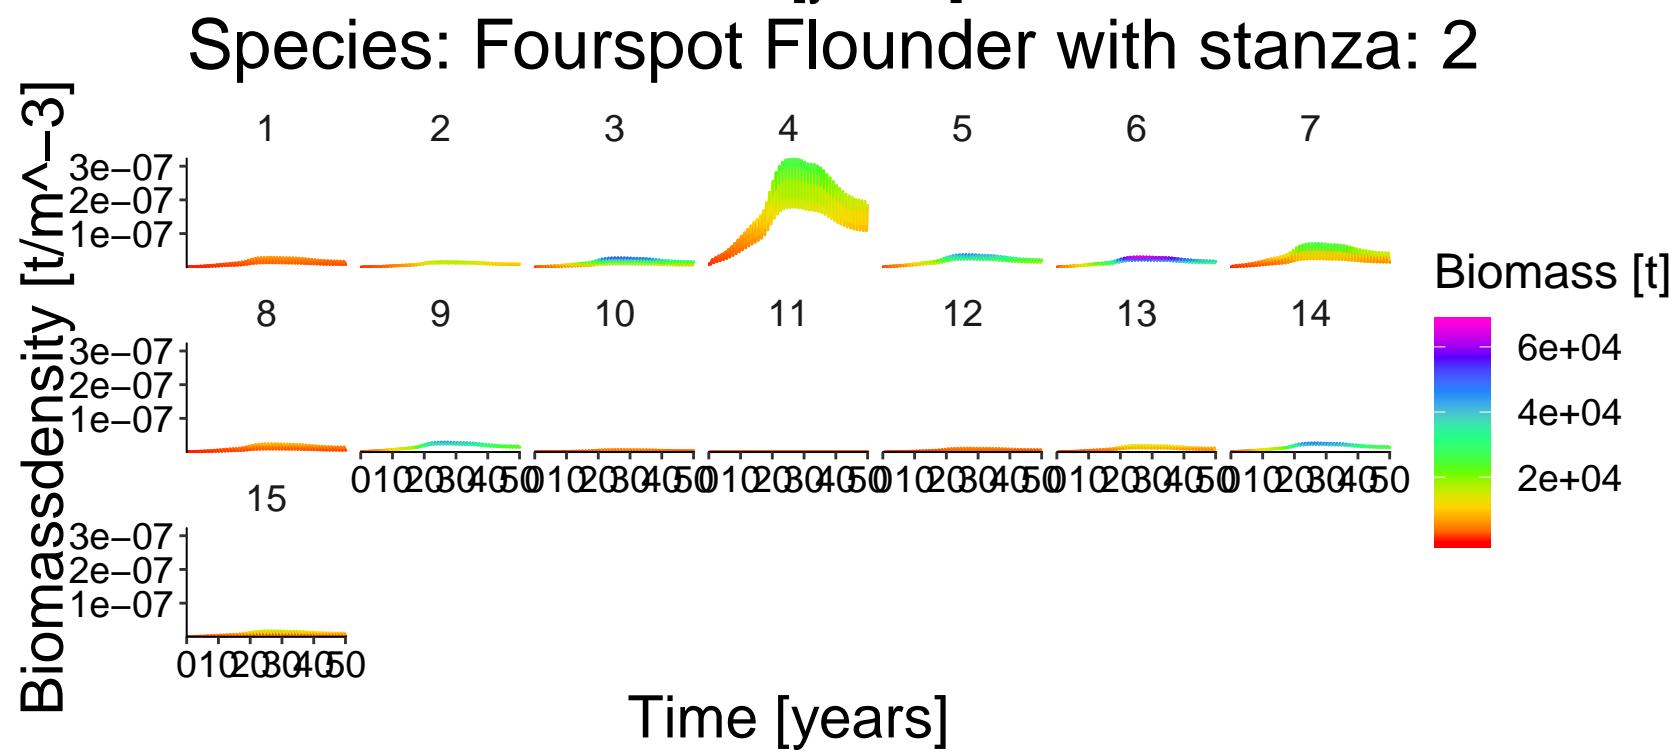

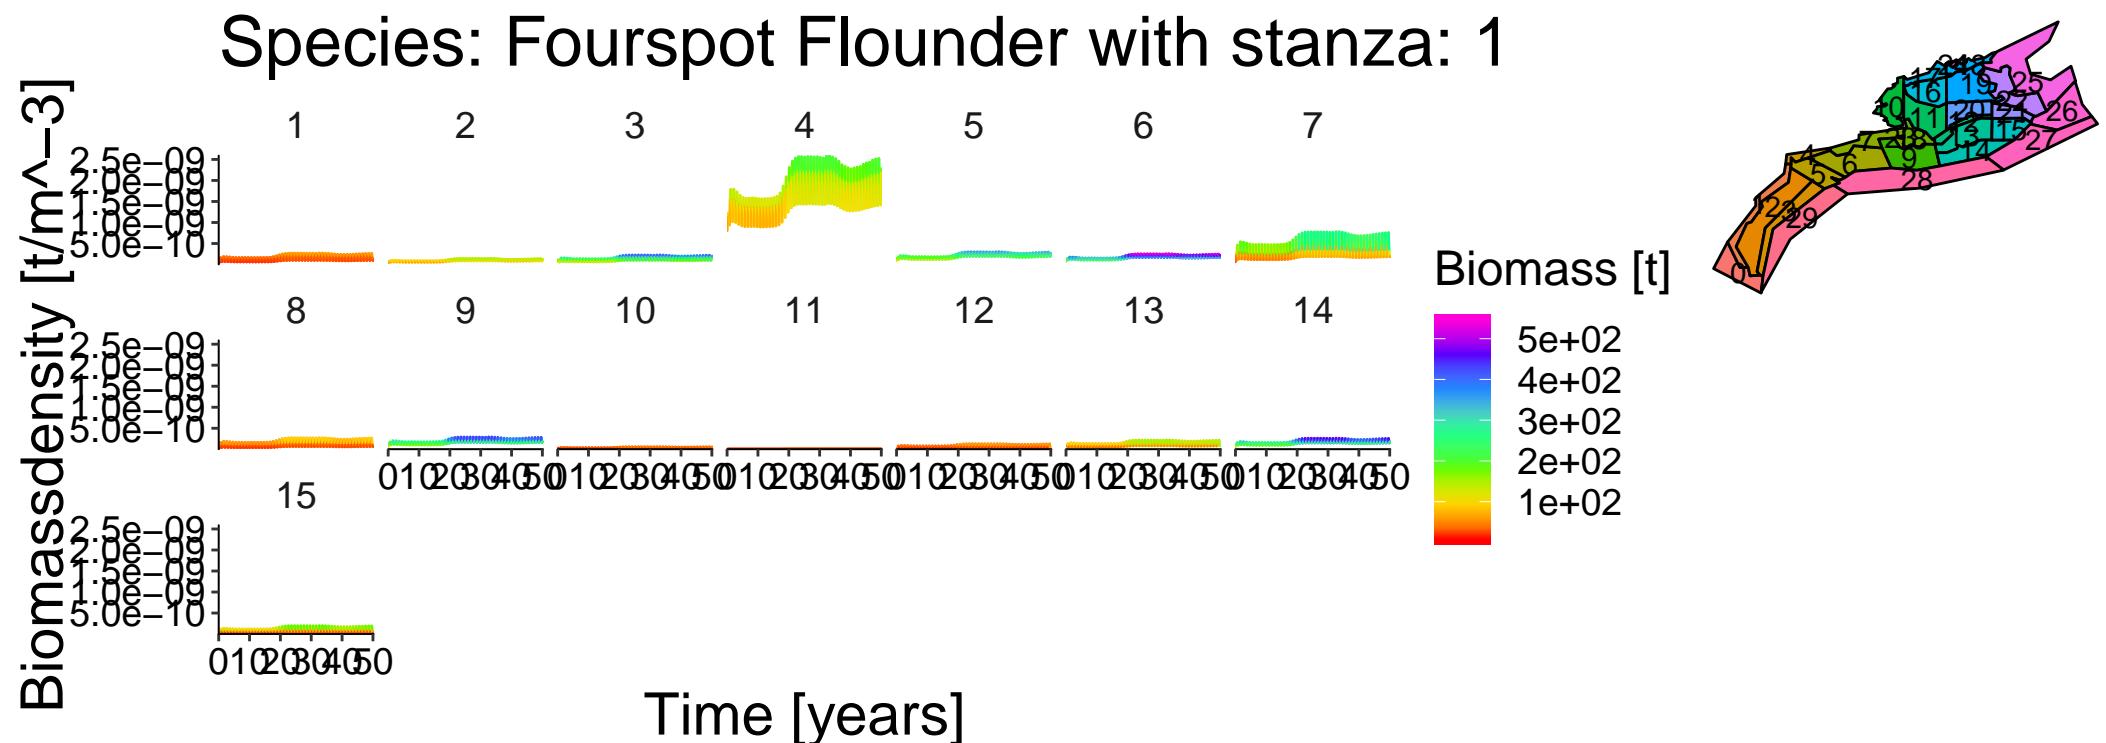

Species: Dinoflagellates with stanza: 1

Species: Drums and croakers with stanza: 2

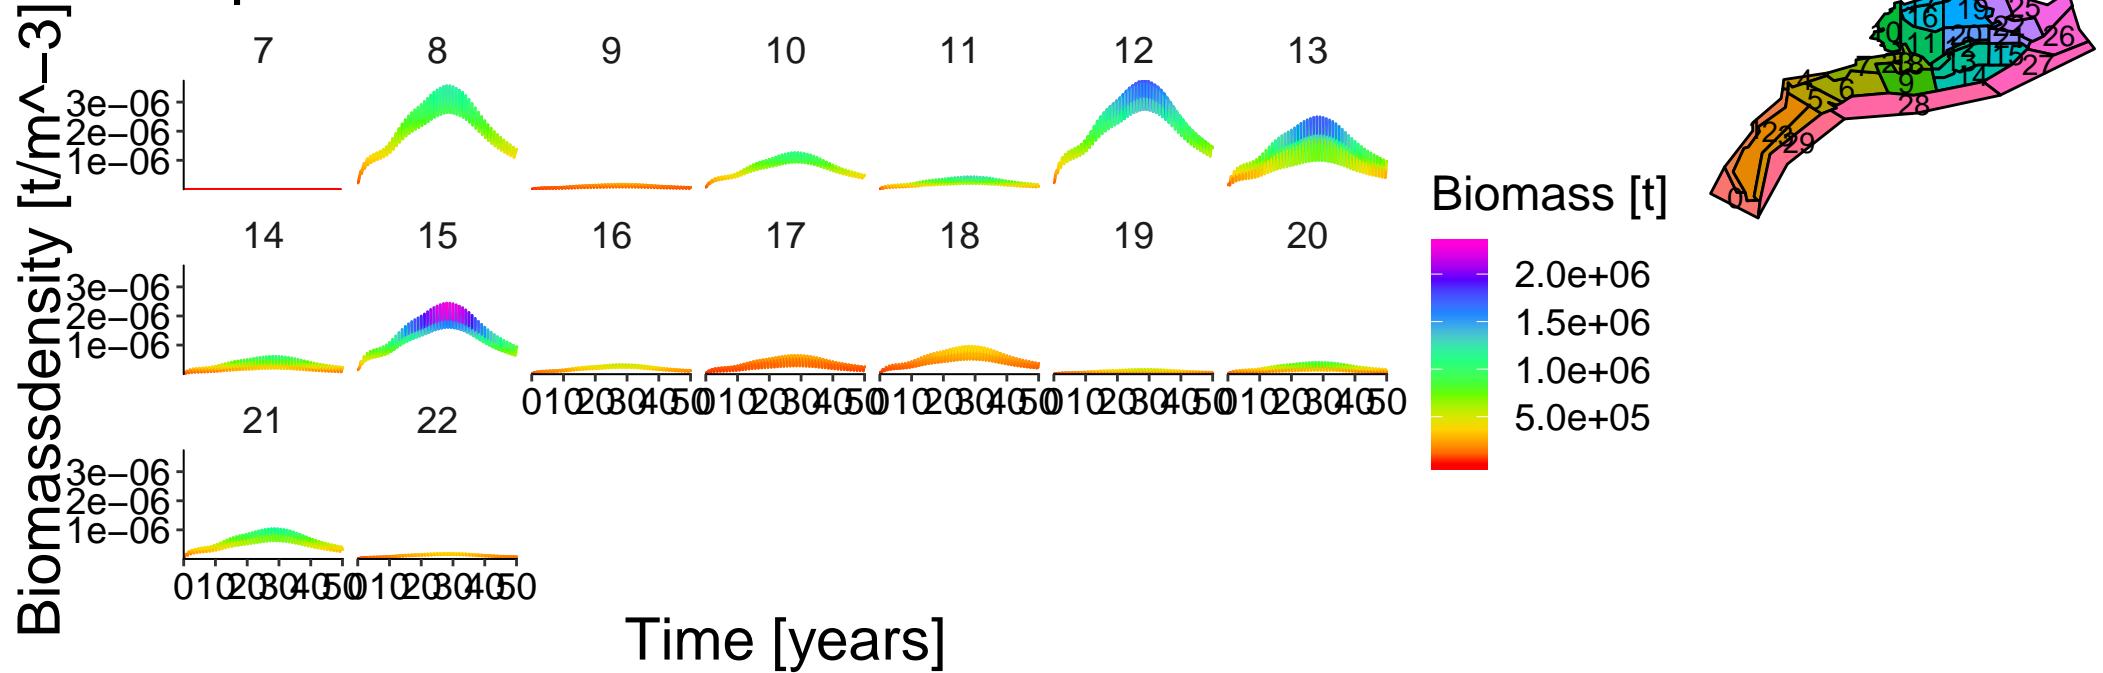

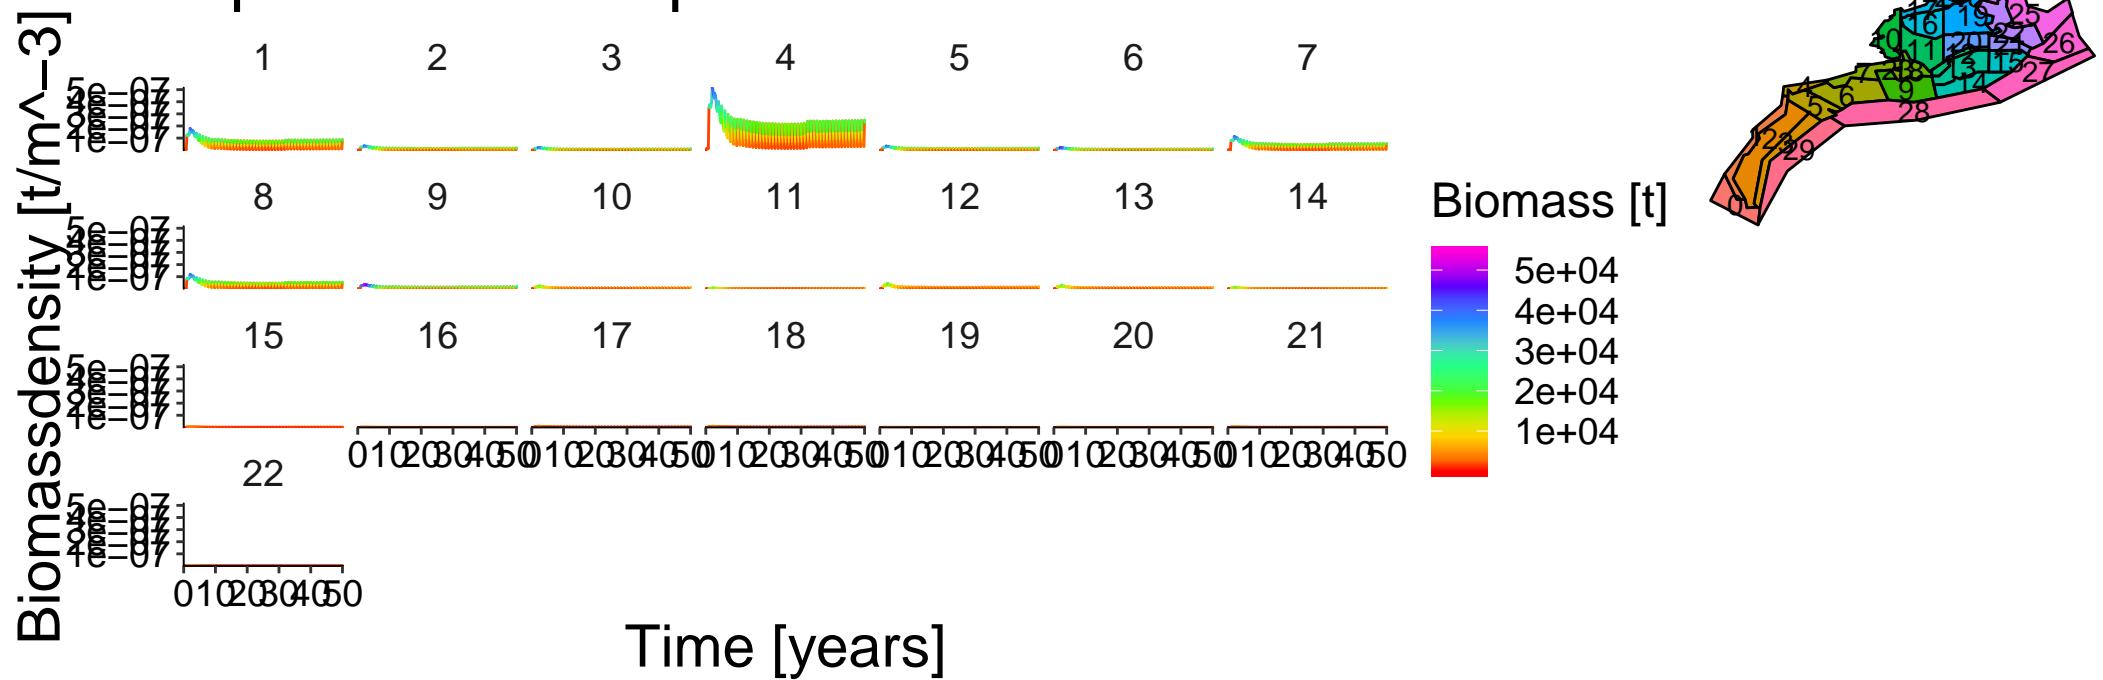

Species: Gelatinous zooplankton with stanza: 1

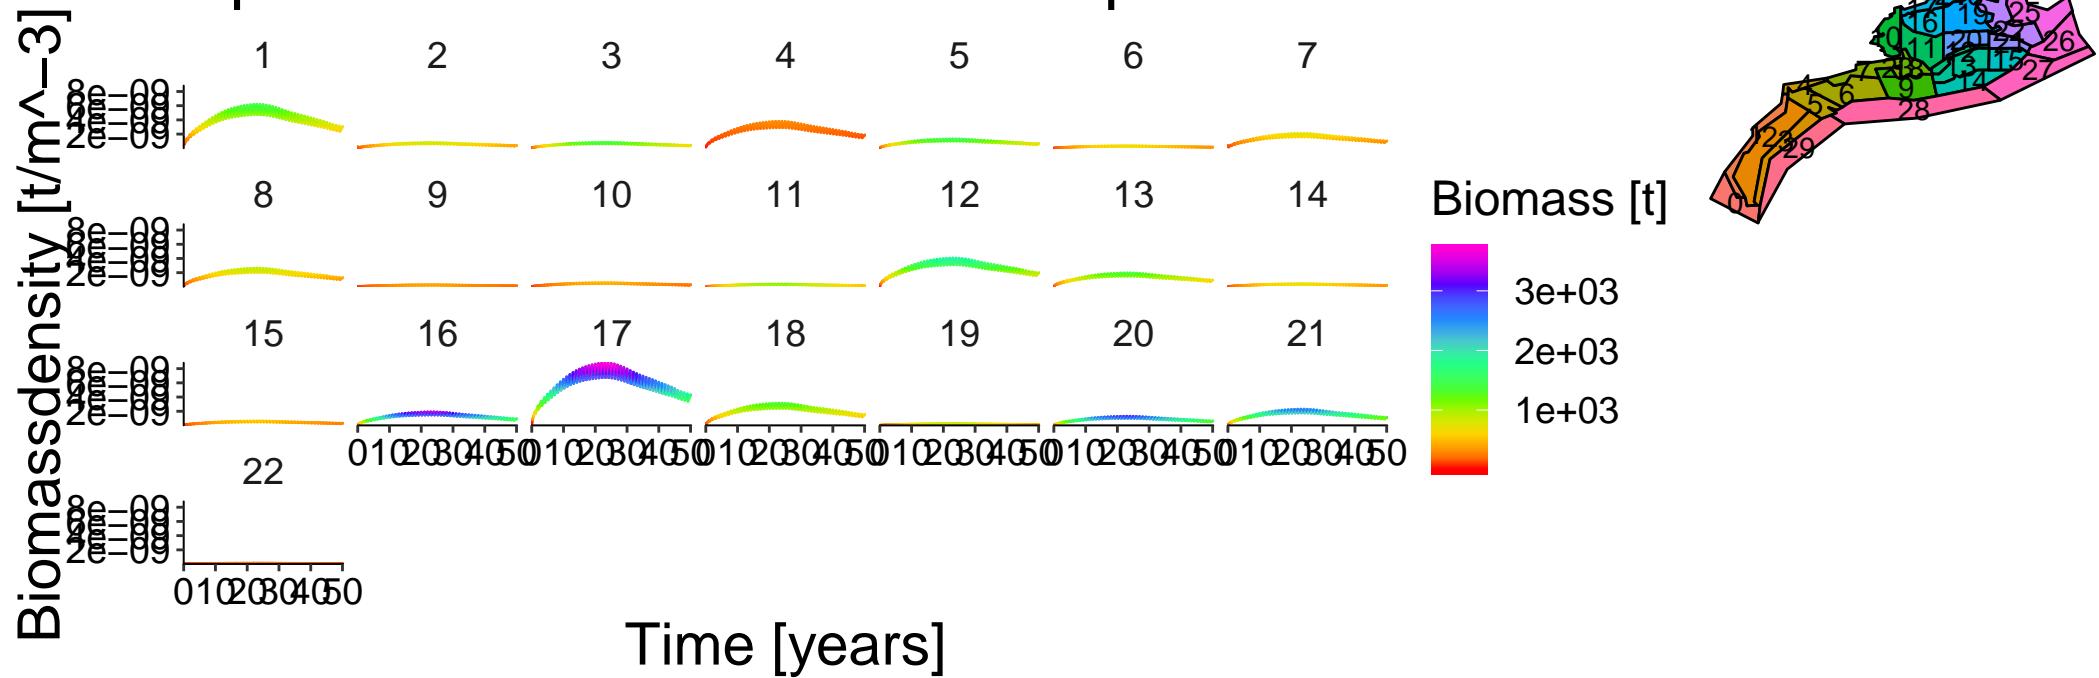

Species: Haddock with stanza: 2

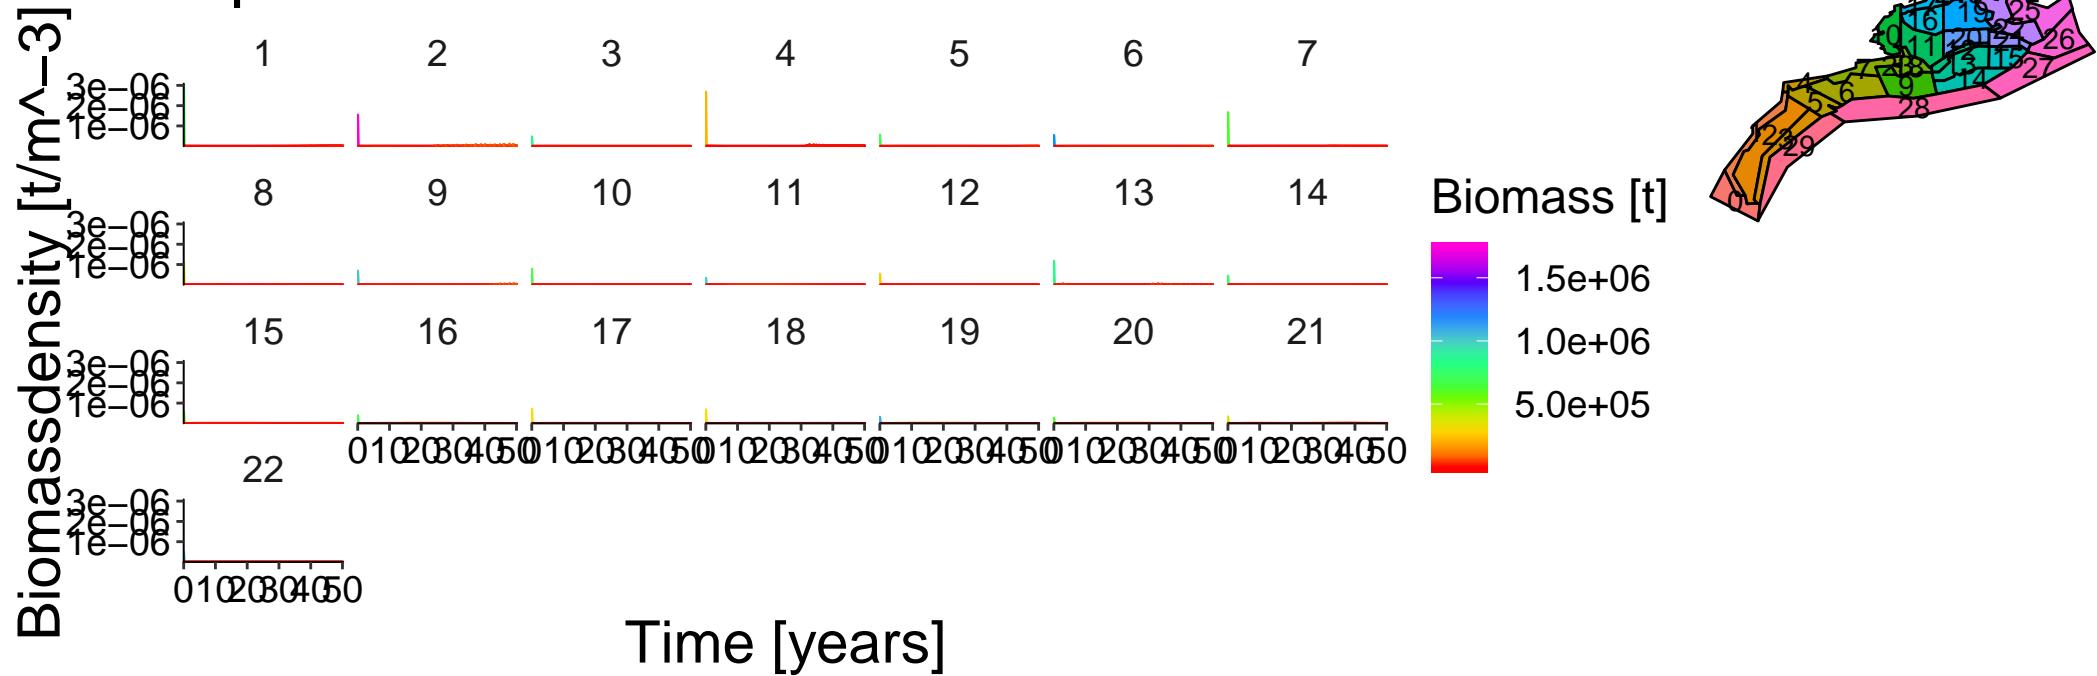

Species: Illex squid with stanza: 1

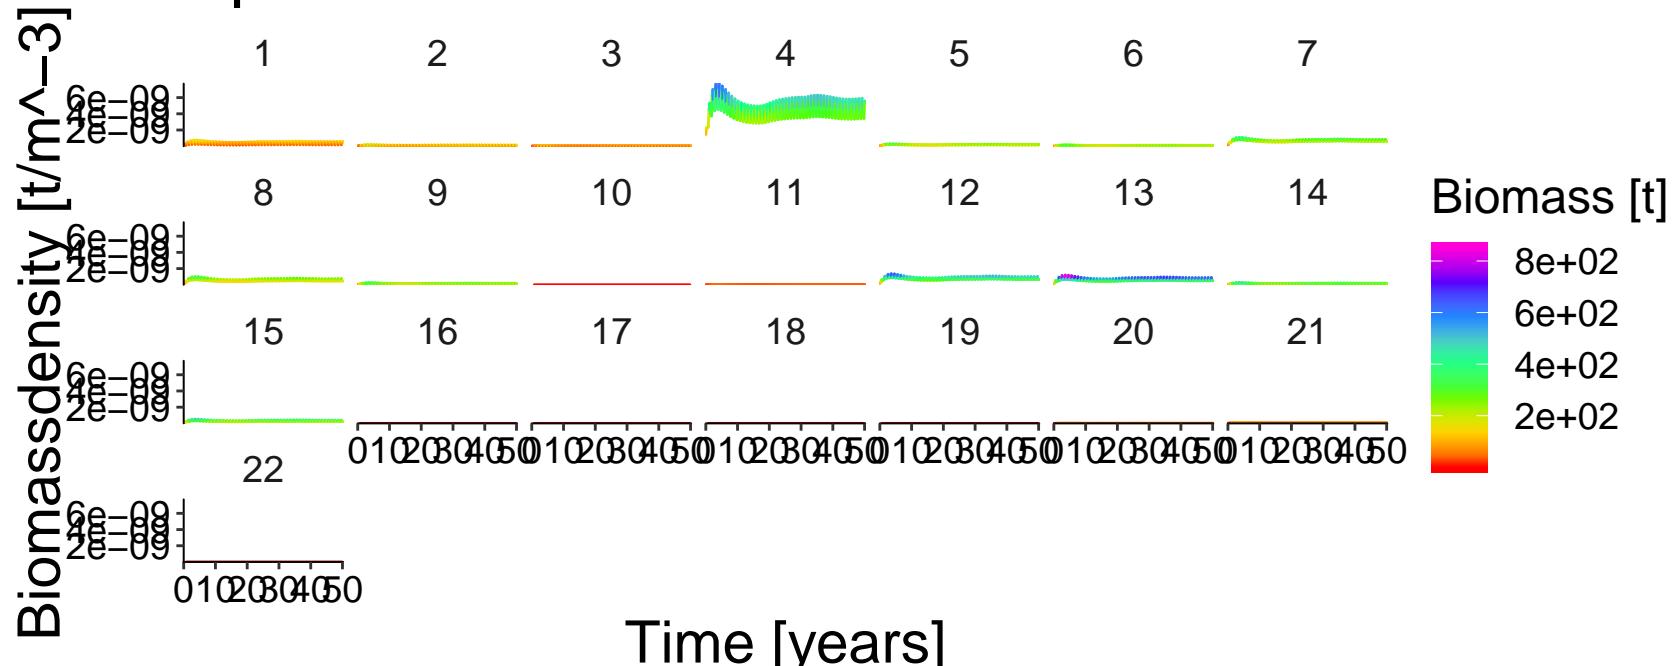

Species: Invasive vertebrate species with stanza: 2

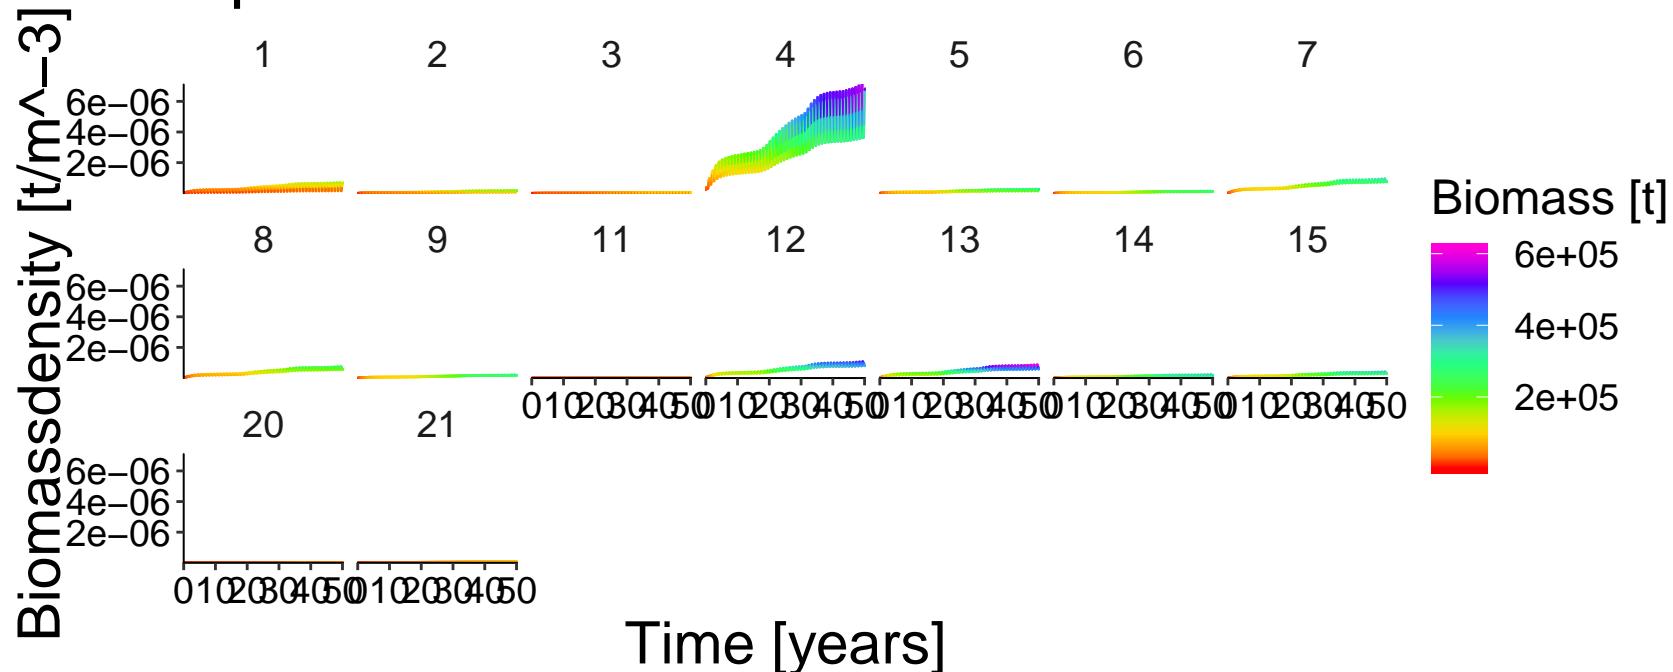

Species: Labile detritus with stanza: 1

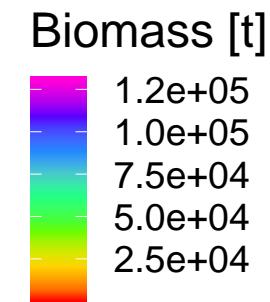

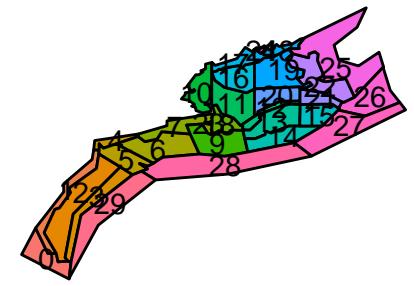

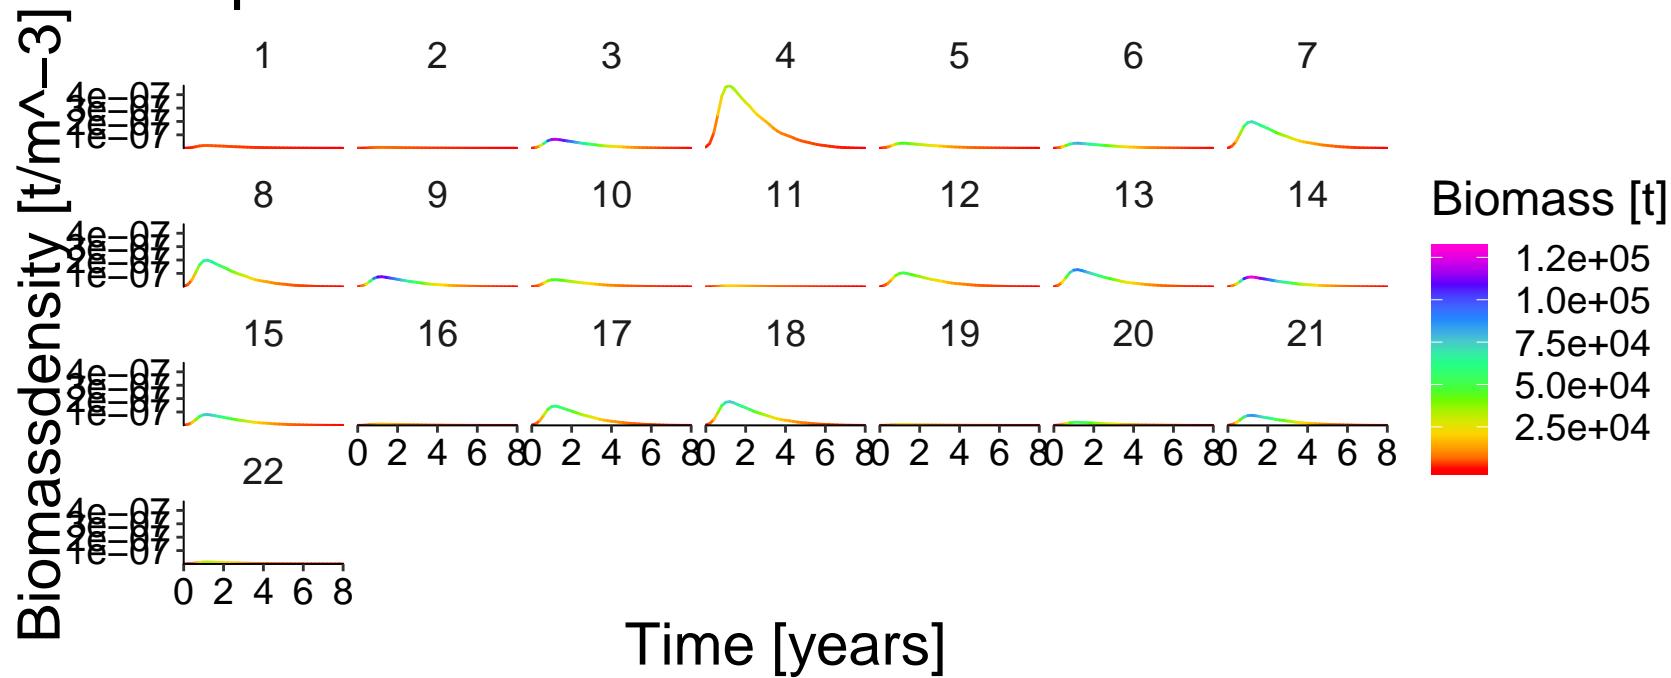

Species: Little skate with stanza: 1

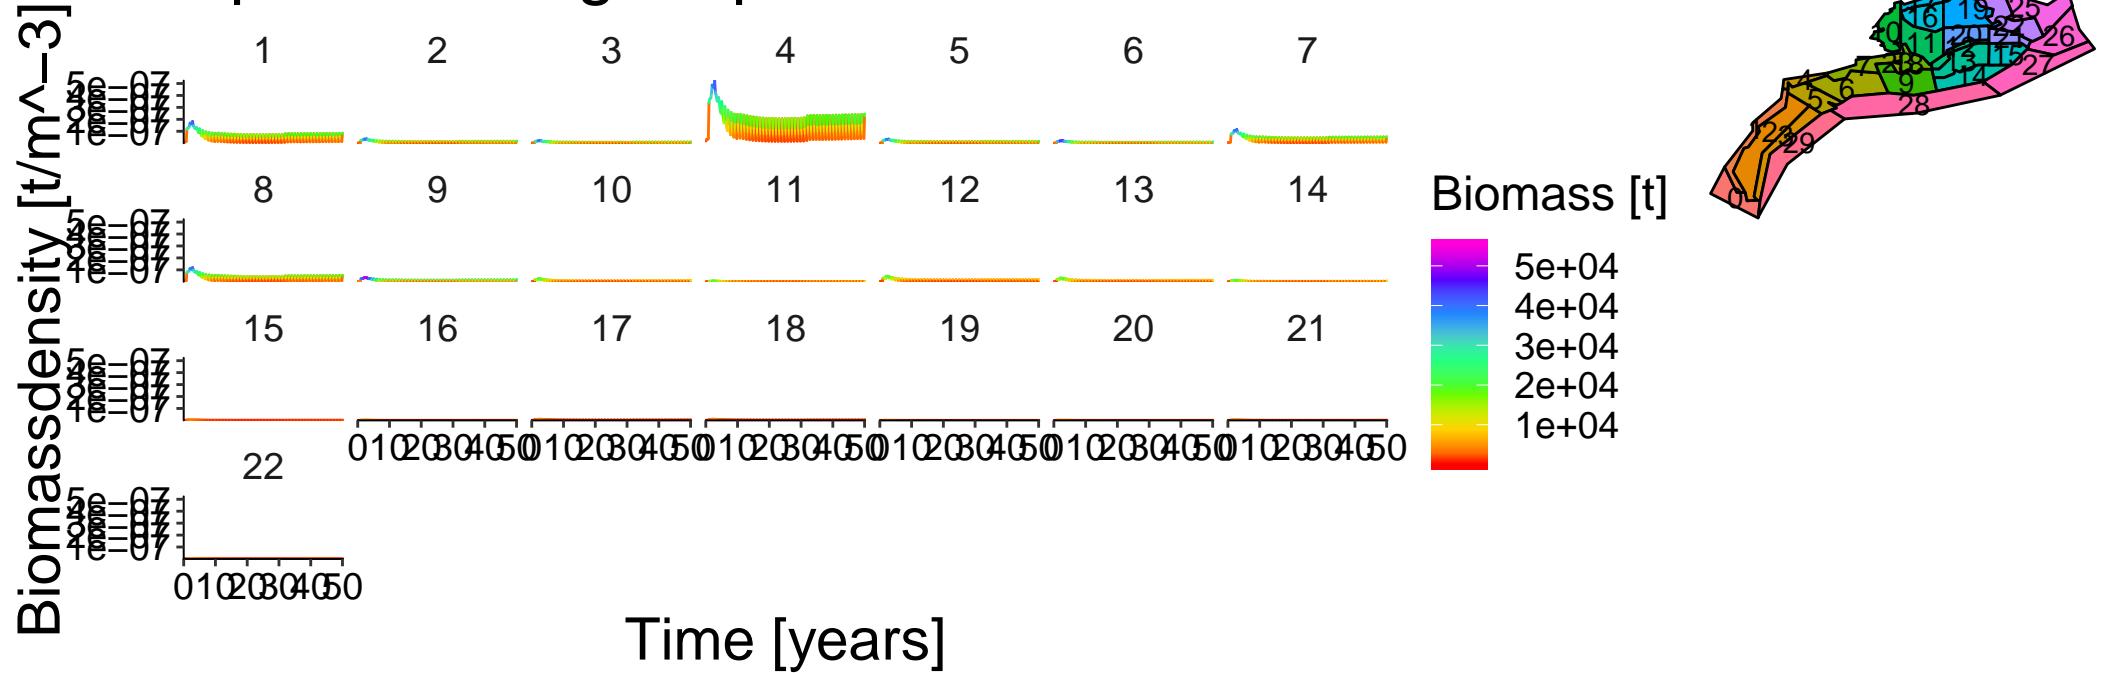

Species: Little skate with stanza: 2

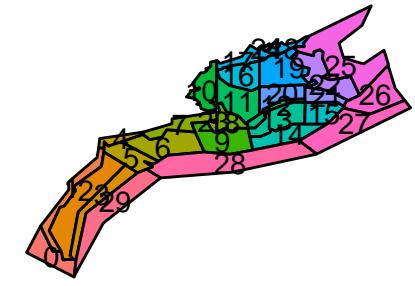

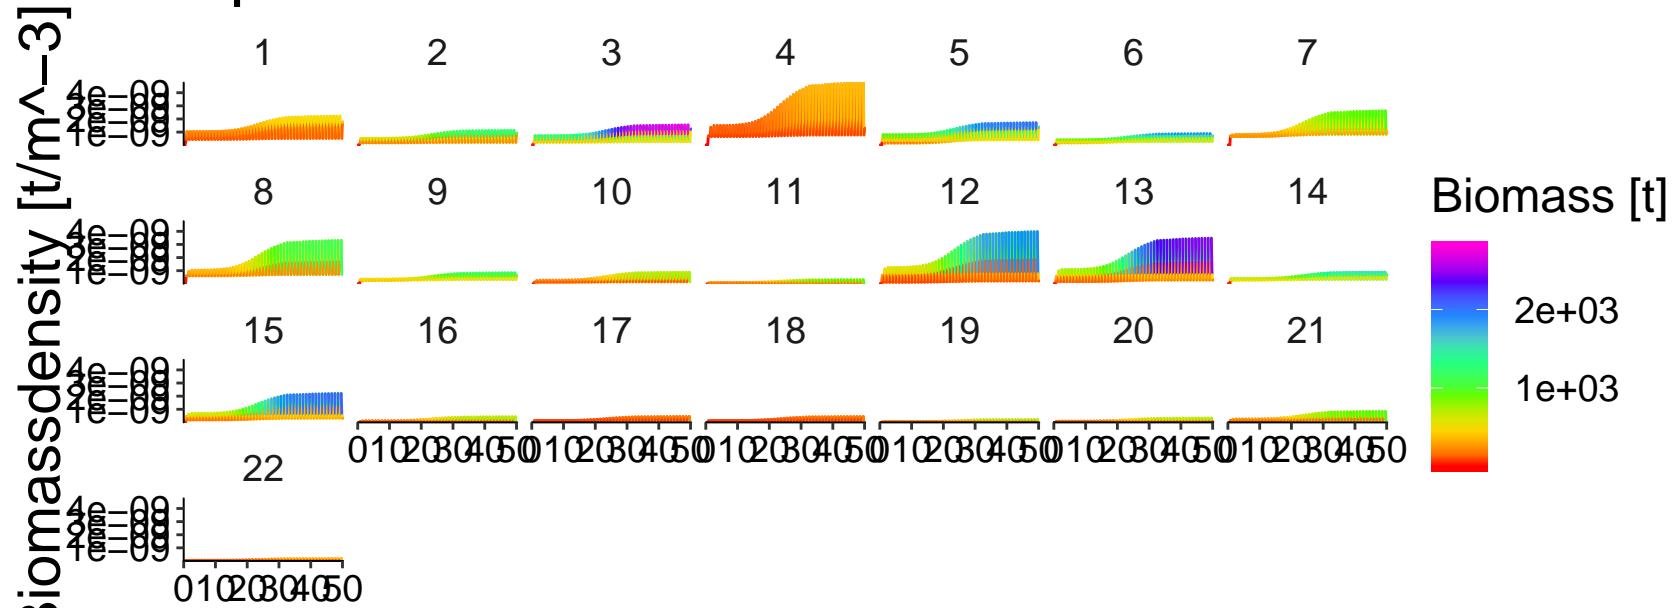

Species: Lobster with stanza: 1

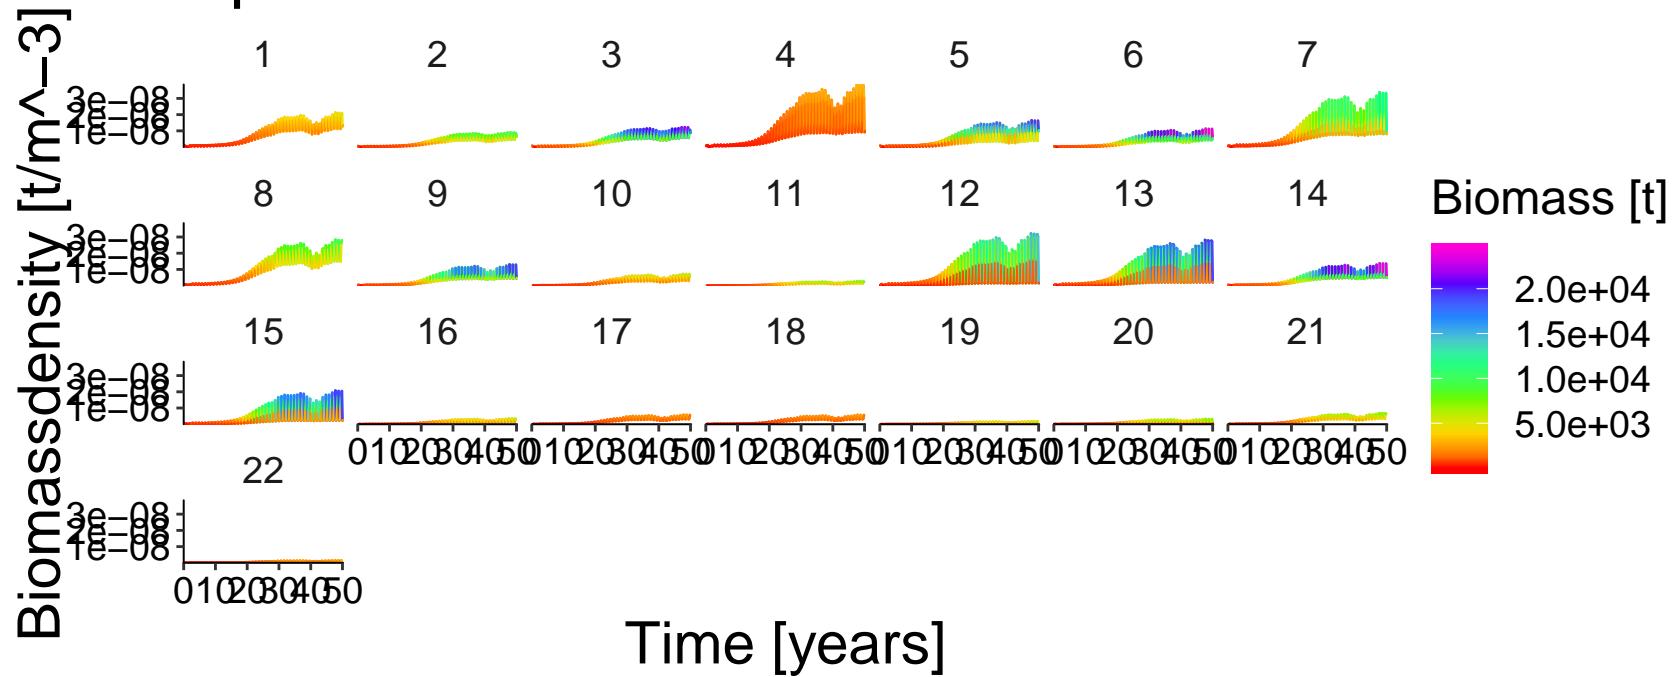

Species: Loligo squid with stanza: 1

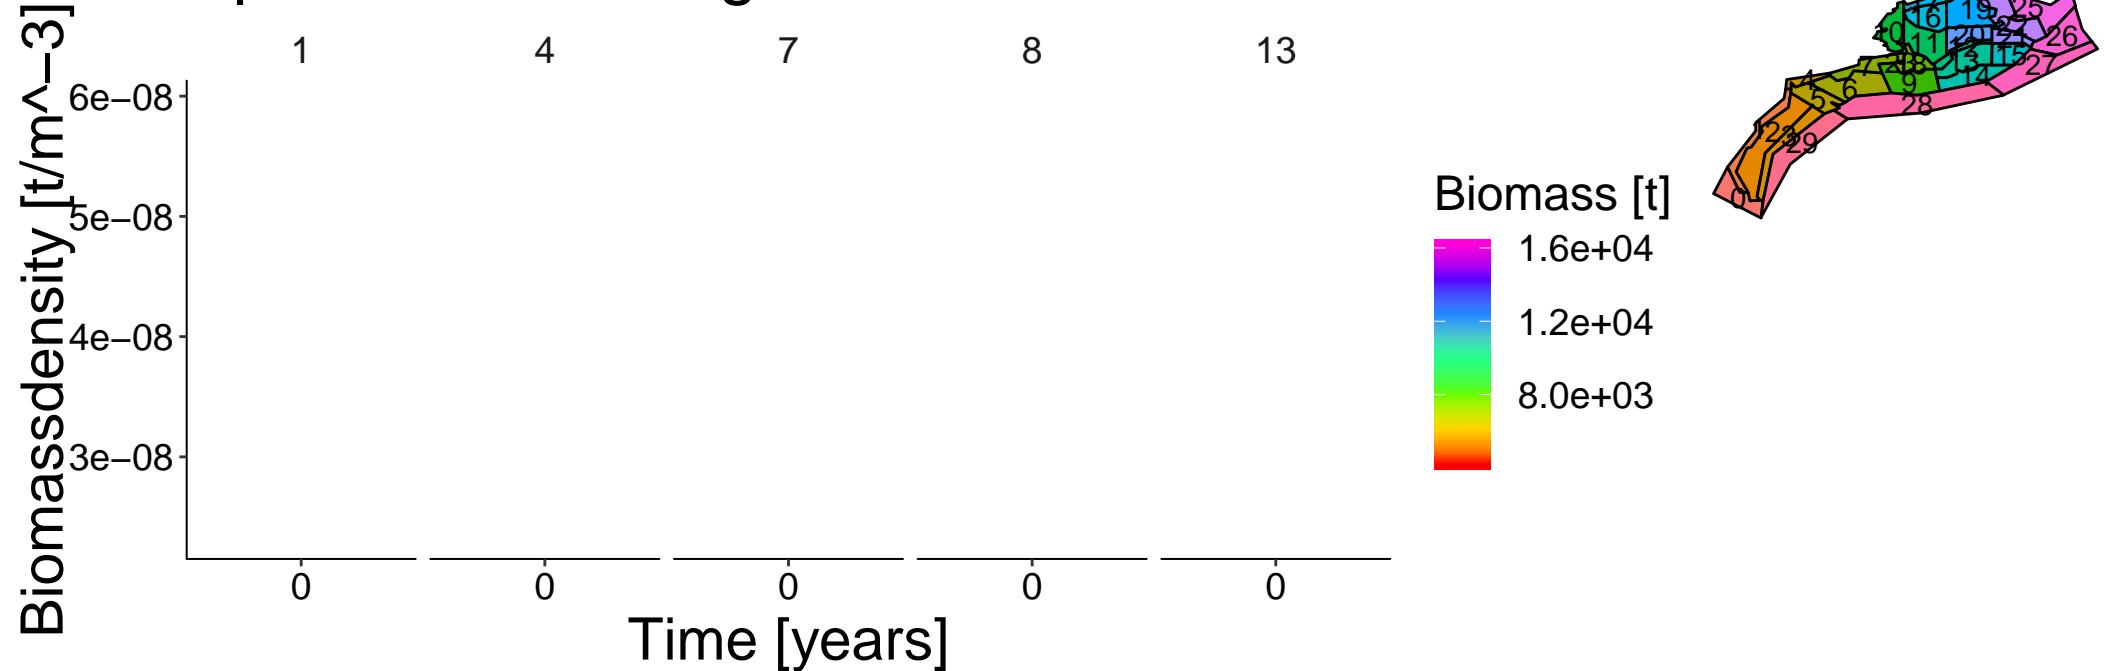

Species: Mackerel with stanza: 1

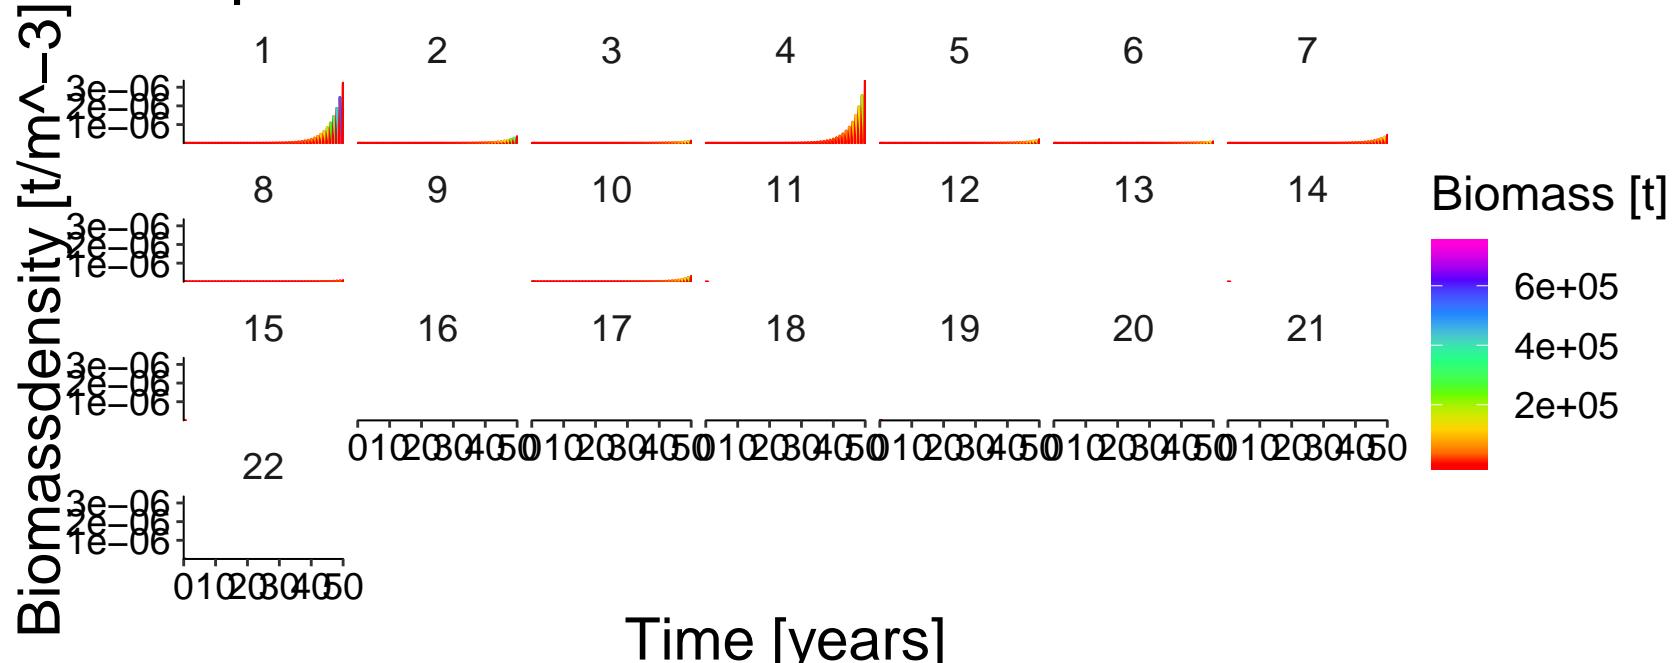

Species: Mackerel with stanza: 2

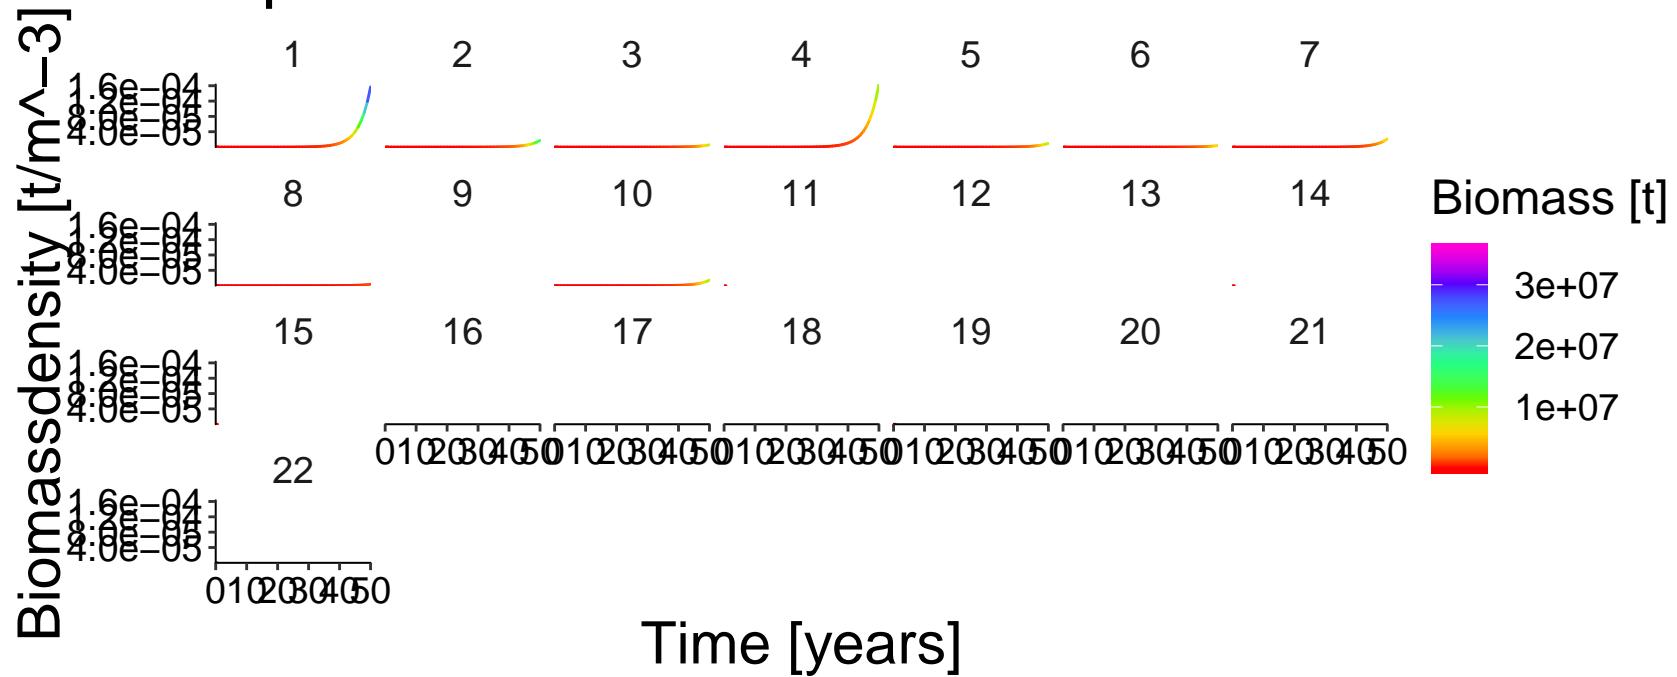

Species: Macroalgae with stanza: 1

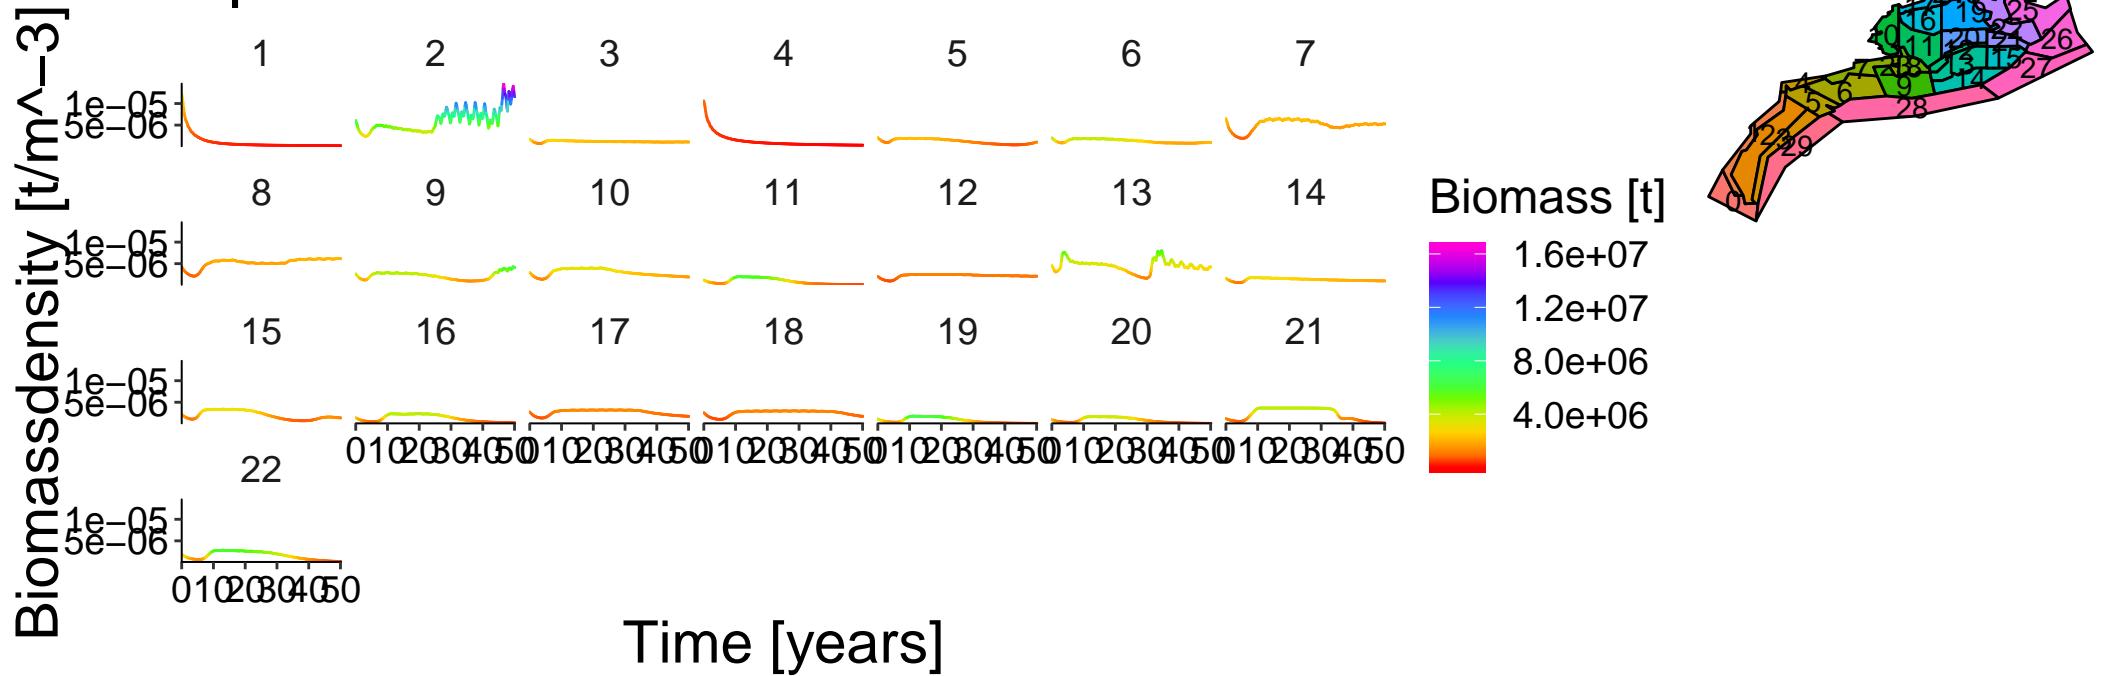

Species: Marine turtles with stanza: 1

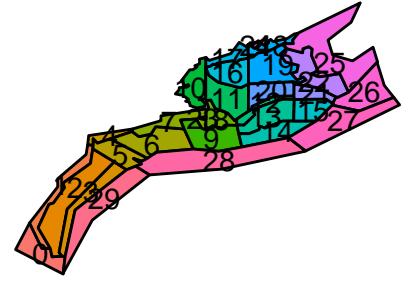

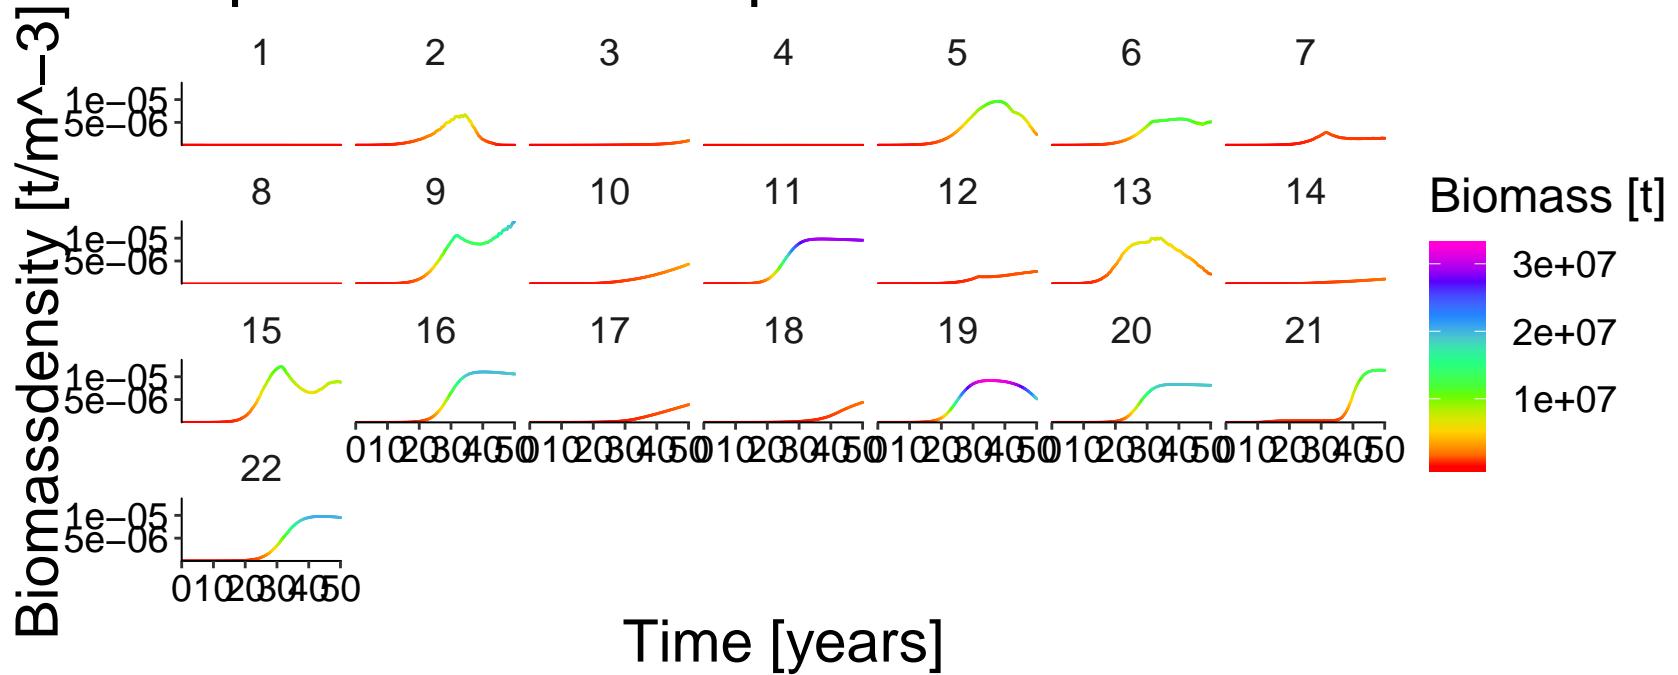

Species: Marine turtles with stanza: 2

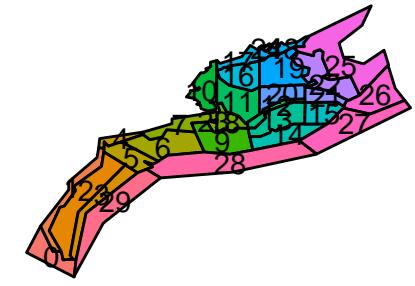

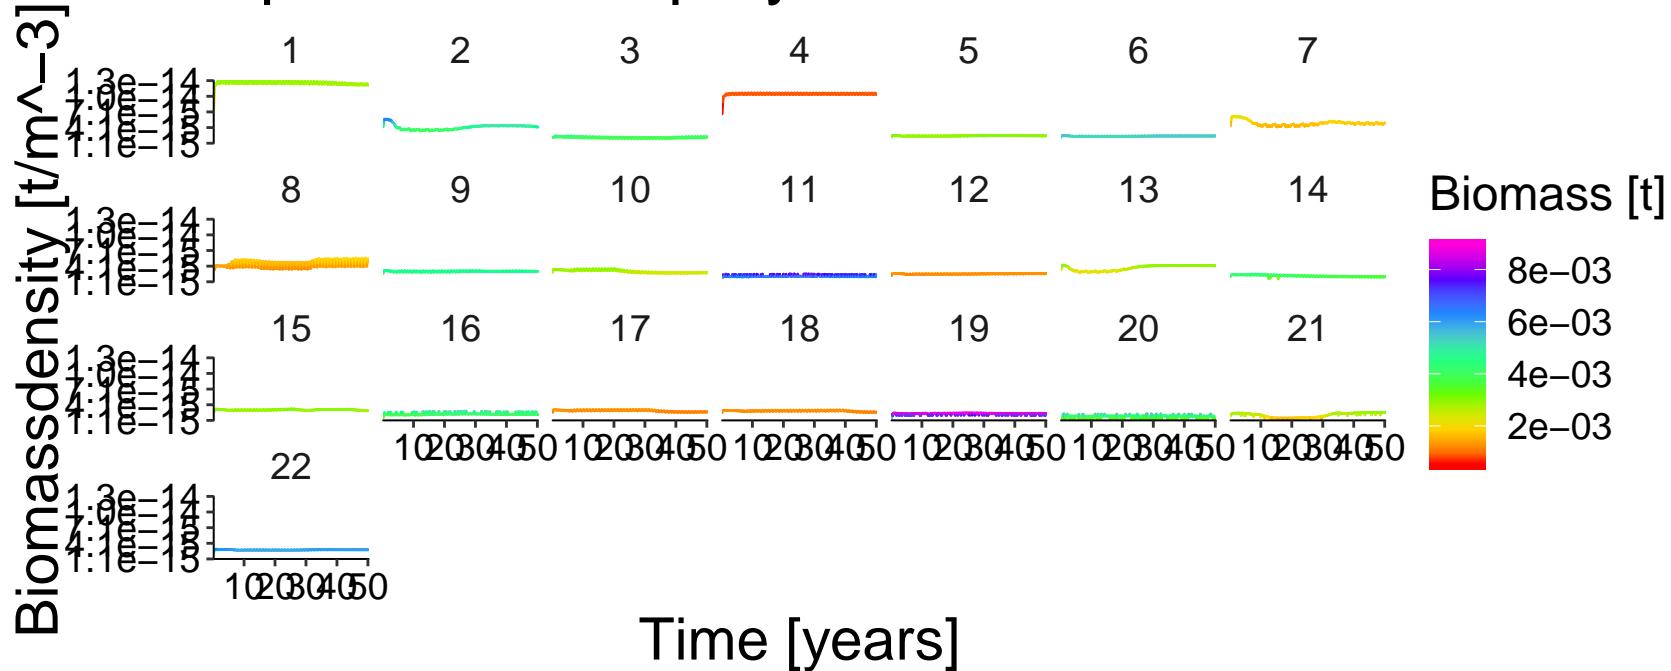

Species: Meiobenthos with stanza: 1

Species: Mesozooplankton with stanza: 1

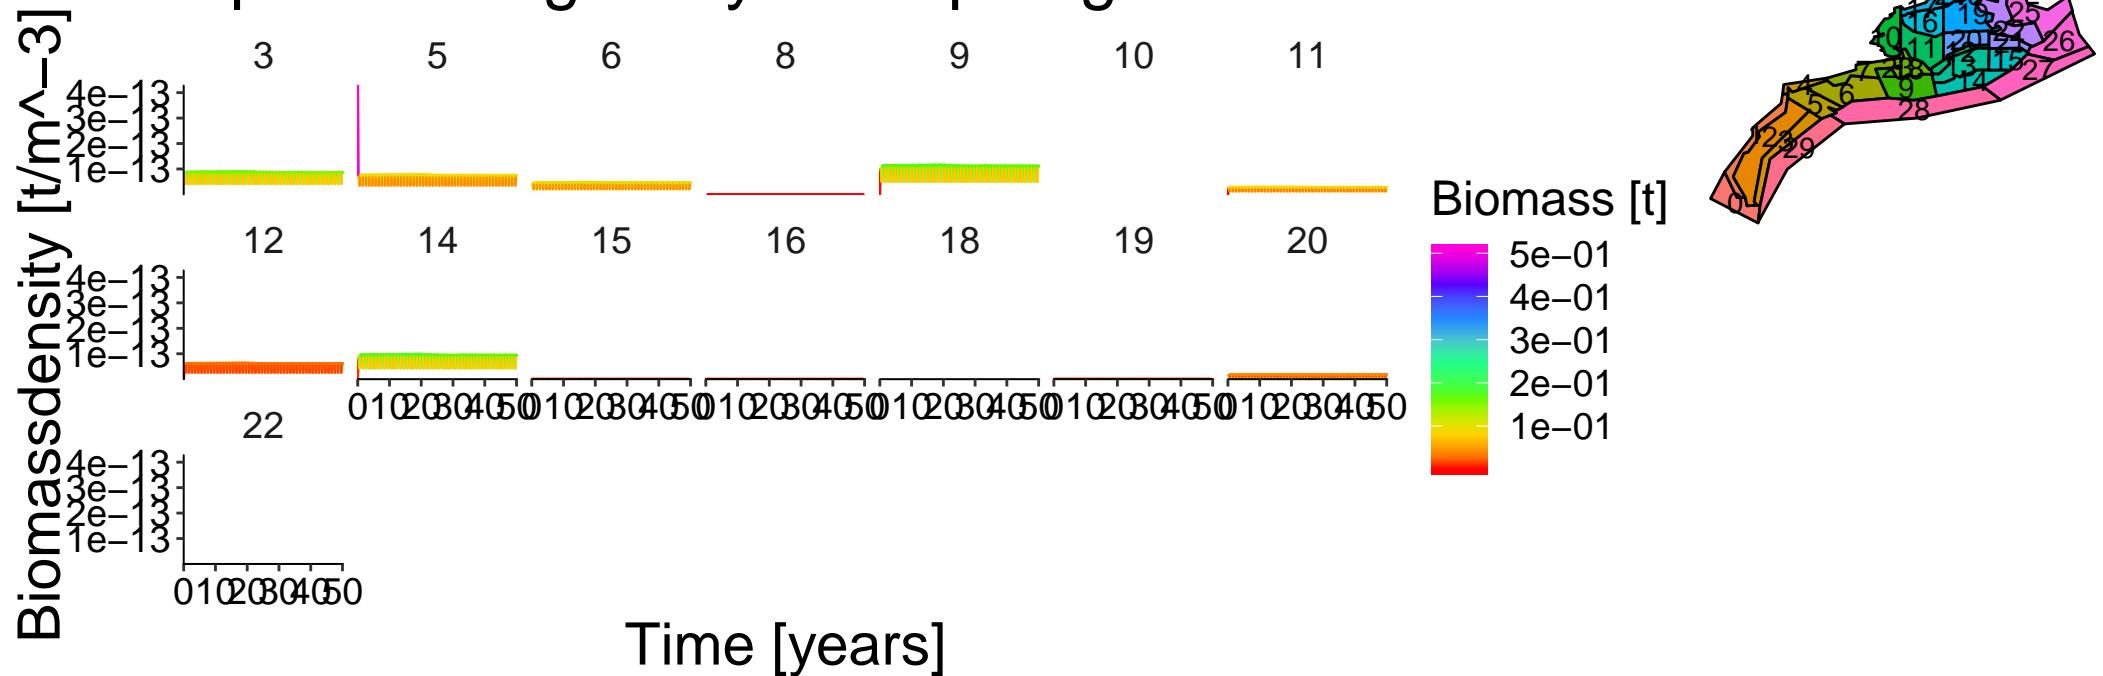

Species: Microphytobenthos with stanza: 1

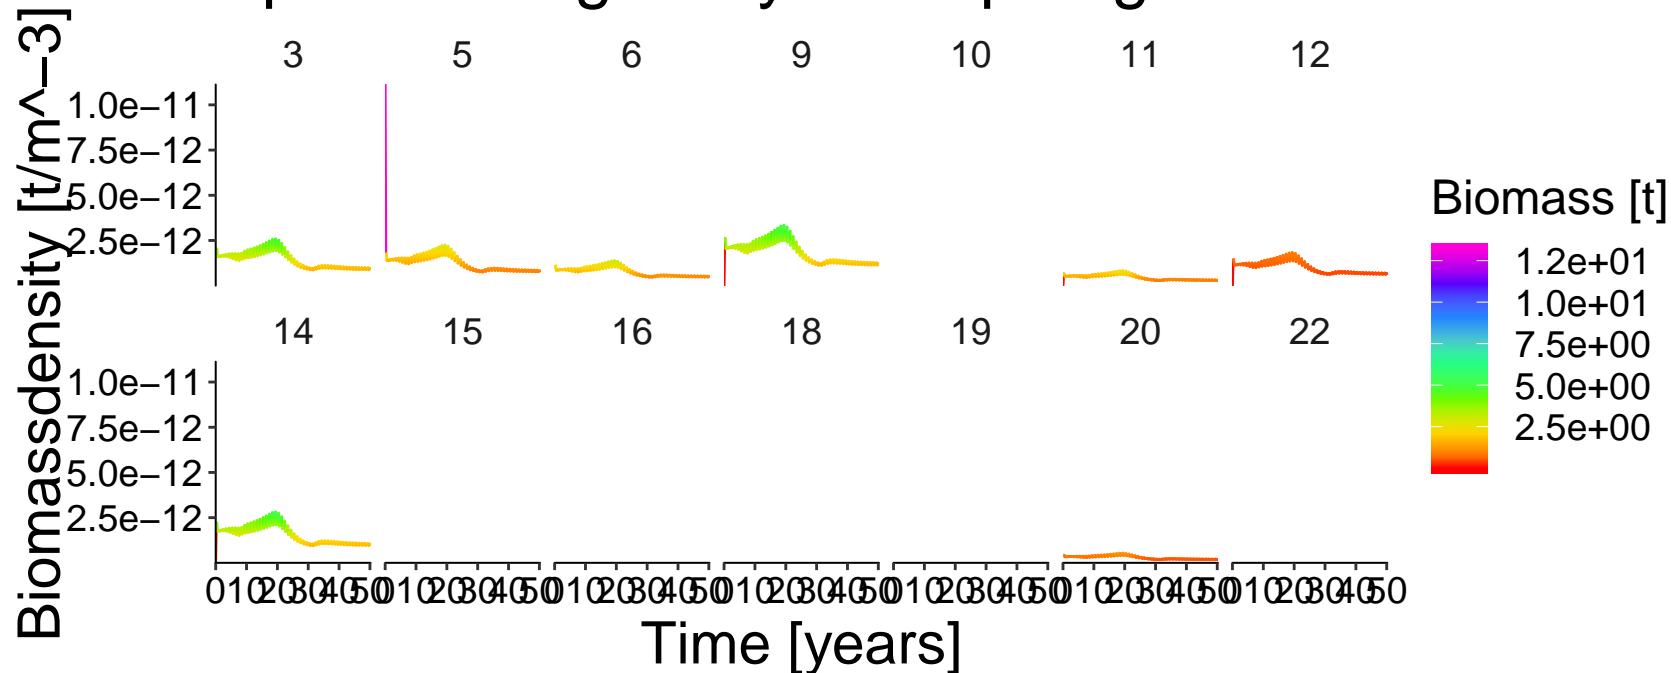

Species: Microzooplankton with stanza: 1

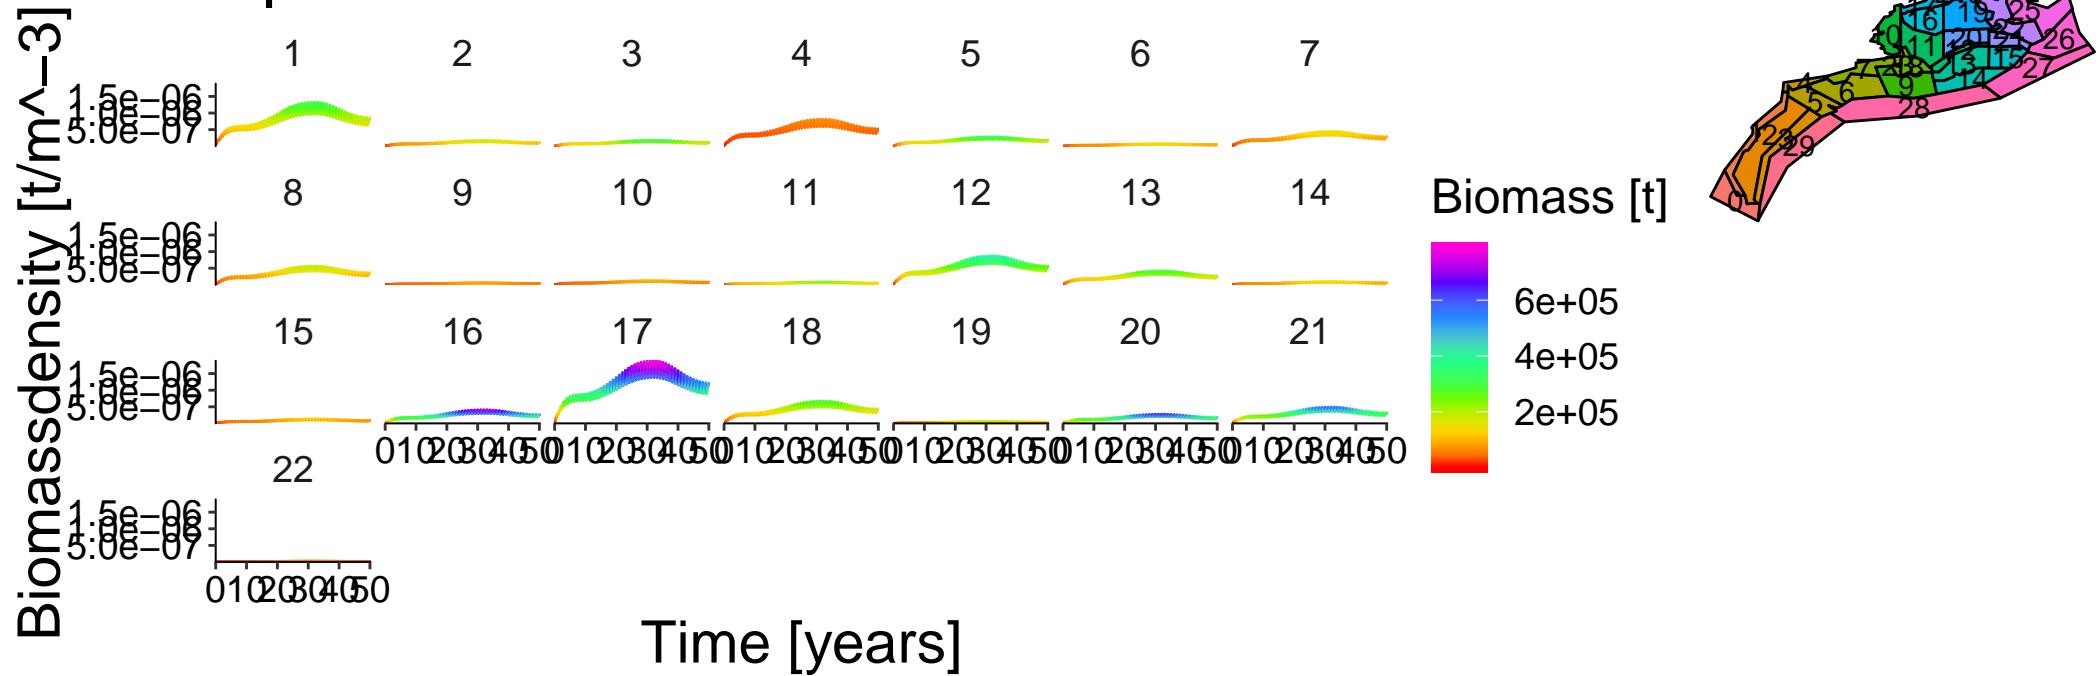

Species: Migratory mesopelagic fish with stanza: 1

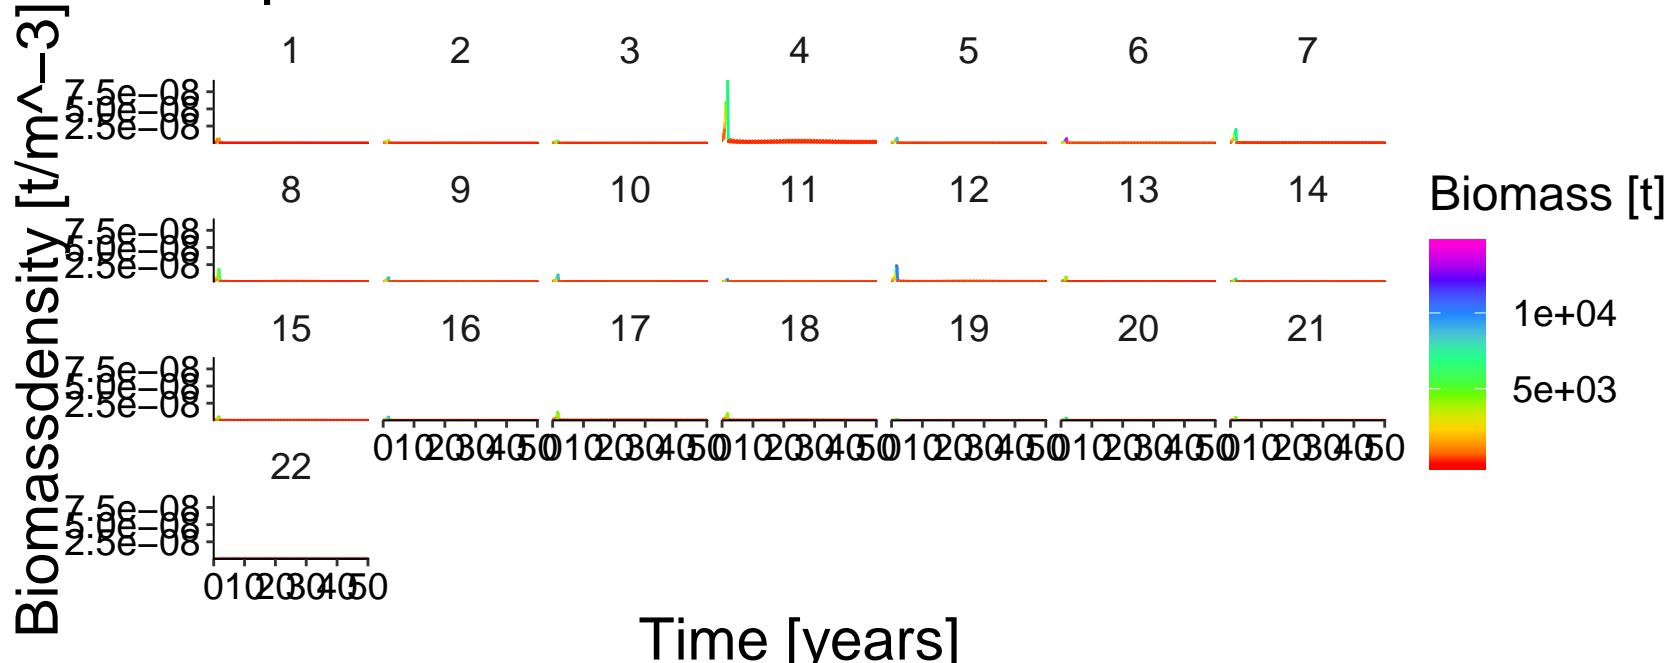

Species: Migratory mesopelagic fish with stanza: 2

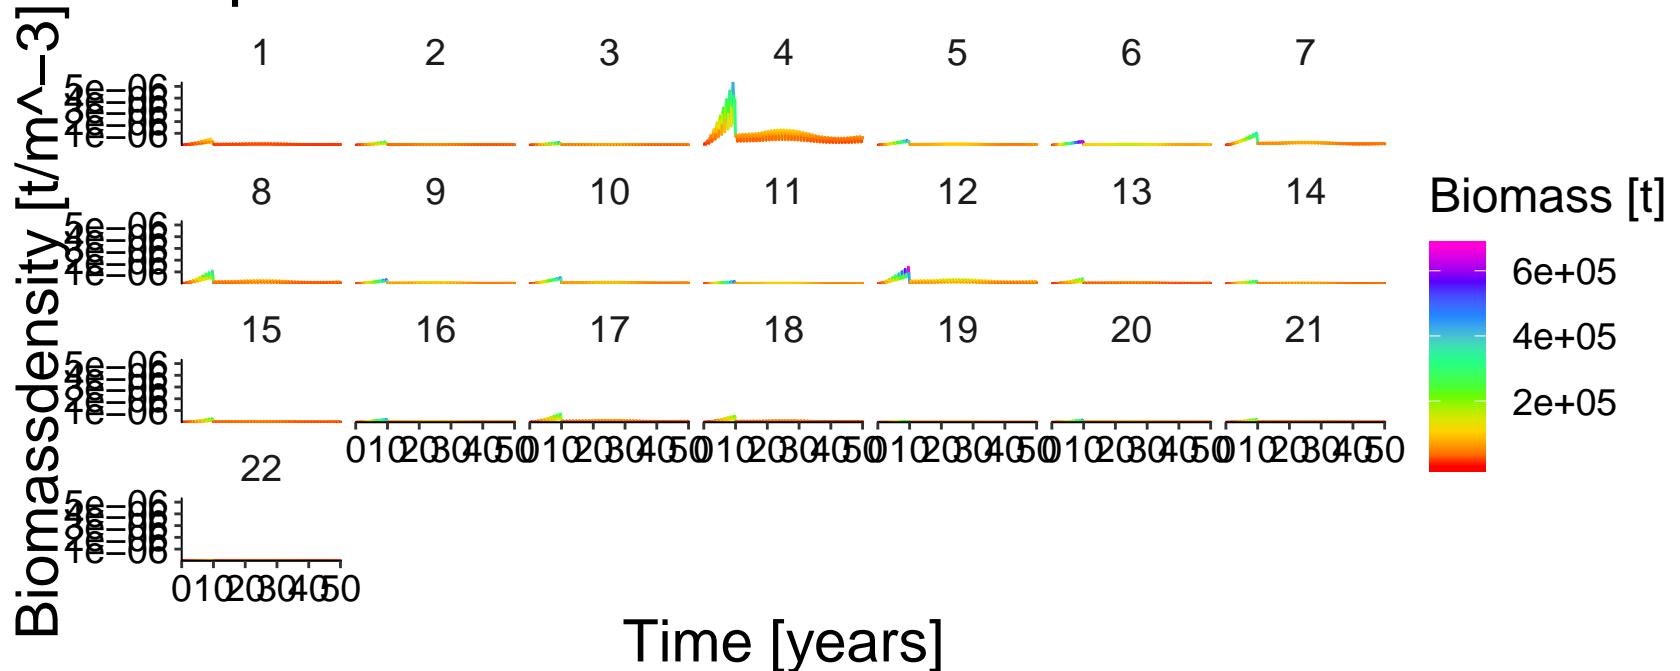

Species: Miscellaneous demersal fish with stanza: 2

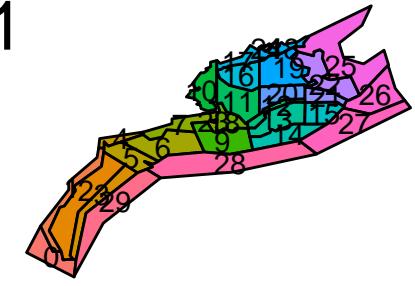

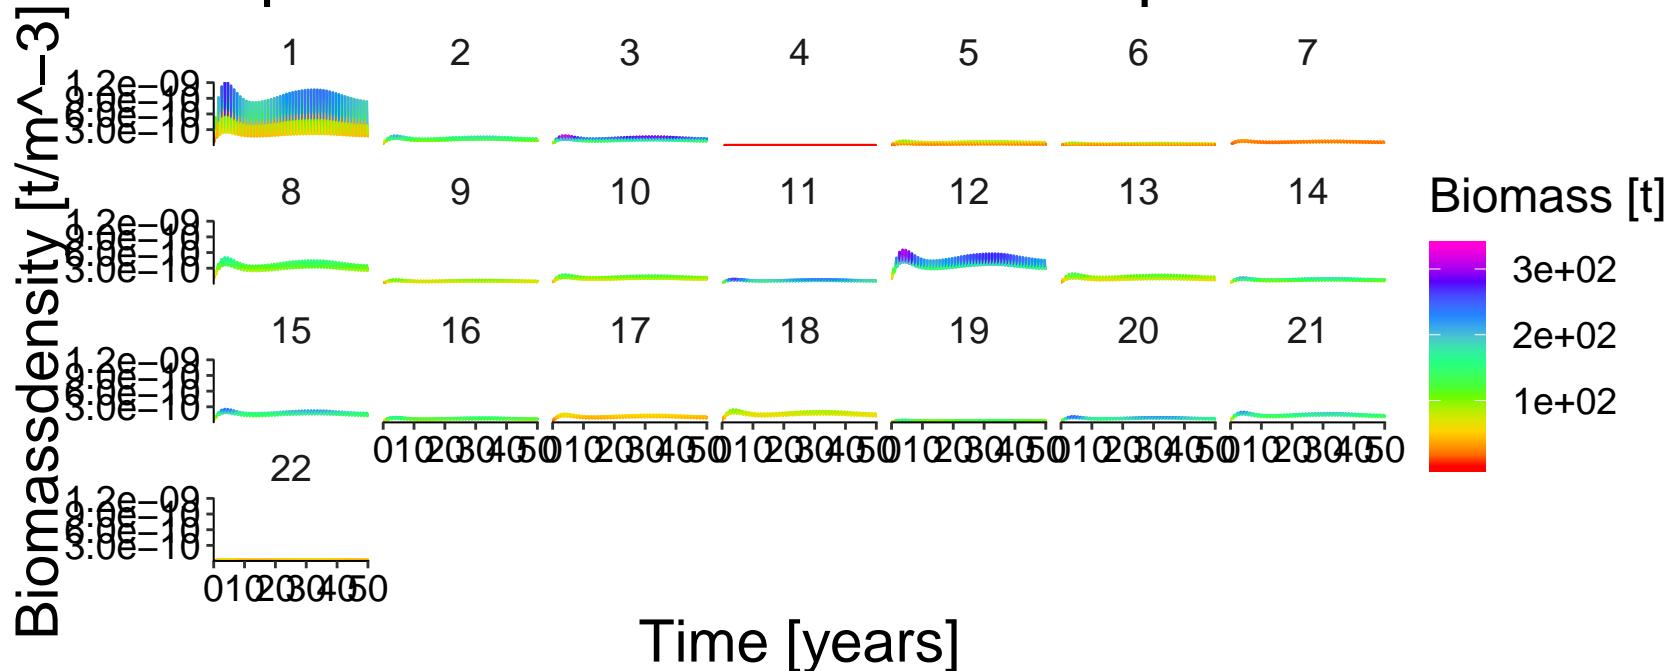

Species: Monkfish with stanza: 1

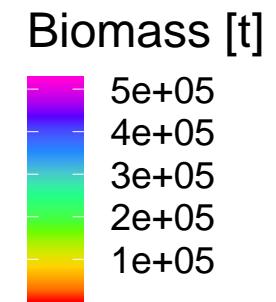

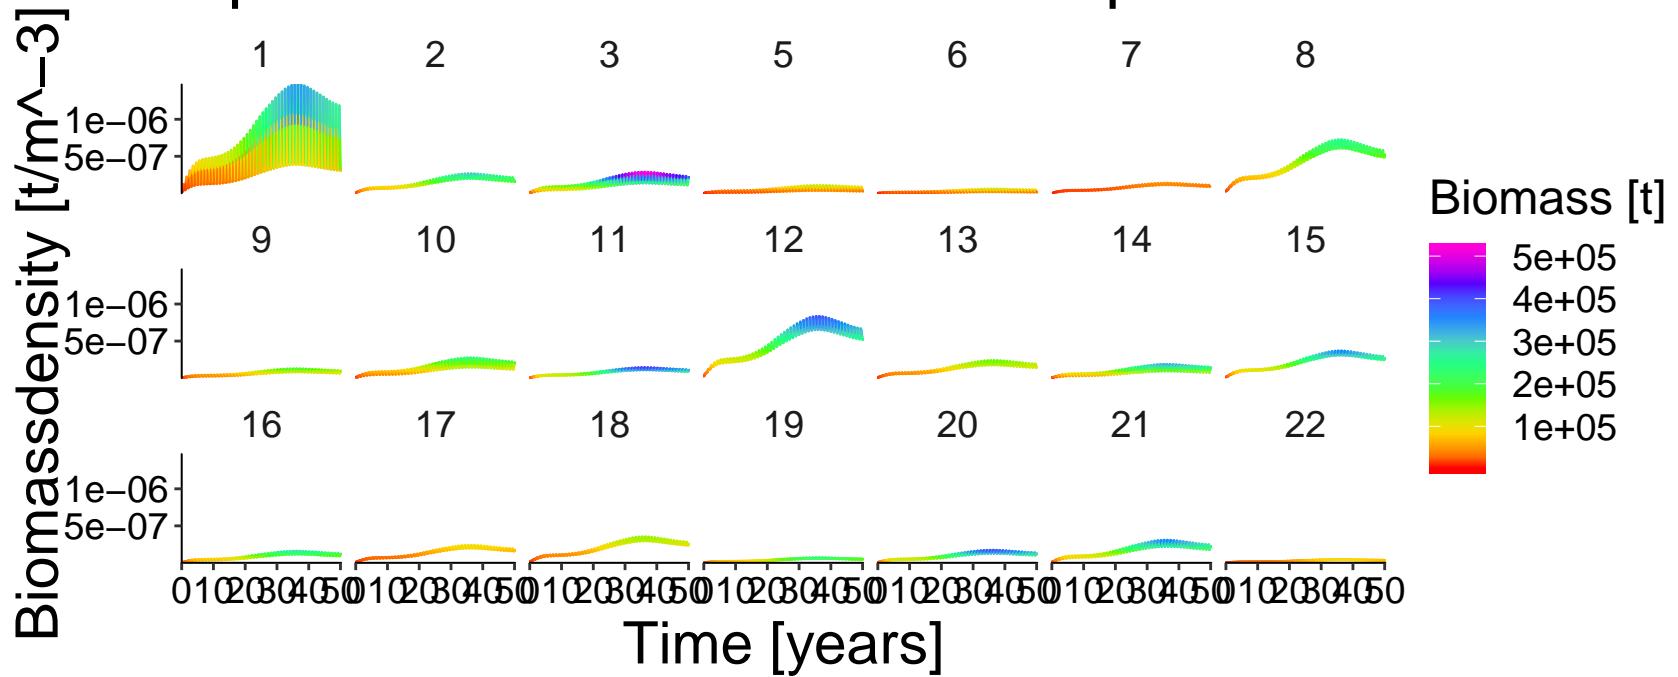

Species: Monkfish with stanza: 2

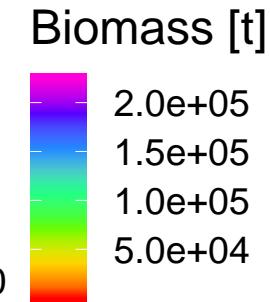

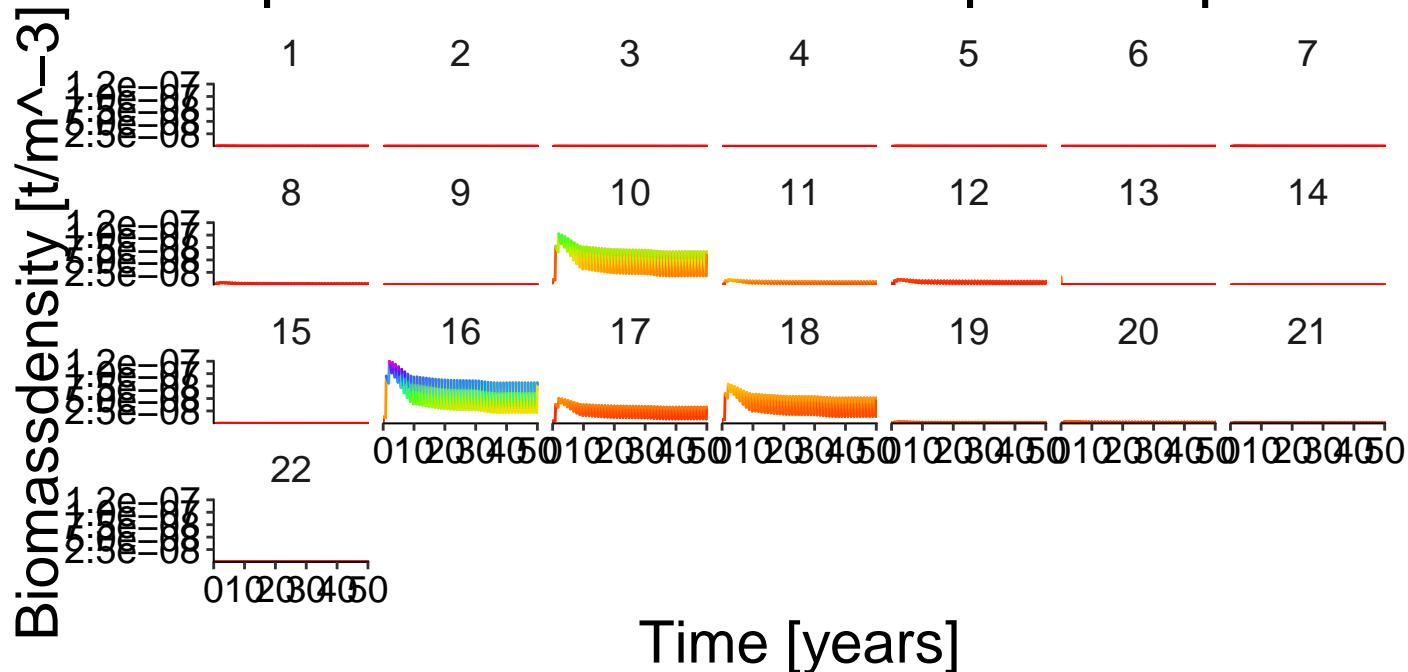

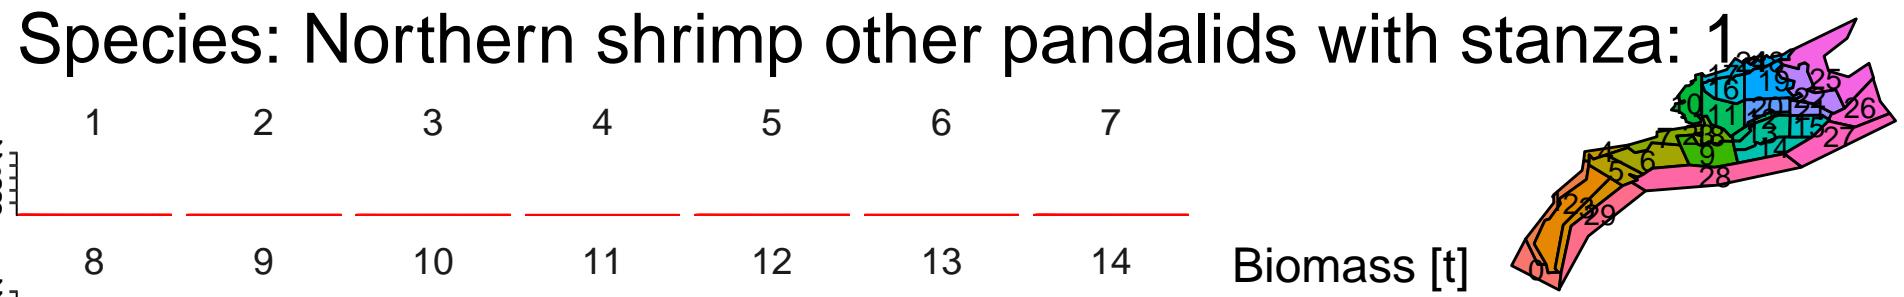

Species: Northeast skate complex with stanza: 1

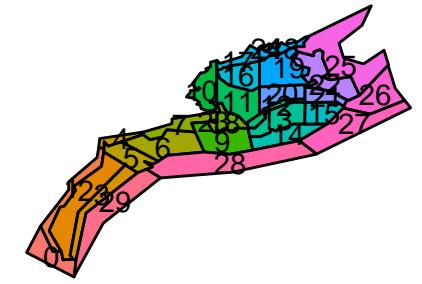

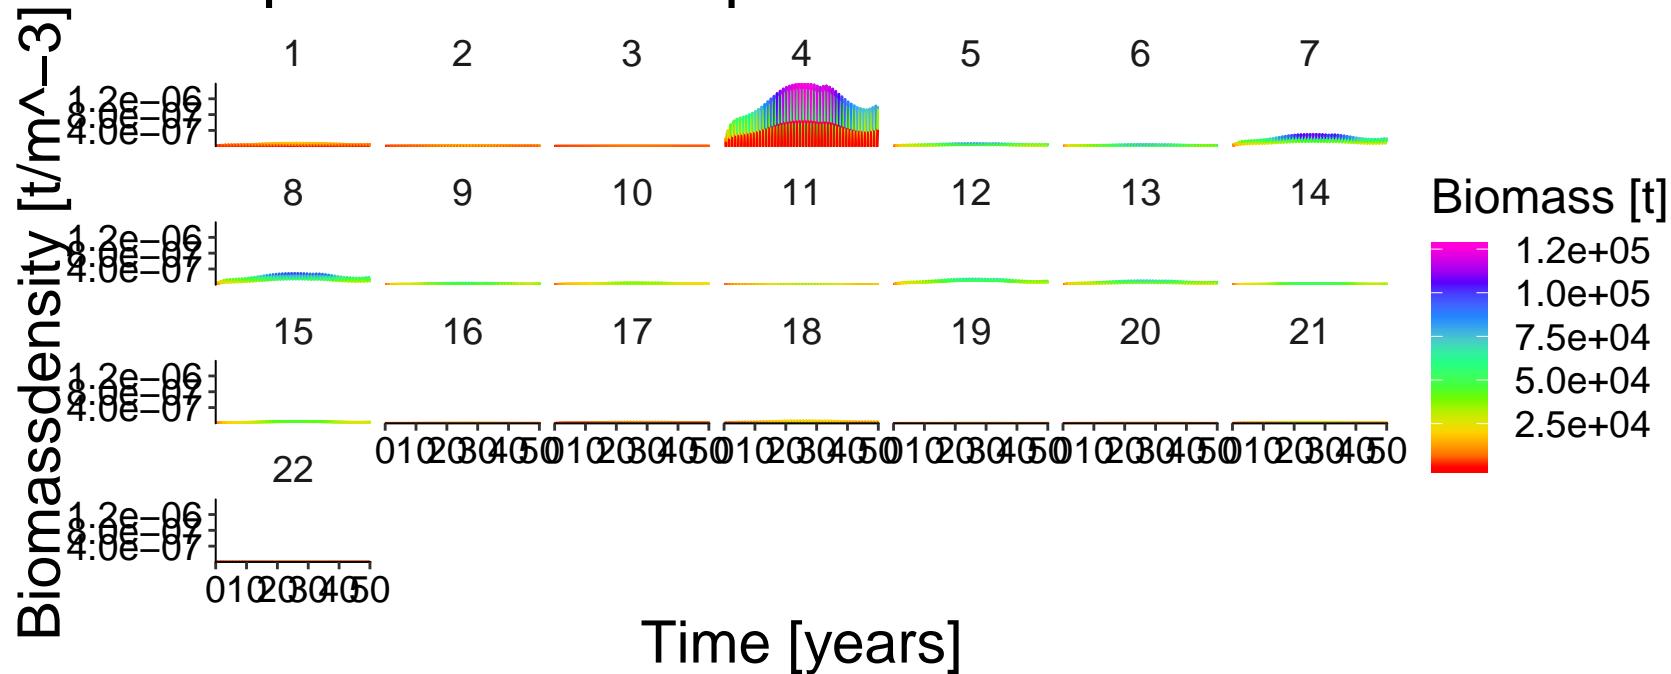

Species: Northeast skate complex with stanza: 2

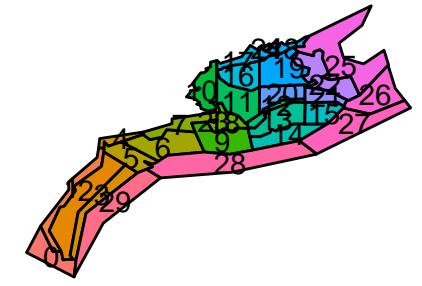

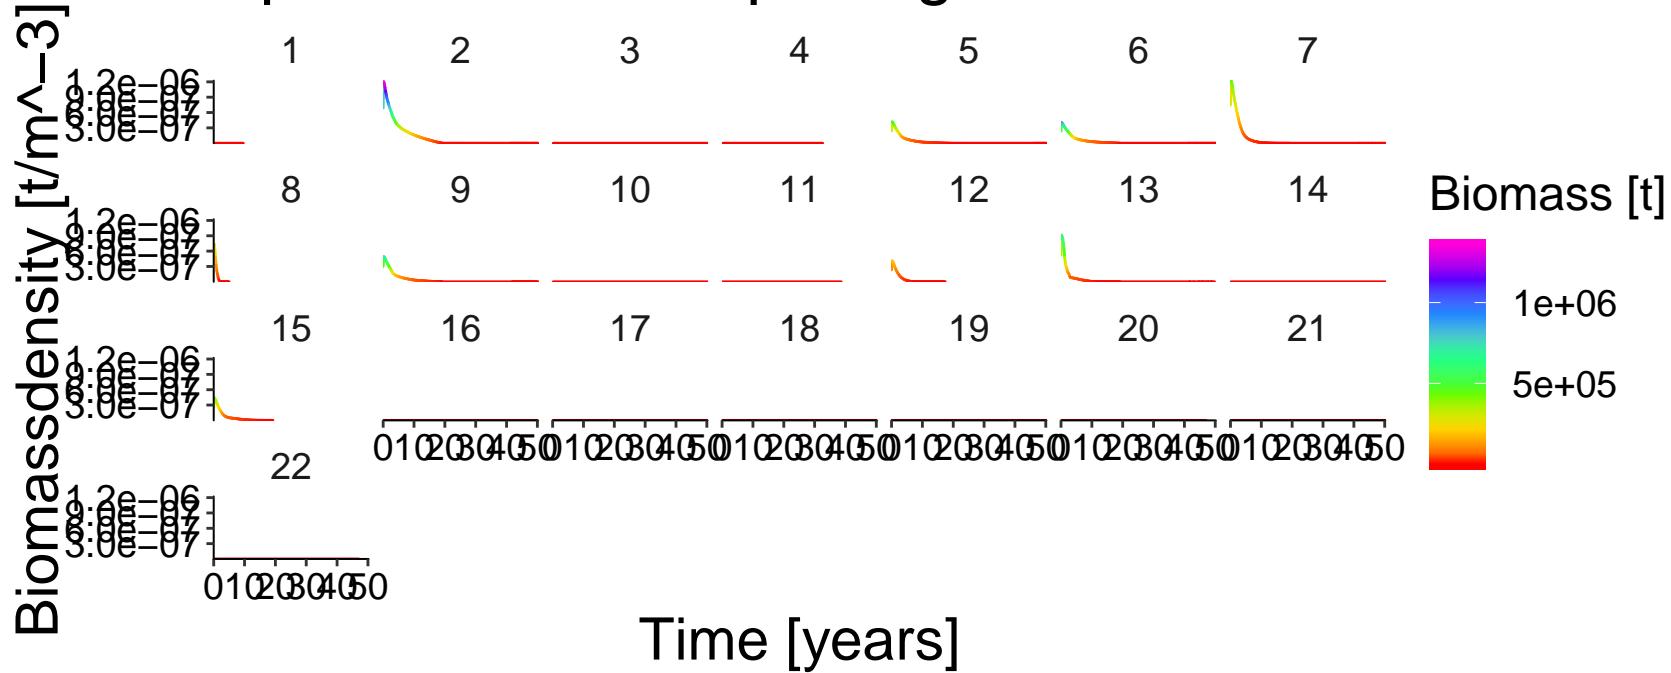

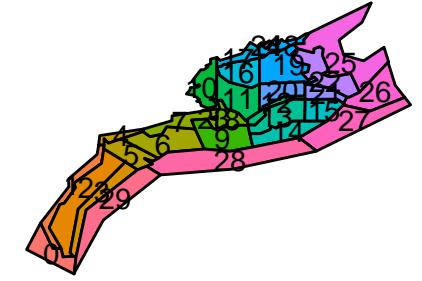

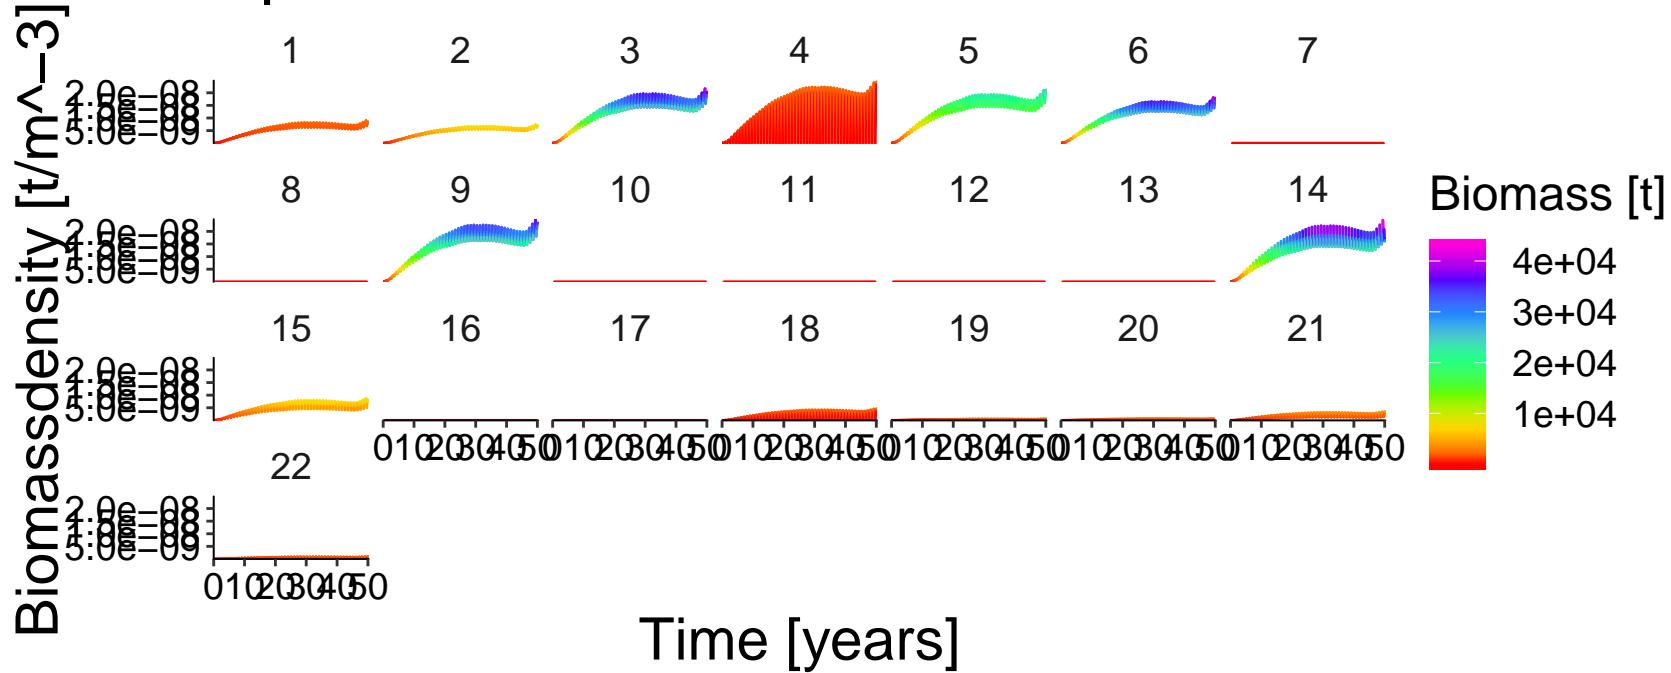

Species: Ocean pout with stanza: 2

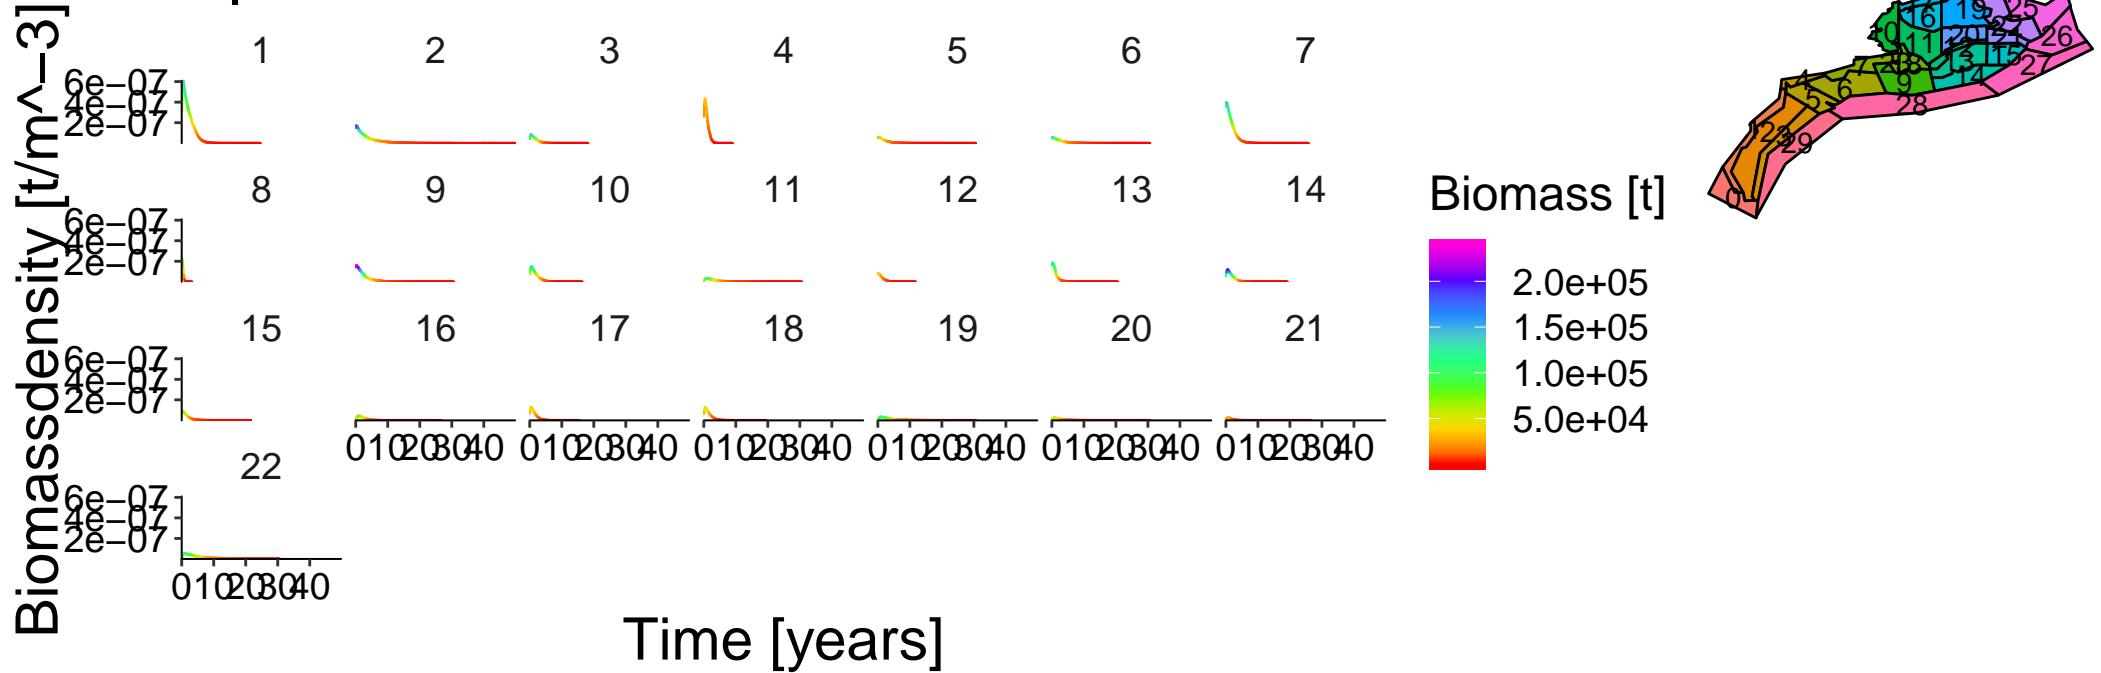

Species: Ocean quahog with stanza: 1

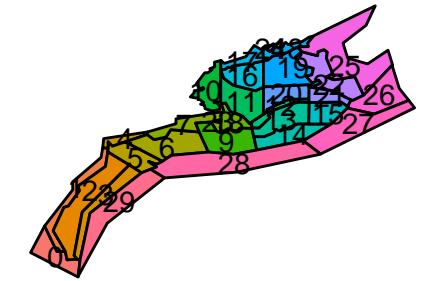

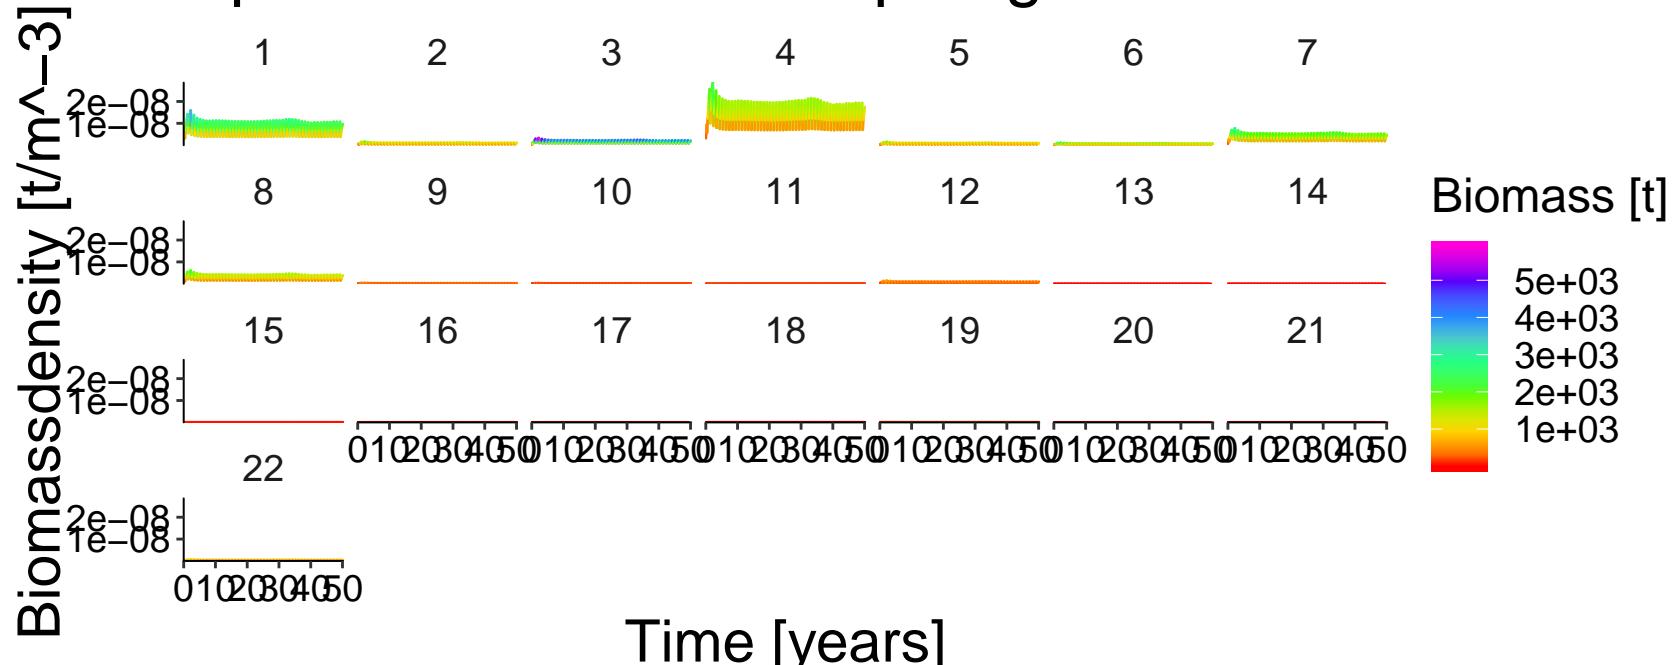

Species: Offshore hake with stanza: 2

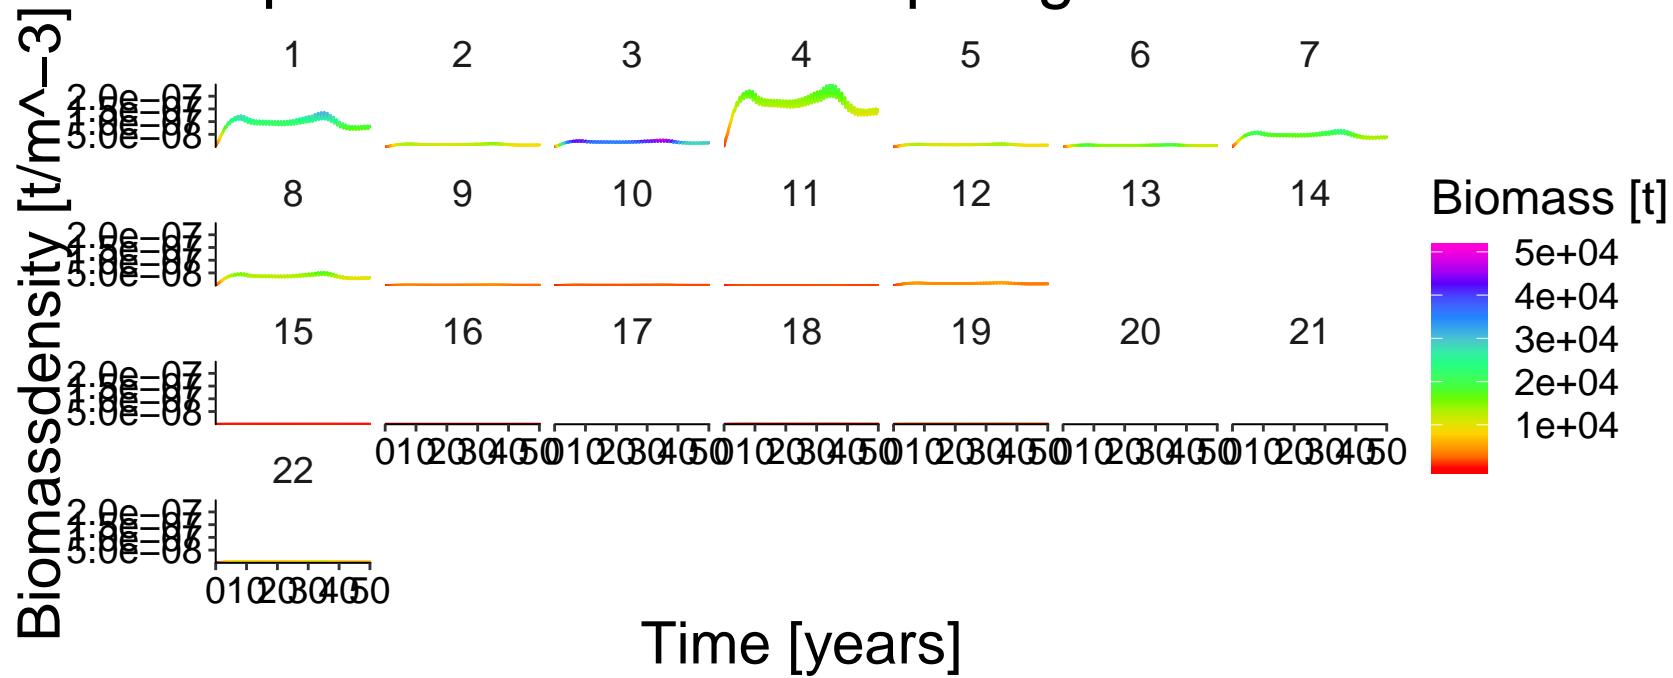

Species: Other benthic filter feeder with stanza: 1

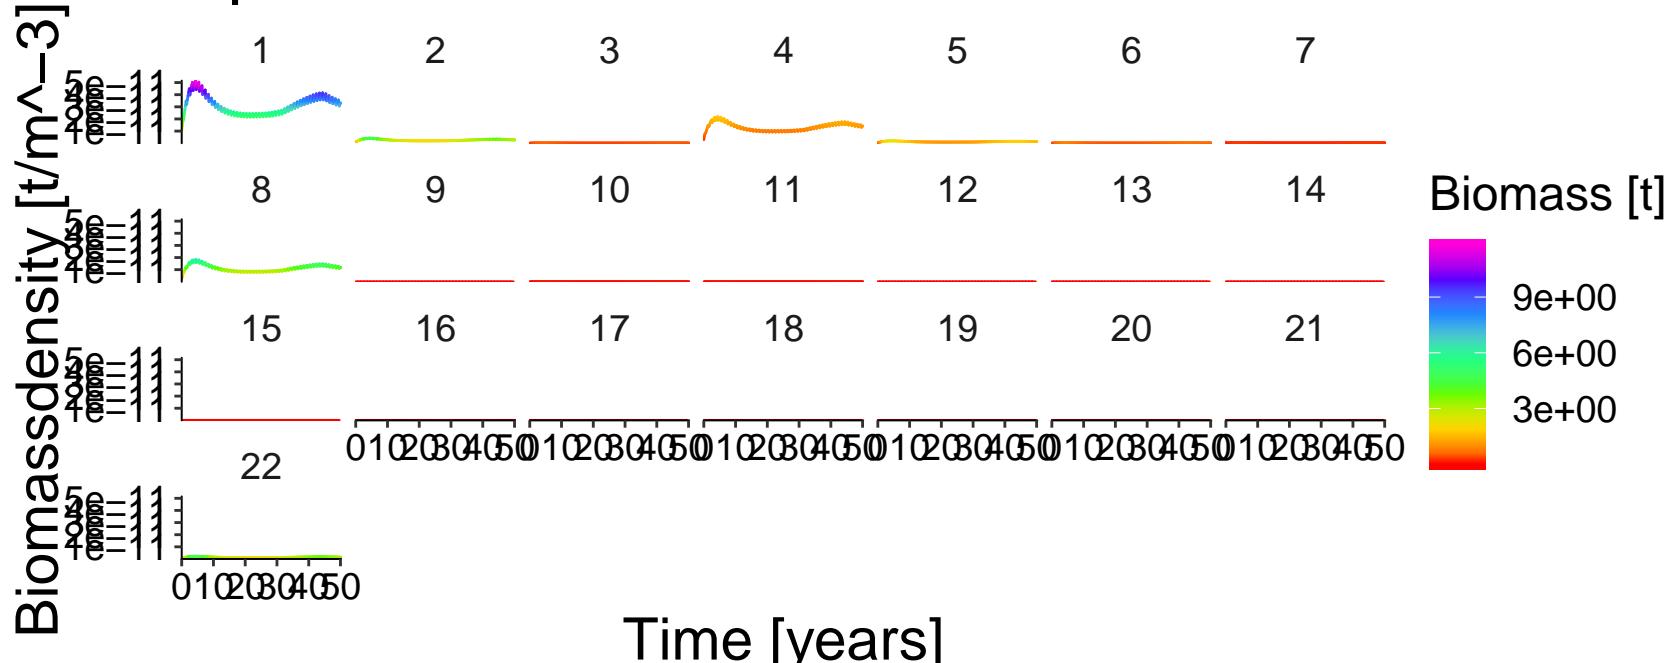

Species: Other benthopelagic fish with stanza: 1

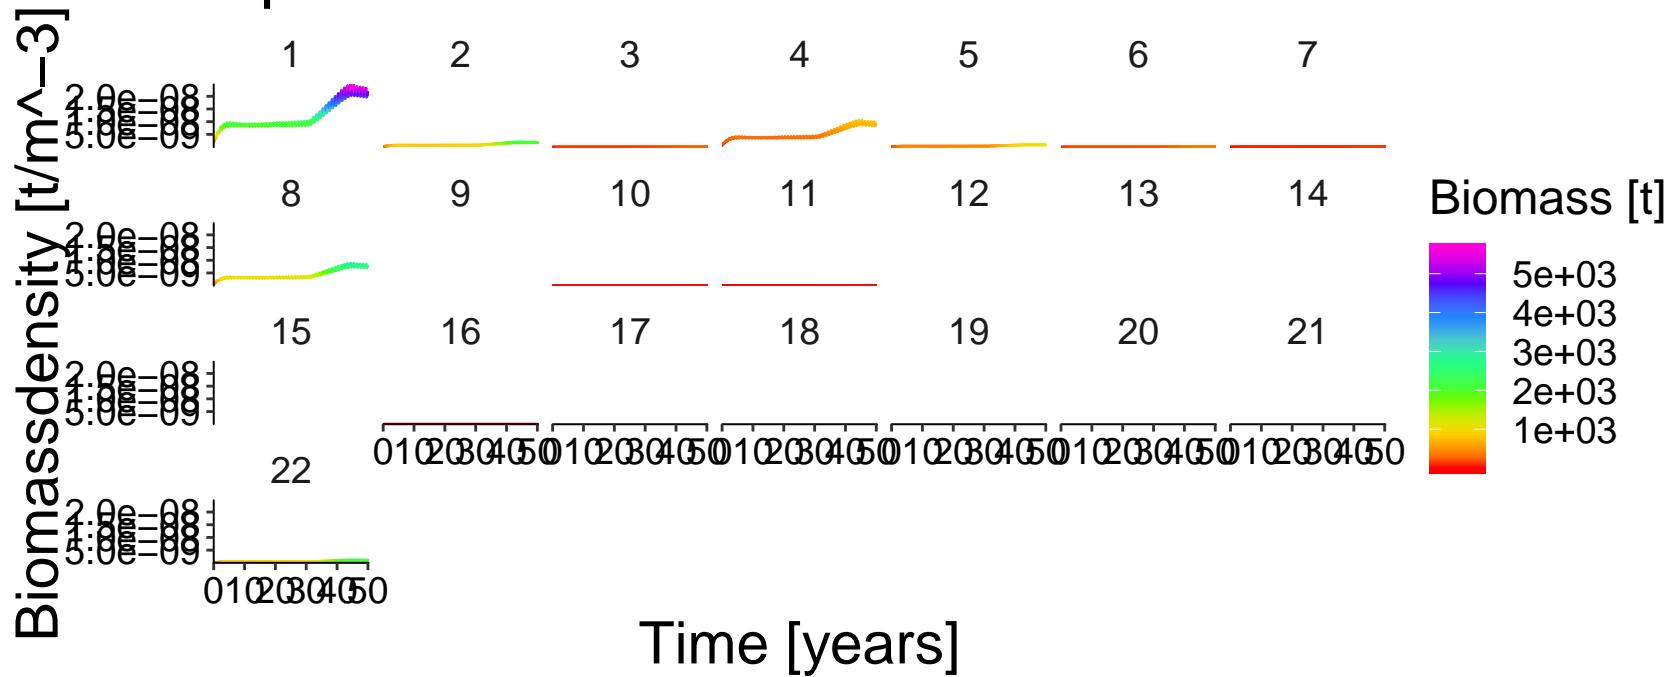

Species: Other benthopelagic fish with stanza: 2

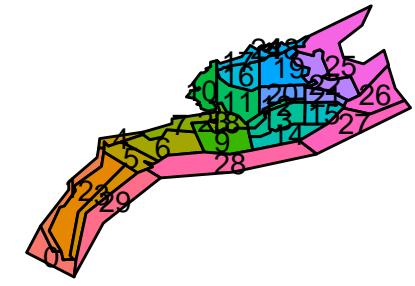

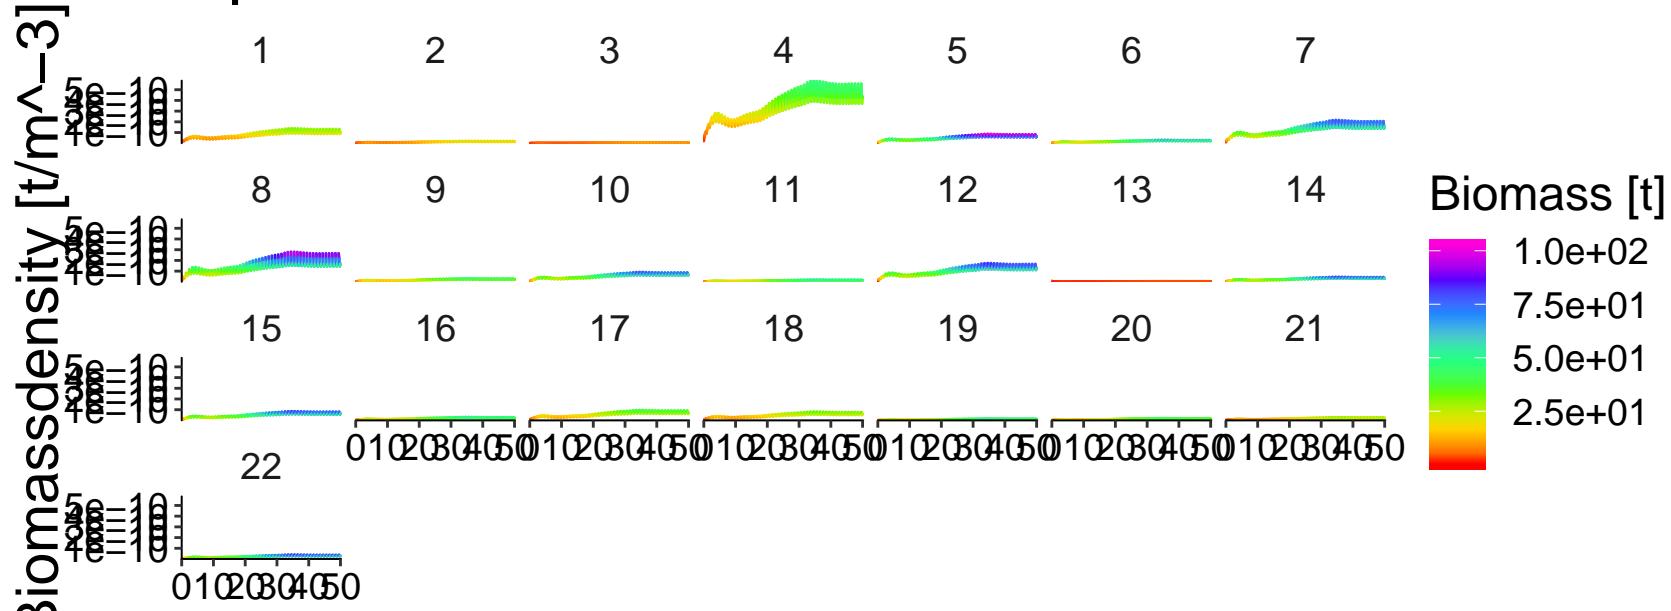

Species: Other demersal sharks with stanza: 1

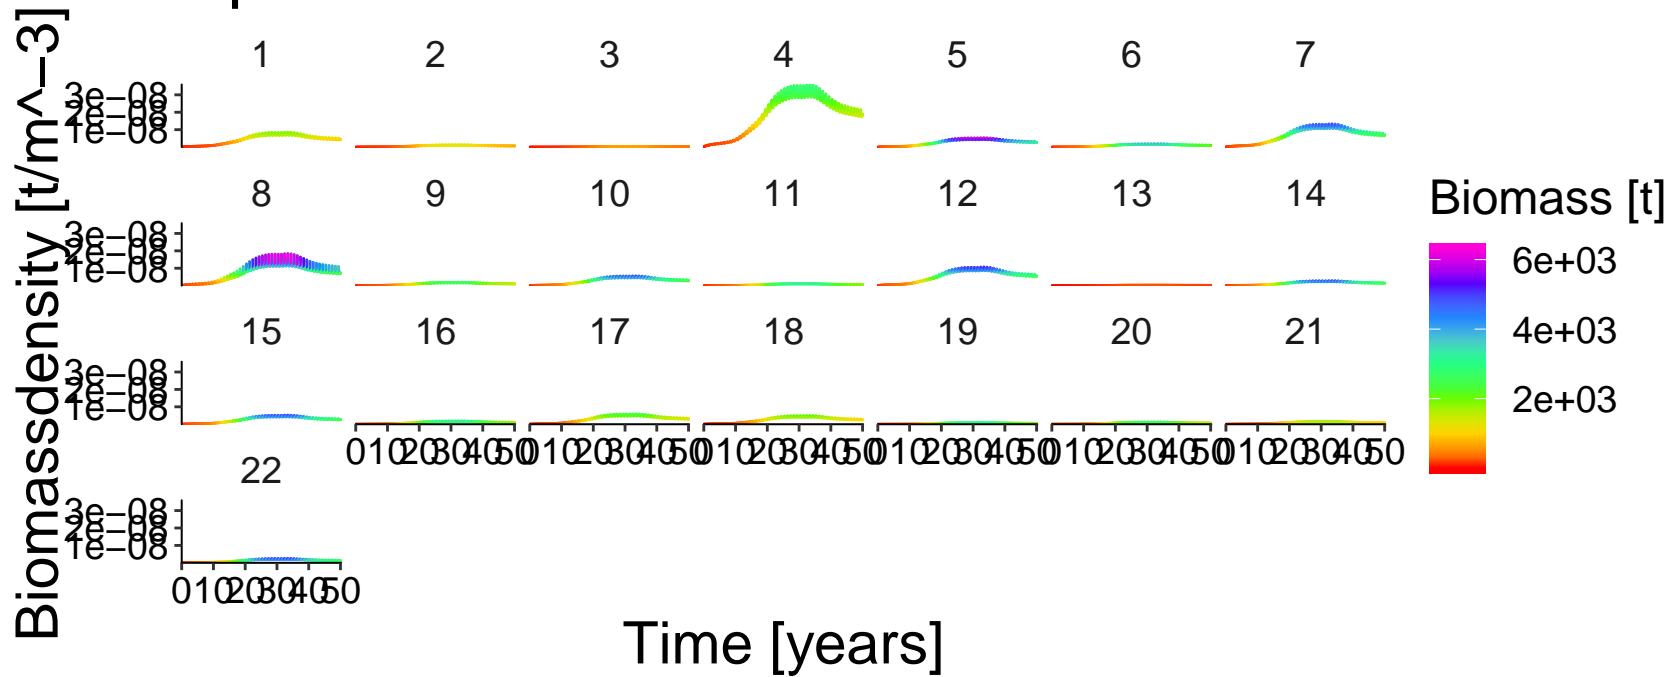

Species: Other demersal sharks with stanza: 2

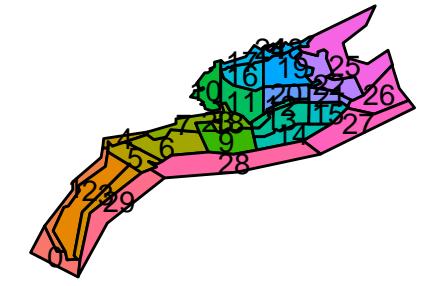

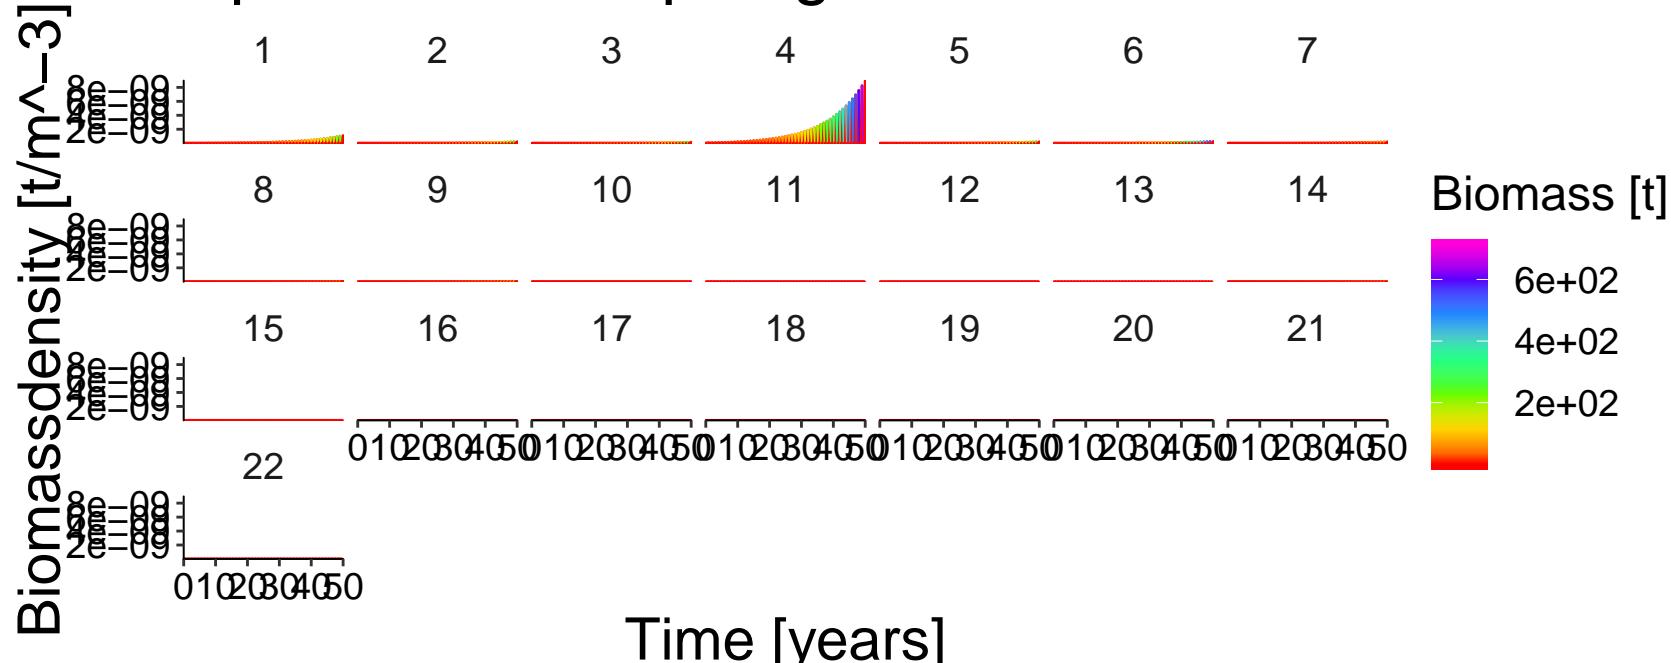

Species: Other flatfish with stanza: 1

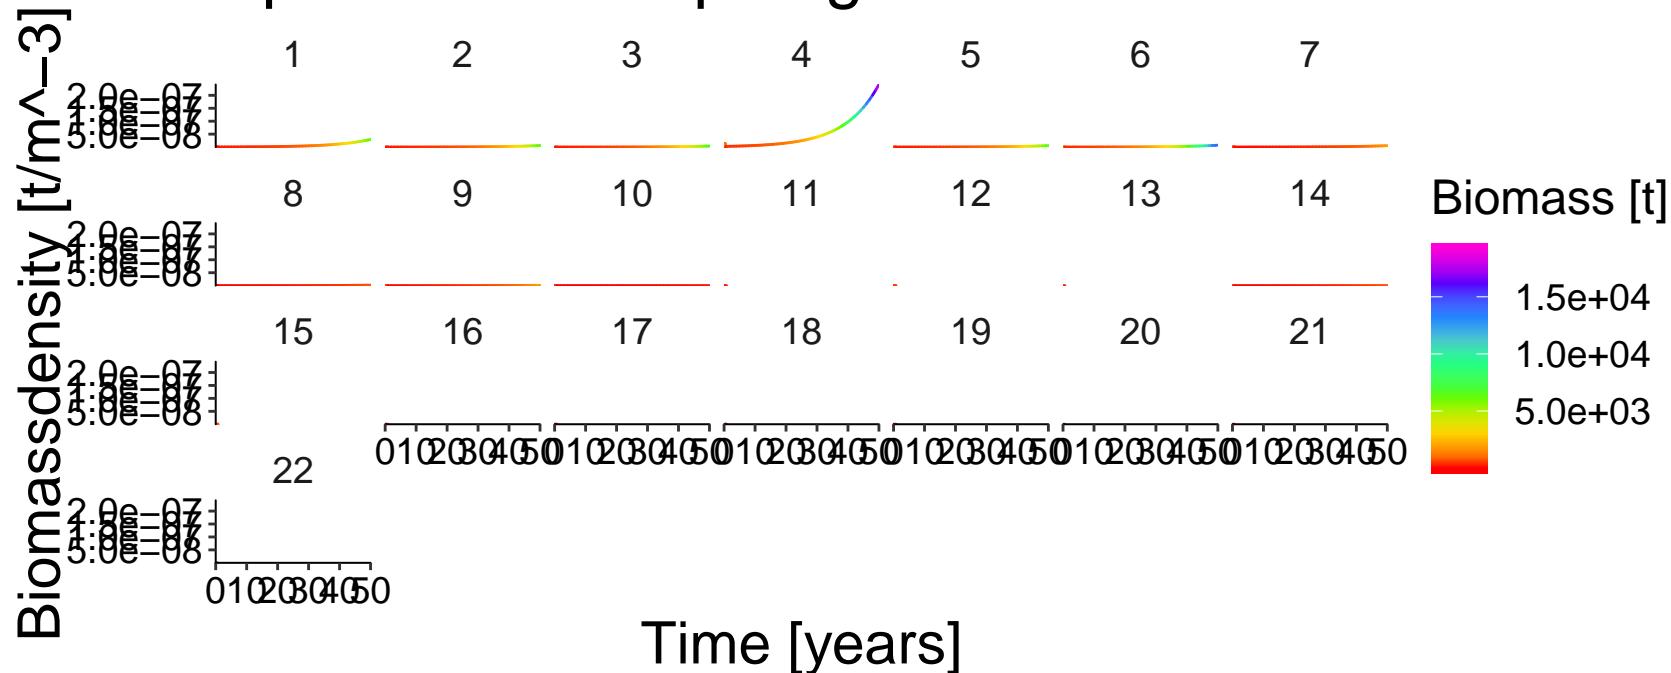

Species: Other flatfish with stanza: 2

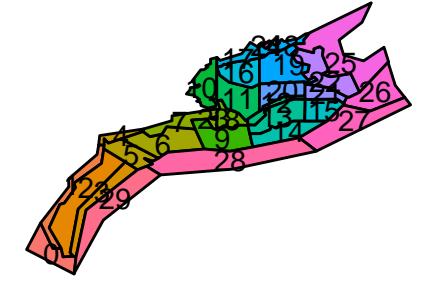

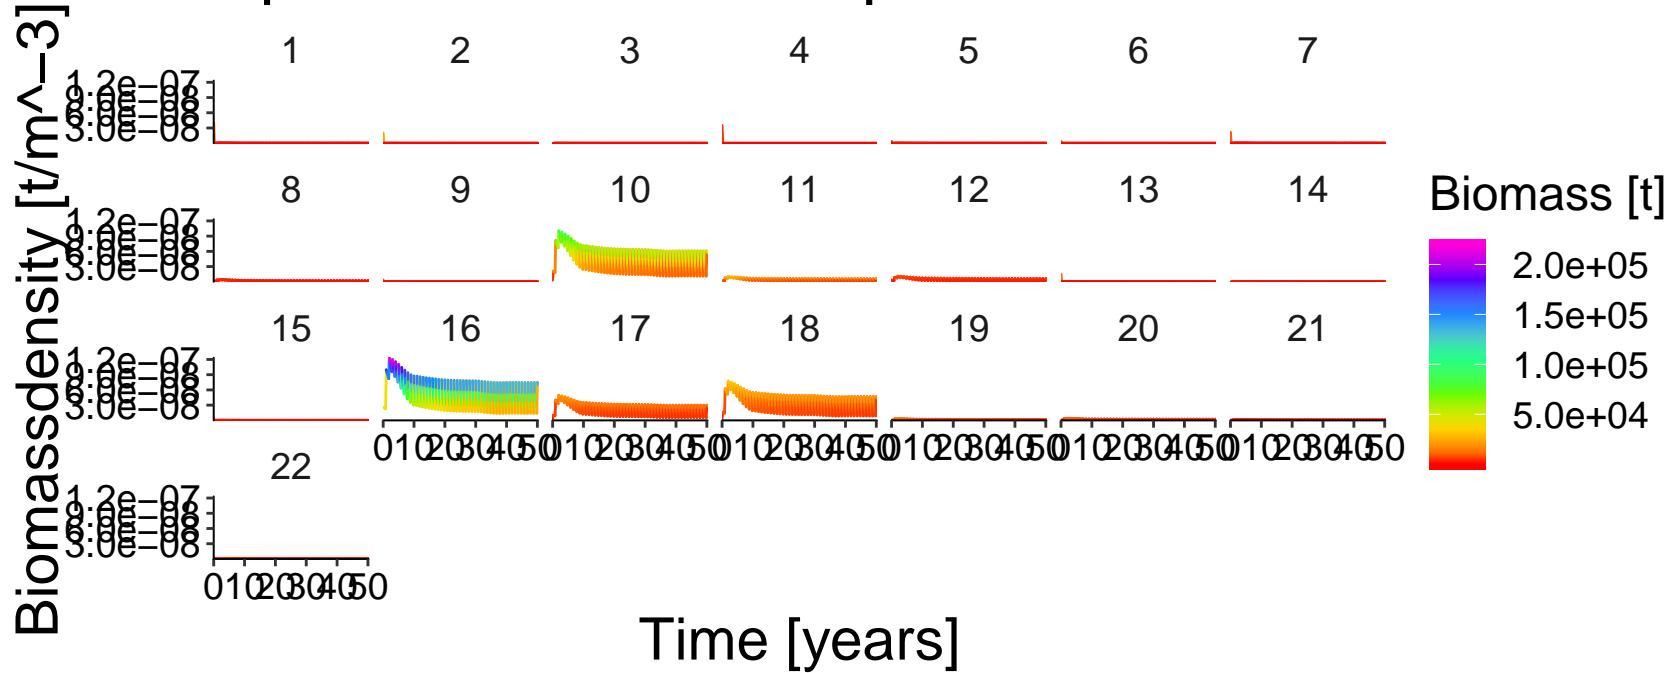

Species: Other pelagic sharks with stanza: 1

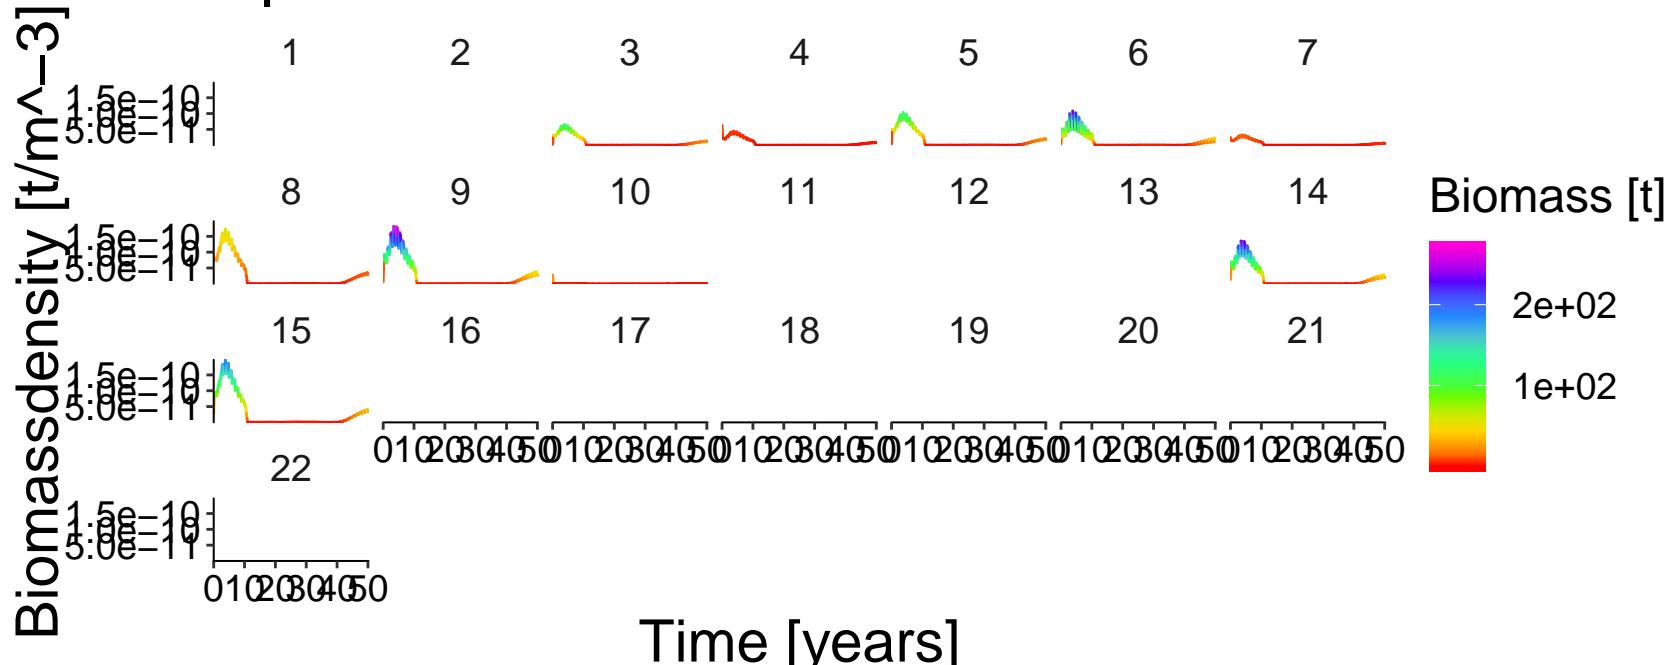

Species: Other pelagic sharks with stanza: 2

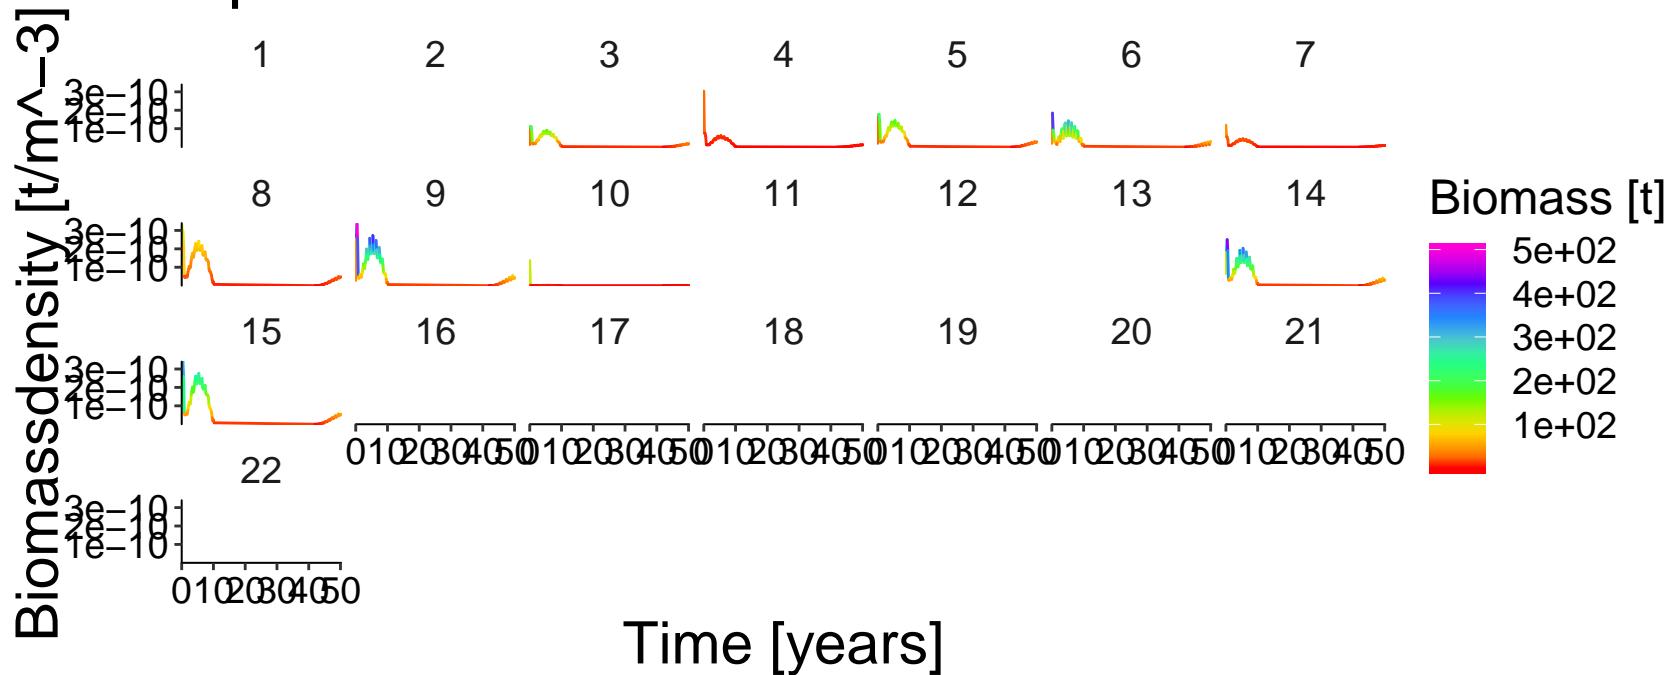

Species: Other shrimps with stanza: 1

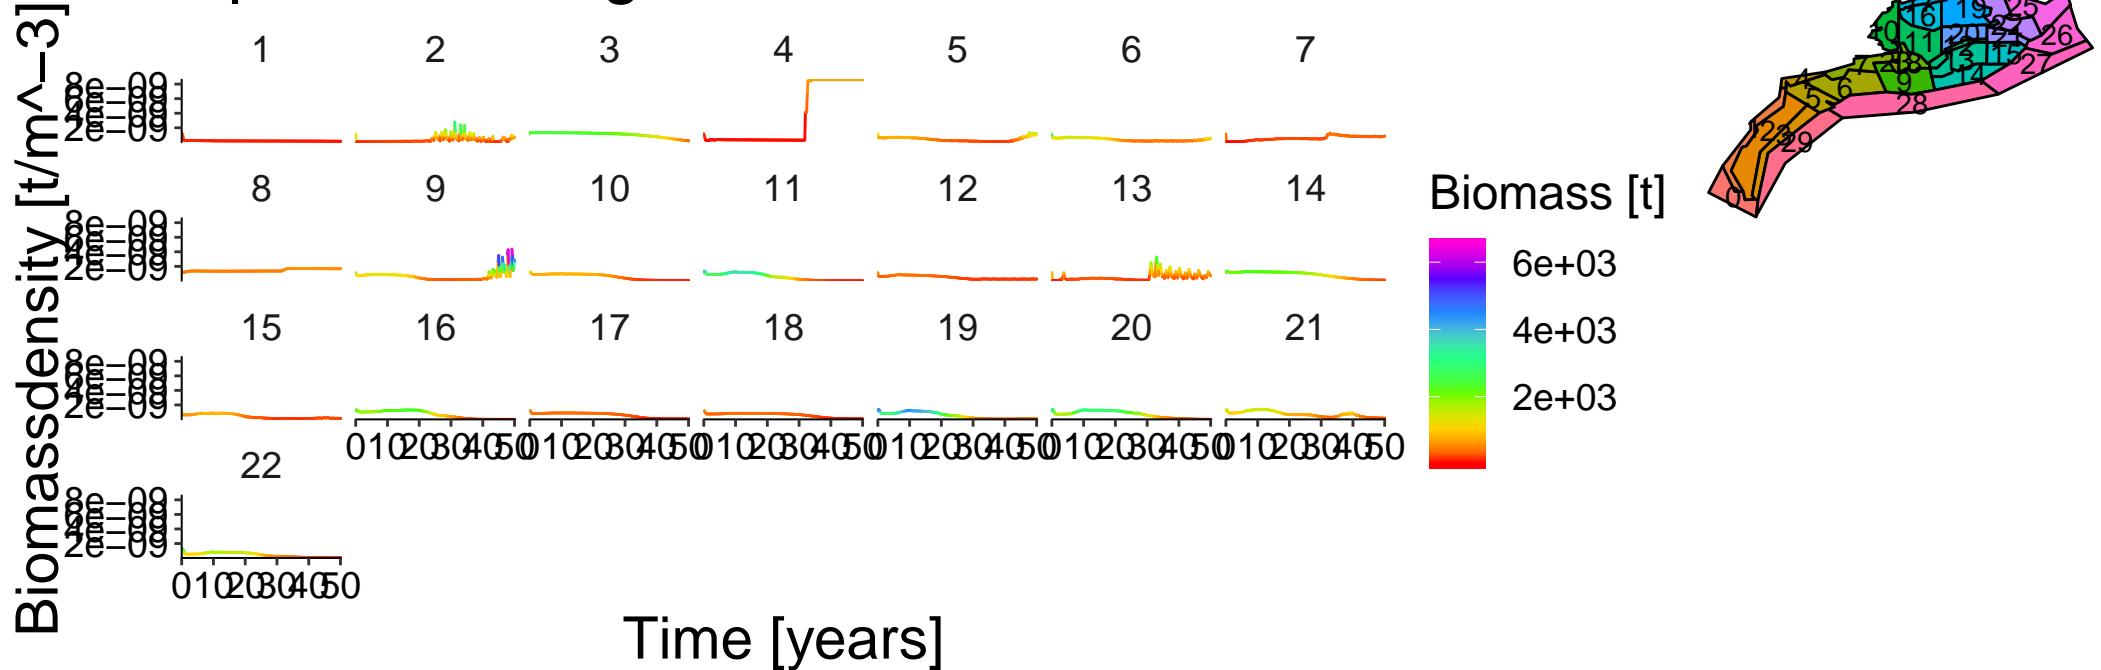

Species: Other tunas with stanza: 1

Species: Other tunas with stanza: 2

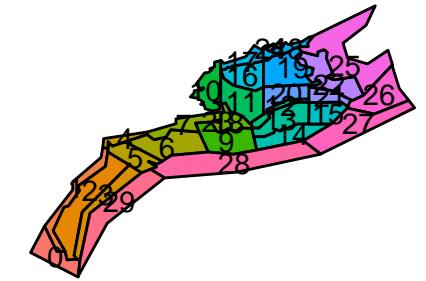

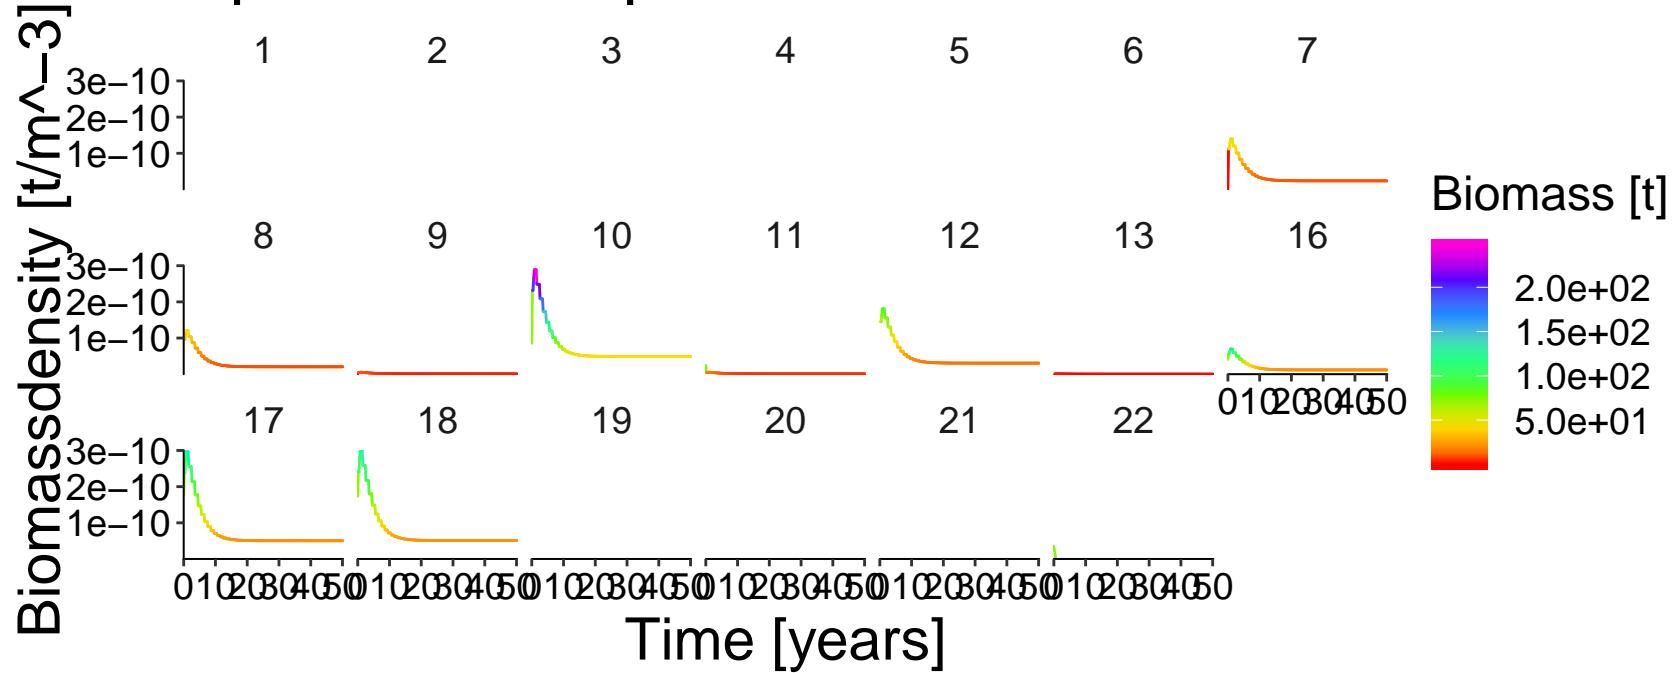

Species: Pelagic Bacteria with stanza: 1

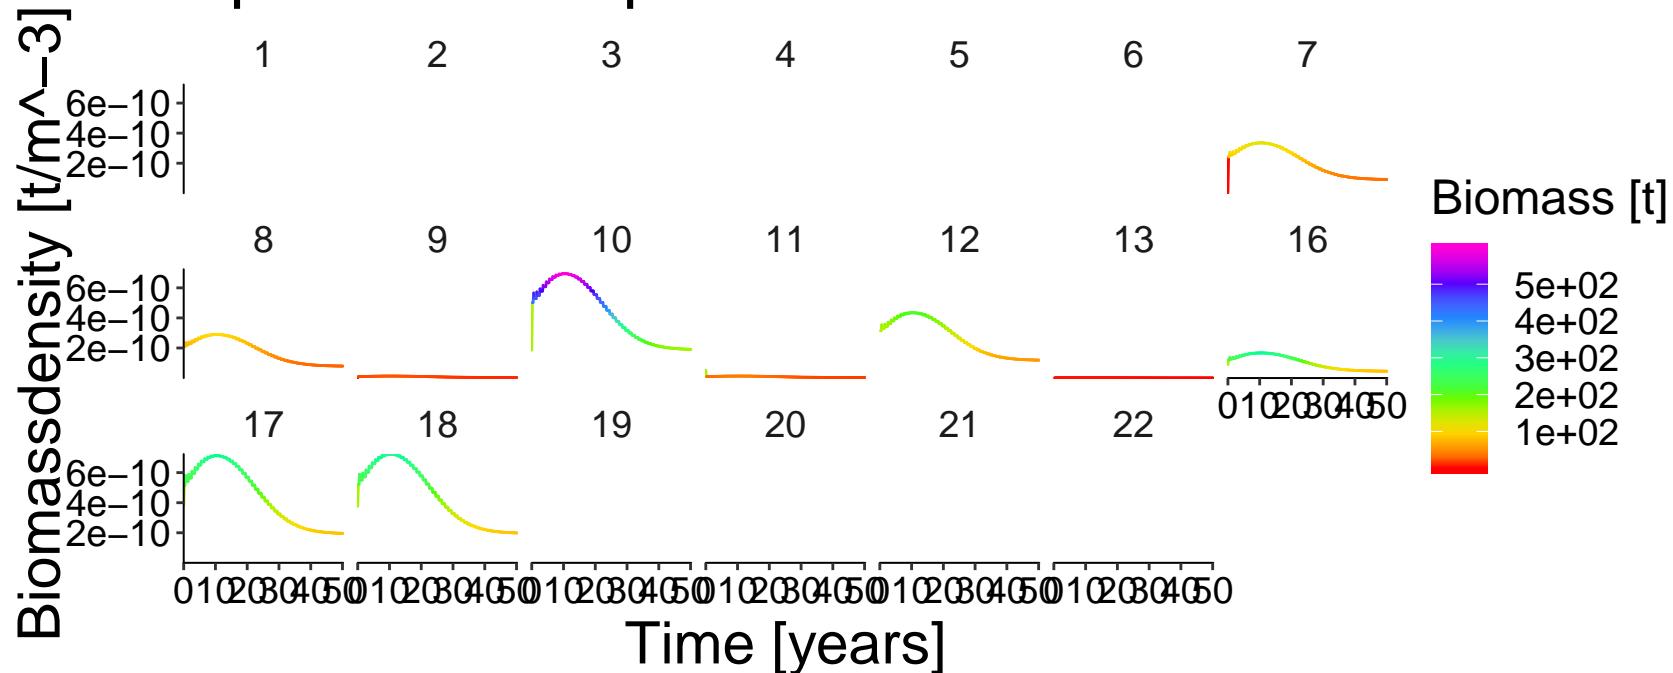

Species: Pico-phytoplankton with stanza: 1

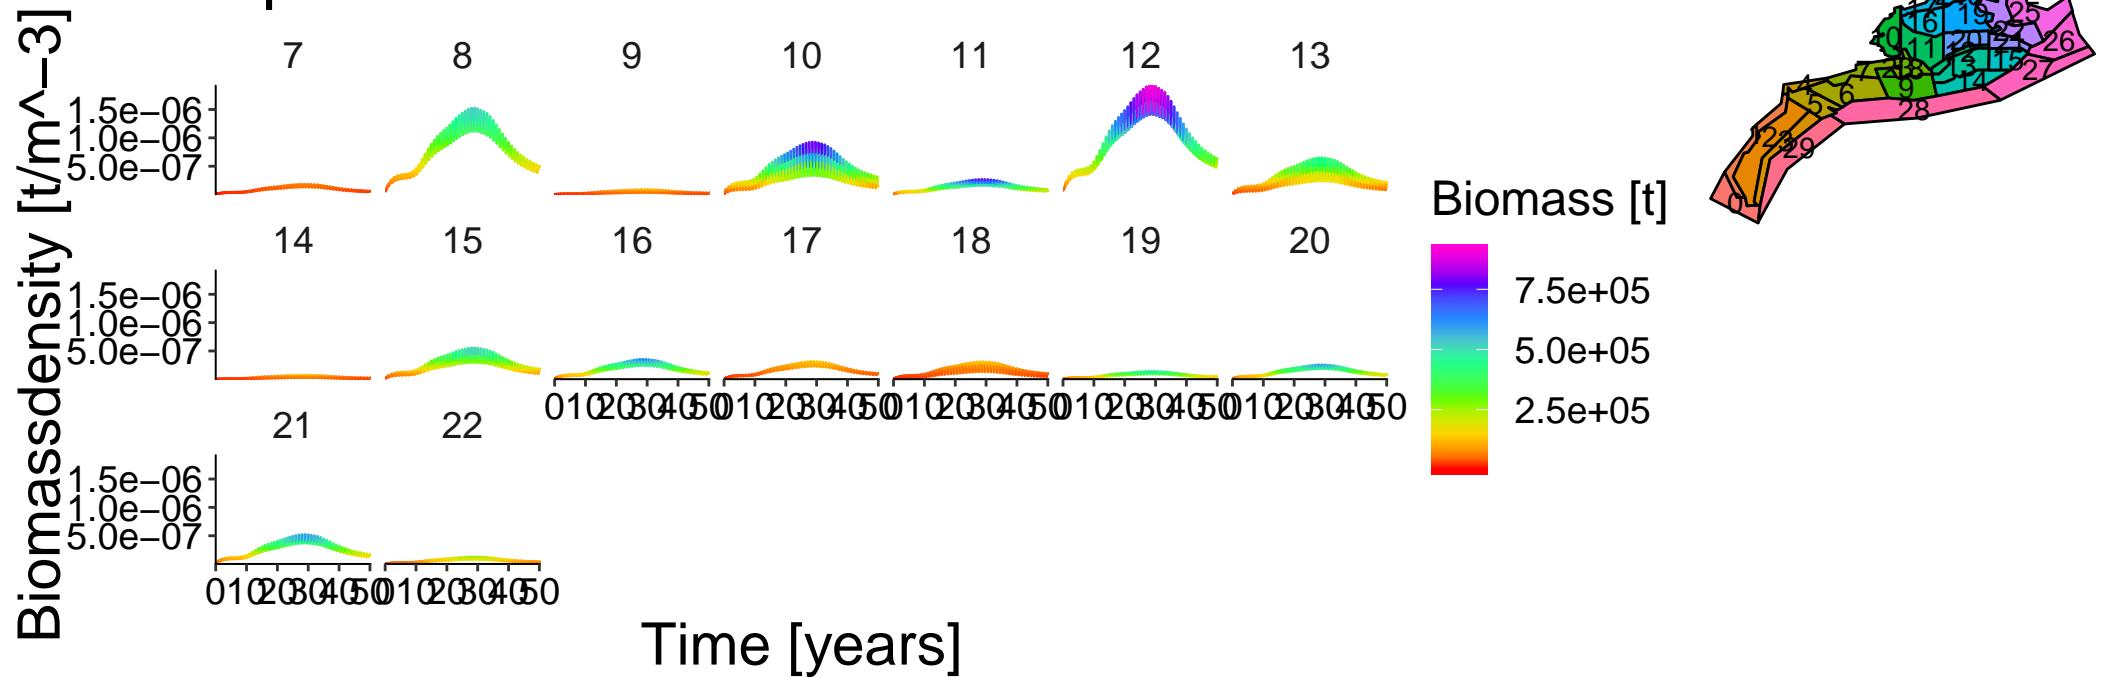

Species: Pinnipeds with stanza: 1

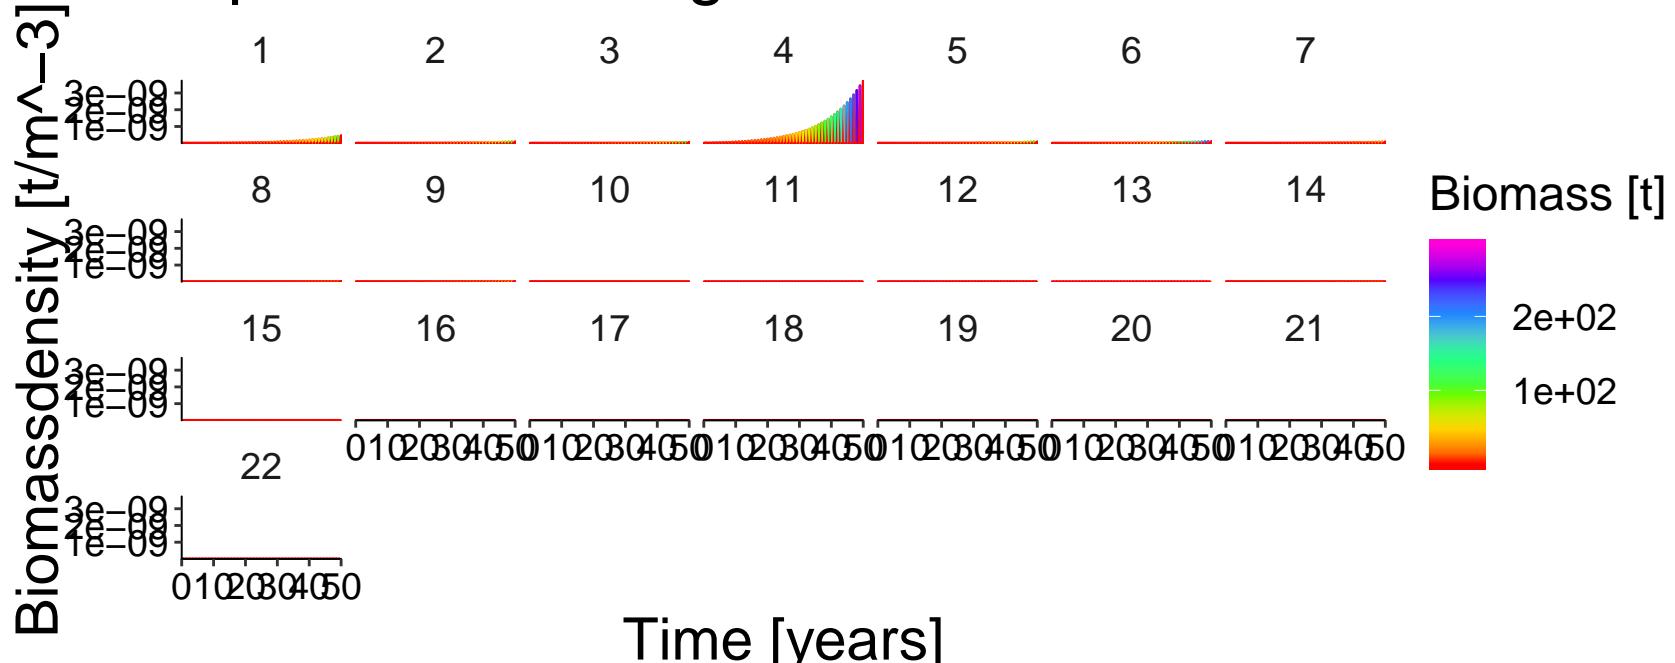

Species: Pinnipeds with stanza: 2

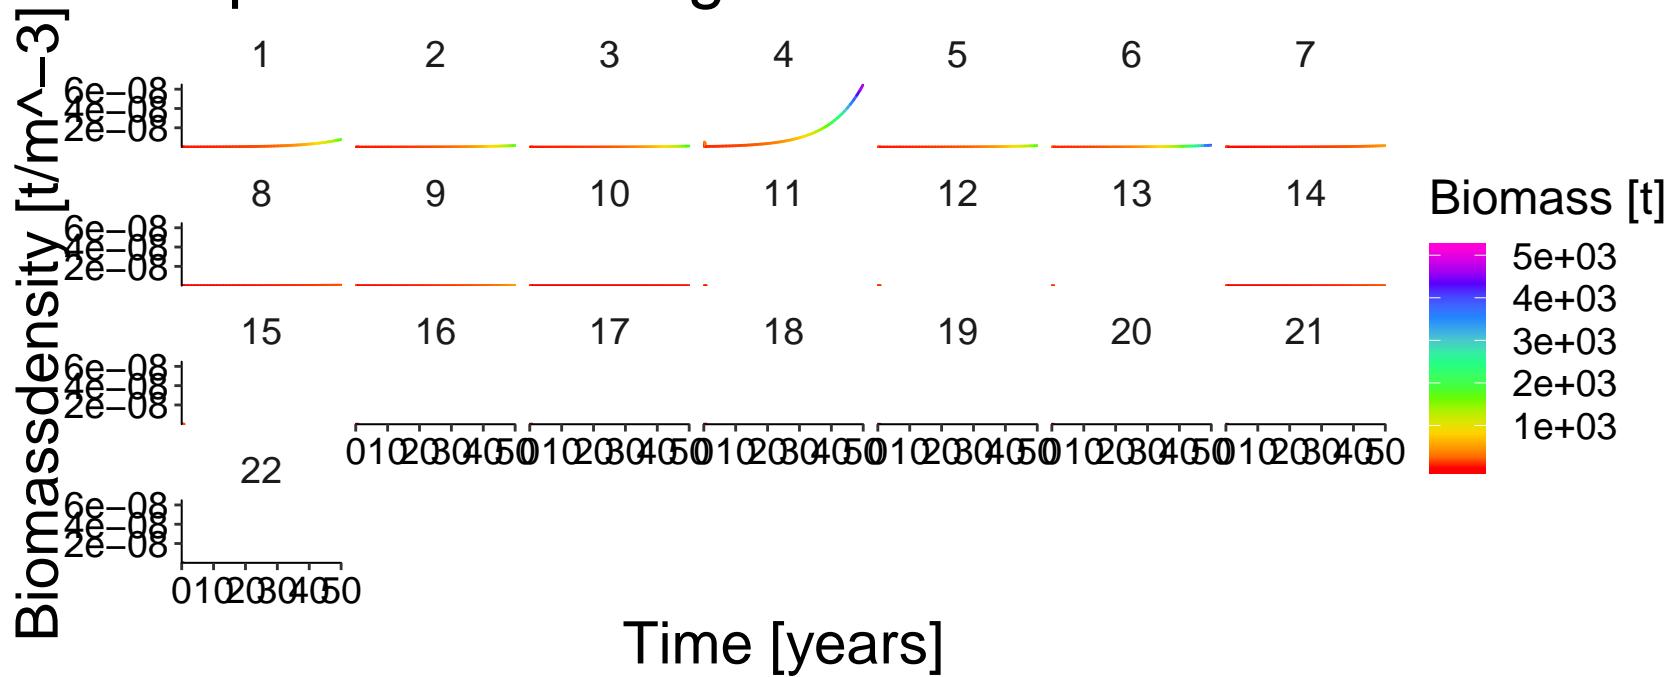

Species: Pollock with stanza: 2

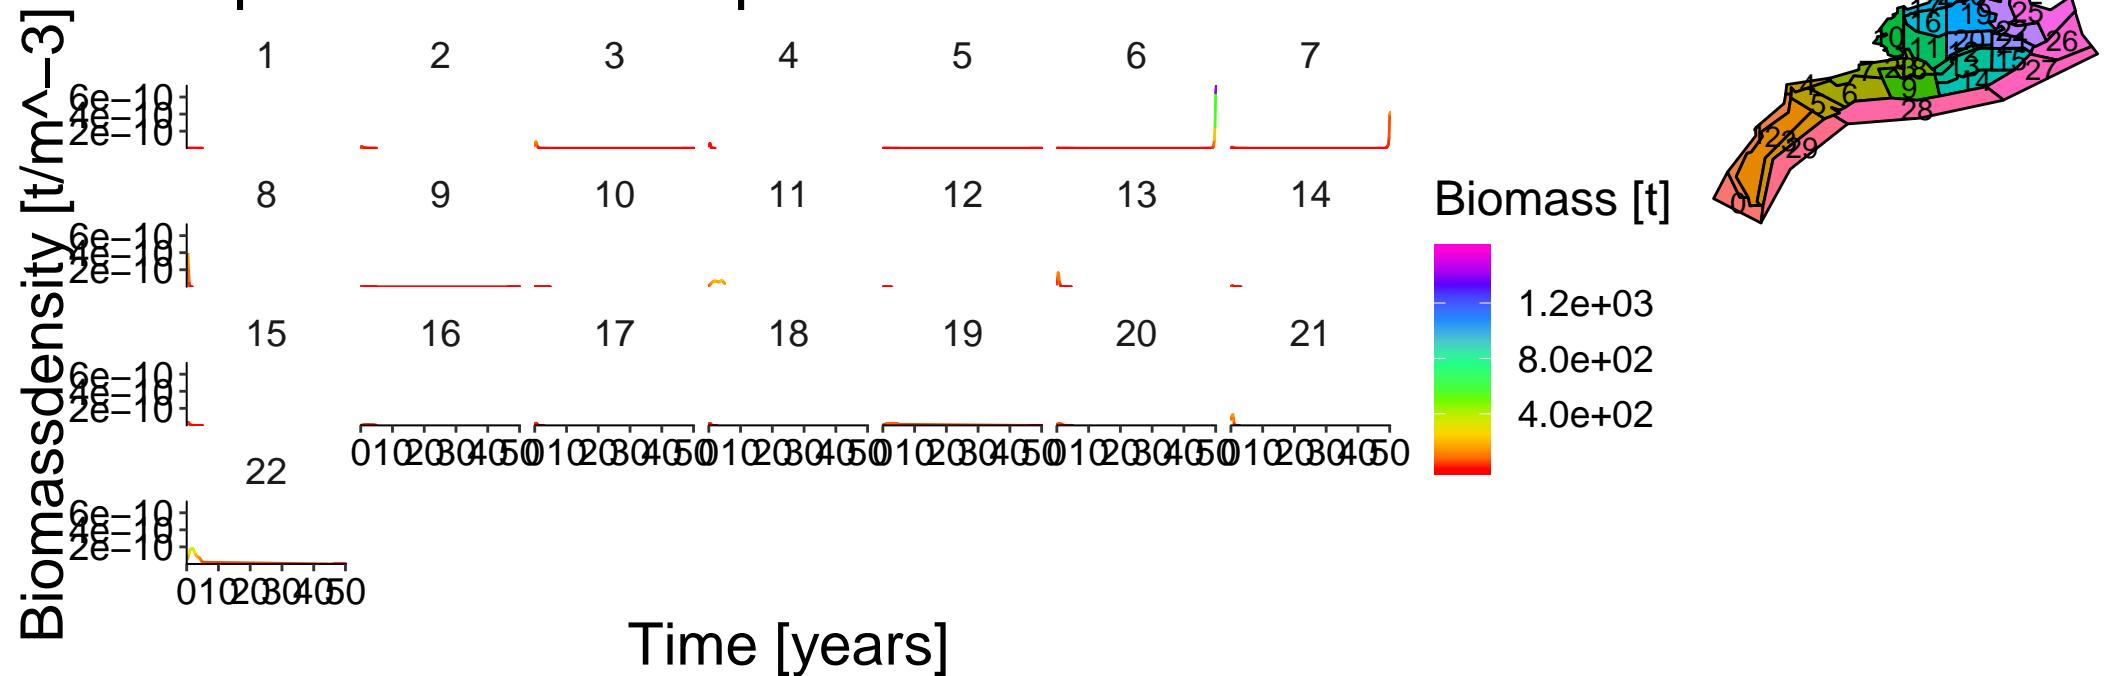

Species: Porbeagle shark with stanza: 1

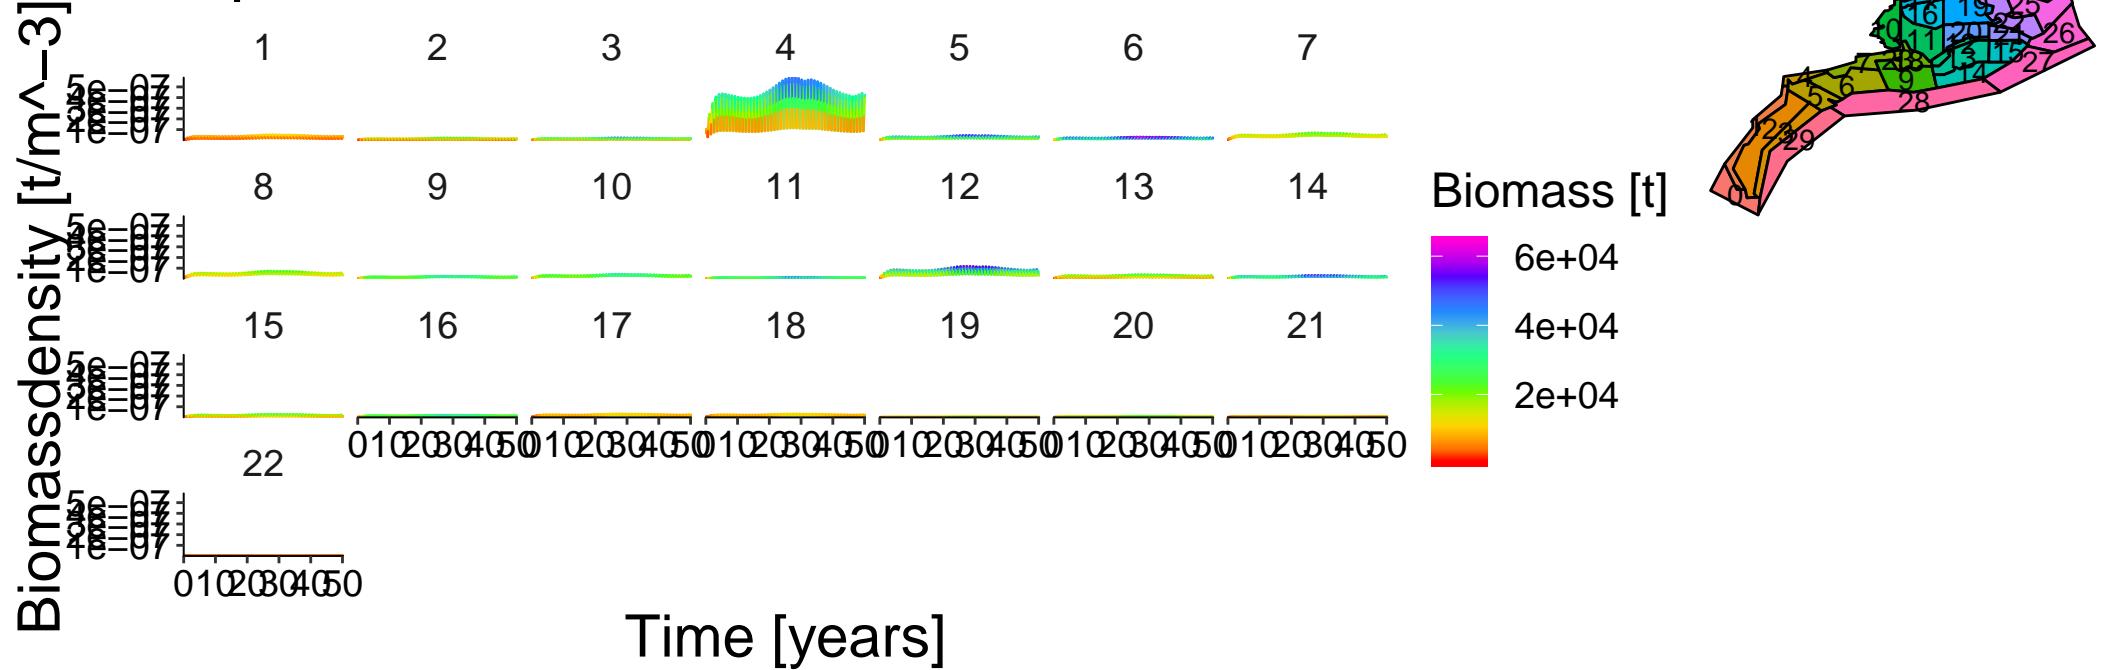

Species: Porbeagle shark with stanza: 2

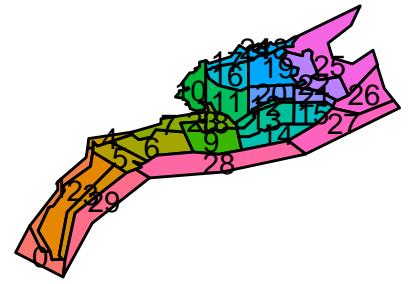

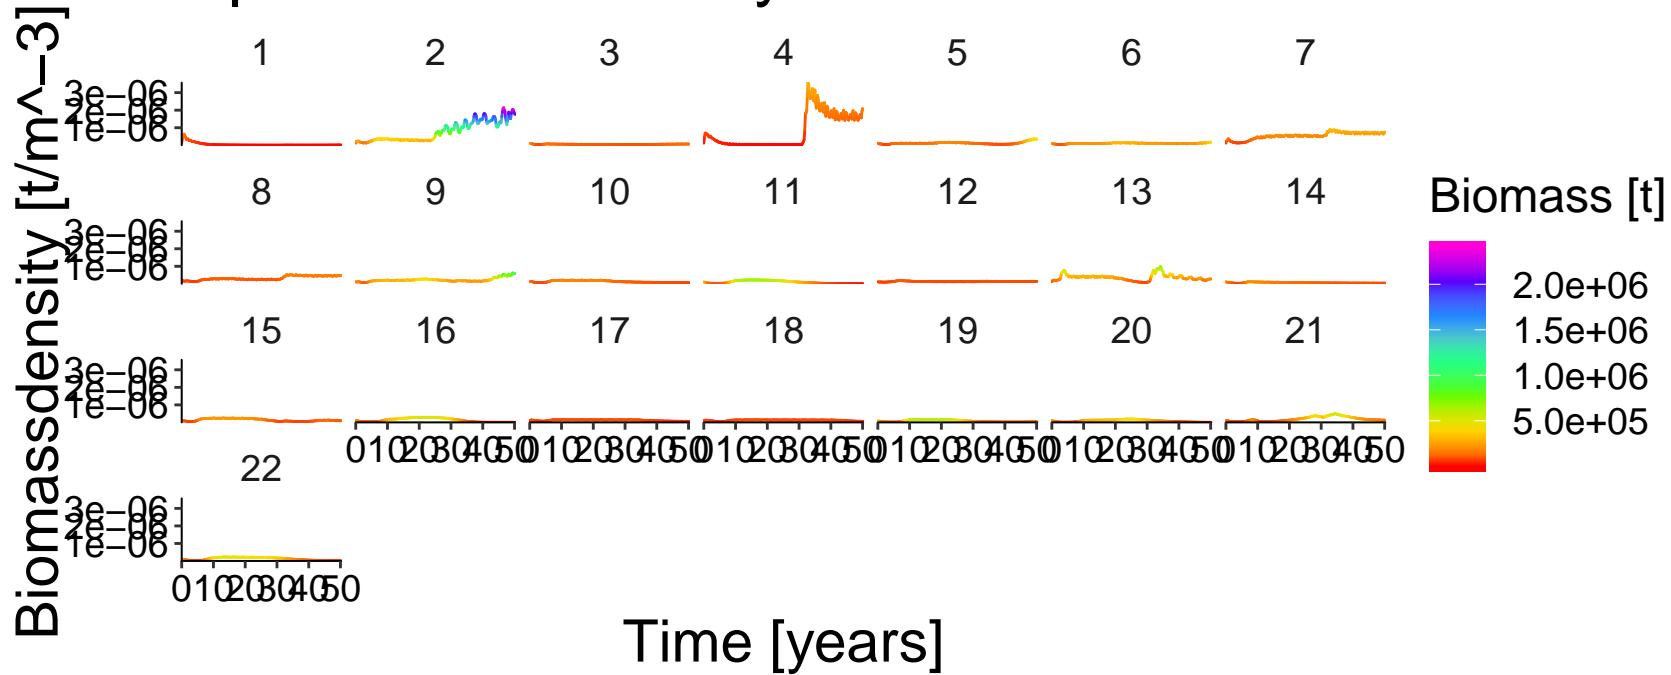

Species: Red deep-sea crab with stanza: 1

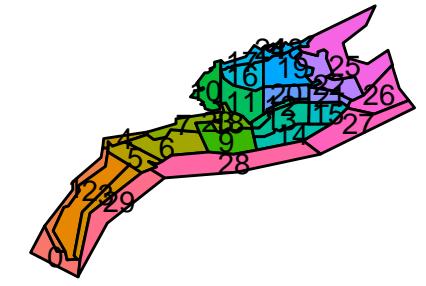

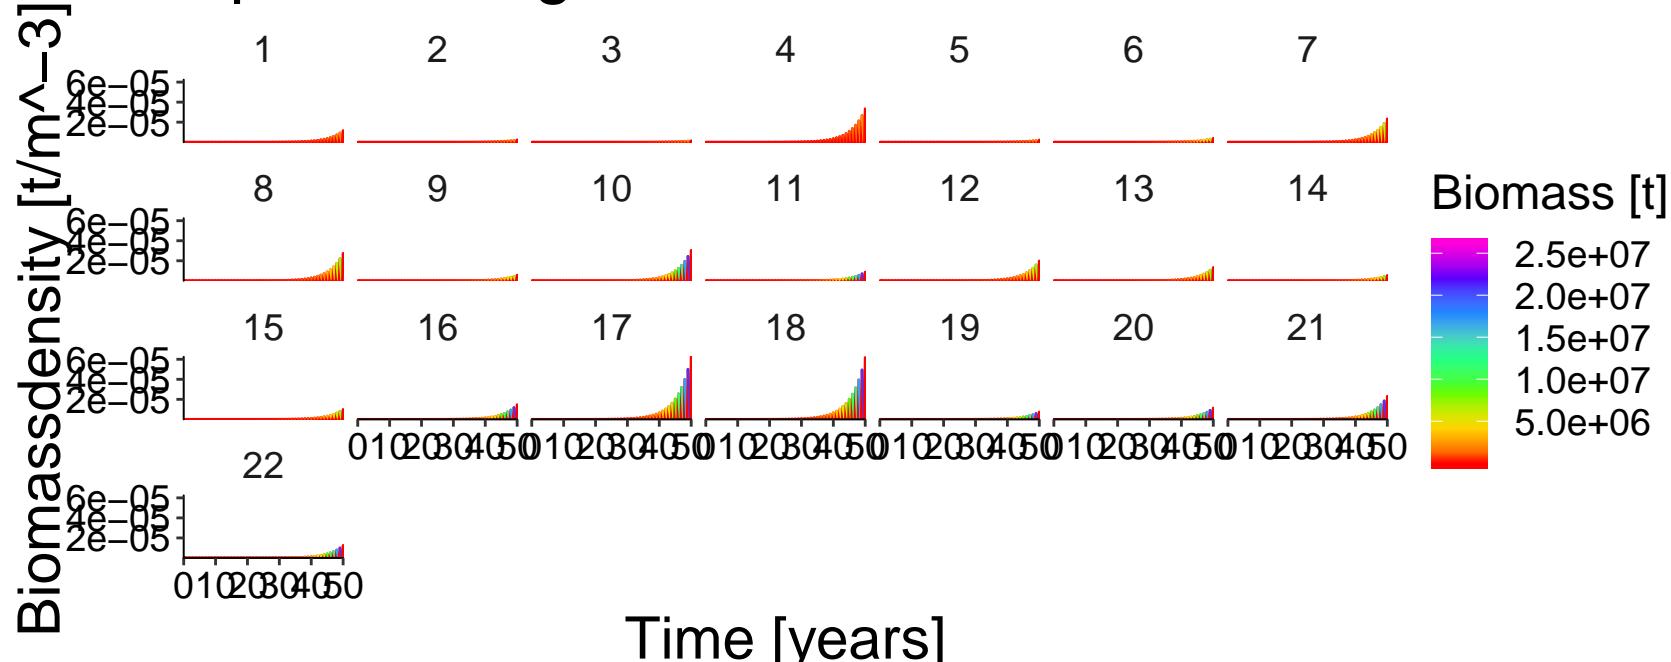

Species: Red hake with stanza: 2

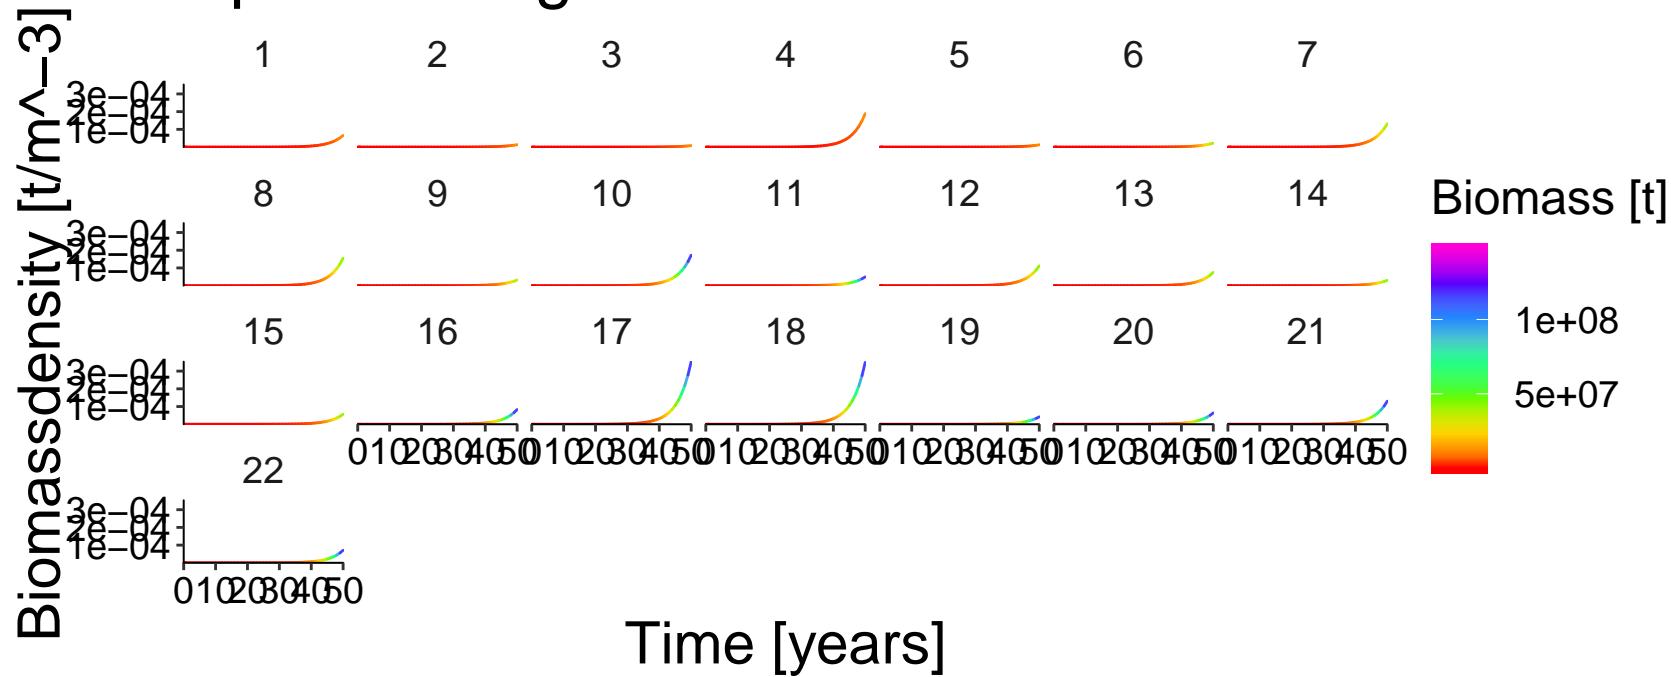

Species: Refractory detritus with stanza: 1

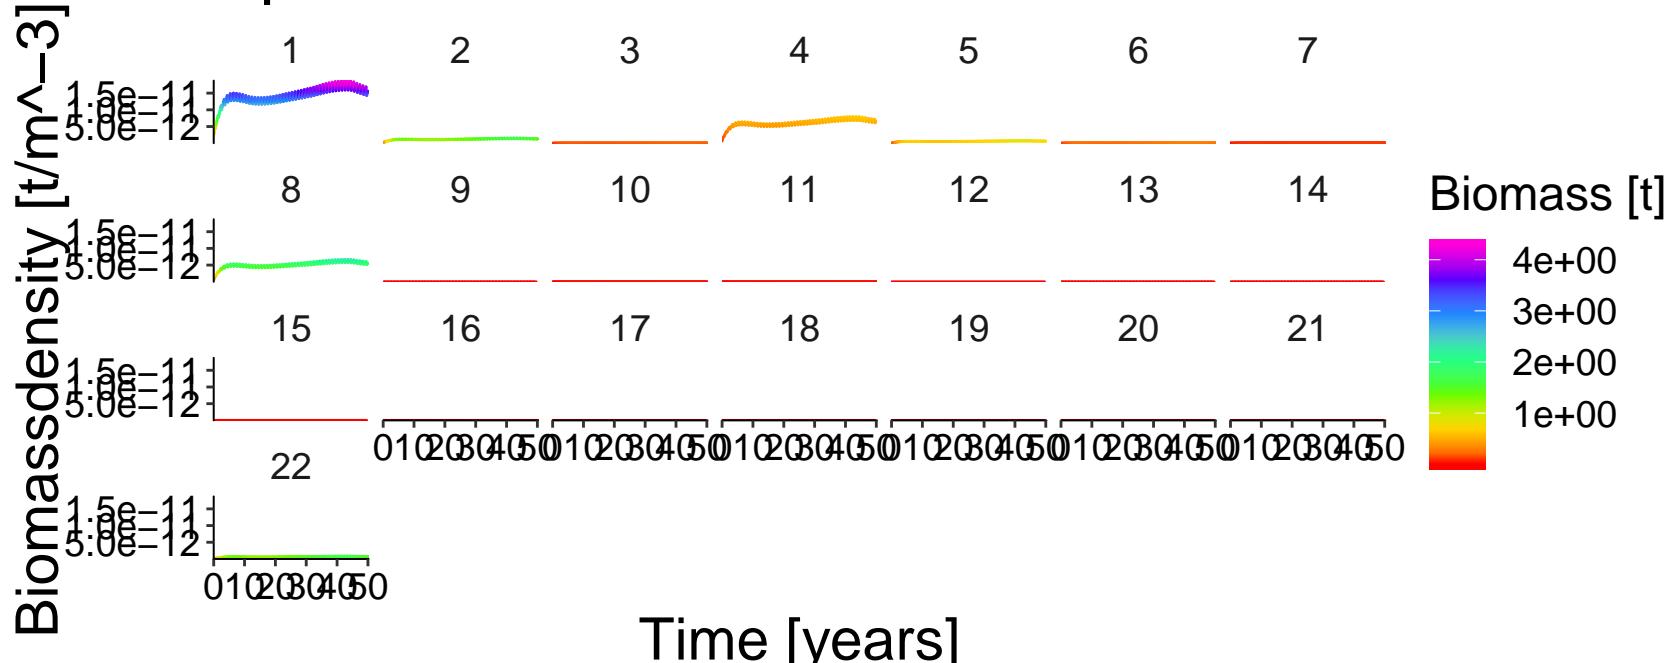

Species: Right whales with stanza: 1

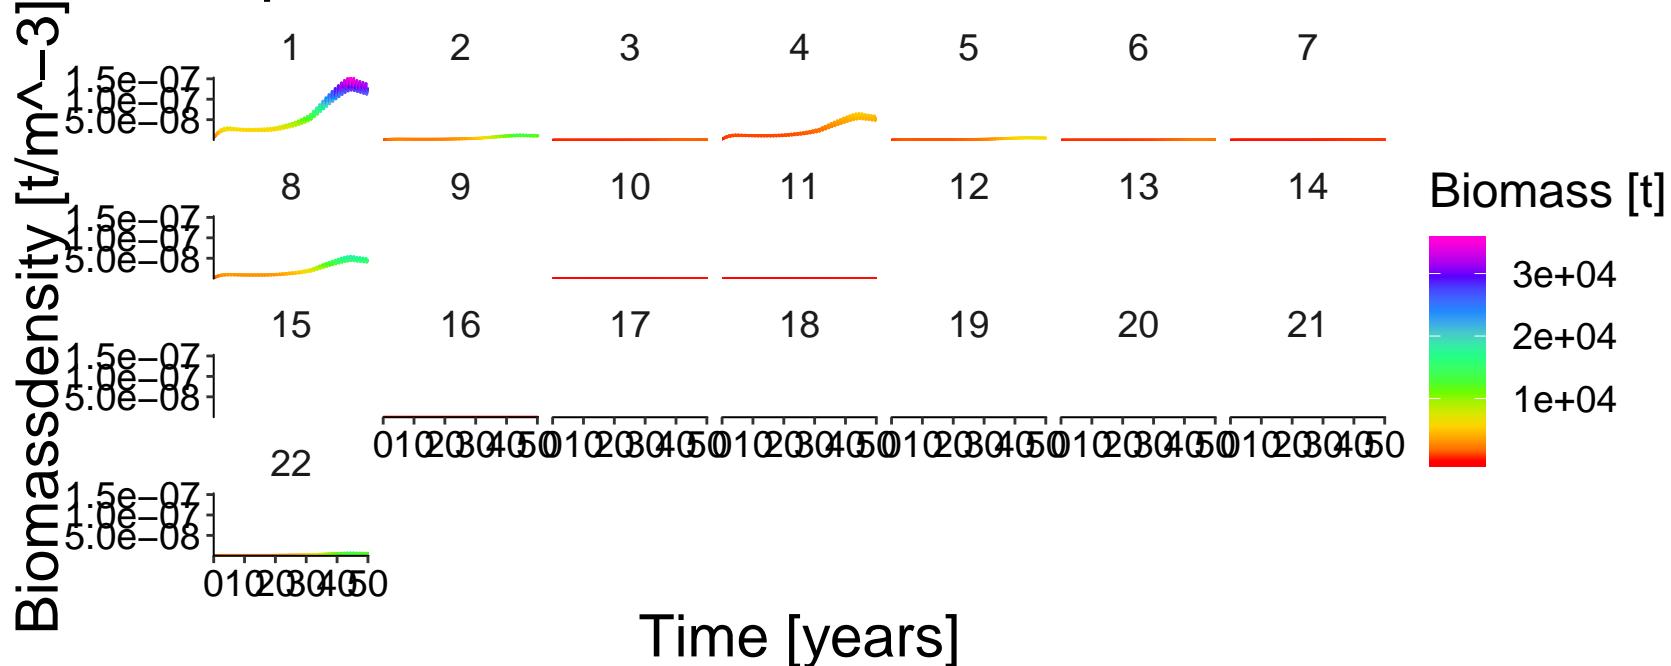

Species: Right whales with stanza: 2

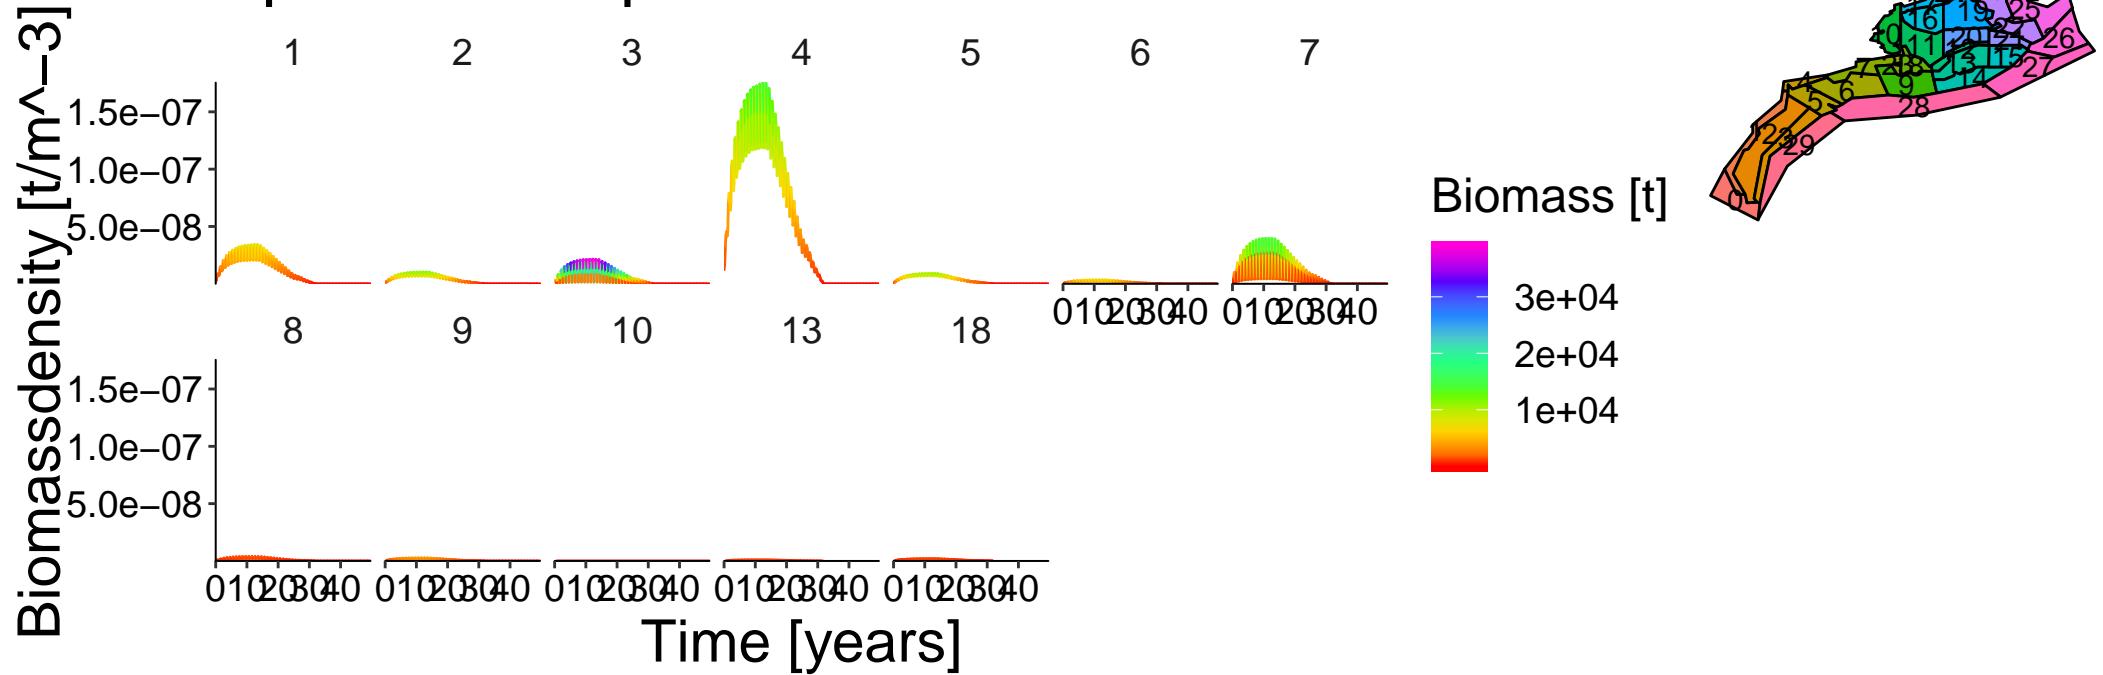

Species: Sandbar shark with stanza: 1

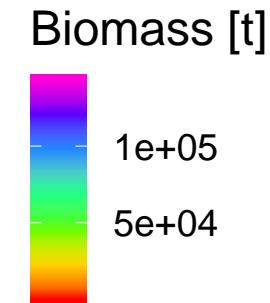

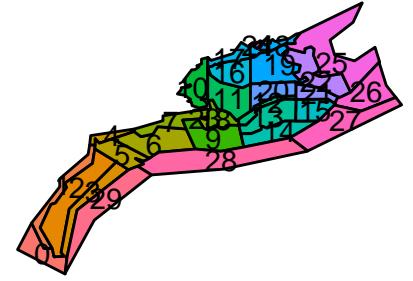

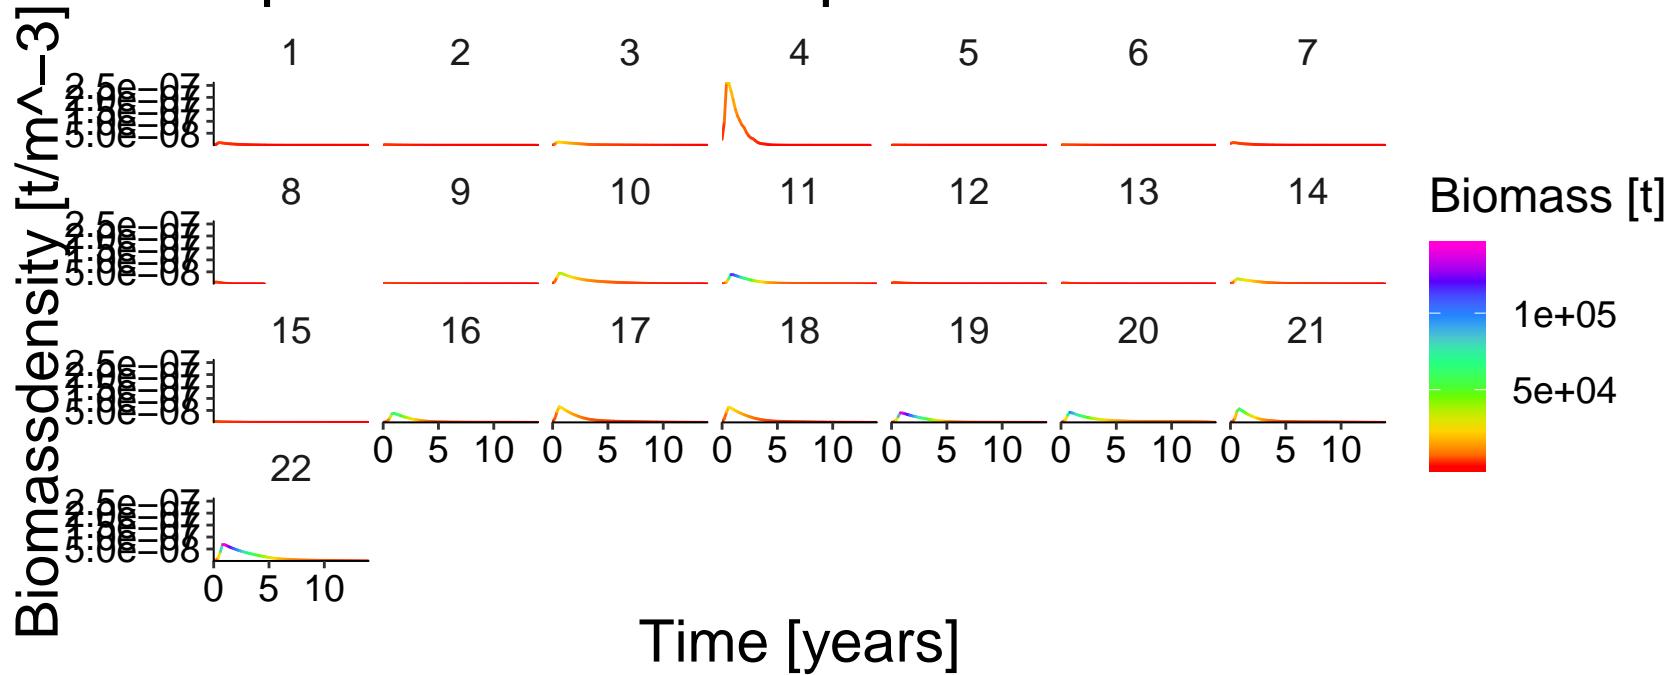

Species: Sandbar shark with stanza: 2

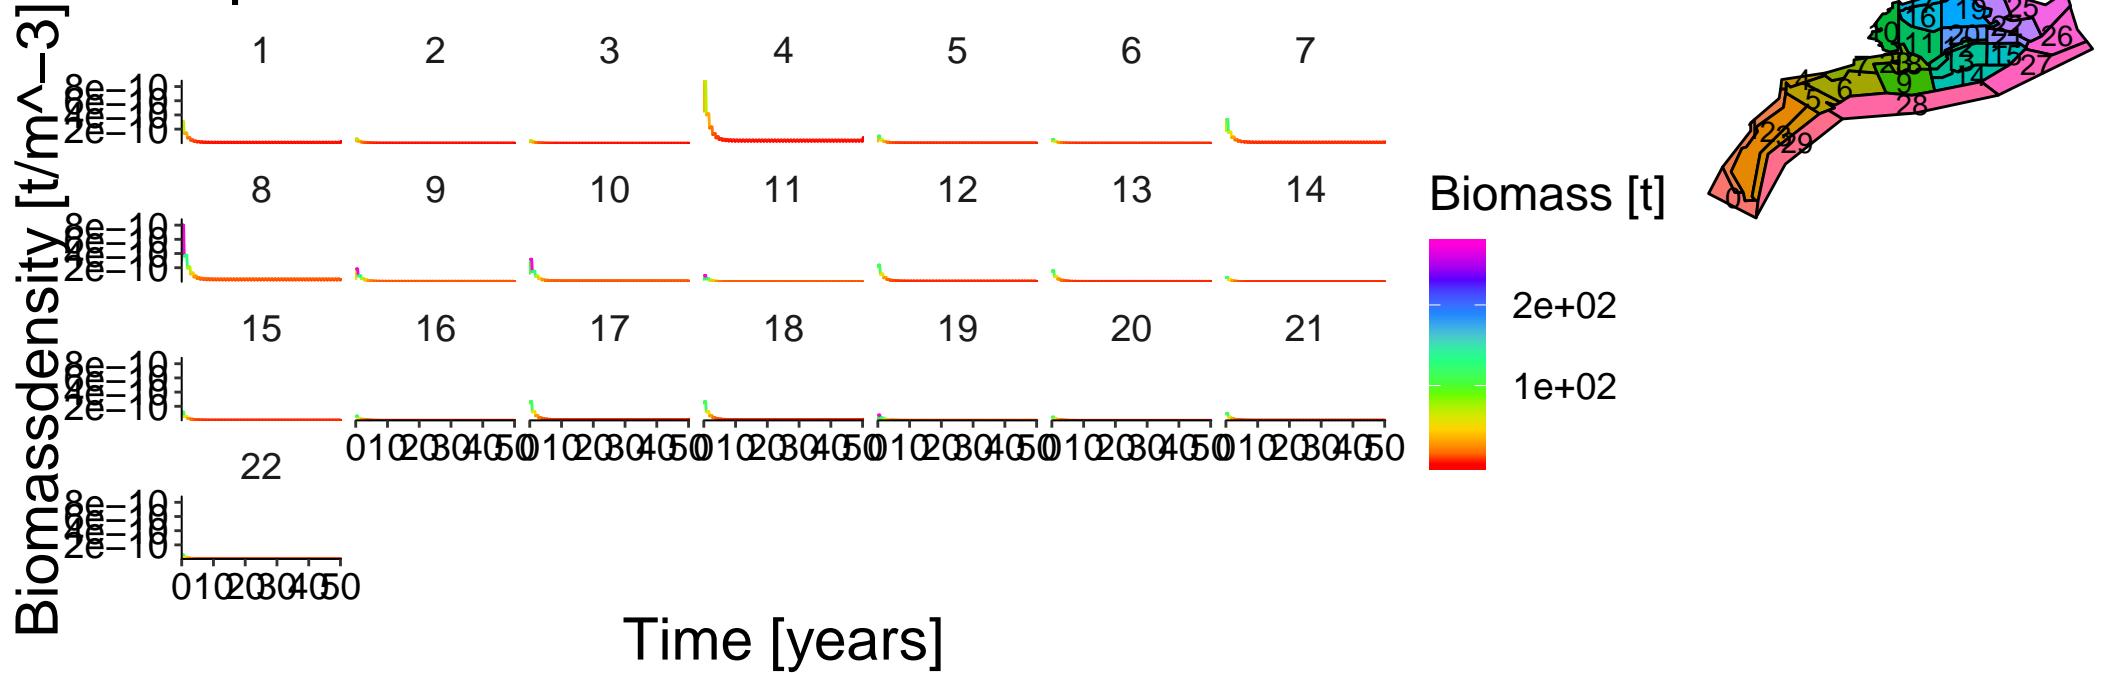

Species: Scup with stanza: 2

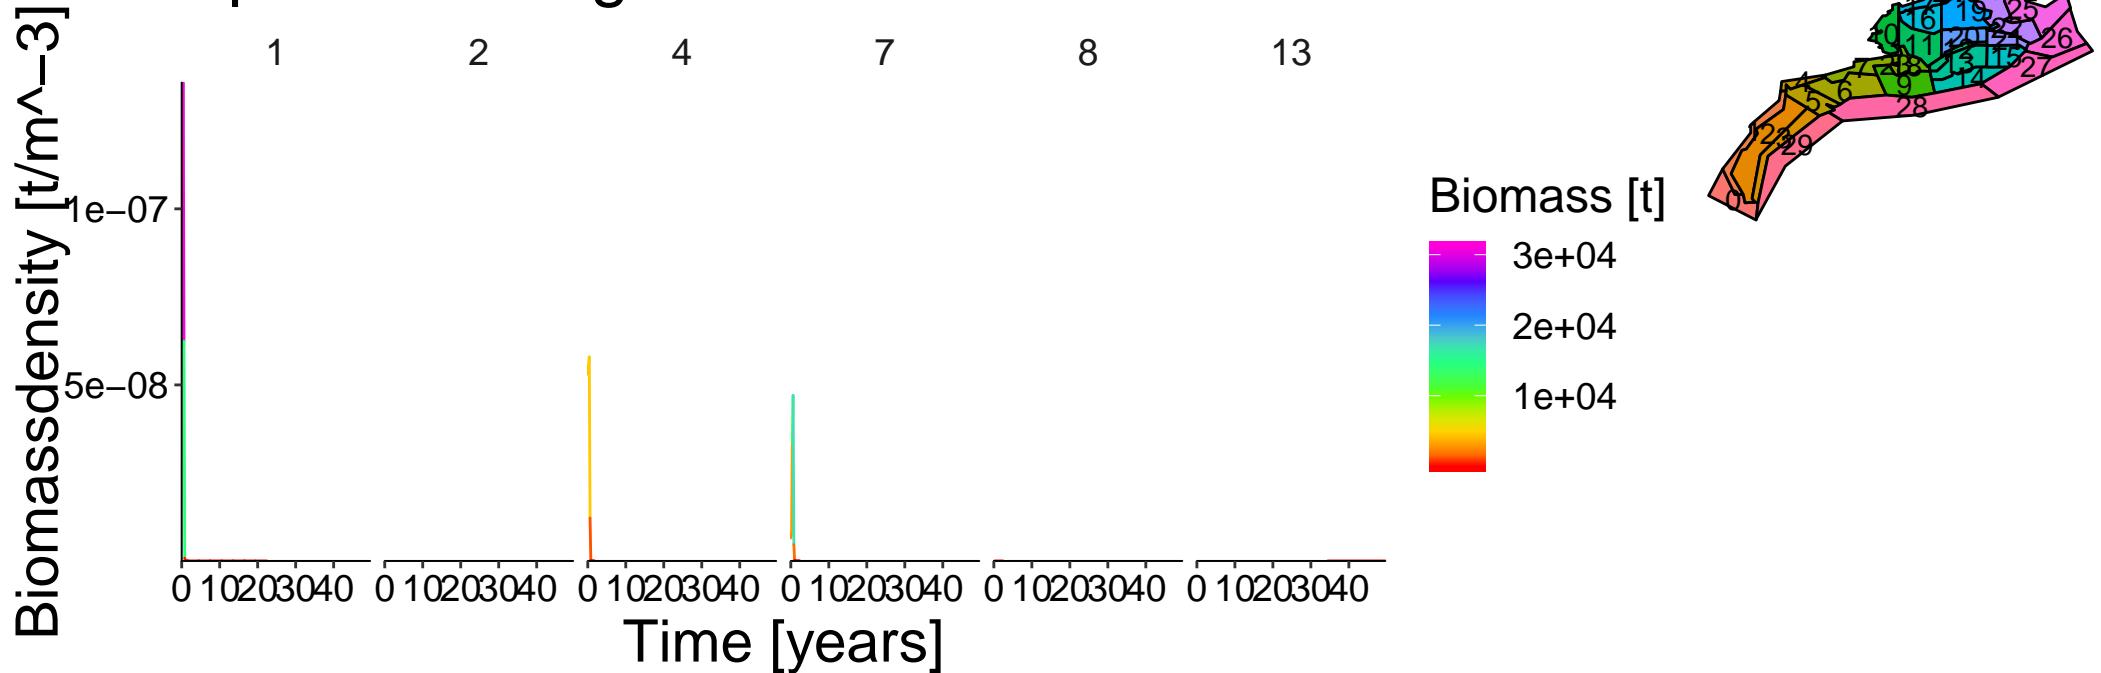

Species: Sea scallop with stanza: 1

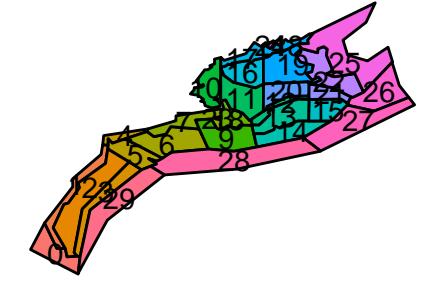

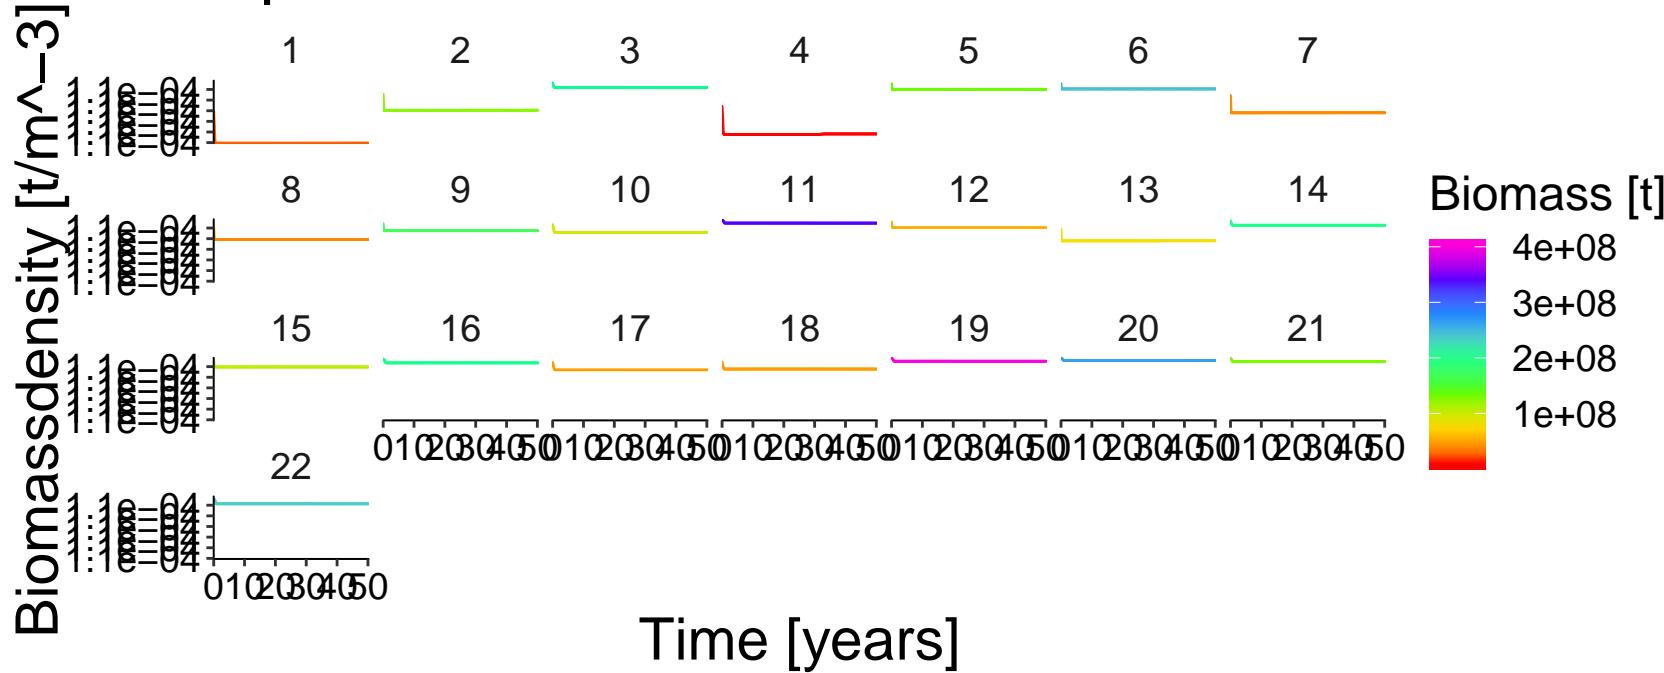

Species: Seabirds with stanza: 2

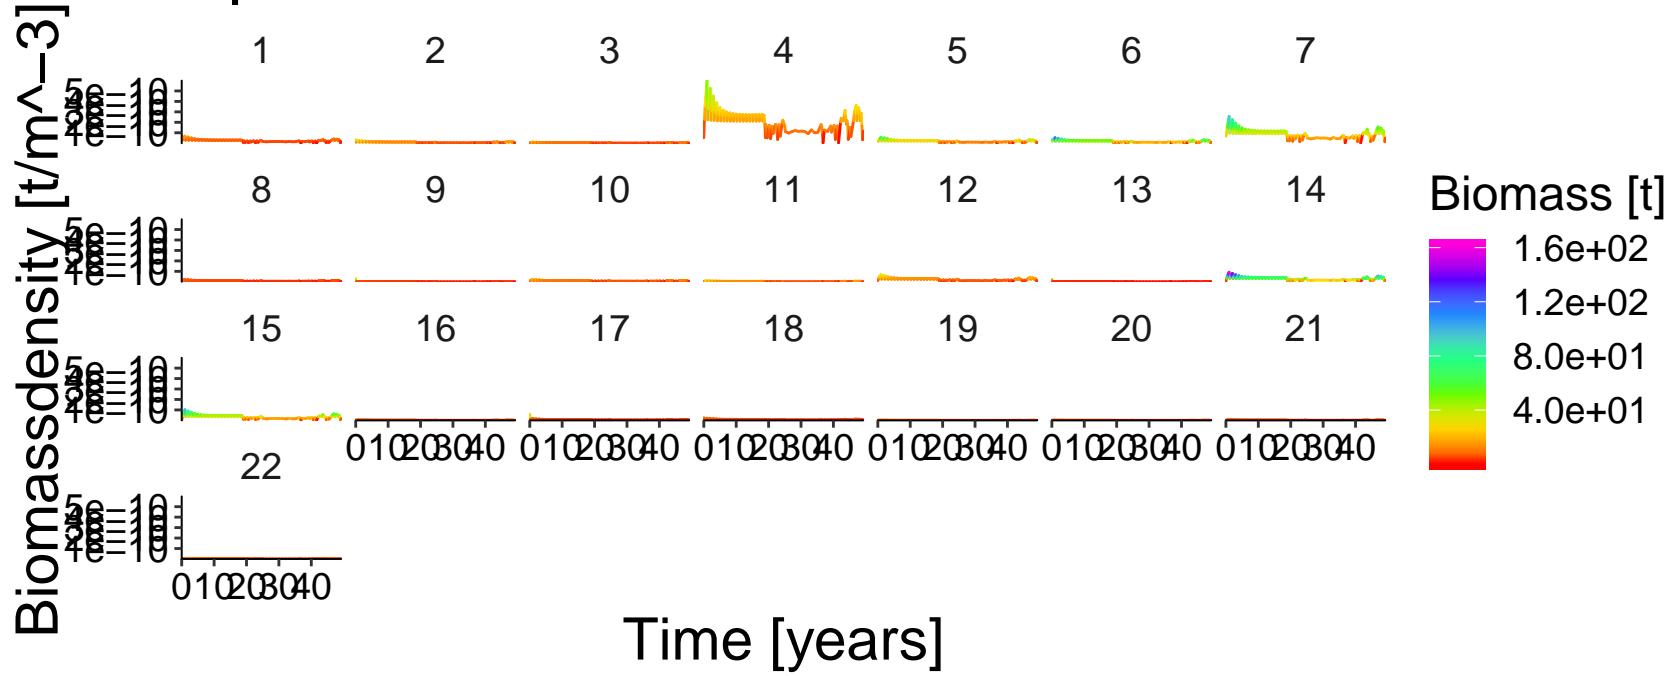

Species: Seagrass with stanza: 1

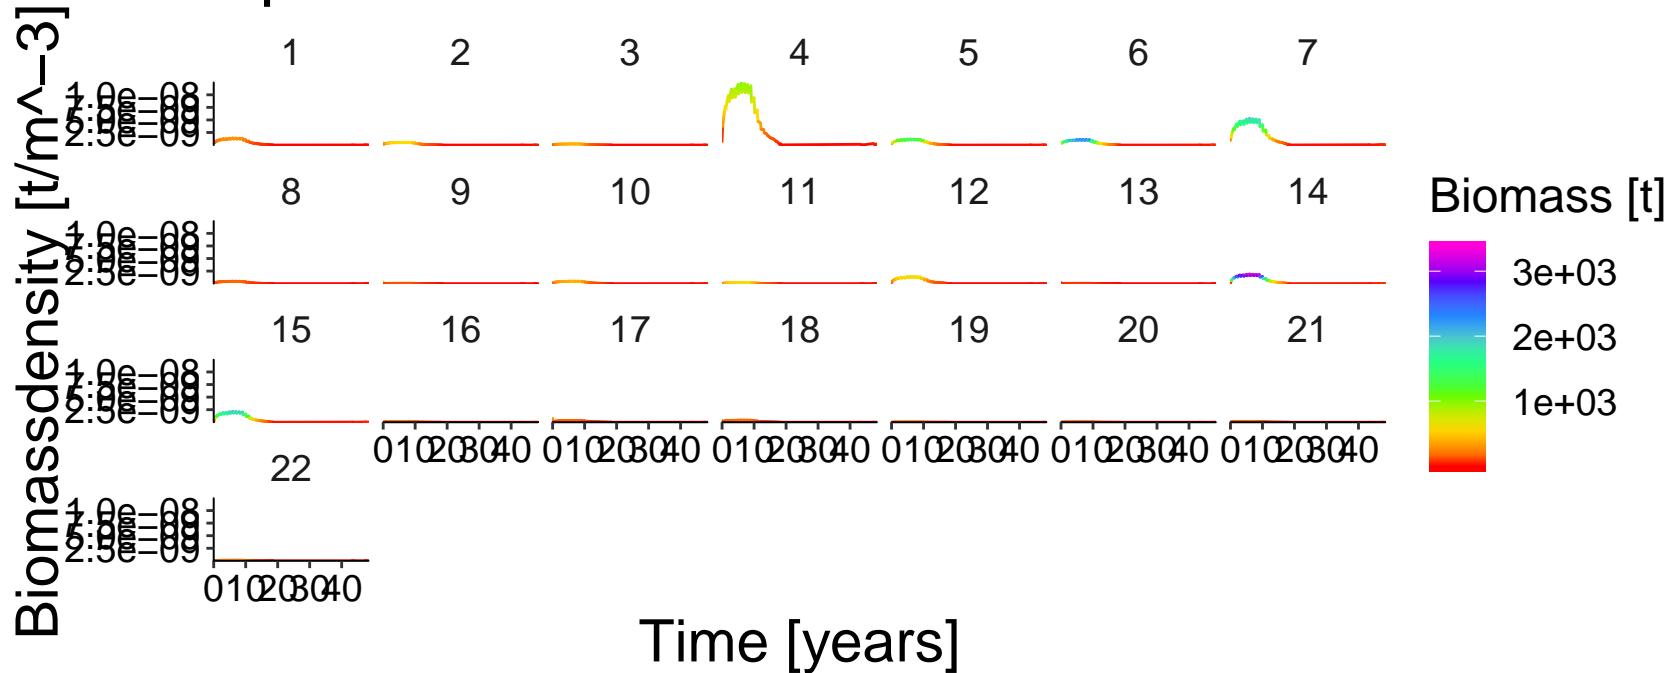

Species: Sediment Bacteria with stanza: 1

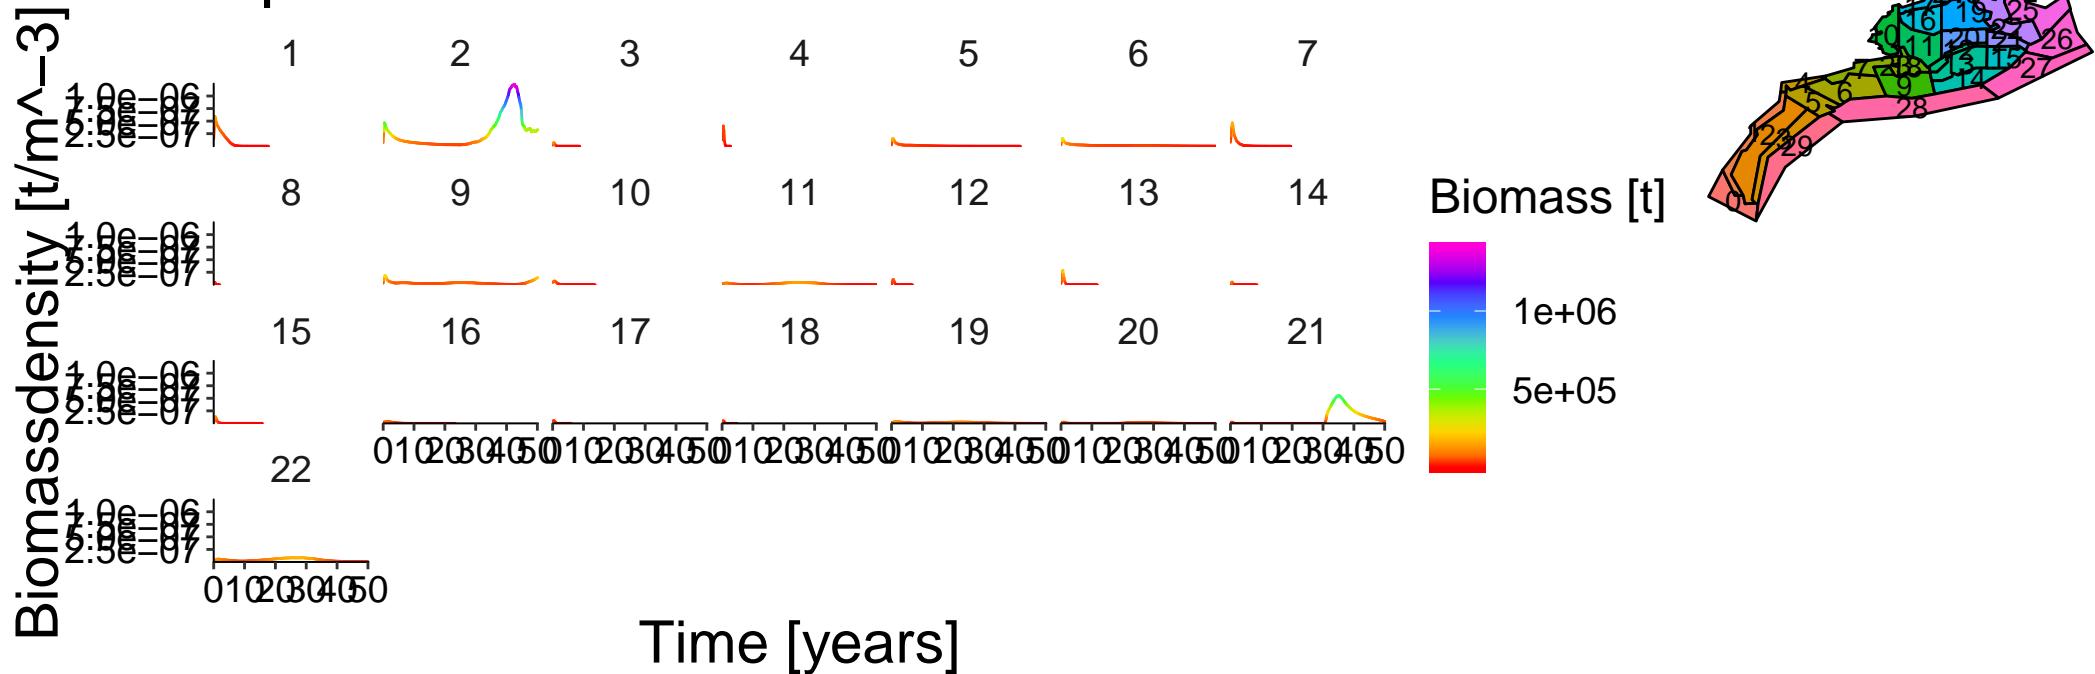

Species: Shallow demersal fish with stanza: 1

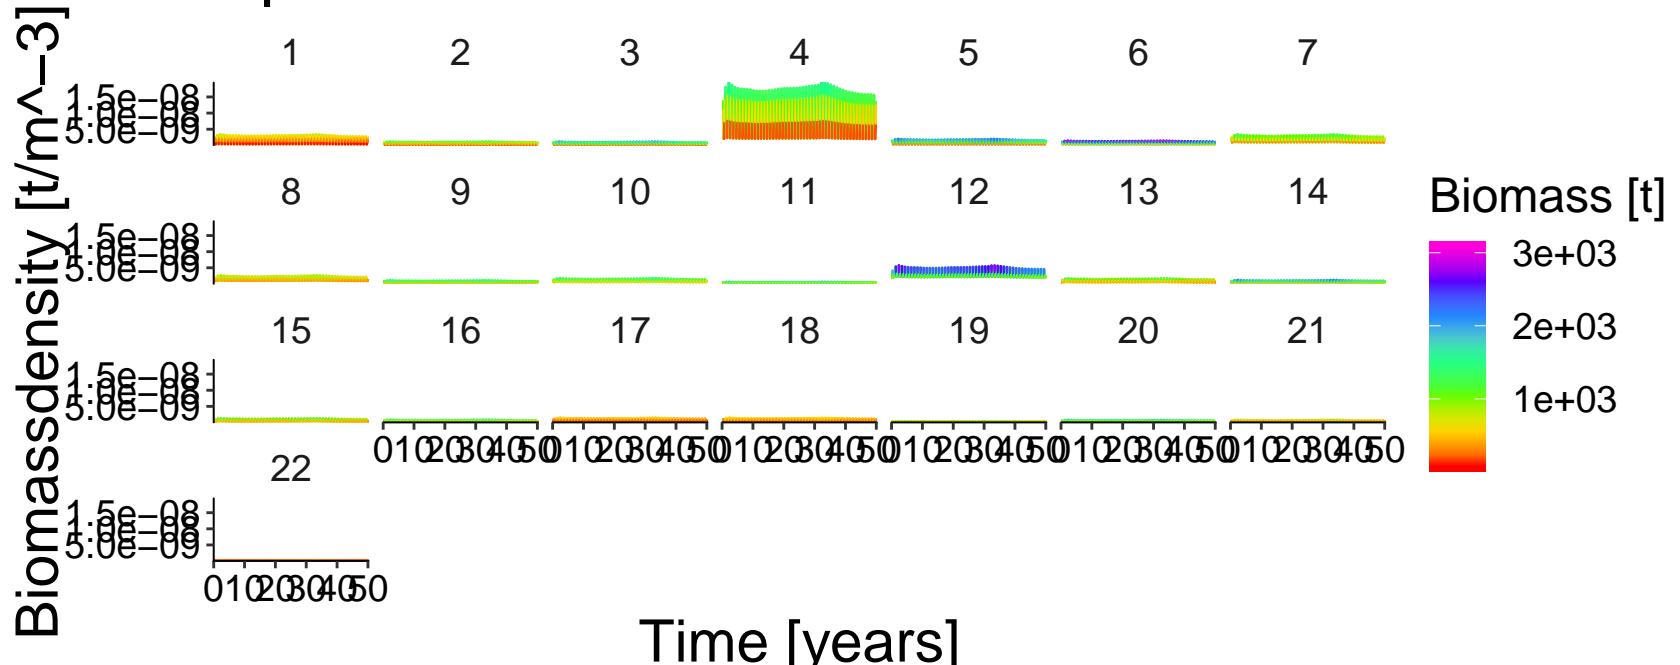

Species: Shallow demersal fish with stanza: 2

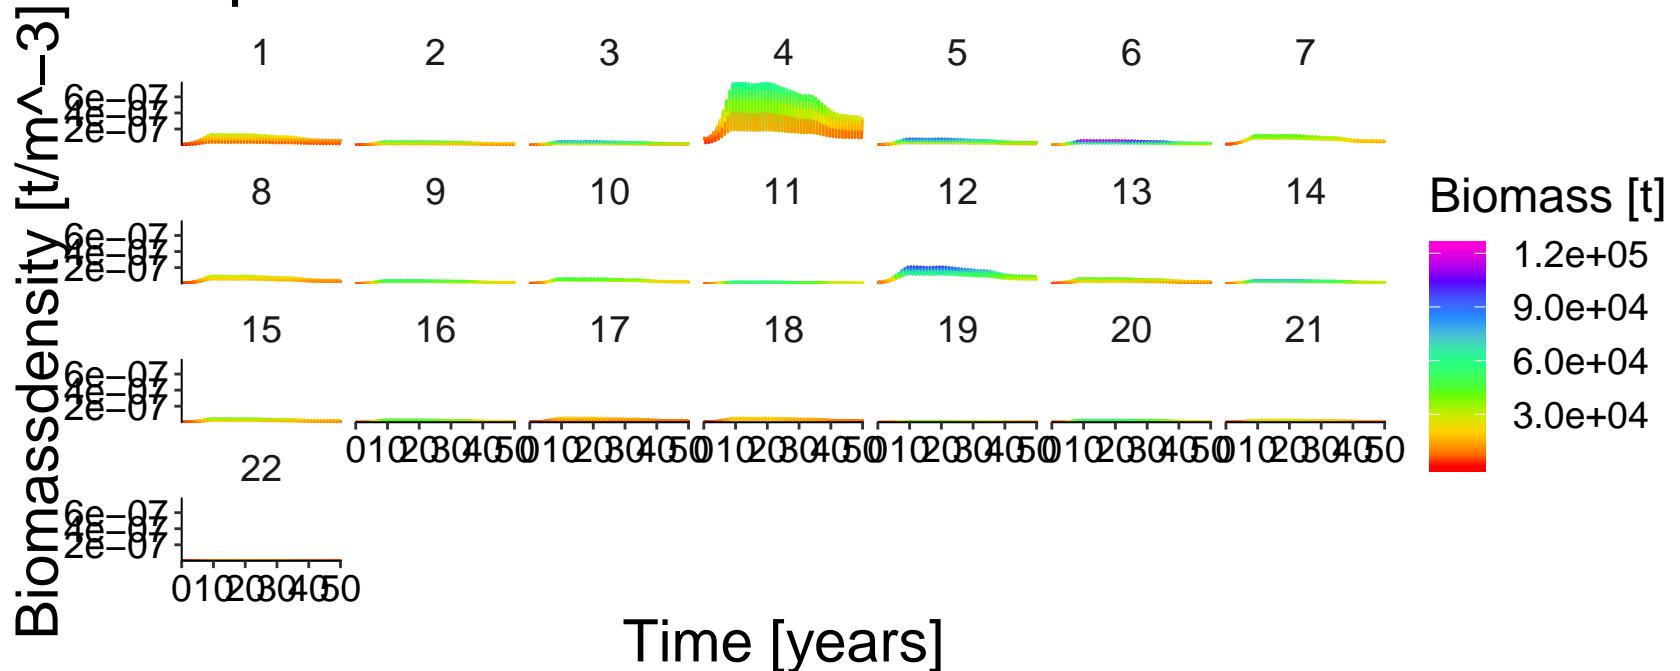

Species: Shallow macrozoobenthos with stanza: 1

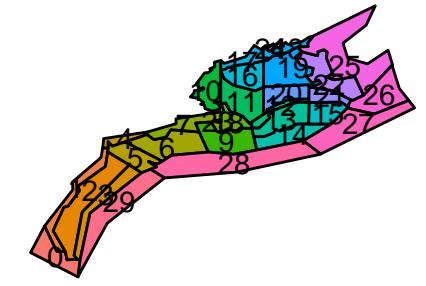

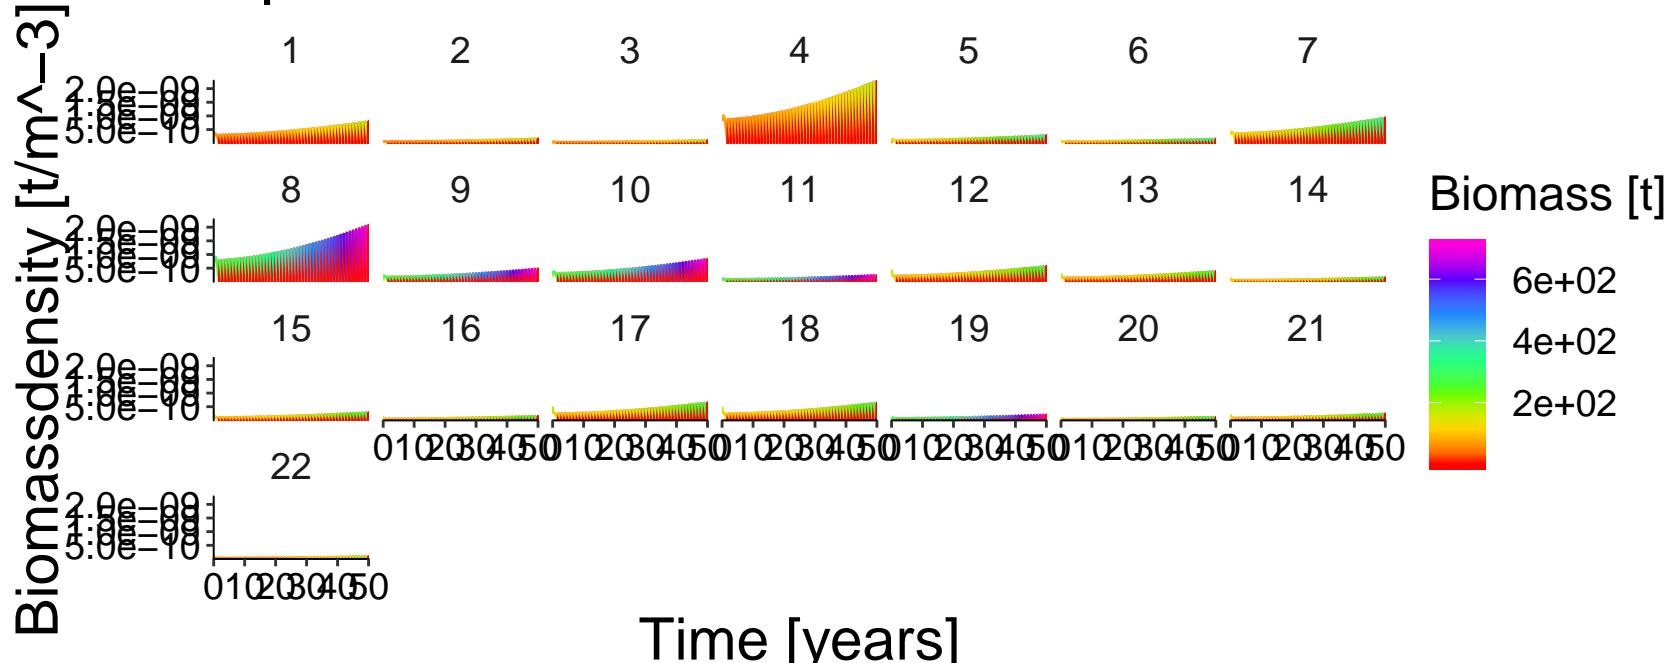

Species: Silver hake with stanza: 1

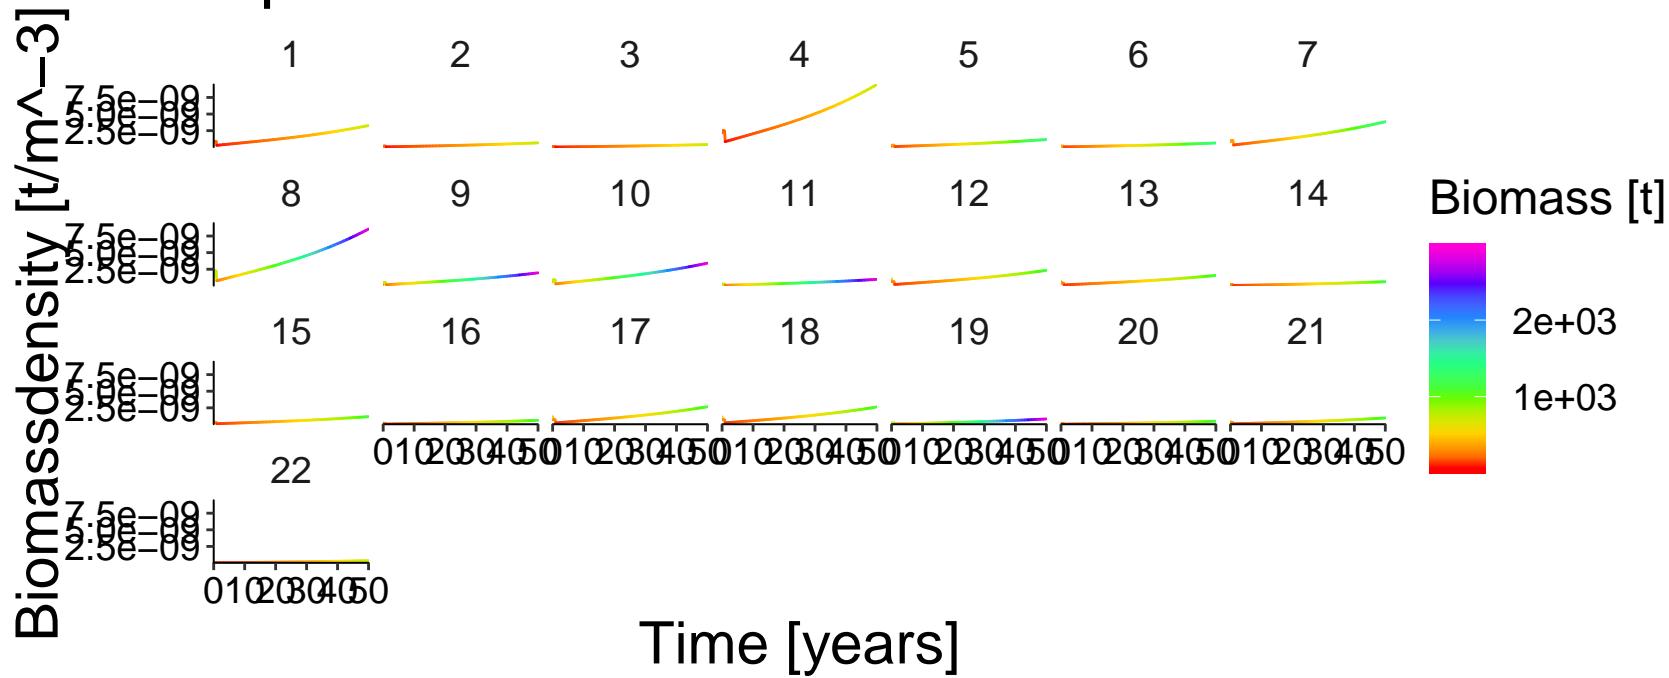

Species: Silver hake with stanza: 2

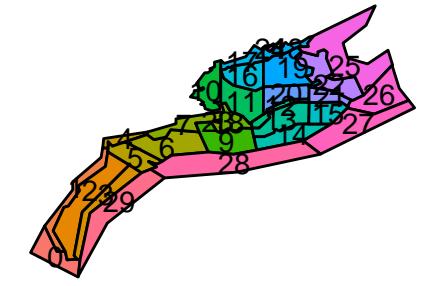

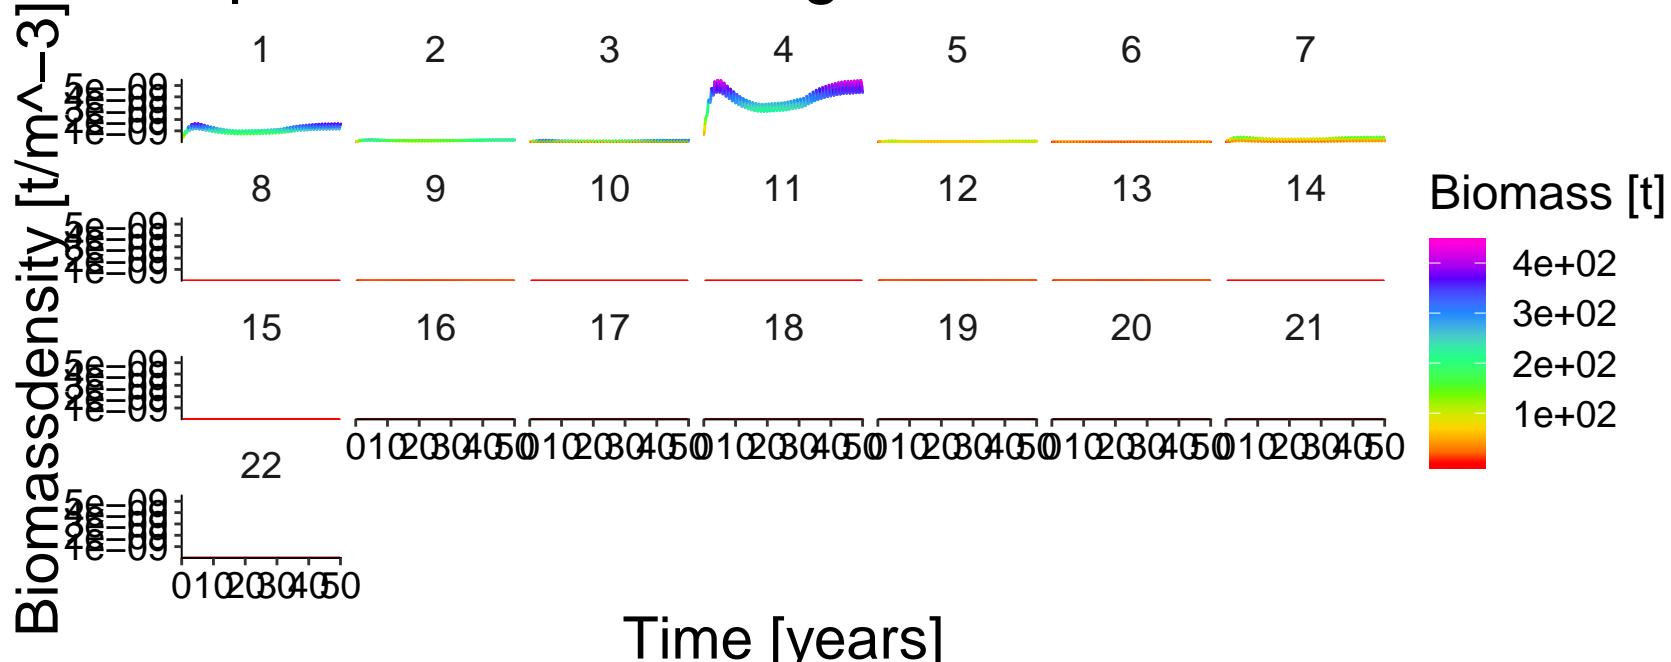

Species: Small toothed whales with stanza: 1

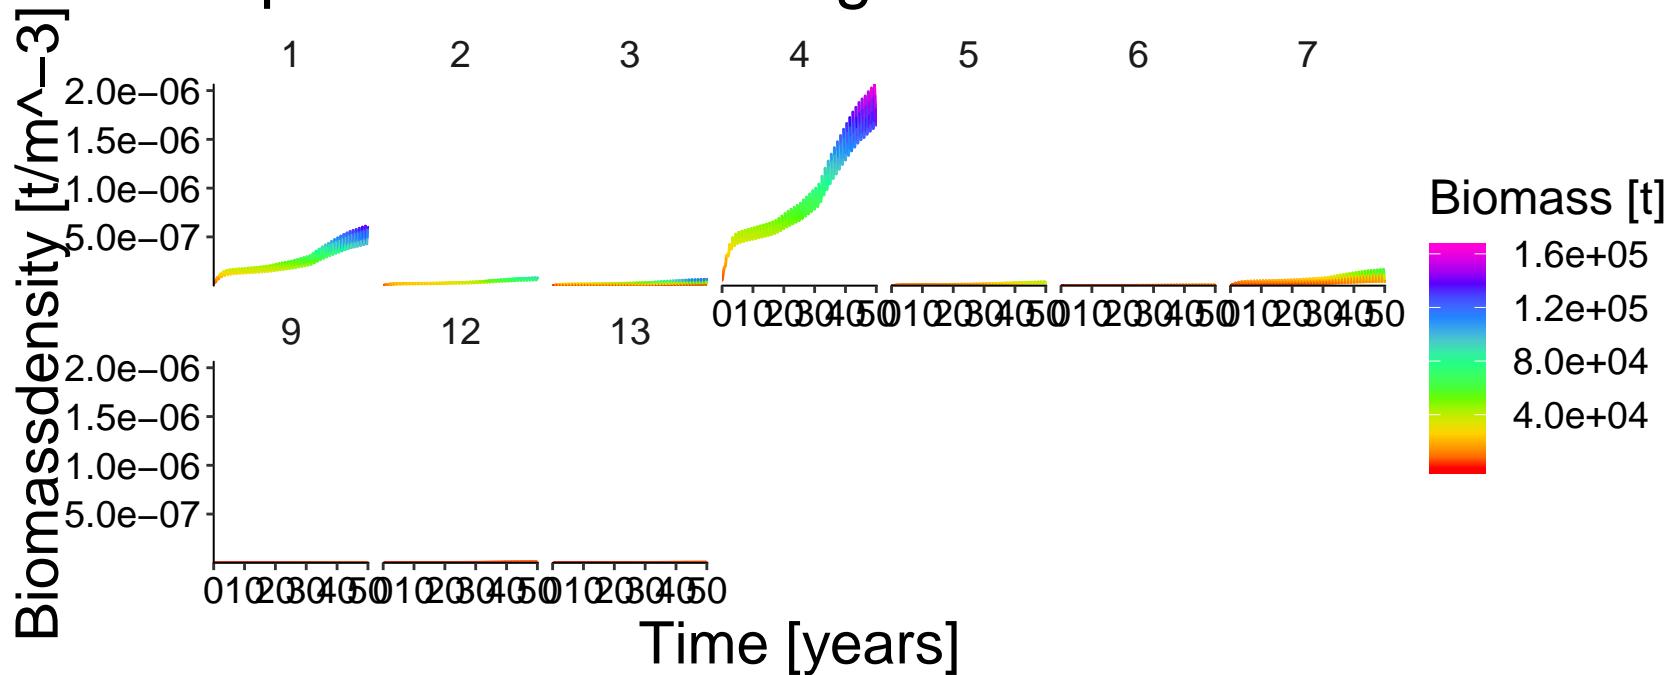

Species: Small toothed whales with stanza: 2

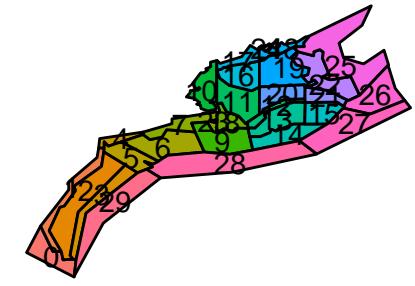

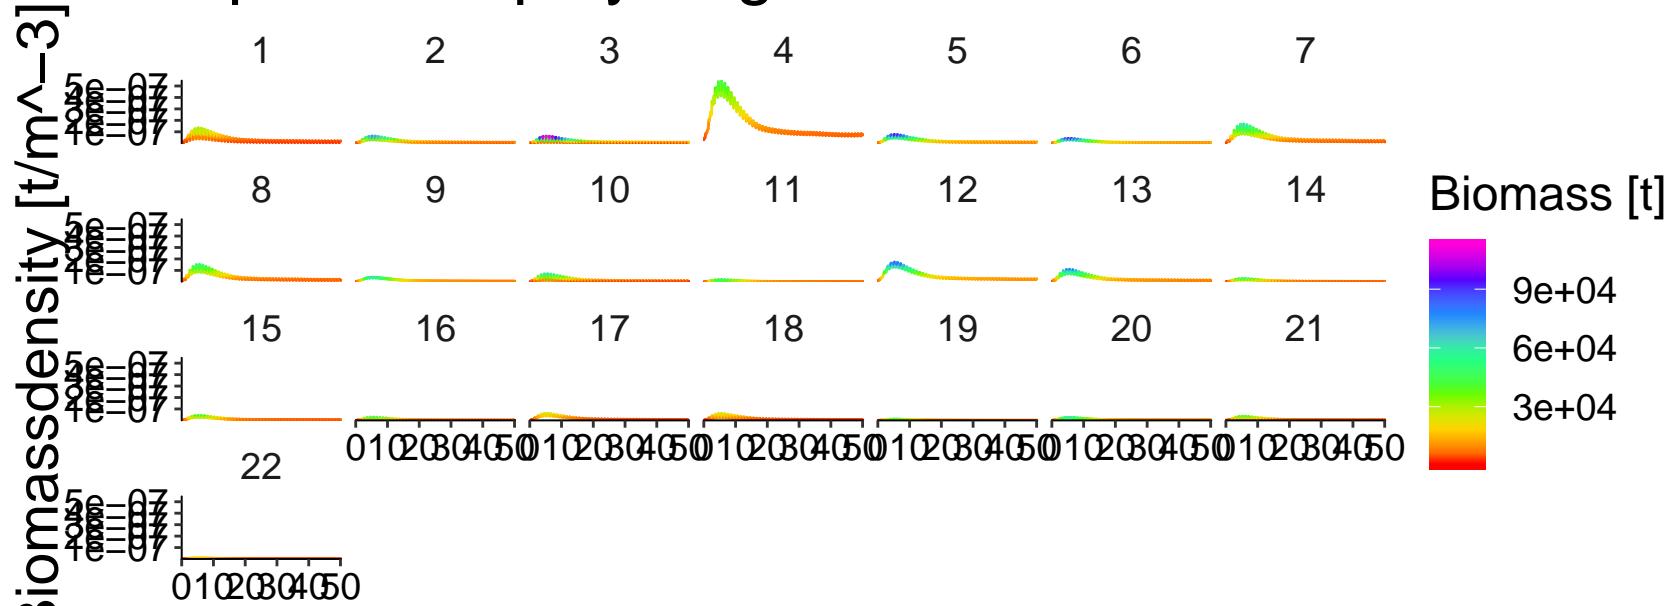

Species: Smooth dogfish with stanza: 1

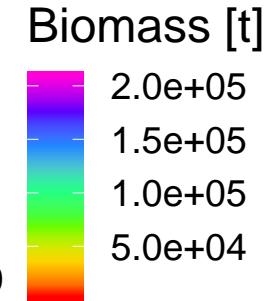

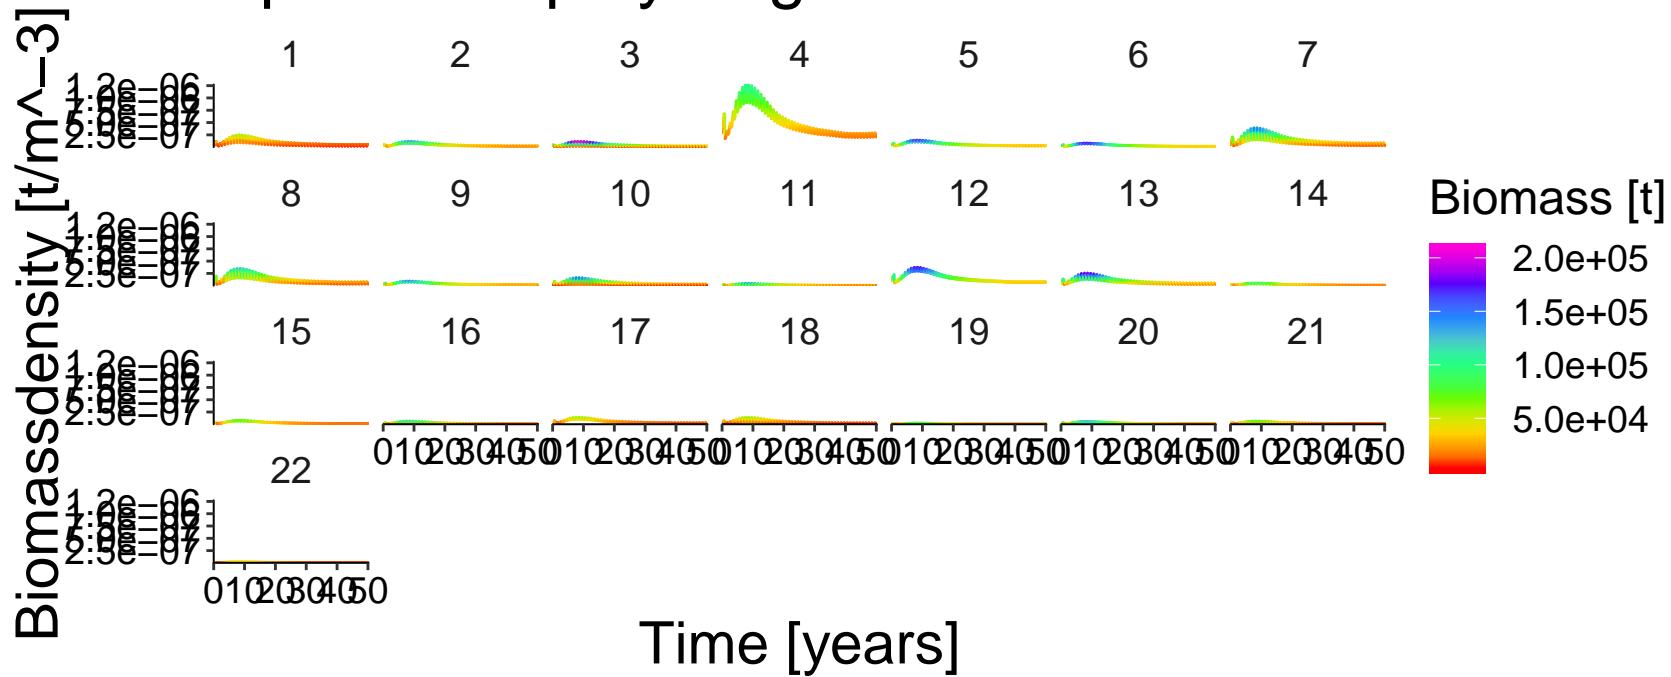

Species: Smooth dogfish with stanza: 2

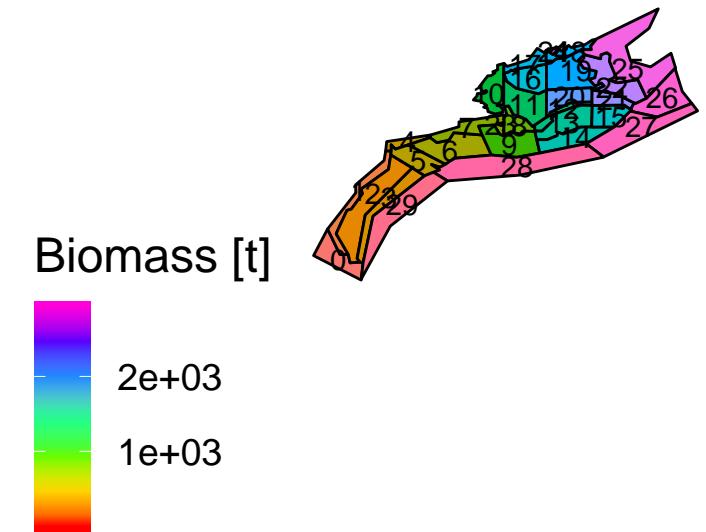

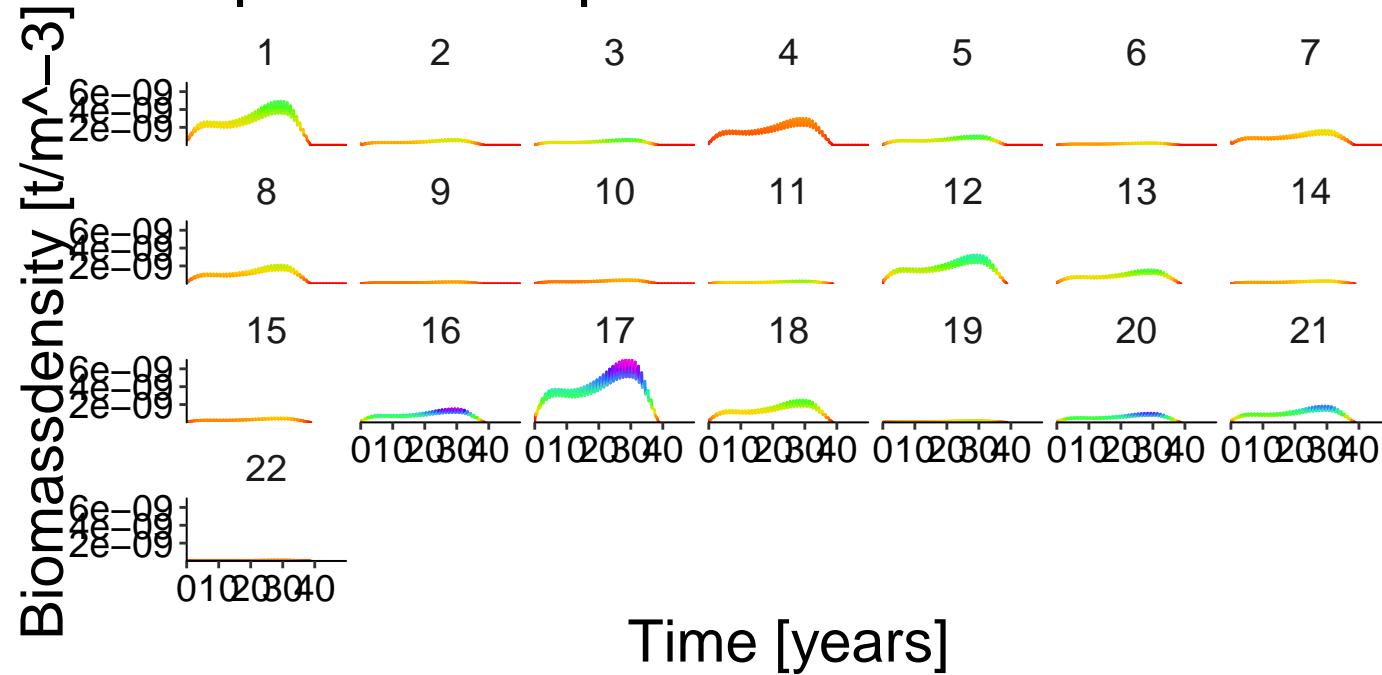

Species: Spiny dogfish with stanza: 1

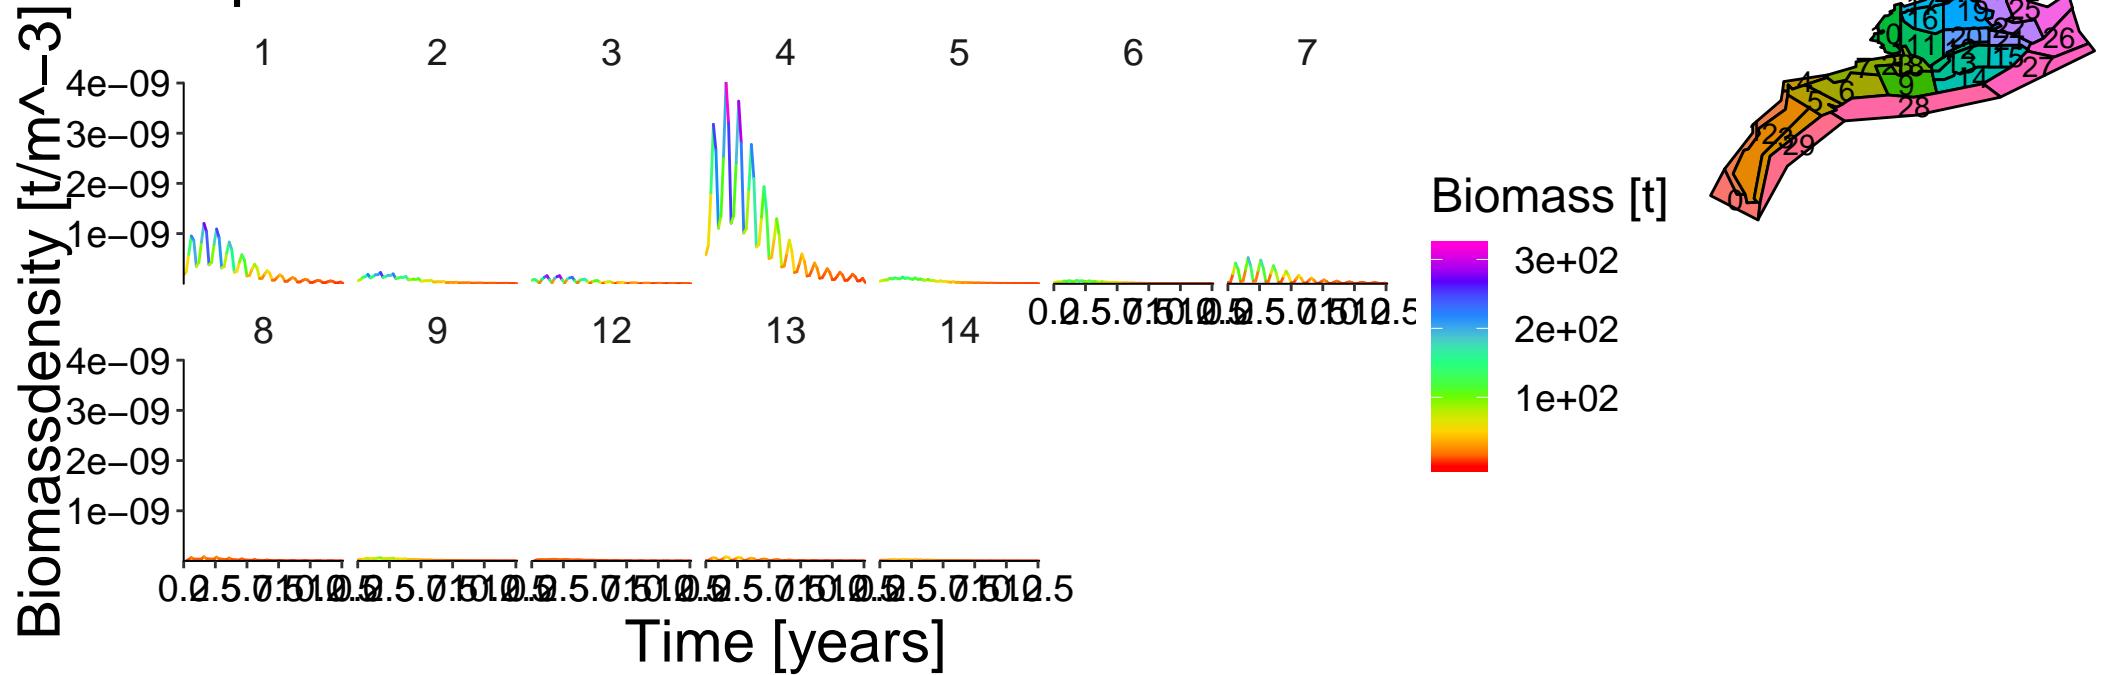

Species: Spiny dogfish with stanza: 2

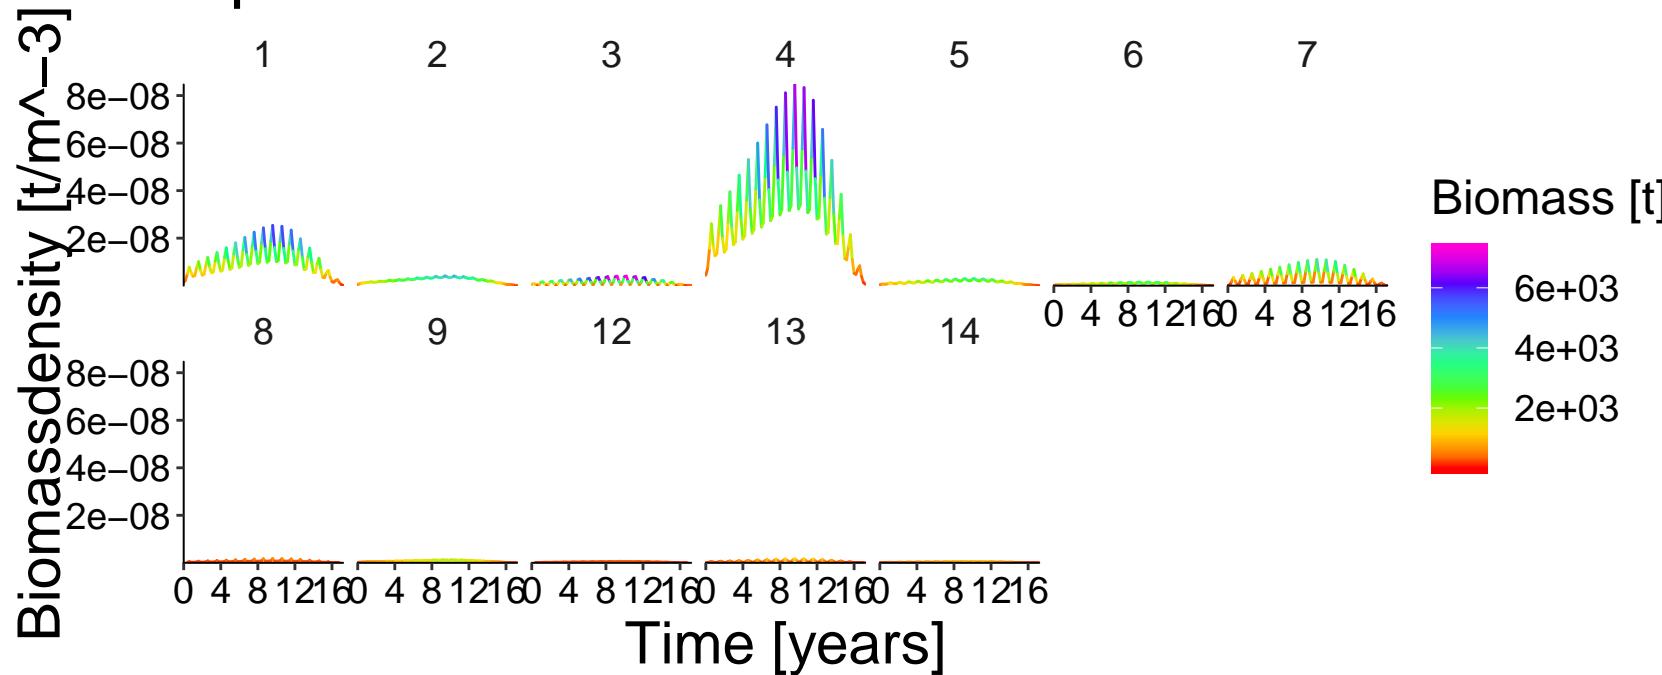

Species: Striped Bass with stanza: 2

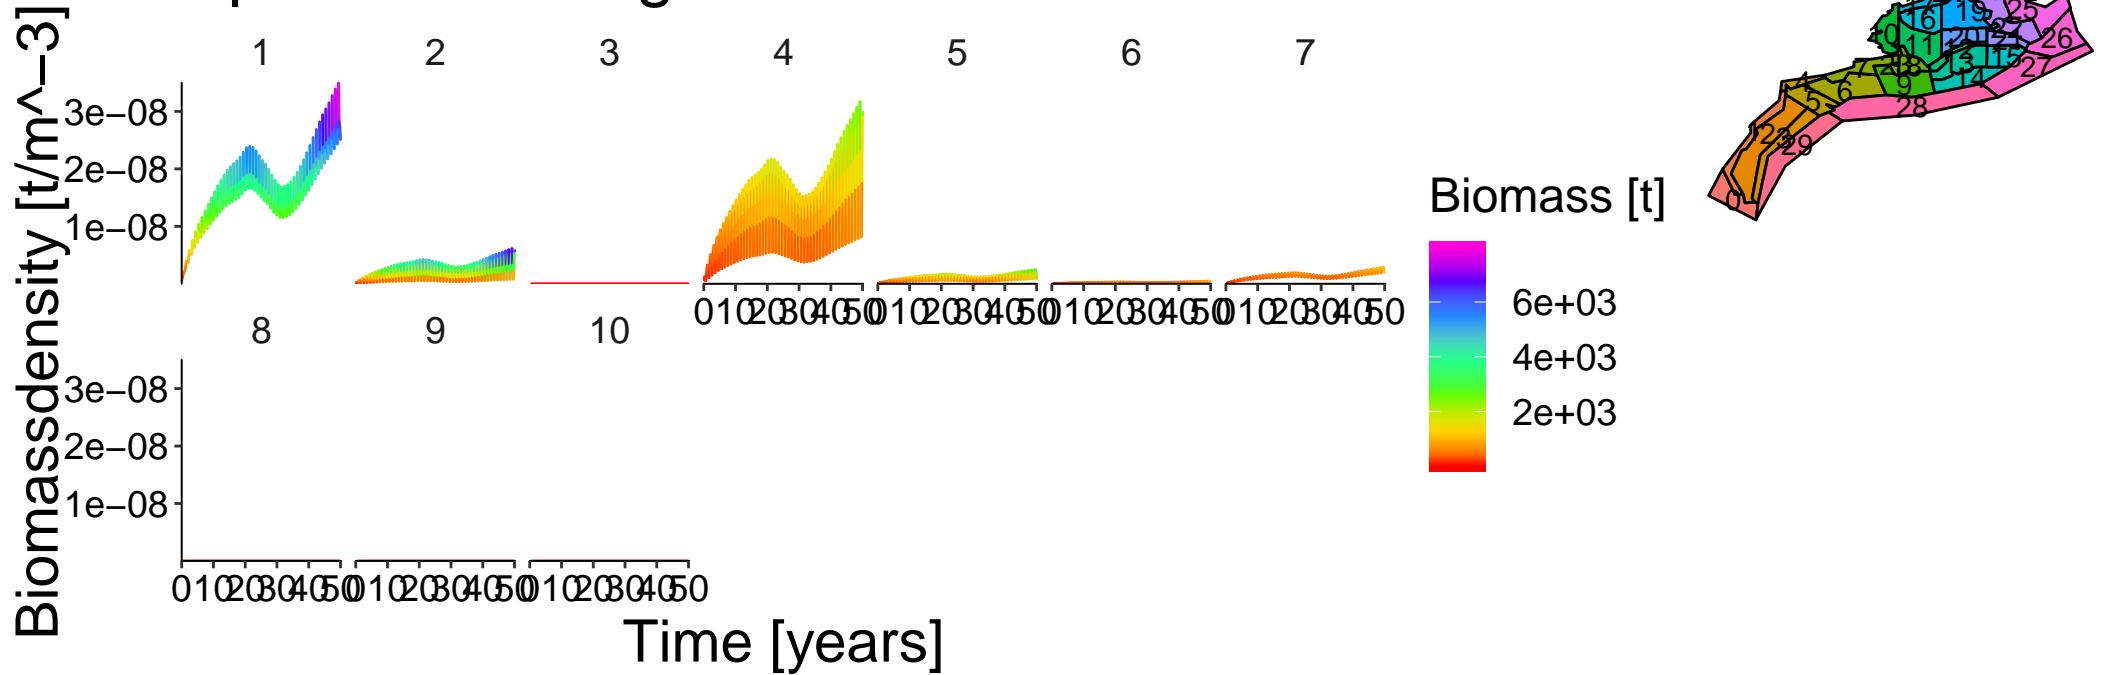

Species: Summer flounder with stanza: 1

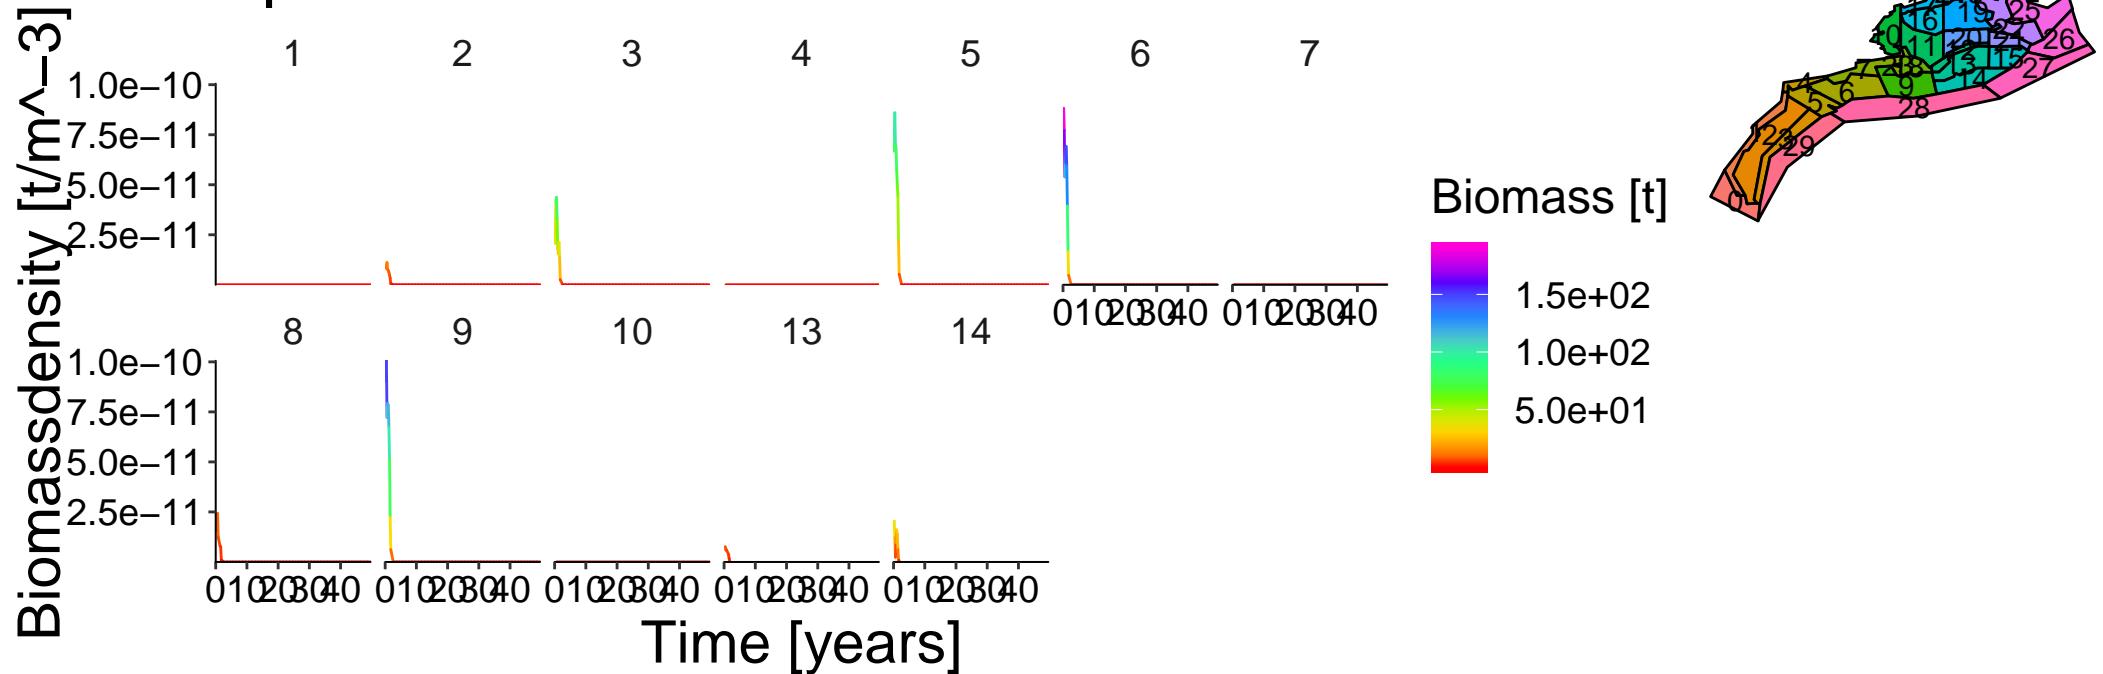

Species: Summer flounder with stanza: 2

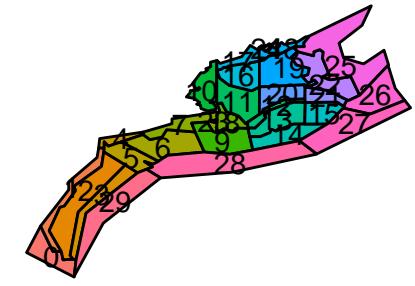

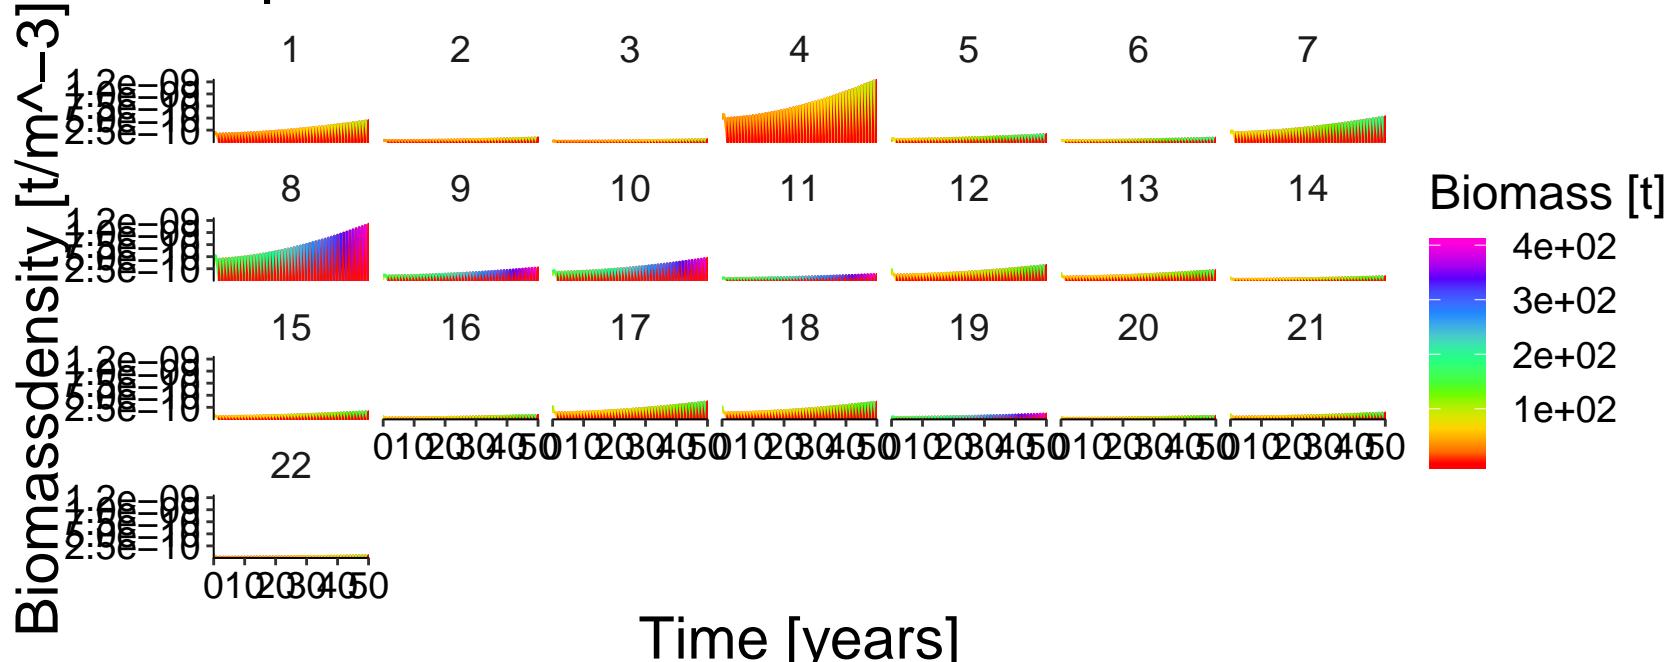

Species: Tautog with stanza: 2

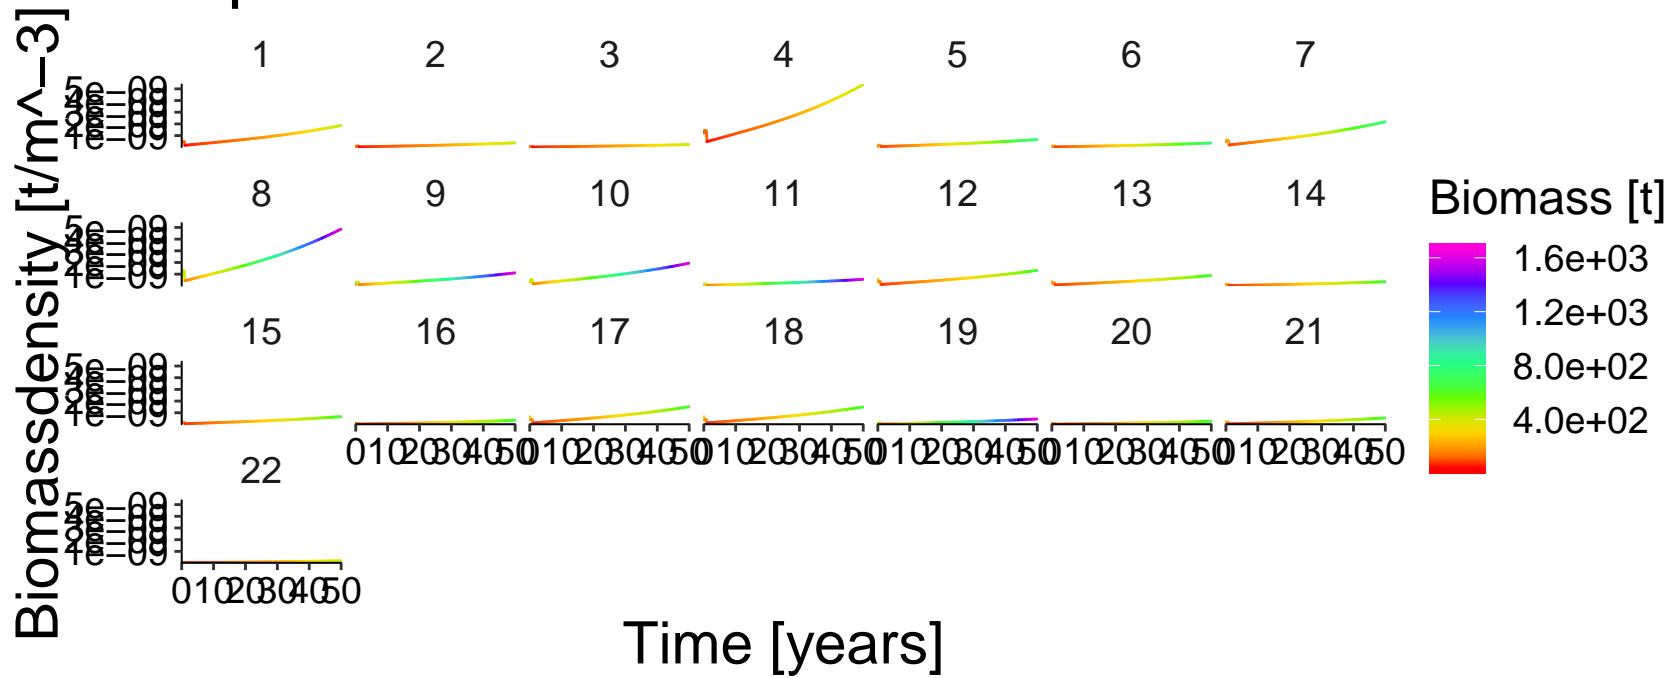

Species: Tilefish with stanza: 2

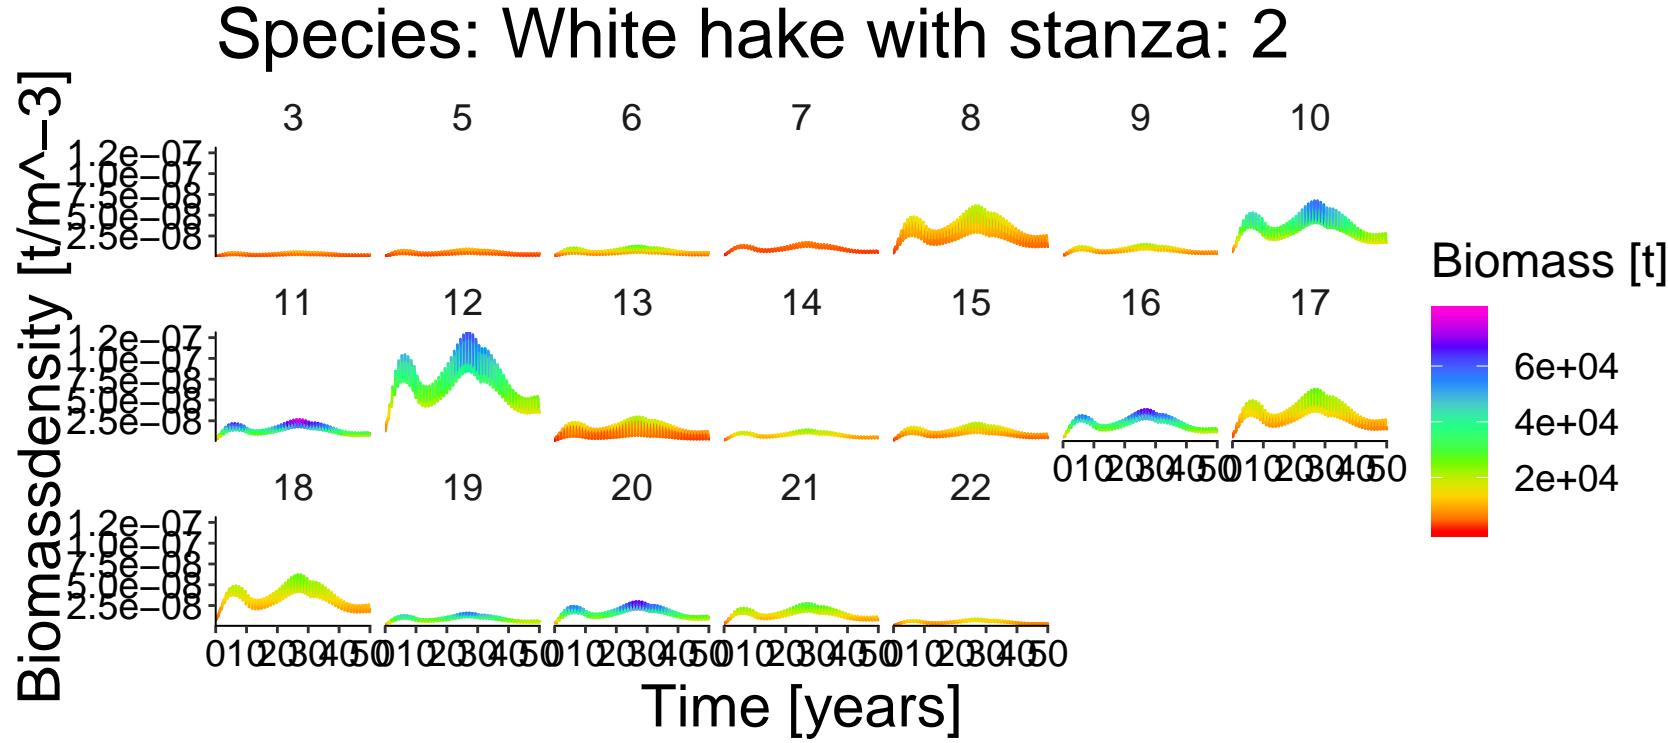

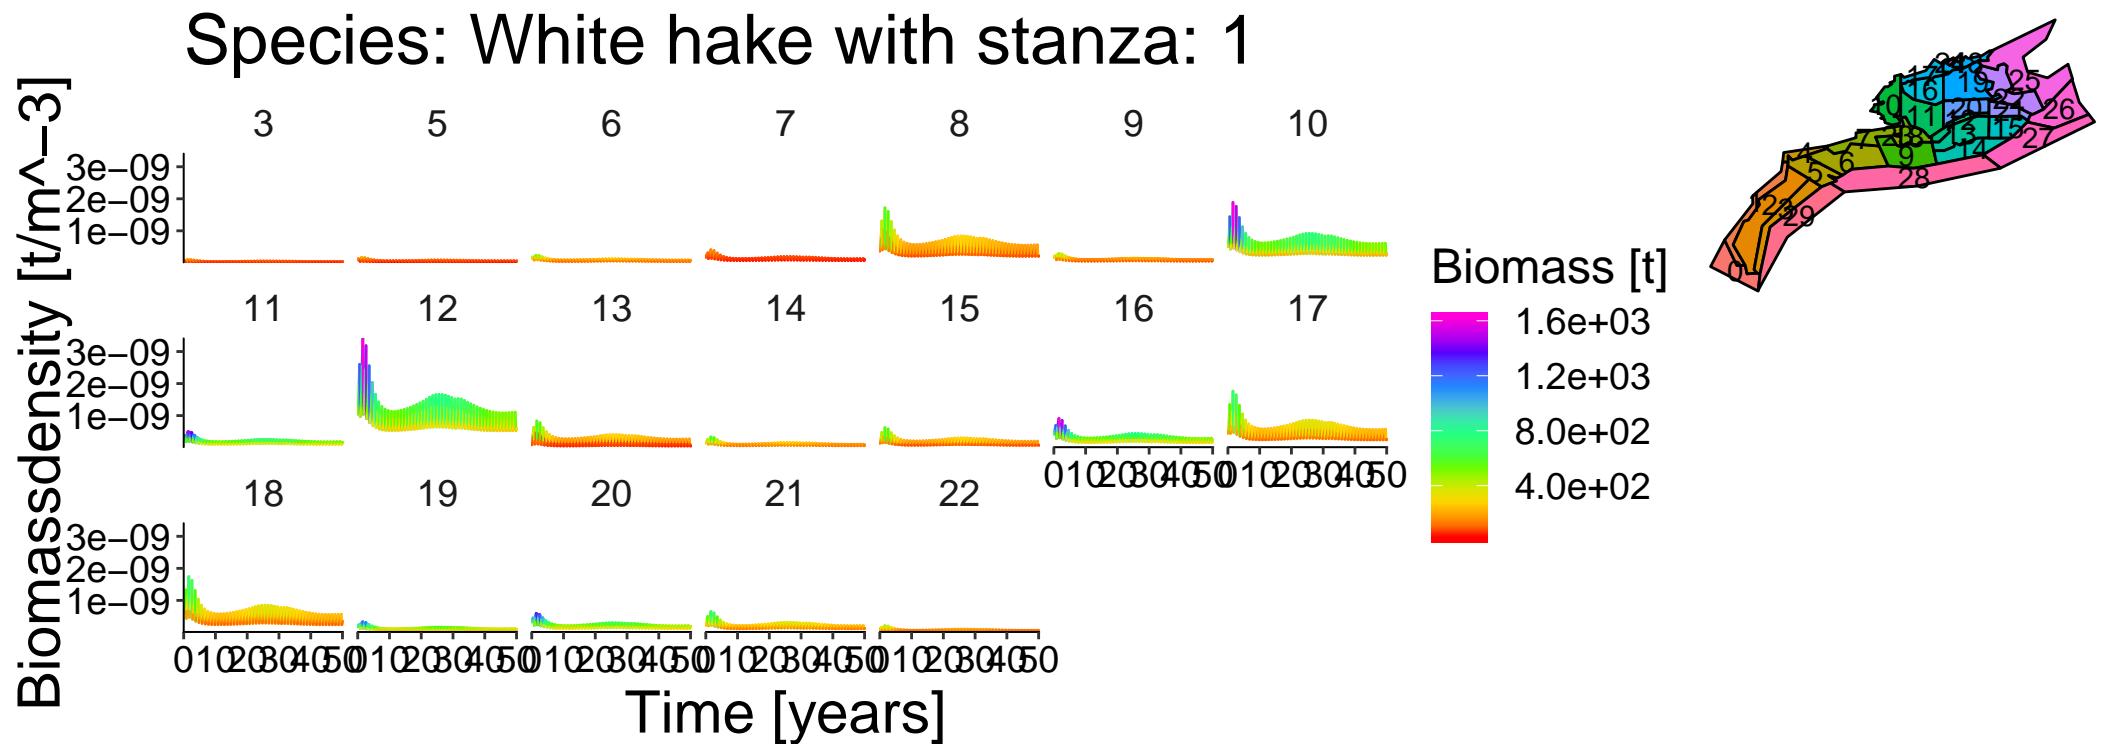

Species: Toothed whales with stanza: 1

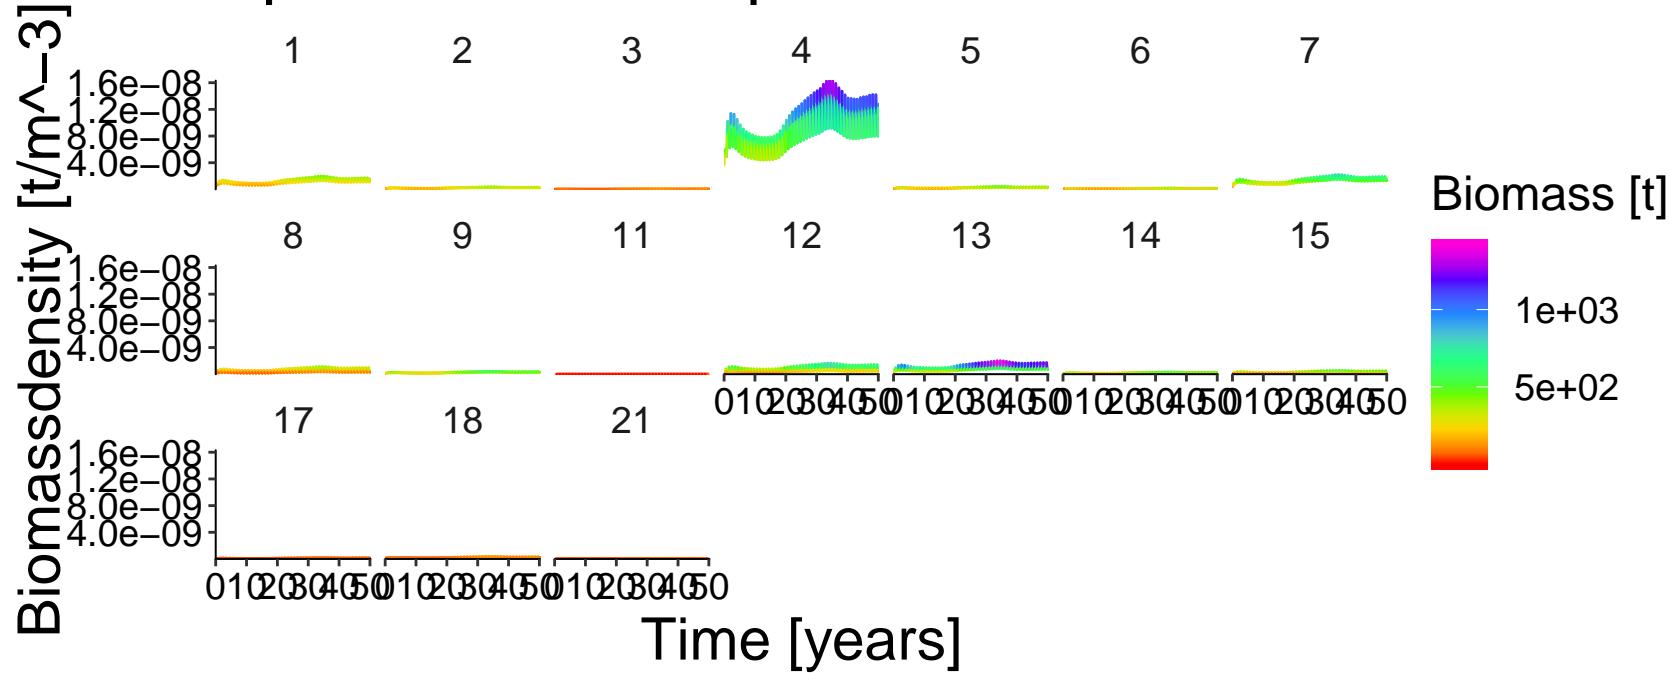

Species: Toothed whales with stanza: 2

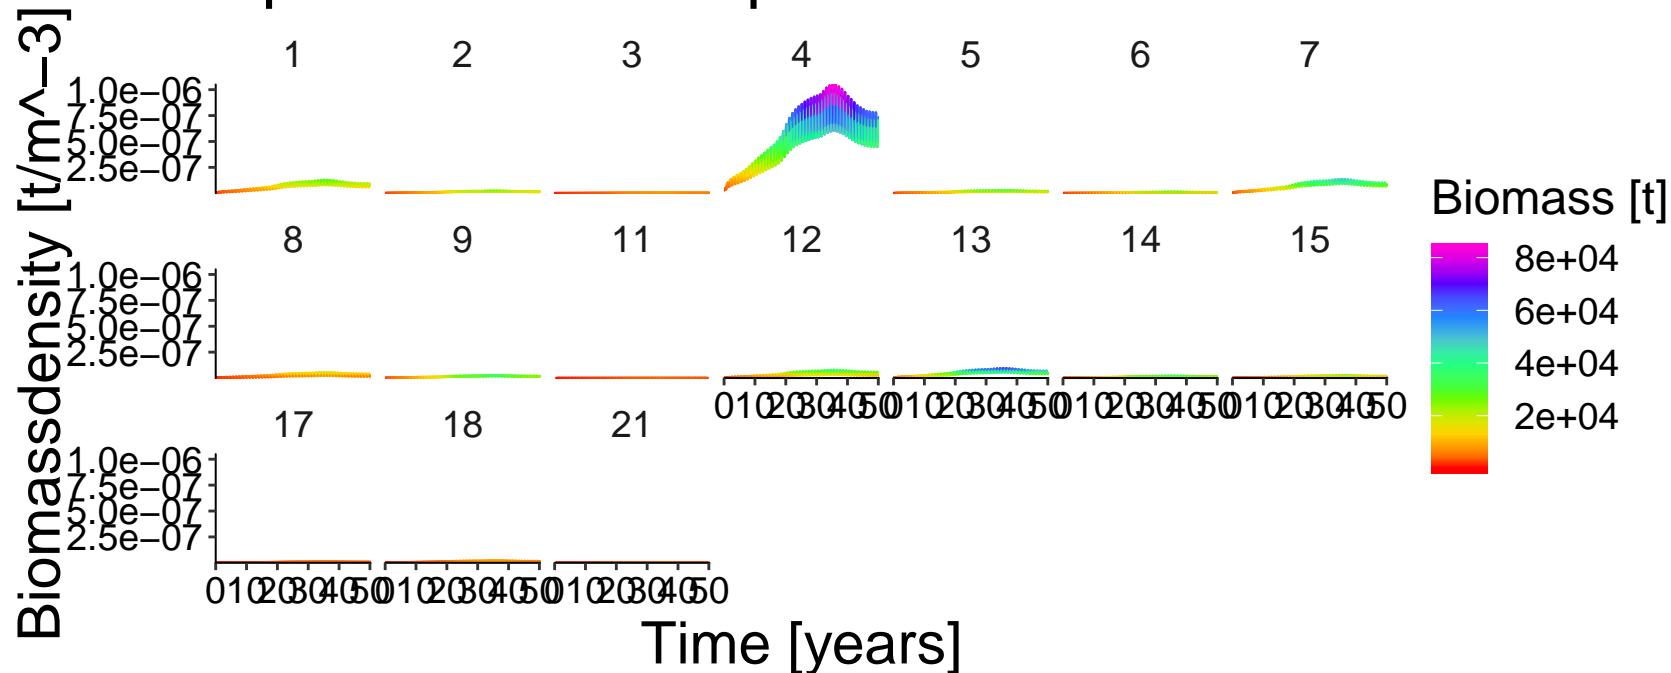

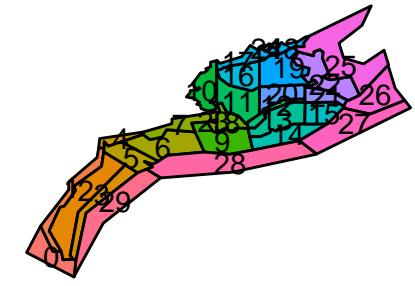

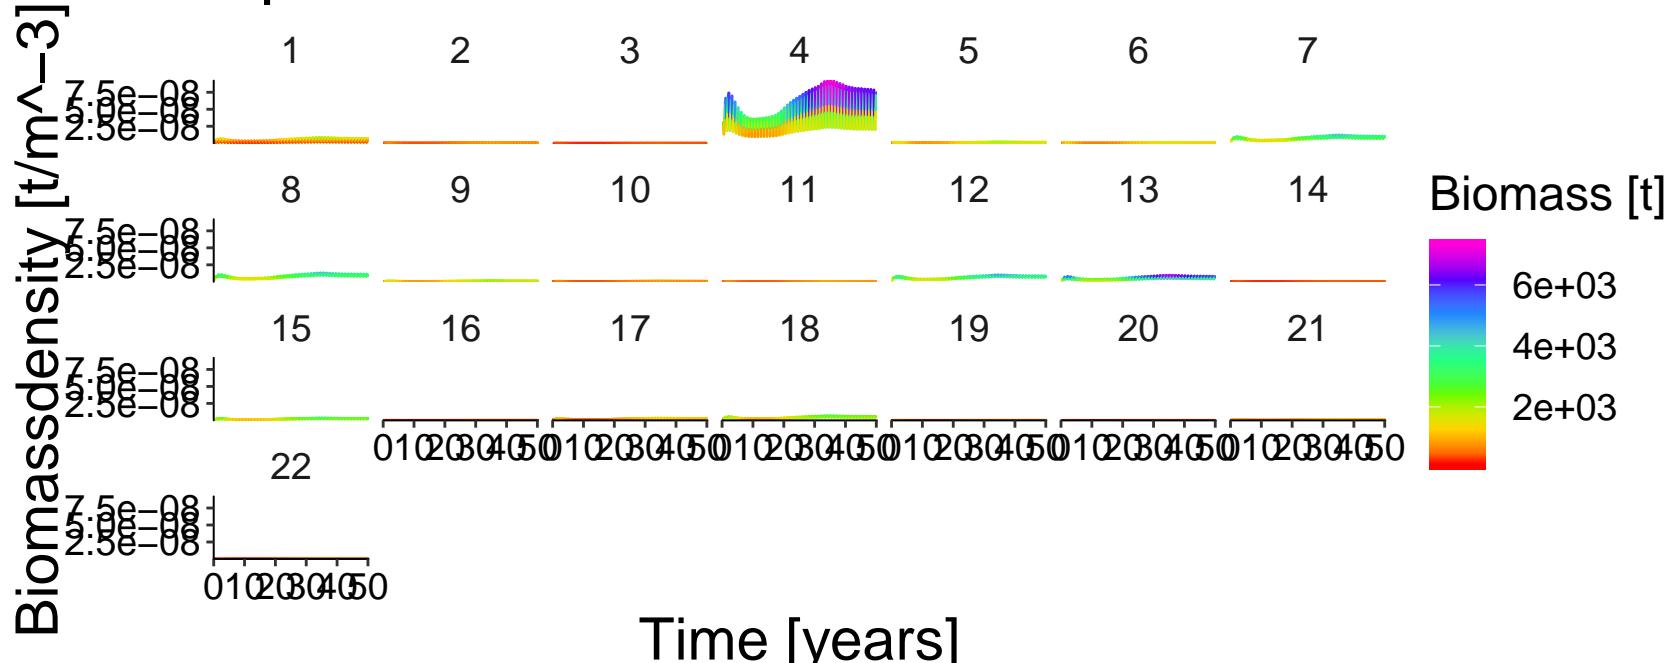

Species: Windowpane flounder with stanza: 1

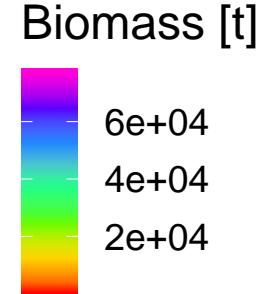

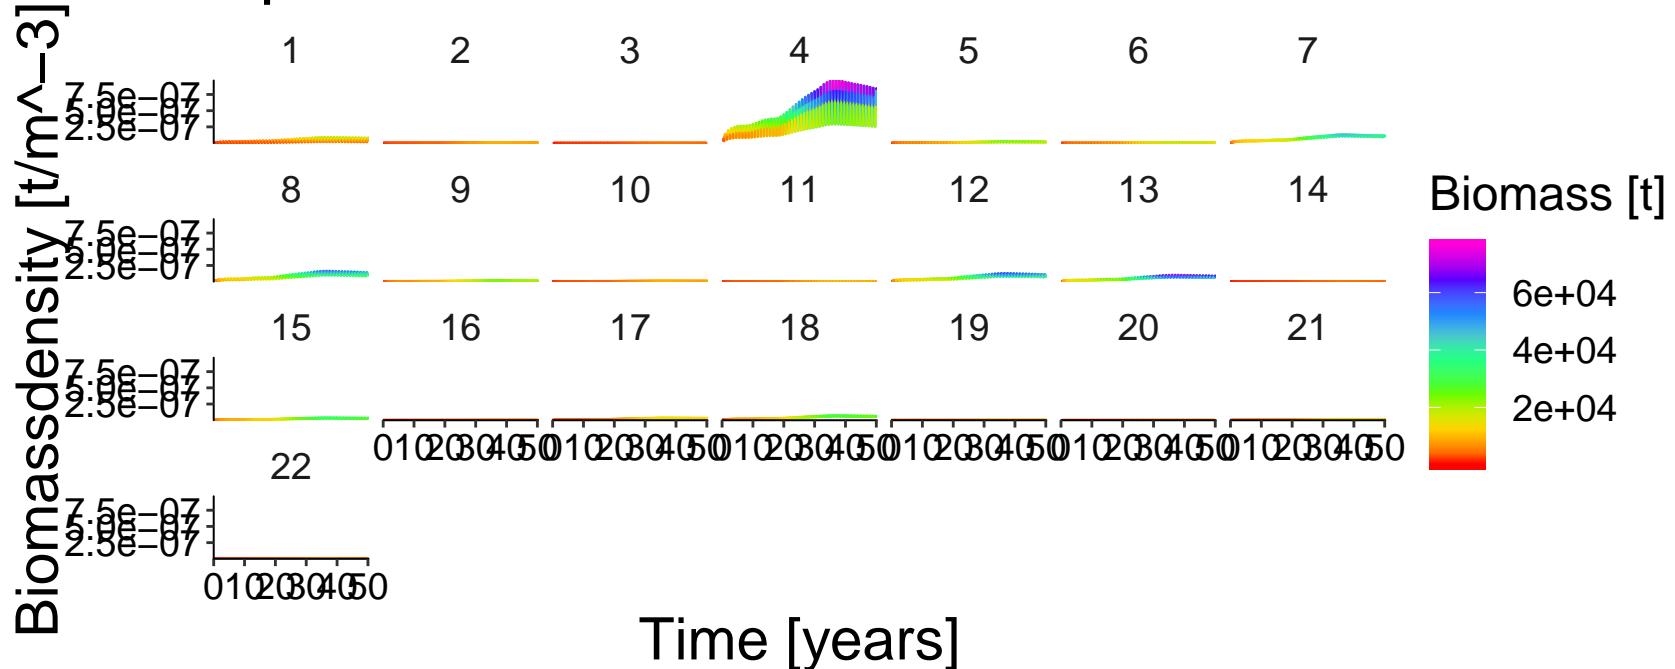

Species: Windowpane flounder with stanza: 2

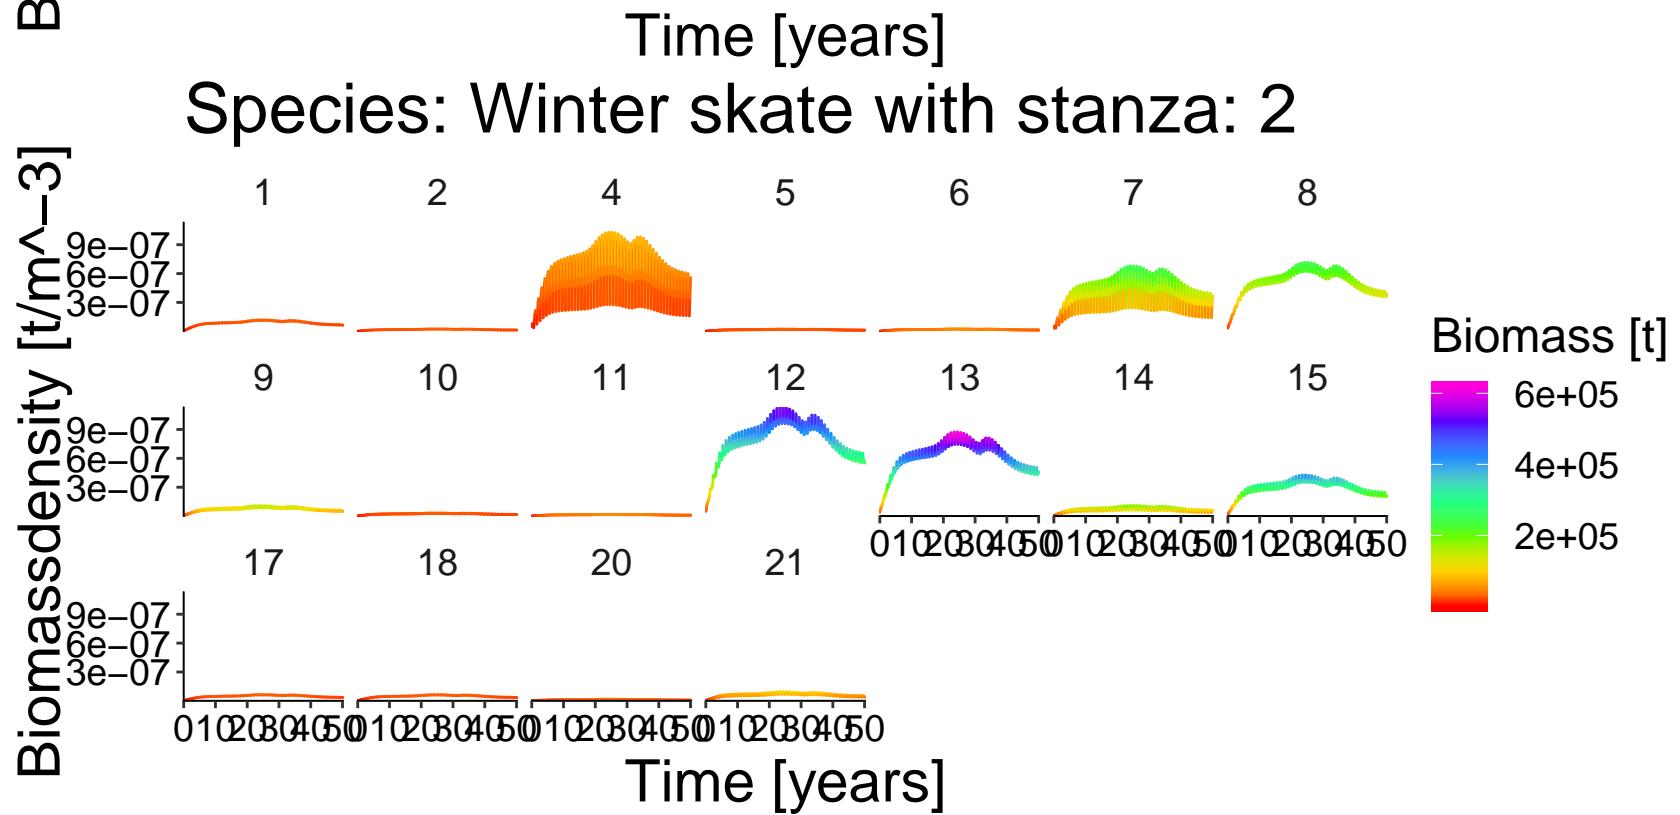

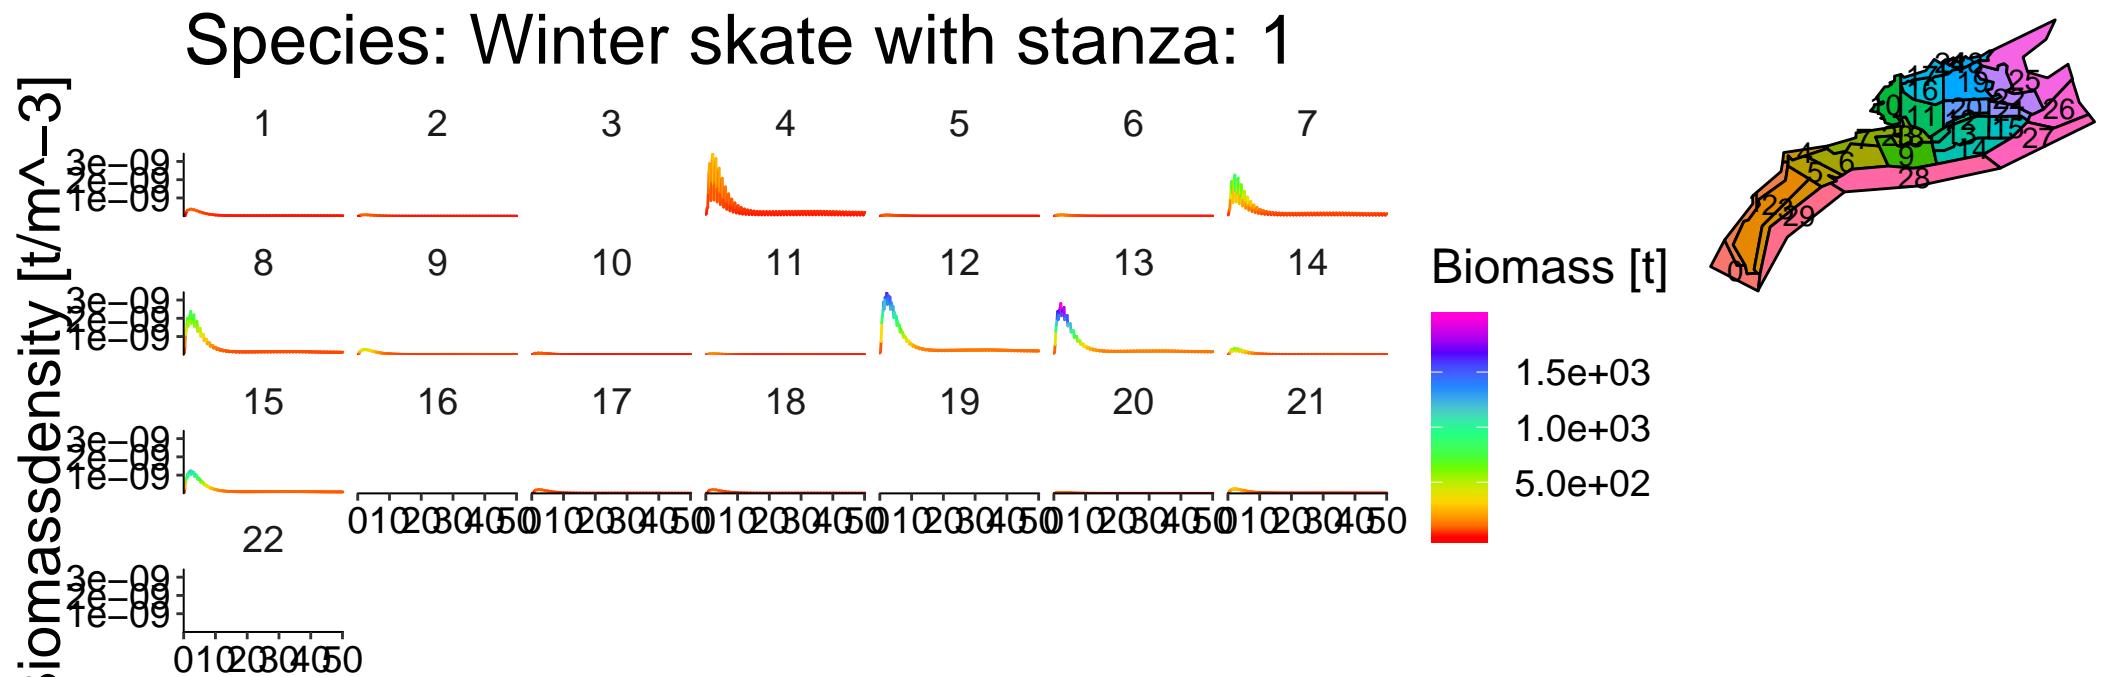

Species: Winter flounder with stanza: 1

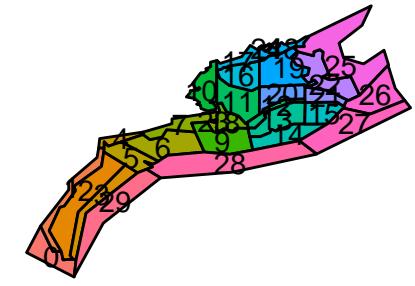

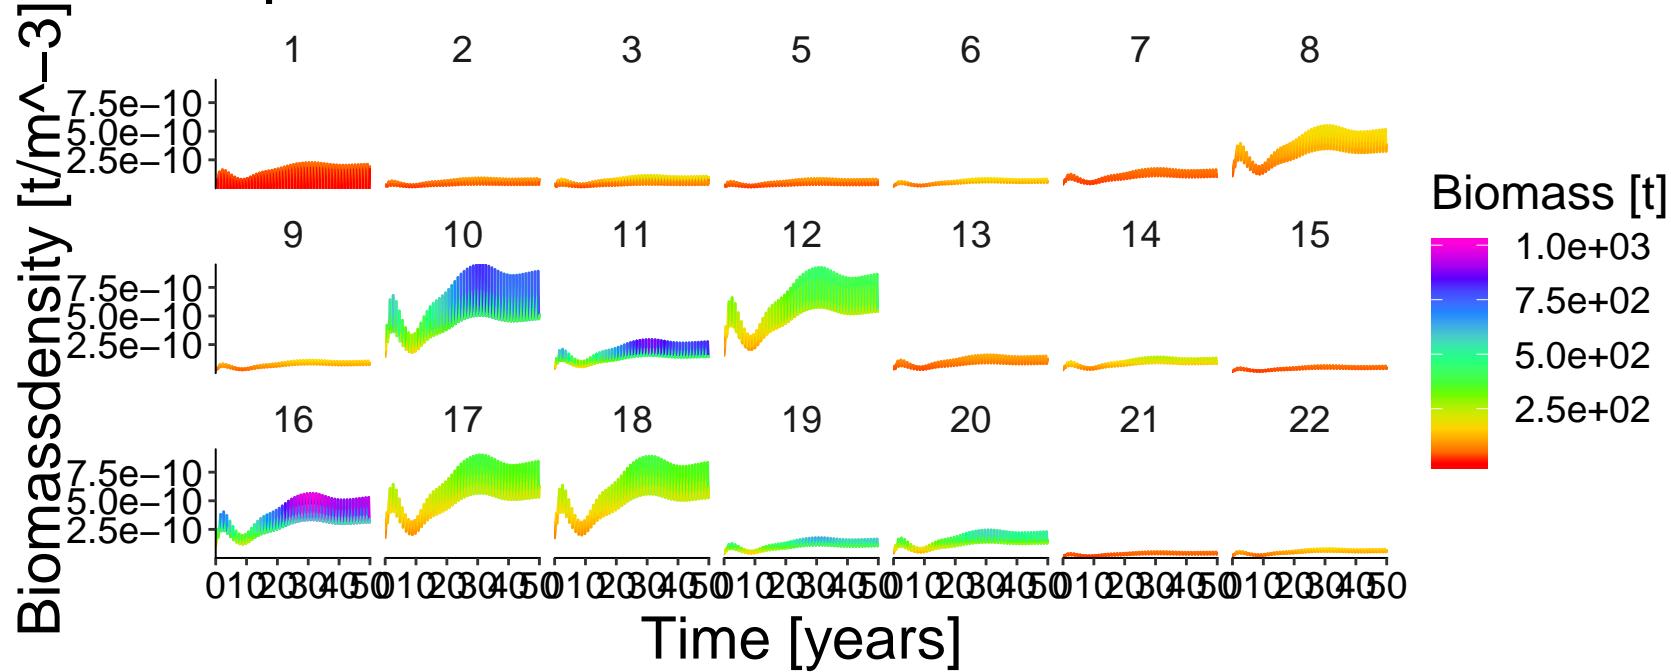

Species: Winter flounder with stanza: 2

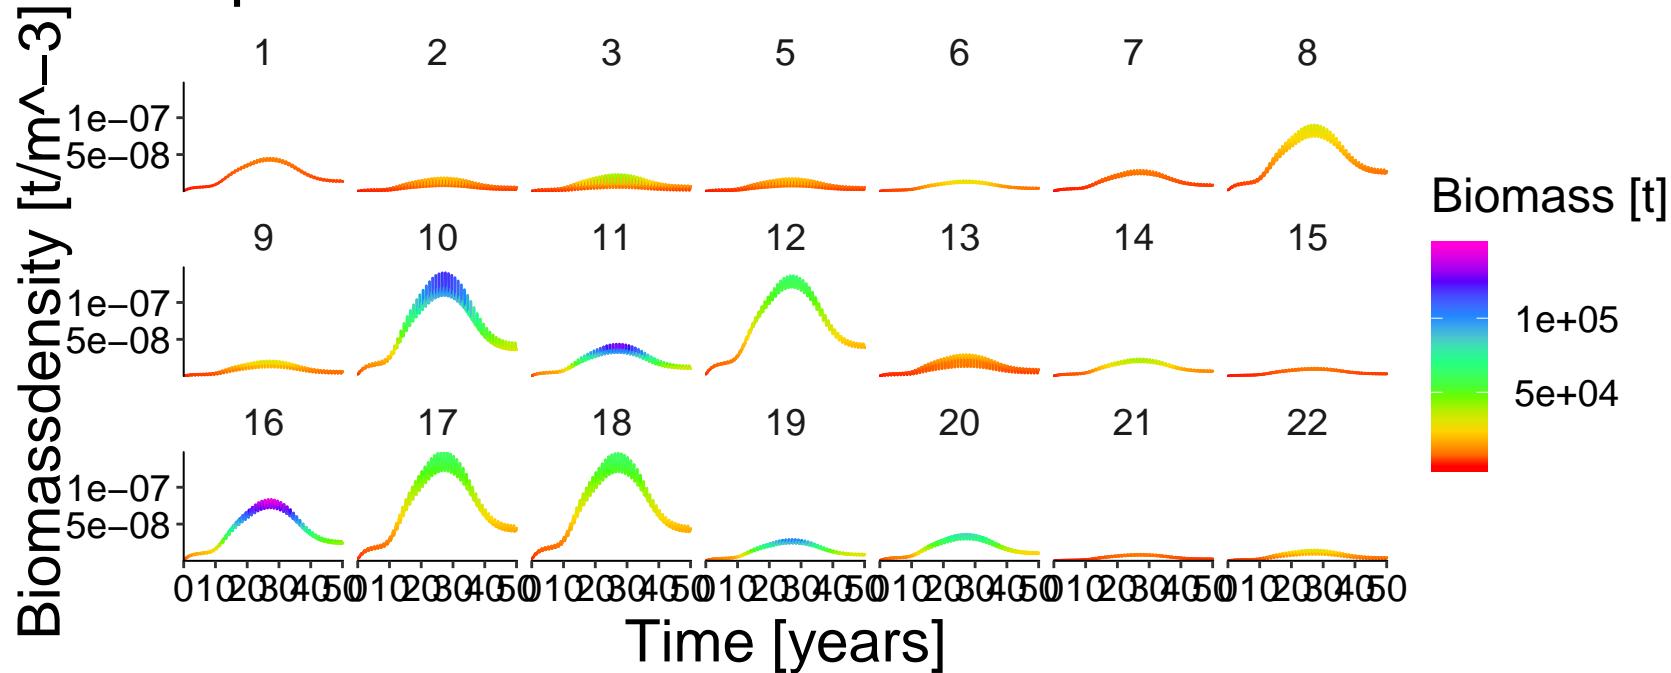

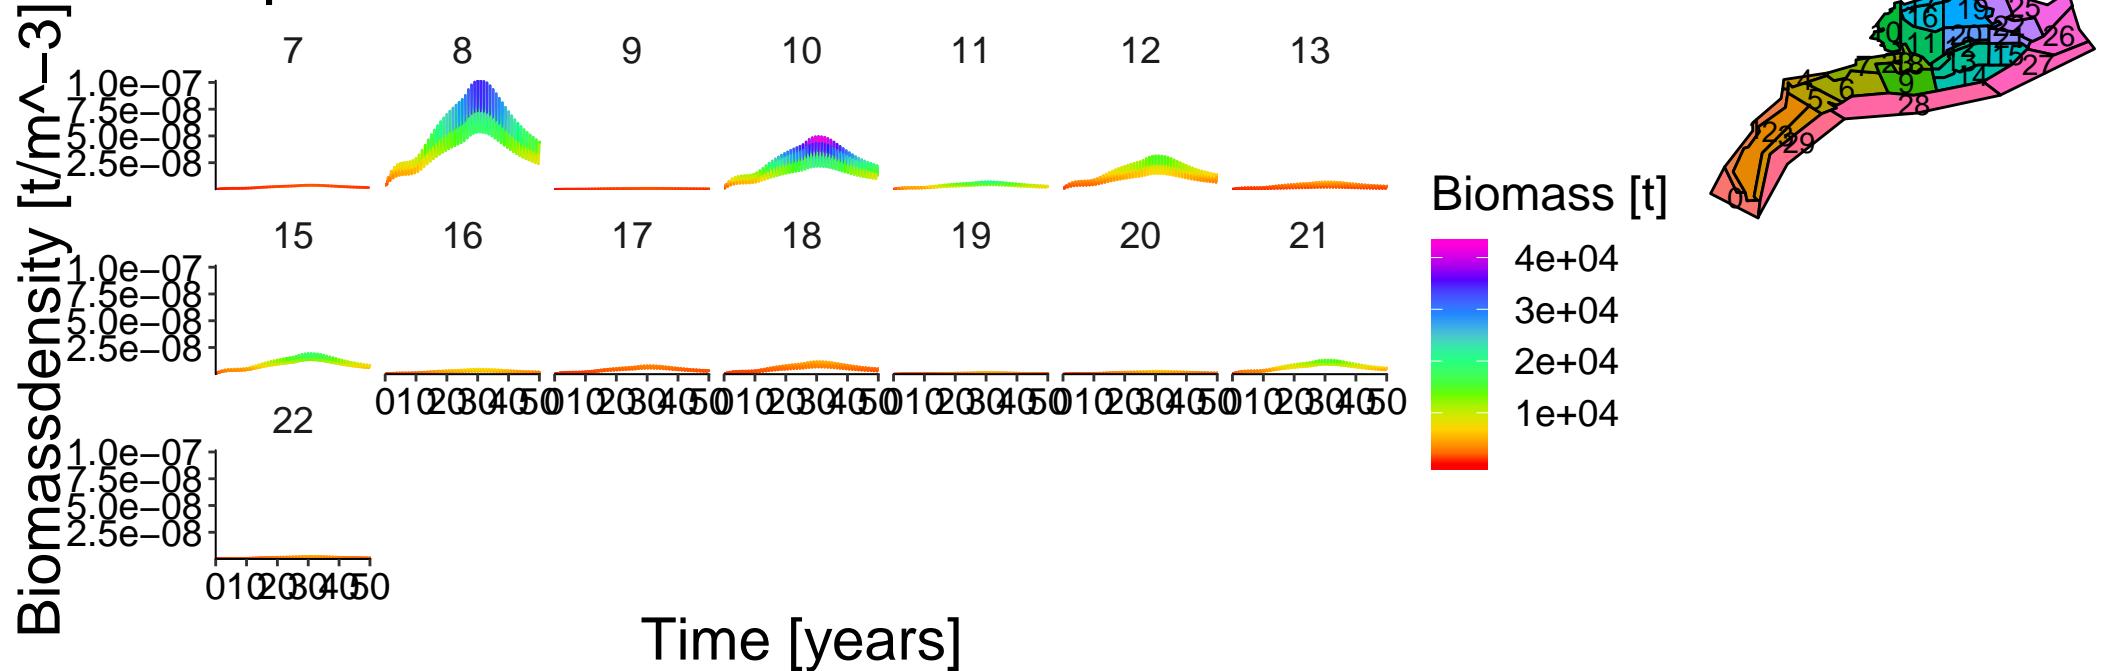

Species: Witch flounder with stanza: 1

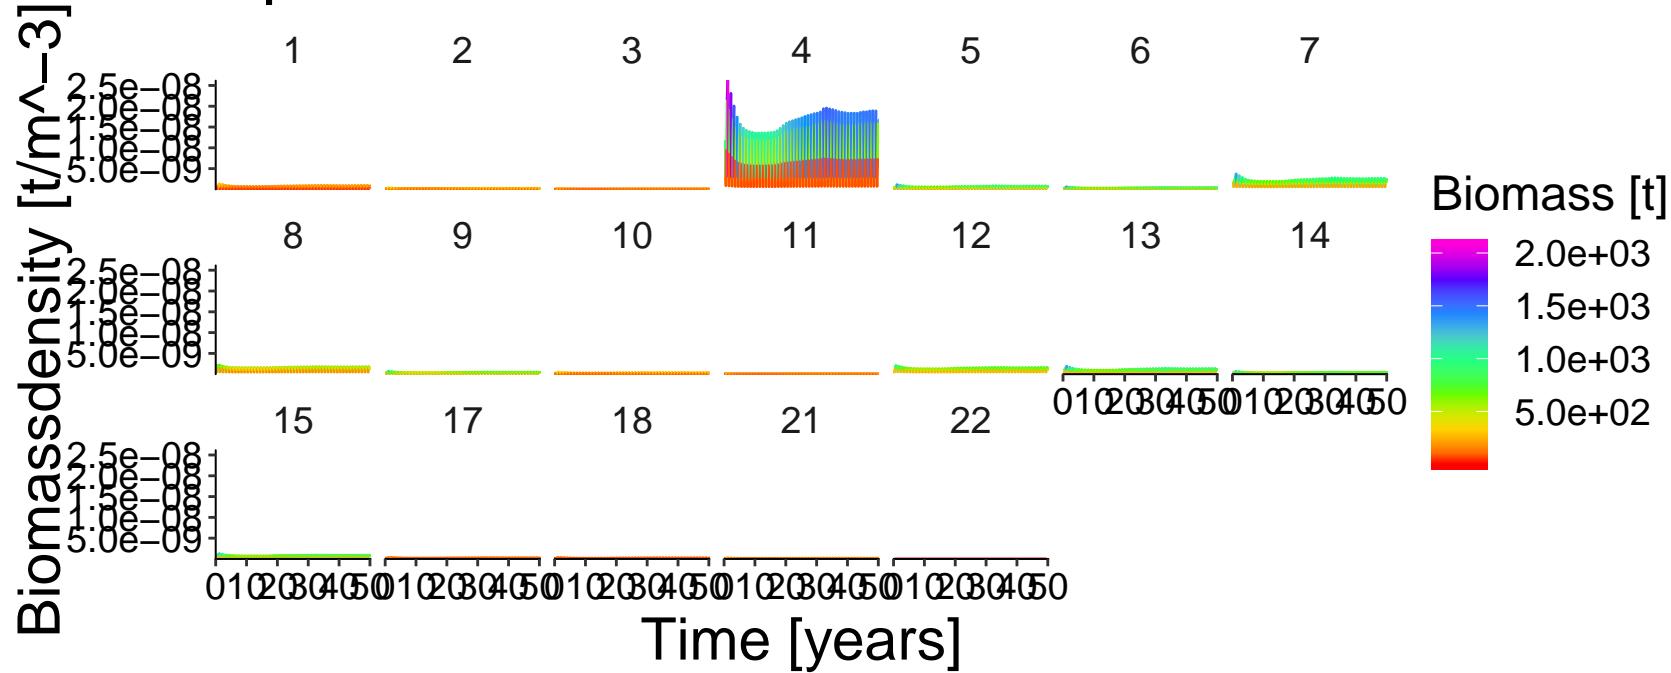

Species: Witch flounder with stanza: 2

Species: Wolffish with stanza: 2

Species: Yellowtail flounder with stanza: 1

Species: Yellowtail flounder with stanza: 2
